at a spot called Maple Grove

Marshall University traces its origin to 1837, when residents of the community of Guyandotte and the farming country nearby decided their youngsters needed a school that would be in session more than three months a year.

According to records, these residents met at the home of lawyer John Laidley and planned their school. They named it Marshall Academy in honor of Laidley's friend, the late Chief Justice John Marshall.

At a spot called Maple Grove they chose one and one-quarter acres of land on which stood a small log building known as Mount Hebron Church. It had previously been the site of a three-month subscription school and remained that for another term. Eventually, \$40 was paid for the site.

On March 30, 1838, the Virginia General Assembly formally incorporated Marshall Academy. Its first full term was conducted in the 1838-39 school year.

For decades the fledgling school faced serious problems, most of them financial. The unsettled times of the Civil War forced it to close for several years. But in 1867, the West Virginia Legislature renewed the institution's vitality by creating the State Normal School at Marshall College for the purpose of training teachers.

However, it was not until the tenure of MU President Lawrence J. Corbly, from 1896 to 1915, that the college began its real growth. In 1907, enrollment exceeded 1,000. Today it is about twelve times that number.

Since the early 1900's Marshall's expansion has generally been consistent and sometimes spectacular. The College of Education, first called Teachers College, was organized in 1920 and the first college degree was awarded in 1921. The College of Arts and Sciences, now known as the College of Liberal Arts, was formed in 1924. Twenty-four years later, the Graduate School was organized.

The College of Applied Science came into being in 1960; the School of Business, in 1969. These two were merged into the College of Business and Applied Science in 1972 and renamed the College of Business in 1977.

In 1974 the School of Medicine and Associated Health Professions was established. The Community College was formed in 1975, and the College of Science was authorized by the West Virginia Board of Regents a year later. Other additions to the academic program in this decade are the School of Nursing and the W. Page Pitt School of Journalism.

From academy to college to many colleges — Marshall was granted university status in 1961. Today it has an alumni body of more than 31,500.

Since the formation of the West Virginia Board of Regents in 1969, Marshall University's progress as an urban-oriented institution of higher education has been given strong impetus. As a result of this support, and because of active local leadership and a centralized location in the busy Tri-State area, Marshall is a university with excellent prospects for future development.

we
help
you?”***

The Dean of Student Affairs is involved in all university matters relating to student welfare, with primary involvement in those matters not related to academics. The Dean of Student Affairs meets with the Council of Academic Deans and with committees and administrators concerned with the various Student Services, supervises the Student Affairs staff, helps to assess the learning and social needs of students, and recommends ideas to make Marshall a more productive and pleasing university for students.

Services and programs for students are provided through three major areas of Student Affairs. These are (1) Student Life, (2) Student Development, and (3) Financial Aid. Each area is outlined in the following pages to provide an understanding of student services available, and opportunities for participation in programs that enhance student experiences at Marshall University.

The office of the Dean of Student Affairs is located in Room 118, Old Main.

student life

The area of Student Life is responsible for leadership in and coordination of activities and events which are designed to make your life more interesting, challenging, and pleasant in the realm of out-of-class learning experiences and social entertainment. The Student Life Office is MSC 2W31.

Mary-Ann Thomas
Associate Dean of Student Life

The Associate Dean of Student Life is responsible for providing leadership, staff and programming in the areas of:

- Residence Hall Programming and Staff
- Student Activities
- Recognized Student Organizations (including Greeks)
- Marshall Artists Series
- Student Legal Aid program
- Student Code of Conduct/University Judicial Board
- Student Governance

RESIDENCE LIFE

This unit is concerned with the selection and training of the residence halls staff and with providing an environment for living-learning experiences. Activities may range from social events to faculty visits and from seminars to informal interaction. A group living situation offers an excellent opportunity for learning about oneself and living cooperatively with others.

Since most of a student's time is spent in the residence hall, it is important that he/she have input

into the types of programs, procedures, and policies which take place. For that reason, the Residence Hall Government Association was formed. It is run totally by and for students. We urge you strongly to get involved in it early and have a significant say in determining the type of environment in which you live. Interested residents should contact the Head Resident or the student president of the Association upon arrival on campus. The Residence Life Office is located in TTE, first floor.

