## THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

## THE STAR SPANGLED BANNER

By Francis Scott Key

Oh, say, can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming:  
Whose broad stripes and bright stars, through the perilous fight,  
O'er the Ramparts we watched, were so gallantly streaming,  
And the rockets red glare, the bombs bursting in air;  
Gave proof through the night that our flag was still there.  
Oh, say, does the star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

Oh, thus be it ever, when freemen shall stand  
Between their loved homes and the war's desolation;  
Blest with victory and peace, may the heaven-rescued land  
Praise the Power that hath made and preserved us a Nation!  
Then conquer we must, when our cause it is just.

And this be our motto - "In God is our trust";  
And the Star-Spangled Banner in triumph shall wave  
O'er the land of the free and the home of the brave.

## THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people whose just powers are derived from the consent of the governed, a democracy is a republic, a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution, to obey its laws, to respect its flag; and to defend it against all enemies.

— William Tyler Page

## GREAT SEAL OF WEST VIRGINIA

The Great Seal of West Virginia, which also is the Coat of Arms, symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the Seal bears the legend, "State of West Virginia," together with the motto, "Montani Semper Liberi (Mountaineers Are Always Free); a farmer stands to the right and a miner to the left of a large ivy-draped rock bearing the date of the state's admission to the Union; in front of the rock are two hunter's rifles upon which rests a Phrygian Cap, or "Cap of Liberty."

The reverse side of the Seal is not in common use today. It was people, by the people, for the people; whose just powers are derived intended to be employed when the Seal was attached to documents by ribbons and suspended in the manner of a medal.

Joseph H. Diss Debar, of Doddridge County, designed the State Seal in 1863 at the request of the first West Virginia Legislature.

## STATE FLAG

Before the design of the present State Flag was officially adopted by the Legislature on March 7, 1929, West Virginia had been represented by several flags which had proved impractical.

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is the Coat of Arms, the lower half of which is wreathed by Rhododendron. Across the top, lettered on a ribbon, is the constitutional designation—"State of West Virginia." The white field is bordered on four sides by a strip of blue, and for parade purposes all but the staff side are to be trimmed with gold fringe.

## REPORTS OF STATE OFFICERS

### STATE REGENT'S REPORT — October 1, 1974

To serve a State Society as its Regent is an honor; equally it is a responsibility and one that requires an accounting of Stewardship. It seems only a short time ago since the officers of this administration were elected and confirmed. This Regent has been blessed with a corps of capable, cooperative officers. The same can be said of the State Committee Chairmen.

Since the formal installation at National Congress, your State Regent has attended two National Board of Management meetings in Washington, D. C.; devoted much time and effort to carefully organizing this administration of the West Virginia Society, NSDAR. She has appointed chairmen for the National, State, and special Committees, and has cooperated in the preparation of the State Directory for distribution at Jackson's Mill. While at Jackson's Mill, she conducted both an Executive Board and a Board of Management meeting.

In March your State Regent attended the State CAR Meeting in Huntington and also the CAR Regional Meeting in July. These young people conduct excellent meetings and need all the help and encouragement DAR can give them.

During May and June your State Regent attended all five of the District Meetings.

Visiting a number of the West Virginia Chapters since her installation has been a great source of inspiration and a real pleasure to your State Regent. She is truly grateful for your many kindnesses and for your gracious hospitality.

Your State Regent takes no credit for the fine work done from October 1, 1973 to May 1, 1974, but as she reviewed the excellent reports of tasks completed she realized there was a goal for accomplishment in the future.

Less an omission occur in naming individuals and Chapters for their thoughtfulness, your State Regent chooses to express gratitude to all who have extended her any courtesy. However, she must express her appreciation to all who helped in any way to prepare for this 69th West Virginia State Conference. To Mrs. Samuel M. Davis, State Conference Chairman, along with Barboursville, Buford, Colonel Charles Lewis, and Jannie Wiley Chapters of the

Western District, Chapter Regents and the members of the individual Chapters she owes a debt that can never be repaid.

As she looks to the future, your State Regent anticipates the realization of completing a Bicentennial Project and increasing our membership. Her faith in the West Virginia Daughters assures her of this achievement. These first six months have been filled with work, pleasure, and sheer delight as your Regent has tried to carry out her responsibilities and to uphold the Historical, Educational and Patriotic objectives of the National Society.

It is indeed an honor and a privilege to serve the West Virginia State Organization, NSDAR.

