## **CONTENT AND SCOPE OF THE COLLECTION**

The Hammat Family Papers consist primarily of correspondence between members of the Giles and Samuel Hammat families of Wood (later Pleasants) County, (West) Virginia and their relatives in Virginia and Missouri, between 1829 and 1860. Included in this portion of the papers are letters from Samuel B. Hammat to his brother John; they describe his journey down the Ohio and Mississippi Rivers during the winter of 1846-1847. Also of interest are the letters written by various relatives describing their settlements in Missouri in the 1840's and 1850's.

Miscellaneous financial papers dating from 1822 to 1862 are also included; itemized store accounts make up the bulk of these documents.

## HAMMAT FAMILY

The Hammat family originated in Loudon County, Virginia, before the Revolutionary War. At least two Hammat brothers, Giles and Samuel, migrated to the western-most counties of Virginia in the late 1830's. Another brother, Edward, remained in Leesburg, Virginia.

By 1832, Samuel and Giles were established in that part of Wood County, Virginia, which is now in Pleasants County, West Virginia. Samuel Hammat served as one of the first commissioners of the county court when the new county was formed in 1851, and Giles Hammat served on the first grand jury.

Giles Hammat had at least three children: John W., Richard, and Samuel B. He died in 1862.

Samuel Hammat married twice: first to Winifred Howell in 1811, then to Ellen Gale in 1832. With the latter, he had the following children: Mary Ellen, George S., John E., James W., Samuel C., Thomas C., and Robert G. Hammat.\*

\*Part of the biographical information was obtained from *The History of Pleasants County, West Virginia*, by Robert L. Pemberton (St. Mary's, West Virginia: The Arcade Press, 1929).