STUDENT ACTIVITIES AND ORGANIZATIONS

The Coordinator of Student Activities and Organizations assists students in utilizing activity fees to provide the highest quality entertainment and cultural events possible. These include contemporary issues programs, lectures, films, concerts and cultural programs. Many of these events are organ-

ized in cooperation with the Huntington community. The Coordinator of Student Activities is primarily responsible for overseeing the work of eight student activities programming committees. A calendar of events is available for each semester. The office is located in the Memorial Student Center, 2W38.

STUDENT ACTIVITIES PROGRAMMING

The philosophy behind the Student Activities program at Marshall University is based on the belief that college is an experience, and a complete college experience must involve not only the development of academic and/or vocational competencies, but also the development of personal and interpersonal competencies and interests designed to help the student acquire knowledge and skills for continued growth. Part of this experience is found in the excitement of working with other students on a programming committee, an experi-

ence which provides not only interpersonal relationships, but also special training in leadership qualities vital to the student's future life experience.

The programs chosen and presented by the Student committees should help to create a stimulating, creative and enjoyable campus environment for the audience and committee members alike. Consequently, this involvement is considered co-curricular, rather than extracurricular, due to the fact that involvement in Student Activities supplements formal classroom education.

PROGRAMS:

Cinema Arts

This committee is responsible for film programs on the Marshall campus and sponsors two series of films: Magic Theater, which presents contemporary and popular entertainment films, and Arts and Cinema Society, which presents contemporary foreign and experimental films, and classic films from the period 1895 to 1970.

Sundown Coffee House

The members of this committee are responsible for booking attractions for the Sundown Coffee House in the basement of the Memorial Student Center and for the implementation of these programs. A variety of acts are offered each semester, including rock groups, folk singers, bluegrass, blues, jazz, movies, and video.

Contemporary Issues

This committee programs events and lecturers on topics of current national, international and local interest to students. In the past the committee has presented such programs as Star

Trekking with Scotty, a lecture by news correspondent Barrie Dunsmore, and such notable personalities as Julian Bond, Ralph Nader, and Jack Anderson.

Special Events

This committee selects and presents outstanding contemporary and popular artists and entertainers during the day and evening as a special benefit to commuting students. Such artists in the past have been magicians, comedians and mentalists. One new feature of this committee's programs has been the expansion of its events to various campus locations, such as the residence halls, the Student Center plaza and residence hall cafeterias.

Concerts

Members of this committee stage concerts by nationally known recording artists, both on campus and off, and participate in every facet of programming, including promotion, publicity, and staging. The committee co-sponsors an all-day concert during Spring Week.

Travel and Recreation Bureau

This committee plans for students, faculty and staff such recreational activities as backpacking, skiing trips to Snowshoe or Canaan Valley, trips to Florida or other areas during Spring Break, and hiking in the spring and fall months.

Homecoming

This committee organizes each spring to begin planning for the events of Homecoming week the following Fall, and consists of eight subcommittees: dance, concert, weekday activities, pre-game and half-time activities, house and residence hall decorations, publicity and queen elections. This committee works closely with the Alumni Association, Student Government, Residence Hall Government, the Student Life Office, Interfraternity and Panhellenic Councils and the Minority Students Programs Office.

Student Activities cooperates with all areas of the University Community in programming to meet student interests as well as educational and informational needs.

The making, drawing, issuing, uttering or delivery of any such check, draft or order, for or on behalf of any corporation, or in its name, by any officer or agent of such corporation, shall subject such officer or agent to the penalties of this section to the same extent as though such check, draft or order was his.

financial aid

Financial Aid is one of three areas under the Division of Student Affairs. Our emphasis is service to you the student. We provide **scholarship assistance** to recognize the outstanding students, and **financial assistance** to 3,000 students, who, in many instances, would not be able to attend college without this assistance, including work-study.

The necessary information concerning the eleven different aid programs is available at the Marshall University Office of Student Financial Aid, Old Main 126.

The **Career Services Office** located on the first floor of Prichard Hall. Career planning and decision-making needs to begin in the freshman year of college. Through the Career Services Office students gain information and assistance relating to full-time and part-time employment opportunities, summer employment, involvement in extern- and internships with area business and industry, interview and resume writing workshops, and, in the senior year, a listing of prospective employers for interview. A weekly Employment Opportunity Bulletin is also circulated with a complete listing of job vacancies in business, education, and government.