Frances A. Corbitt  
(Mrs. John Edwin Corbitt)  
State Regent

### STATE VICE REGENT

This office has had a busy and happy spring and summer. In April we attended Continental Congress and was duly installed as Vice Regent of the West Virginia State Organization NSDAR.

Beginning in May and extending through June we attended all District Meetings: Central in Morgantown, Northern in Parkersburg, Western in Huntington, Southern at Twin Falls and Eastern in Shepherdstown.

On June 22nd we attended the Board of Management meeting and annual luncheon at Jackson's Mills.

July 13th we had the honor of installing the officers of the Col. Zackquill Morgan Chapter in Morgantown.

We journeyed to the Capital City and attended the 60th Anniversary Luncheon of Kanawha Valley Chapter on Sept. 14th.

We have handled all duties assigned by our gracious State Regent, Mrs. John E. Corbitt. But we would be remiss in our duties if we did not at this time recognize and thank all of you who responded so timely and generously in regard to some of the special assignments. Your cooperation overwhelmed us at times — we do THANK YOU most sincerely.

In addition to the duties of Vice Regent we are also serving as Honor Roll Chairman and Chairman of the Finance Committee. As required, we performed the duties of the office of State Treasurer from April, 1974 until June, 1974 when our new State Treasurer was selected.

It has been most rewarding to work with the State Treasurer, Mrs. Walter L. Spearman and to have played a small part in a very smooth transfer of the office to her.

The hours spent by your Vice Regent at her desk are not reflected in this report but it is sufficient to say that it has been a privilege to have served the West Virginia Daughters.

Velmagene Morgan Martin  
(Mrs. Homer P.)  
State Vice Regent

### CHAPLAIN'S REPORT

The State Chaplain has attended the Northern and Central District Meetings, the Jackson's Mill meeting, and State Conference.

At State Conference the Chaplain conducted a Memorial Service for 89 members who had passed away during the past year. Also, remembered at this occasion was our most recent President General, Mrs. Donald Spicer who passed away during September.

We are so much indebted to Mrs. A. M. Foose who recently retired as State Chaplain. Her guidance and assistance during our new days with the work have been so helpful. Special thanks are always in order for the church which opens its doors so graciously for our Memorial Service. This time it was the St. John Episcopal Church in Huntington. Such a contribution is a valued addition to the service the church provides in the community.

Two letters have been sent to each chaplain in the state, if we have the name of the chapter's chaplain, urging the chaplain to be observing as to the care of those who are ill, any shut-ins, needed transportation for elderly members to get to church, the meetings of the Chapter, the Doctor or Dentist office. It should be our joy to furnish all the assistance we can to our sister members.

Each name of a deceased member is entered in the State Register beneath the Chapter's name as the names are sent to your chairman. This record should be valuable to the organization as the years come and go.

May this be a good year for each chaplain for her chapter.

Laura Rector Hedrick  
(Mrs. Ralph W. Hedrick)  
Chaplain, West Virginia State  
Organization, NSDAR

### DAR MAGAZINE

October 1974

According to letter written by Mrs. Kenneth Maybe, National Chairman of the DAR Magazine, Gold Certificates will be awarded to the State with the greatest percentage of subscriptions. Silver Certificates will be awarded to the Chapter in each division with the greatest percentage of subscriptions, based on a ratio of total subscriptions to total membership. Special recognition will be given to each chapter having 100% subscriptions. No other national prizes will be given. The honor roll credit is the same as formerly: 25% of your total chapter membership as of February 1, 1975.

Last year West Virginia had one chapter with 100% subscriptions, Gen. Andrew Lewis Chapter. We had 21 chapters with 25% and over subscriptions.

I received a letter from the regent of Wheeling Chapter stating that 14 new subscriptions had been entered in the month of September 1974. West Virginia's rating is low and we can raise that rating if every chapter will follow the example set by Wheeling Chapter. Approximately 55,500 subscriptions were sold last year. Let's make an increase this year. We can if every member promotes and sells the magazine.

My letter sent out in the Regent's Packet this year requested the name and address of the chapter magazine Chairman. To date I have received 18. In order to enable me to make my report to National it is important that I get 100% response from the chapters in filling out and returning questionnaire to me when they are sent out early next year.

Lucy L. Wright (Mrs. Hugh E.)  
State Chairman DAR Magazine

SELL THE DAR MAGAZINE

### DAR MUSEUM

Only eight chapters reported on the DAR Museum. These chapters reported cash contributions and expressed a hope that there would be more action and interest during the coming year. This Chairman would like to

remind all DAR members that there is no finer place to put your most valuable possessions than in our own DAR Museum. It is here they will be shared and enjoyed by the thousands of visitors who come each year to tour our beautiful Museum and other DAR buildings.