The professional staff will provide all the necessary information upon request. Open daily from 8 a.m. to 4:30 p.m. in Prichard Hall Lobby. Telephone is 696-2370 or 696-2371.

STUDENT EMPLOYMENT SYSTEM

To comply with Affirmative Action legislation, the Financial Aid Office administers all student employment.

Student employment falls into two categories:

- 1)** Student Assistants, who are students employed from institutional funds.
- 2)** College Work-Study students, who are employed from federal funds awarded on the basis of financial need by the Financial Aid Office.

student employment

EMPLOYMENT PROCEDURE FOR STUDENT ASSISTANTS

Departments wishing to employ student assistants must forward to the Financial Aid Office a job description for each available position. Each job description will be posted for a period of ten consecutive days.

During the posting period, interested students report to Room 121, Old Main, to apply for a position by the identification code number as-

signed to each job description. Each student is then given a referral sheet identifying the prospective employer to whom to report for a personal interview.

After the interview, the employer will complete for all nonacceptable applicants a referral form indicating the results of the interview. For the student selected, the employer will

complete a memorandum stating the effective date of employment, hourly rate of pay, and other pertinent information concerning the employment.

The employer will return the referral application of the student selected to the financial aid office for initiation of the personnel action request (PAR).

EMPLOYMENT PROCEDURES FOR COLLEGE WORK-STUDY STUDENTS

Each department requesting student employees under the college work-study program must submit at the end of each school year its request for student employment, describing the job and identifying the number of students requested for the next academic year. A request form for this purpose is forwarded to all areas of the university by the Financial Aid Office.

Each student authorized for work-

study employment by the Financial Aid Office will present to the interviewer an Introduction Sheet and a Marshall University Personnel Action Request form. Only students possessing these forms should be interviewed by the university unit.

The Introduction Sheet will direct the student to the university unit requesting student employees. The student's name, requested position, and employment authorization are

indicated on the Introduction Sheet. When a student is approved for employment by the Unit, Part I of the Introduction Sheet must be dated and signed by the unit supervisor and student employee, and the Marshall University Personnel Action Request form must also be completed and returned to the Financial Aid Office at that time. The P.A.R. must be typed and signed by the department or unit supervisor.

PAYROLL PROCEDURES FOR ALL STUDENT EMPLOYMENT

The Payroll Department will issue an IBM timecard each month to the university unit employing students. This timecard must be signed by the supervisor and submitted to the Payroll Department on the last day of each month. The supervisor is responsible for any errors appearing on the student's timecard. Any timecard not properly completed and signed will be returned to the supervisor. This delay will cause the late receipt of the payroll check by the student employee. In the event the supervisor does not assume the necessary responsibility in processing the time cards, the Financial Aid Office will regard such an action as justification to reassign the student to another

university unit for the remainder of the employment term. Questions concerning student payrolls should be directed to the Financial Aid Office.

Payrolls are prepared for transmittal during the first week of each month following the previous month's pay period. Student employees' checks are disbursed by the Cashier's Office approximately ten days after the transmittal has been submitted. The official pay date for all student employees is designated for the 20th of each month. If checks arrive prior to that time, they will be disbursed upon receipt.

All student assistants must be enrolled and attending classes to be eligible for employment. Work-study

students may work while not enrolled and not attending classes during the summer. Student employees may not work during the weeks of semester break and vacation periods without the express consent of the Financial Aid Office.

Work and pay specifications are subject to changes as required by the University's participation in federal assistance programs and by the availability of federal and state funds.

Under no circumstances may a student be paid for more than the maximum hours provided in the program. Student employees will be paid only for the number of hours actually worked, and these hours must be verified by the supervisor.

STUDENT EMPLOYMENT SUSPENSION AND APPEAL PROCESS

IMMEDIATE SUSPENSION OR DISMISSAL

A student employee may not be immediately suspended or dismissed without proper justification for such action. A University employer may initiate such action in the event of the following occurrences:

- (A) Reporting for work while under the influence of alcohol or partaking of alcohol while on duty.
- (B) Theft or dishonesty.
- (C) Flagrant violation of recognizably reasonable standards of conduct.
- (D) Willful destruction, defacement, or mishandling of University property or that of its employees, students, or visitors.

SUSPENSION OR DISMISSAL DUE TO ABSENCES FROM WORK

The student employee and employer should develop a mutually agreeable work schedule at the beginning of each semester. Student employees unable to report for their scheduled work hours are responsible for providing the respective supervisor with advance notification.

A student employee must be notified in writing of the employer's ab-

sence policy upon initiation of employment. Student employees may be suspended or dismissed for failure to adhere to the departmental policy in this regard. Such action however may not be initiated until after the employer has notified the student employee in writing (copy to Financial Aid Office) of his/her deviation from the absence policy of the

respective department.

Should a student employee be terminated for this reason, the Office of Student Financial Aid must be notified in writing of the implemented action. The written notification must include the departmental policy in this regard, and the specific dates of the suspended or dismissed employee's unexcused absences.

UNSATISFACTORY WORK PERFORMANCE OR CONDUCT

Student employees are expected to conduct themselves in the same manner as all University employees. Unsatisfactory performance or conduct which interferes with the successful operation of a department may result in the suspension or dismissal of a student employee.

The student employee and employer must first attempt to resolve differences prior to any formal disciplinary action. If differences cannot be satisfactorily resolved, the student employee must be given a three (3) week probationary period prior to the employer's initiation of any formal disciplinary action. The probationary period may not begin until the student employee has been provided with written notification (copy to the Financial Aid Office) of the supervisor's concerns. The student employee must also be advised of employer expectations during the probationary period.

The student employee's work performance must be evaluated after the three (3) week probationary period. This evaluation must be made in writing (copy to the Financial Aid Office). If work performance has not satisfactorily improved during said period, the student employee should at this point be notified of the employer's intent to terminate employment.

The preceding outline of the termination procedure due to unsatisfactory work performance or conduct need not be followed if the student employee and employer agree that a transfer to another department is best for all concerned. The Office of Student Financial Aid should be advised of the mutual agreement, and the student employee should be instructed to report to said office for another placement assignment.

APPEAL PROCESS

The student employee shall have the right to appeal in any action of suspension or dismissal. The appeal process must be initiated within five (5) working days of the suspension or dismissal action. The appeal process is as follows:

STEP I: The student employee should discuss concerns with the department head within five (5) working days from the date of formal disciplinary action. If it cannot be resolved at this level:

STEP II: The student employee should notify (in writing) the Office of Student Financial Aid of his/her desire to appeal the implemented disciplinary action. Such written notification must be provided within three (3) working days following the completion of STEP I. A member of the Financial Aid Office staff will then attempt to resolve the matter to the satisfaction of both concerned parties. If it cannot be resolved at this level:

STEP III: A committee of five (5) individuals will be formed to evaluate the position of each party. The committee will be comprised of two (2) students (one selected by the student employee and one selected by the employer), a member of the Student Conduct and Welfare Committee, the Affirmative Action Officer of the University, and the Assistant Director of Student Financial Aid. The committee will establish a mutually agreeable time to hear the position of both parties involved in the matter. DEPARTMENT OF SECURITY

The Marshall University Department of Security (University Police) is the law enforcement agency most directly responsible to the university community. Located in the basement of Old Main, the department provides around-the-clock service in all areas of law enforcement as well as providing 24-hour ambulance service. The ambulance is operated by University Police Officers who are also certified medical attendants.

University officers are sworn peace officers by enactment of the W.Va. legislature and have full police authority upon any premises owned or leased by the State of West Virginia and under the jurisdiction of the Board of Regents. All officers of the department receive extensive basic training and continued in-service training designed to further develop their professional skills.

For the protection of the University community, M.U. Police Officers, who can be easily recognized by their official brown uniforms and trooper-style hats, patrol the campus and surrounding areas twenty-four hours a day. Protective services pro-

vided especially for students include security duty in the four largest residence halls from 11:00 p.m. to 7:00 a.m. seven nights a week, a night escort service upon request to locations on and adjacent to campus, and Project I.D., a program in which valuables are engraved free of charge and registered in the Security Office.

Members of the University community can assist in preventing crime by using awareness and common sense. Unusual happenings and suspicious persons should always be immediately reported, and personal property should be protected by keeping residence hall rooms and vehicles locked, by not leaving keys or valuables in cars, and by not walking alone at night. Victims of rape or attempted rape should contact Security immediately. On file with Security is a list of faculty and staff women who are interested in personally assisting victims.

student government

The Marshall University Student Government is continually growing as a viable part of university life. Through the channels of Student Government, students are making decisions that directly affect them.