Reporting for the Adam Stephen Project in Martinsburg, your Chairman is most grateful to the chapters who have included this project in their budget and for the wonderful cash contributions. During the past year a lovely hand-made afghan and needlepoint stool have been added to the room. Remember Daughters, this room is your representative in the Eastern Panhandle and we want to be proud of it.

Florence H. Moore, Chairman  
DAR Museum  
Adam Stephen Project

### WEST VIRGINIA STATE PERIOD ROOM

West Virginia is most fortunate to have one of the twenty-eight Period Rooms in Memorial Hall.

With the fast approaching Bicentennial it is up to our West Virginia Room to tell the story of our State to the hundreds of thousands of visitors who journey to the National Capitol and will not have the opportunity to tour our State.

The file on the West Virginia Room has been reviewed, and found we have almost no information about the histories accompanying the objects on display there.

A list has been made of all items. The Taws piano in our room is one of the finest musical instruments in the DAR Museum. The portrait over the mantle is of Dr. Richard Pindell, a native of Maryland who served as surgeon in the Maryland Army during the Revolution. A small rare desk probably of Virginia origin is also in the room. These are the most outstanding and valuable items we have, but I am confident we can find many more objects of value to be placed there, for West Virginia is rich in heirlooms and priceless items made before 1830. If you know of some treasure handed down from this period, I should like you to think seriously of placing it in our West Virginia Room. There is probably no place where you can share it with more people, or preserve it for posterity, and help perpetuate the memories of our ancestors and celebrate their achievements.

All Daughters of this State have been asked to help find items for our room, and to give generous cash donations. I should like to urge all Chapters to have a program on the DAR Museum to better educate our members on this worthy project.

Offered gifts should be reported to the Office of the Curator General before being sent on approval. If possible, photographs and all available information should also be reported at this time. Where possible, this information should include when and where made, and by whom. Genealogical information on all people mentioned, where and when the object was purchased, or how it descended in the family. In other words tell the whole story.

Your chairman is most grateful to the Chapters who have written to her and for their promise of financial aid.

Mrs. Grant Pierson Hall, Jr.  
Chairman

### GENEALOGICAL RECORDS

As Chairman of the Genealogical Records, it is a pleasure to greet you and ask for your continued assistance in contribution of source records, to one

of the most vital and challenging of the National Society's committees. Providing these records gives tremendous assistance to the membership program, and in addition, we shall be helping to preserve our historic heritage.

I am urging each Chapter Regent to appoint a chairman for this work, and to make it a Bi-Centennial project by copying 100 pages. Remember . . . each column of index counts two pages. All material should be indexed.

Twenty-one chapters out of fifty-five have reported the name of their Chapter Chairman. Some have reported the records they plan to copy. Three Chairmen have sent in records for their chapters.

It is a pleasure and a privilege to present John Hart Chapter of Elkins with State 1st place award. Elizabeth Ludington Hagans Chapter of Morgantown with 2nd place award, and Buford Chapter of Huntington with 3rd place award. Congratulations to these chapters for their fine work.

Mrs. Geraldine Sommerville (J. Frank)  
State Chairman

### MEMBERSHIP

Reports were received in March, 1974, from all Chapters. It was most gratifying that membership chairmen and in some cases chapter regents cooperated to the fullest extent in seeing that each Chapter's membership was reported. It is this fine response that shows our West Virginia Daughters can and do serve their Chapters responsibly and faithfully.

This year fifteen Chapters increased their membership. Thirty-one new Junior Members were accepted and seven C. A. R. members came into DAR.

Deaths and resignations continue to take their toll so that a decline in total membership is greater than the increase.

Our National Chairman, Mrs. Paul G. Myer, asks that, "We work with all our might to increase membership. The strength of patriotic women is needed now. Aim for a real gain of desirable members who will be dedicated to the objects of our Society."

I am most happy to present awards to the Chapters having the greatest per cent net increase in membership for the year. The first place award has been earned by Elk River Chapter, our newest Chapter. Second place recognition in the state is Blackwater Chapter. Third place award goes to James Barbour Chapter.

These Chapters and a number of others are to be congratulated for the fine work they are doing. Let's keep membership growing for it is the lifeline of DAR.