Beyond a lesson in democracy, Student Government offers vital interaction with those individuals committed to the goal of a better Marshall.

Student Government is concerned with improving the effect of education upon a student. Through its many channels of communication, it offers input into the issues which directly concern the lives of the Marshall University student body.

Student Government consists of three divisions: **SENATE**, **COURT**, and **CABINET**. Under the constitution, Senate elections are held twice yearly, in

September and in February. This allows for a revolving membership as in the United States Senate. Constituencies are residence hall off-campus housing (Greeks and Independents), and transient (commuter) representatives.

The Student Court is charged with two main functions: 1) The interpretation of the Student Government Constitution; and 2) the exercise of judicial review over all actions of Student Government.

The **STUDENT BODY PRESIDENT** heads the **CABINET** and appoints all its members. Cabinet members are ratified by the **SENATE**, to whom they must report concerning their commission or post. Regular meetings are held to discuss matters coming before Senate and Cabinet, and to report on the progress of each commissioner in his field.

CABINET

Cabinet members are appointed to posts as Commissioners. The following post constitute the Cabinet:

- Academic Studies Bureau
- Campus and Student Affairs
- Residence Hall Affairs
- Elections
- Publications and Public Relations

CONSTITUTIONAL REVISION COMMITTEE

Marshall University reaffirms the principle that its students have a right to be free from sex discrimination in the form of sexual harassment by any member of the university community. Individuals seeking redress or information concerning sexual harassment should contact one of the following: Coordinator of Student Conduct (696-3183), Student Legal Aid Program office, (696-2366), or the Dean of Student Affairs (696-6422).

residence halls

The Student Housing Office, Old Main 115, and Residence Life Office, TTE, maintain six residence halls which house approximately 2,150 students. Each residence hall provides students with the best possible living and learning conditions. The students' experiences in hall government, educational, social, and recreational programs, and their association with residence hall staff members give them an opportunity for sound academic and social development. All of the halls are located at con-

venient points on campus within a five-minute walk of any classroom building.

Marshall University has a mandatory housing policy requiring all freshmen and sophomores, if space is available, to reside in university owned and operated residence halls unless they reside with their parent(s) and commute to and from the university from that residence. Married students are exempt.

Failure to comply with this policy will result in cancellation of the student's registration.

ROOM APPLICATIONS AND RESERVATIONS

Since all freshmen and sophomores who do not commute to the university from home are required to live in university residence halls, all freshmen who are admitted by the university for enrollment are sent residence hall applications. The application must be accompanied by a \$50.00 refundable (if cancellation notice is received prior to July 1) reservation deposit.

Room assignments are made by the Student Housing on a first come, first serve basis without regard to the student's race, religion, or national origin. The student is assigned to the residence hall of his/her choice if possible. If there are no vacancies in the preferred hall, he/she will be assigned to a room in another hall. Students wishing to room together should make every effort

to send in applications and the \$50 deposit in the same envelope.

Room and board fees are divided into quarterly payments (two per semester) and are due on August 1, October 15, January 1, and March 1.

Rooms are furnished with study desks, single beds, and chests of drawers. Curtains and desk lamps are not provided.

EXPENSES

Room and board rates for the various residence halls are as follows:*

HOUSING

CONTRACTS

Consummating an agreement to live in university residence halls constitutes a contract. The stipulations of that contract are: (1) that the student resides in his assigned residence hall for the entire academic year; (2) that the student abides by the governing rules and standing traditions of the residence hall; (3) that the student purchases a meal ticket for one of the university dining halls; (4) that the student will receive no refund of any portion of room and board fees because of withdrawal from the university after the first week of classes for each semester.

LOSS OR DAMAGE OF PROPERTY

The university is not responsible for loss of or damage to personal property of students who reside in residence halls. If parents' homeowners insurance does not cover student belongings, it may be desirable to purchase additional insurance coverage. Students are advised to lock their rooms whenever they go out of the hall.

RESIDENCE HALL GOVERNMENT ASSOCIATION

The RHGA is a student-run organization which provides a cohesive voice for residence hall students in matters which concern them. It also provides educational and social programming, with use of a \$5.00 student fee. All residence hall students are welcome and encouraged to participate. The office is located off the lobby in Twin Towers West, campus phone (696)-2422.

HOLIDAYS

Residence halls are not open during Thanksgiving, semester, and spring vacation periods. Holderby Hall is open to accommodate special students. The halls close at 6:00 p.m. on the last day of class before holidays begin. At the close of a semester, students must vacate their residence hall within twenty-four hours following their last examinations.

FOOD SERVICES

All students living in the residence halls are required to purchase a meal plan and take their meals in the university dining halls. Meals are also available to students rooming off the campus at the same rate as resident students.

The meal plan is not valid during vacation periods. If it is necessary for the student to remain on campus during

these periods, he/she can obtain meals at regular cafeteria prices if the cafeteria remains open.

Meal plans will become effective on the first day of classes of any semester or summer term. Meals taken prior to the first day of classes must be paid for in cash.

Students will be issued a meal ticket upon payment of room and board fees. This

meal ticket must be presented prior to entering food lines at each meal.

No deduction or refund is made in board charges unless the student is absent from the campus for more than a calendar week because of personal illness or a university-approved trip. No deduction is made in room charges for absences.

RESIDENCE HALL BEER POLICY

Marshall University, in recognition of the need to provide an honest, open living-learning environment in the residence halls, and in recognition of the nature of the student body,

states the following policy on beer on campus.

Possession and consumption of beer is permitted in the residence halls under the following conditions:

1. Consumption or possession is limited to the privacy of student rooms (except for possession as stated in 3 below) and prohibited in public areas of the residence hall.

Any area not designated by the University as student residence room is considered a public area (e.g., lounges, game rooms, cafeteria, halls, stairwells, bathrooms, window ledges, etc.).

2. At no time will containers larger than individual bottles or cans be allowed. Kegs or similar containers are prohibited.

3. When bringing beer into the building it must be in a shopping container such that the nature of the contents is not evident in the public areas.

4. Each resident, 18 years of age or older, will be given the opportunity to request and will be assigned a roommate who will not possess or consume beer in the room, or allow others to do so. Students under 18 years of age must reside in rooms restricted to "no beer."

5. Serving, giving or selling beer to anyone who is not legally able to possess or consume beer under the laws of the State of West Virginia is forbidden.

6. Residents shall participate in the alcohol education program sponsored by the Residence Hall Government Association and/or the Residence Life staff.

7. Illegal acts, policy violations, and disruptive or destructive behavior will be administered under the appropriate laws of the State of West Virginia, Cabell County, and City of Huntington, the Policy, Rules and Regulations of the Board of Regents, and the Student Code of Conduct of Marshall University. An attempt to use the excuse of "under the influence of alcohol" will be viewed with serious reservations for any behavior which is a violation of the policies, rules and regulations, and the rights of others to a secure and healthy living/study environment.

8. There will be periodic evaluations of this policy to determine its impact on the quality of residence life. After each evaluation the Residence Hall Government Association and/or the Residence Life staff will recommend to the President the continuation or rescinding of the policy.

This policy extends to students of Marshall University a privilege allowed by the Board of Regents and the continuation of this privilege is dependent upon responsible student participation.

OFF-CAMPUS HOUSING

Marshall University does not designate any housing not specifically owned by the university as "university approved." The university does not and cannot supervise the health, safety, living standards, and contractual arrangements of students living in privately owned dwellings. Any student who decides to live in one of these residences accepts full responsibility for his choice with relation to the aforementioned items. However, staff members are available for consultation regarding matters related to your housing. Student Government operates an off-campus Housing Investigation Bureau to assist students; an Energy Conservation Commission; Student Recruitment Program; and Student Consumer Protection Agency.

(See Student Government Section, Page 00.)

UNIVERSITY HOUSING FOR MARRIED STUDENTS

Housing for married students is provided in 84 furnished family dwelling units owned and operated by the university. The units include a wide variety of accommodations with rents ranging from \$115 to \$220 per month. The apartments are one to two bedroom units with kitchen, bath, and living room. Efficiency apartments are also available. Applications may be secured from the University Housing Office. Married full-time students are eligible to reside in married student housing units.

academic life

This section is from the University Catalog and is meant only to give direction to academic policies. For more details, consult the University Catalog.