Irene E. Eib  
State Chairman, Membership

### **NATIONAL DEFENSE REPORT, OCTOBER 1974**

Fifty-four of the fifty-six Chapters in the state reported on their National Defense work.

An entire program on National Defense was reported by 39 Chapters; ten minute reports at regular meetings by 45 Chapters; 1973 Resolutions were studied and discussed by 40 Chapters.

Good Citizenship Medals were presented to 105 students, 18 at School Assemblies.

Three Chapters participated in the R.O.T.C. program, 3 bronze and 2 gold medals were presented. Eighteen Chapters donated \$72 to Dollars for Defense.

Twenty-three Chapters made an effort to increase subscriptions to the National Defense Mailing.

Special recognition for work done and reported is being given to seven Chapters: Buford and Col. Charles Lewis, Blue Ribbon; Col. Andrew Donnally, William Morris, Red; James Wood, Jennie Wiley and Mound, White.

These awards are based upon the total fullness of the reports, but each must have awarded a medal for Good Citizenship, must have made a contribution to Dollars for Defense and must have had a special program on National Defense.

Mrs. Edgar O. McClure, Chairman  
National Defense

### **PROGRAM COMMITTEE REPORT**

**October 1, 1973 — October 1, 1974**

Of the 56 Chapters in the State of West Virginia, thirty-seven returned the questionnaire. Twenty-eight yearbooks, four supplements and one insert were received for judging.

Twenty-eight books used the National Theme and twenty-eight books used the Motto, but many of these were in the wrong place.

Of the twenty-eight books received twenty-one received first place; six received second place; and one Honorable mention. Of the four supplements received, three received first place and one second place. The only insert

received was awarded second place. Considering that all communications were late this year due to change in administration, this is a very good showing.

Thirty-one of the Chapters used the National Program Suggestions. Sixteen Chapters ordered a total of 24 slides from National Program Office and fifteen chapters ordered a total of 30 manuscripts. All of the Chapters had a program on National Defense and presented the President General's Message and a National Defense Report at each meeting. All but one Chapter had reports on State and National Conferences. Thirty Chapters had a program on the Bi-Centennial and nineteen gave descriptions — many of them were outstanding.

The books and comments will be forwarded to the National Chairman and awards with comments will be sent to the Chapters.

The Awards from National will be announced at a later date.

### 1974 REPORT — CONSTITUTION WEEK COMMITTEE

Madam State Regent, Officers, Daughters:

This report presents the accomplishments of the Chapters, West Virginia State Organization, during Constitution Week, according to the point evaluation of the reporting forms:

45 Chapters, or 80% of State Chapters, submitted reports.	
The combined points of these 45 Chapters	688,403 points
Average of the 45 reporting Chapters	15,298 points
Of these:	
the top 10 average	45,895 points
the next 10 averaged	12,929 points
the next 10 averaged	6,672 points
the lowest 15 averaged	2,029 points

The over-all point range was 114,857 to 0 (2).

The Winning Chapters:	Points	Award
Ann Royall	114,857	\$12.00
Captain James Allen	73,145	8.00
Ohio Valley	62,587	5.00
Honorable Mention:		
Wilson Carey Nicholas	46,610	
Elizabeth Cummins Jackson	39,682	
Wheeling	27,825	
Col. Charles Lewis	25,550	
Matthew French	25,455	
John Hart	23,010	
Princess Aracoma	20,235	

The cumulative effort of our Chapters, and the response from the public, point up a tremendous out-pouring of patriotic spirit.

As we continue our report, we keep in mind that it is not only the number of points that count but also the quality of personal involvement in the activity that produced those points. Involvement of people - adults, youth, children - is important. For example: School Activities, from and by which children learn the history and significance of the Constitution. Submitted from Elizabeth L. Hagans Chapter is a schedule of Constitution Week Activities which lists:

- Citizenship Banner Program
- Bulletin Board - Constitution Week Theme
- Library Display of Patriotic Material
- Display of Flags at Home
- Study of the Constitution
- Spot Announcements
- Drama - The Boston Tea Party
- Special Study - Pledge of Allegiance
- Alistair Cook's America
- Study of the Star Spangled Banner in Reading

This shows real faculty involvement and teacher interest in presenting the Constitution of the United States of America to students.

Schools participated in varying degrees. The principal of one elementary school took the student body outside the building and explained the meaning of the Constitution. A teacher reported, "It was just wonderful." In another school, the Principal reported scheduled patriotic activities with singing of patriotic songs for each day of Constitution Week. After signing the form, she wrote: "P. S. I also observed Constitution Week at my home by flying the Flag." By number, it is true that it is just one more Flag but it shows teacher interest and involvement - the kind that counts . . . the act that is significant.