GRADES AND QUALITY POINTS

The following system of grades and quality points is used within the institution:

- A. For superior performance. Four quality points are earned for each semester hour with a grade of A.
- B. For performance distinctly above the average in quality. Three quality points are earned for each semester hour with a grade of B.
- C. For performance that is of average quality. Two quality points are earned for each semester hour with a grade of C.
- D. For performance of below-average quality. One quality point is earned for each semester hour with a grade of D.
- F. Failure, given for unsatisfactory work. No quality points.
- W. Withdrawn on or before the eighth Friday after the first class day of the regular semester or the third Friday after the first class day of a summer term. Not considered in determining the quality point average.
- WF. Withdrawn failing after the eighth Friday of a regular semester or the third Friday of a summer term. It carries no quality points and is used in determining the quality point average.
- WP. Withdrawn passing after the eighth Friday of a regular semester or the third Friday of a summer term. Not considered in determining the quality point average.
- I. An I grade (Incomplete) is given to students who do not complete course requirements because of illness or some other valid reason. The student has the responsibility of completing the work satisfactorily, and if this is done, the final grade may be any one of the four passing marks. If a deficiency indicated by I is not made up within a calendar year, or if the makeup work is unsatisfactory, the grade becomes F. The I grade is not considered in determining the quality point average.

CREDIT/NON-CREDIT OPTION

An undergraduate student may elect to present a maximum of 18 semester hours of credit on a credit-non-credit basis towards fulfillment of requirements of a baccalaureate degree. The decision to take a course on this basis must be made during registration and may not be changed after the end of the registration period. Courses taken on the credit-non-credit basis must be in areas other than the student's major area or teaching specialization.

If a student decides to change his major after taking a course Credit/Non-Credit, and that course then becomes a part of his major. The letter grade turned in by the instructor will be inserted in the transcript and will be included in the computation of the grade point average.

Course work taken on a credit/non-credit basis will be counted for credit the same as any other course. A credit/non-credit grade, recorded as CR or NC, will not be counted in computing the student's grade point ratio. A course that has been taken on a credit/non-credit basis in which the grade of NC was awarded may be repeated either on a credit/non-credit basis or on a regular grade basis.

Students in the College of Liberal Arts, the College of Education and the College of Business should check with their academic dean before applying for credit/non-credit courses.

STEPS IN GRADE APPEAL

Steps outlined in this grade procedure should be followed.

1. The student should first have a discussion with the course instructor to determine whether the grade recorded in the Registrar's Office is correct. The initial appeal must be within 60 days of the mailing of grades from the Registrar's Office.
2. If the procedure in Step 1 does not have a mutually satisfactory result, either party may appeal in writing to the Department Chairperson within 15 work days after the initial appeal, who will attempt to mediate the issue at the departmental level.
3. Should the problem not be resolved at the Departmental level, either party may appeal in writing to the Dean of the College in which the course is offered within 15 work days of the appeal at the departmental level. The Dean will attempt to bring it to a mutually satisfactory solution through mediation.
4. Should the problem not be resolved at the College level either party may appeal in writing within 15 work days of the appeal at the College level to the Chairperson of the Academic Planning and Standards Committee who will appoint a Review Committee as a special subcommittee of the Academic Planning and Standards Committee to be constituted as follows:
 - a. Two members of the Academic Planning and Standards Committee, one of whom will serve as chairperson. (No faculty member of Academic Planning and Standards Committee that is directly involved in a grade appeal may serve on this committee.)
 - b. The academic dean from a different college than the college in which the course is offered.
 - c. The Chief Justice of the Student Court.
 - d. A student member of the Student Conduct and Welfare Committee.
5. The full report of the action of the special subcommittee will be sent to Academic Planning and Standards Committee which may hold further hearings. Academic Planning and Standards Committee will inform the student and faculty person of the results of its committee decision. If after the appeal process has been completed, it is concluded that the grade assigned to the student is incorrect, Academic Planning and Standards Committee shall provide for an appropriate change to be entered on the student's transcript in accordance with standard university procedure.
6. This procedure will be effective from the date of adoption by the faculty.

withdrawal from courses

REGULATIONS

Official withdrawal from courses or from the University

A student desiring to withdraw from the University must contact the Student Development Center. The staff will conduct the exit interviews and inform the student of the necessary administrative offices that must be cleared prior to complete withdrawal from the University. Application for withdrawal from the University must be made in person or by mail. Application for withdrawal by telephone will be accepted when followed by a letter. At the time of withdrawal from the University, the student relinquishes unused meal book tickets, activity card and student I.D. Card. The Finance Office will determine any financial refunds due to the student which will be transmitted by check. The student's I.D. Card will be deposited in the Office of the Registrar. If the student decides to attend a subsequent semester or summer term, the I.D. Card may be picked up by the student one week prior to regular registration.