Some Chapters earned extra points by urging the display of the Flag of the United States of America throughout Constitution Week, and, by implementing original ideas. Import ideas were requests for original poems, essays, dramas, and skits; organization of a parade and Chapter participation in another; organization of a 187 Mile Walkathon; a request to a Congressman for a Flag of the United States of America which had flown over the Capitol of the United States, to be displayed in the parades; this request was granted. As "something that catches the eye", special consideration must be given to the banner that was made by a Daughter and displayed over a bank, and, to the Chapter which succeeded in getting announcement of Constitution Week, September 17-23, on the flashing Time and Temperature Board of the city; like consideration must be given to the observance that took the Constitution

Week Program to the Boy Scout Camps and the 4-H Clubs. The making of a Flag of the United States of America, by a Daughter, was an original idea, and, the making of Braille Flags, by several Chapters, was a new feature.

We are pleased that communities, throughout the State, displayed an increased number of Flags of the United States of America, that a greater number of churches participated in the observance, that 40 mayors of cities and towns signed proclamations, and, that Governor Arch Moore issued a Proclamation. We are gratified that, in most cases, we had favorable participation by the news media. The press, with news releases and editorials, was interested and generous; T V and Radio Stations gave time for interviews, editorials, and spot announcements.

It has been a pleasure to work with the Chairmen of the Constitution Week Committees in all phases of the observance, and we thank the 45 chapters that participated in 1974. We hope to have 100% participation next year. This means that we hope the other 10 chapters will activate Constitution Week observance and submit a report - regardless of limitations - in 1975. We emphasize that it is not the number of points that should be sought but the carrying of the message - revitalization of our appreciation of our great heritage, the Constitution. Contact with every community is important . . . we need to lengthen the cords of our tent.

We thank you for the privilege of working with you in this our great endeavor to do all that we can for preservation of the Constitution of the United States of America.

Nell Robinson  
Winifred Scott  
Co-Chairmen, Constitution Week

Acknowledgement is made of:

1. The Certificate - Continental Congress Award to West Virginia for the Best Report, East Central Division, 1973 - signed by Allison D. Ketcham, National Chairman, Constitution Week, September 17-23. This Certificate was received by Co-Chairmen, (1973) Mrs. Earl Watson and Mrs. Fred Riggs, Constitution Week Committee, West Virginia State Organization.

2. The Letter - from Mrs. James V. Zeder, Vice Chairman, Constitution Week Committee, NSDAR, received by the Co-Chairmen. These excerpts are drawn therefrom: "West Virginia has placed first in the East Central District for 1973 work, making it three years in a row. You can be very proud of your own work and that of your state for such a record." and, "This year West Virginia was first in news articles and pictures, radio minutes, spots, in all TV areas, in programs, displays and in amount of material distributed. Again, as before, I figured placing in ratio the number of chapters in each state. Michigan and Ohio came in second and third, Indiana fourth and Kentucky fifth."

## BICENTENNIAL

Let us throw ourselves into our celebration of the Bicentennial, not because it is an honor point, but because we can learn so much about the past that will help us enjoy the present so much more and act as a bridge for the future.

Fifteen chairmen have sent me their names, plans of Bicentennial activities - either planned for later this year or already a part of that chapter's history; and I feel that so many more of you will be reporting exciting ways you and other organizations in your communities are working together to make July 4, 1976, the culmination of two years' activity that will help us all to understand and remember our history better, with more meaning than ever before.

Among those plans . . . the John Hart Chapter in Randolph County is planning to completely refurbish an 18th Century Room in the Randolph County Museum, which will be a reading room with artifacts displayed. We all know how active the Pt. Pleasant Chapter has been in their week long Pt. Pleasant celebration, just completed, with the chapter hostess for a tea on October 6, and a Memorial service on October 11.

Some areas are more steeped in history, lend themselves better to real involvement and large scale planning, and I know it is really difficult for some of you to make big plans for such a celebration. But every chapter can make this a time to find the oldest house, the oldest still used school, church, etc. in the community. Search for history from older citizens and then record it. Compile histories of pioneer families. Join with other organizations for community-wide celebrations, and hopefully plan some project that will continue through the future, like a Museum or Revolutionary soldiers' graves marked, oldest houses, churches, schools marked with appropriate ceremonies.

Be sure you get a copy of the questionnaire, "Bicentennial Action Report" from me during Conference, mail them back to me by February 15 if you wish your chapter's activities to be judged for awards to be presented at the 84th Congress.

Martha Jane Becker  
Chairman, Bicentennial Committee

### FINANCE COMMITTEE

Your Finance Committee is pleased to inform you that the finances of this organization on Sept. 15, 1974 were in good condition. Through the frugal efforts of the Immediate Past State Regent, Miss Lucile Stutler, the treasury was turned over to this administration in a healthy state. Our present State Regent, Mrs. John E. Corbitt, has continued in a like vane.

With the West Virginia Daughters approval, money has been wisely invested in special funds and are drawing interest. These investments are reflected in the State Treasurer's report. Additional investments can be made and this committee recommends that short term investments be considered by the Daughters, under the watchful eyes of the State Treasurer.

It should be noted that due to increases in costs of printing, supplies, postage and etc., our financial picture for the coming year will change drastically. Nevertheless, it is felt by the members of this committee that there should be no increase in dues at this time but rather a tightening of the "belt". We must all help to fight inflation in every way we can.

For your consideration we present the following distribution of the assessment for 1974-75.

## REPORTS OF CHAPTER REGENTS

### ANNE BAILEY CHAPTER

The Anne Bailey Chapter is happy to have been on the Gold Honor Roll for seventeen consecutive years, and is one of only eight chapters in the National Society to have achieved this honor.

We have twenty-seven Junior Members. Anne Bailey was well represented at Continental Congress, State Conference, Western District Meeting, and the Jackson's Mill Luncheon, and reports were given to the chapter on each.

The chapter has a chairman for all National Committees, whose work is shown in the reports of the State Chairman and the State Treasurer.

Our Student Loan Fund at West Virginia University made loans to thirty-three worthy students this year. The chapter presented a ROTC Medal to an outstanding Cadet at West Virginia State College, gave three Good Citizen pins, six American History Medals to the winners in five participating schools. These winners, their parents and teachers were honored at our George Washington Coffee in February. The chapter gave a United States Flag Plaque to Anne Bailey Elementary School.

We are honored to have three of our members serving as State Chairman, and one member, Mrs. Grant P. Hall, Jr., serving as National Vice Chairman of DAR Magazine Advertising Committee and her seventh consecutive year as a member of the National Bylaws Committee.

Delegates were elected, attended and reported on National and State meetings; Continental Congress, State Conference and District Meetings.

Our membership of fifty-eight, had one withdrawal but added one new member and three names were presented and accepted for processing. One member is an Honorary State Regent, Past Vice President General and State Chairman of a National DAR Museum Committee.

Since our town is a race track center, the Chapter went on record as opposed to Sunday racing and the introduction of Dog racing.

Two birthday parties honoring our members who are ninety and over were given and a tea following the July Fourth placing of flags on all DAR graves greatly refreshed those who participated.

The president of Berkeley County Historical Society gave a scholarly account of the family of General Adam Stephen, whose home is one of our State projects, on George Washington's Birthday at a luncheon.

Mrs. Russell Wright, Historical Landmark Commissioner has selected the St. George Chapel Ruins as a definite Historical landmark, this was made possible only after the title was cleared and recorded through the untiring effort of Mrs. C. Constitution Week was especially outstanding. Many, many flags were flown from homes and public buildings; spot announcements on radio and television; it was advertised in newspapers, church bulletins, brought before schools, civic clubs and patriotic organizations, and displays were garnered for this momentous week.

All phases of DAR work were represented in programs during the year to qualify for Honor Roll. Programs were taken from the DAR Magazine and from material requested from National. We are placing special emphasis on Bicentennial information as suggested by National.

Eight (8) Good Citizens Medals and certificates were presented to girls from each of the eight (8) high schools in Fayette County. The Chapter's Board-Members cooperation has been excellent, which has made great things happen.

Cooperation with Charleston area planners of the Bicentennial has been 100 per cent. The area has been recognized as a Bicentennial Community. Programs planned have caught on. The Freedom Train stop scheduled for Charleston has gotten the attention of DAR Chapters.

The Seminar of the American Revolution Period conducted by Chapter has had wide acclaim. Local tours have proven quite interesting for our members, some having visited the various historic markers placed by the Chapter. The first marker placed was on September 15, 1915, Fort Clendenin, on Kanawha Blvd. It carries the story of the Fort with Ann Bailey and Fleming Cobb's contribution to the cause explained. Also, graves of members marked are being attended to and Revolution soldiers' graves located.

The Chapter has fine public relations. The newspapers, TV and radio have given most generous space, etc.

Various committees have done their part with American History. DAR Good Citizen Committees have worked well with public schools and contestants have been awarded Chapter recognition. The CAR and Indian Schools received more than minimum attention - money, boxes, etc. A naturalized citizen from England spoke to the Chapter. This year there has been greater effort to find an entry in high schools for the National History Contest.

The State Regent recognized three of Kanawha Valley's members by appointment to serve the state . . . Eleanor Haner, Editor of the West Virginia DAR News; Mary Jane Copley, assisting as Circulation Manager; Jeanne Gerlach, State Chairman of Juniors; and, Helen Holcombe, Vice Chairman of USA Bicentennial Committee. The incumbent Regent is serving the third time as the Chapter Regent. The Chapter regrets to report the loss of seven of its members. The Chapter has gained approximately 10 members since February 1973, thanks to Mrs. O. W. Lupardus, Chapter Registrar.

Chapter Regent instructed Chapter Treasurer to send Fact Sheet 1974 with Annual Dues Notice to Chapter Members. Many favorable replies have

been voiced due to this late report on our NSDAR work and on the explanation of how the "Dues Dollars" are spent.

The Chapter is urging that flags be made for the blind.

Chapter meetings have had large attendance with programs stimulating and challenging.

"June For Juniors" has been set up for a complete program by the 18-35 group and among other things "Old Glory" will have a significant spot. The Chapter has sold over \$25.00 worth of their stationery. Several Juniors have been appointed as Pages, both Nationally and State. Interest has been given to the YOMOKA Society. YOMOKA plans to plant memorial trees on the grave plot to the two Morris children killed at the time of the American Revolution. One DAR member transferred to the Chapter and three are getting papers ready to transfer to us in November.

The Theme for 1974-77 selected by the President General, Mrs. Harry S. Jones, is most appropriate. "What thy hand findeth to do, do it with all thy might." —Ecclesiastes 9:10. With the leadership of our State Regent, Mrs. John E. Corbitt, encouraging members and Chapters to work, work "Kanawha-Valleians" have taken their work seriously and will work to produce able and lasting service to the Society and to the Nation. Much has been done which precludes enumerating, however, National Defense has had top priority on our program. A library project is under way and a Bicentennial Brochure is under consideration.

In June, the year started off immediately the week following installation to lay plans for the celebration of the Chapter's 60th Year. It was decided to make it a Homecoming and Guest Day Affair. All Chapters in the District were invited, as well as State Officers and Chairmen. The Program carried the Chapter's Charter and the Program was dedicated to the Organizing Members, Mrs. Woodson T. Wills, the first Regent. Over 125 reservations were received for the September 14 luncheon. Mrs. Corbitt gave the principal address "The Constitution of the United States." Mrs. A. W. Maness presented the early story of the Kanawha Valley Chapter. Four State Officers, twelve State Chairmen, eight Chapter Regents, and many DAR members, plus guests from other patriotic and civic organizations attended. Mrs. Harry Miller and Mrs. P. T. Brecker gave their all to make the luncheon a success. A special letter was read from Mrs. Henry Stewart Jones, President General. The Mayor of Charleston was represented, telegrams and letters were received from public officials and numerous DAR members.

The decorations for the 60th Anniversary party and the Bicentennial were carried out in red, white. Mrs. Eleanor H. Haner was chairman. Patriotic musical selections were presented by Mrs. George G. Burnette and her daughter, Betsy, who set the stage for the entire program, which was climaxed by the cutting of the Birthday cake by the Regent. The pages assisted the Regent.

All Chapter officers and chairmen have sent reports to their respective State officers and chairmen for the 69th State Conference to be held in Huntington. The Chapter will have full representation at the Conference. The Chapter has one 54 year member; one 50 year member. Also, a large number of 25 year members.

Since it was the beginning of the first Three-Year Term for the Chapter, the Year Book was compiled with the hope that it not only be attractive but functional and as accurate as possible. It is our hope, also, to carry the idea throughout that we really have been grateful to the founders of our country and in particular, this year, give expression to the group of fine women who organized Kanawha Valley Chapter, and which furthermore has been proven that "Their Work Was Not In Vain."

The copy of the original Chapter Charter granted by the NSDAR and which appeared on the 60th Anniversary celebration program will be a keepsake for the members.

The Regent could not consider her report complete should she fail to give praise and thanks to Miss Virginia A. Varnum, Year Book Editor, and her able co-workers who presented the Chapter with the beautiful Anniversary and Bicentennial Year Book.

Helen D. Holcombe, Regent  
(Mrs. V. Eugene)

## WHEELING CHAPTER

Delegates represented Wheeling Chapter, NSDAR, at Continental Congress and West Virginia State Conference. It had representation at the Annual Mid-Summer Conference, the Northern District Meeting, and guest representation at the Annual National Defense Luncheon of Blennerhassett Chapter,

the 60th Anniversary Luncheon Meeting of Kanawha Valley Chapter, and the Luncheon Meeting of Chautauqua Circle Chapter, Chautauqua.

Programs constituted the highlight of the year. The program committee adhered to the objectives of our society - historic preservation, educational pursuit, patriotic endeavor - and produced outstanding programs. Each monthly meeting had a reading of the President General's Message, a National Defense presentation from the National Defender or DAR Magazine, and a business meeting; it was preceeded by the meeting of the Board of Management. The hospitality committee arranged a good setting for each meeting and hostesses gave gracious reception. We have 135 members.

Monetary contributions to projects of National Society, Daughters of the American Revolution, West Virginia State Organization, and Wheeling Chapter, were determined by a well prepared budget. Contributions were increased in some areas such as for the schools - Kate Duncan Smith, Tamasee, and St. Mary's.

Activities were varied. The accent was on youth. Participation in the American History Contest was gratifying as there was a large number of entries and a fifth grade student, Kathy Papadimitriou, had the winning entry for the essay "A Child of 1774". She was one of two divisional winners of West Virginia which is in the East Central Division of the National Society.

Good Citizen Awards were presented to five High school girls. Their choice, by high school guidance counselors and faculty members was based on dependability, service, leadership, patriotism, and scholarship. Each girl received a Good Citizen Pin and Certificate.

Good Citizenship honors were presented to six Ohio County sixth graders. The youngsters, students at the county's public and parochial schools, were awarded medals after their selection by school officials and classmates. The basis for selection was the DAR standards for honor, service, courage, leadership, and patriotism.

In presentation of awards for the above projects, and also for Excellence in American History, students and their mothers were invited to our meetings and formal presentation of awards made.

Observance of Constitution Week, with good response by the public, was impressive. Through courtesy of radio stations WWVA and WOMB, the Committee Chairman had three interviews with the Directors; the Regent had a guest interview on Wheeling's Television WTRF, and a special editorial was given by the latter. Spot announcements were given by three stations. Wheeling's News-Register gave a convincing editorial - "The Constitution". Effective coverage was gained through distribution of literature, placards, exhibits, and letters to church officials and ministers, schools, civic and patriotic groups, and individuals. School officials were cooperative. Students appreciated, and responded well, to Constitution Week.

The Patriot Index, the First and Second Supplement, were presented to the Ohio County Library by the Chapter Librarian.

Chapter representatives attended the inaugural ceremonies of West Virginia Northern Community College when Dr. Daniel Boyd Crowder was installed as First President.

The Flag of the United States of America had a distinct part in every meeting as we offered the Pledge of Allegiance. The Chapter gave a Flag, and participated in its dedication, to the Russell Nesbitt School of Wheeling. Members attended the dedication of the restored Old Custom House of Wheeling, as the First Capitol of the reformed State Government of West Virginia, and saw flown over it the 34 Star Flag which was the gift of the Chapter. At our June meeting, the Chairman of the Committee - the Flag of the United States of America - gave pamphlets on the history and proper display of

the Flag to members and guests. Guests were members of the Zane Trace Chapter of Ohio.

Wheeling Chapter had coordinating representation, through its American Revolution Bicentennial Committee, on the American Revolution Bicentennial Commission of Wheeling.

National Defense literature was on display at each meeting and a 10 minutes report was made by the National Defense Committee Chairman. Resolutions of the 83rd Continental Congress were summarized and reported, and a printed copy of the Resolutions was given to each member. The literature, (leaflets, and pamphlets) of our Society was distributed, and, pertinent information on membership was given with suggestion that each member become a committee of one to interest and encourage prospective members.

The Chapter was pleased that it had two applicants for the Eleanor H. Smith Scholarship Award despite the fact that they were not successful.

The Chapter was privileged to present the Blanche L. Reymann Memorial Scholarship Award of 1974, to Miss Cynthia Anne Kanick - a worthy student of Wheeling College - for the Blanche L. Reymann Memorial Scholarship Award Committee, Mrs. D. B. Kraybill, Chairman.