IRREGULAR WITHDRAWAL

A student who has never attended class shall receive a grade of "IW" (Irregular Withdrawal). The "IW" grade is not considered in determining the student's quality point average.

1. A student withdrawing from class on or before the eighth Friday after the first class day of the regular semester will receive a grade of "W". During the summer session the "W" period ends on the third Friday after the first day of class. For eight-week courses and other courses of varying lengths, the "W" period ends on the Friday immediately following the midpoint in the course. Students withdrawing after the "W" period will receive a "WF" or "WP".
2. A "W" grade or a "WP" (withdrew passing) grade will have no bearing on the student's grade point average. A "WF" (withdrew failing) will be the equivalent of an "F" grade.
3. Any student contemplating dropping a particular course will be informed of his/her standing in that course to date, no later than the last class day prior to the "W" deadline. The Registrar will accept and process drop forms after they have been signed by the appropriate instructor and the student's present status has been indicated.
4. Dropping one or more courses or officially withdrawing from the university after the "W" deadline date will be approved only through personal conference with the student's academic dean. The Registrar will accept and process requests during this period only from the office of the academic dean. Grades reported for drops and withdrawals during this period are defined in Paragraph 1.
5. Students who drop courses without approval, or who do not follow regulations, receive a grade of "F" at the end of the semester or summer term.
6. The last scheduled day of classes is the final date for dropping or withdrawing.
7. Men and women called to active duty in the armed services of the United States of America shall be granted full refund of fees, but not credit, if the call comes before the end of the first three-fourths of the semester or term, and full credit, but no refund of fees shall be granted, if the call comes thereafter; provided, however, that credit as described above will be granted only in those courses in which the student is maintaining a passing mark at the time of departure to military service. The term "called to active duty" is herein defined as being called to active duty as the result of the federal activation of a total reserve component or National Guard unit of which the student is a bonafide member. Such reserve components and guard units are defined as company strength and above. The final grades, both passing and failing, for three-fourths of a semester or more are to be shown on the student's permanent record card.

university policies

ATTENDANCE

A student should recognize that one of the most vital aspects of a college experience is attendance and participation in classes, and that the value of this academic experience cannot be fully measured by testing procedures alone.

The members of the student body are considered sufficiently mature to appreciate the necessity of regular attendance, to accept this personal responsibility, and to demonstrate the kind of self-discipline essential for such performances.

It is the responsibility of each indi-

vidual instructor to evaluate the importance of student class attendance. Accordingly, each instructor at the beginning of each semester prepares a written statement setting forth his policy for consideration of unexcused absences, make-up examinations, and related matters, which shall be in force for the semester. The statement is filed with the chairman of the department and a statement of policy on attendance appropriate to each class is read at the first class meeting. In cases where marked violations of class attendance policy occur, the in-

structor may notify the dean so that every effort can be made to find and counsel the student whose academic prospects are being jeopardized by non-attendance.

Absences such as those resulting from illness, death in the family, or institutional activities (those approved by the academic deans, such as debate, artistic performances and athletics) are to be excused when a student reports and verifies them to the instructor. For such excused absences, the student should not be penalized.

CAMPUS DISTURBANCES

The President or his designated representative will adjudge whether the activity in question is one for which an institutional response is in order.

The individuals participating in an illicit or unacceptable activity will be notified by an authorized university official that their actions are illicit and/or unacceptable. Such a notification will specifically cite the regulation and/or statutes being violated. The individuals participating will be requested to disband and desist in their actions. If the opportunity to disband and desist the illicit or unacceptable activity is not heeded, the university official will order the individuals to disband and desist, and will indicate clearly that a refusal to heed the order will result in disciplinary action.

Disciplinary proceedings will be instituted by the Coordinator of Student Conduct only when there has been a violation of institutional regulations. Disciplinary proceedings pertaining to disruptive picketing, protesting, or demonstrations will follow normal disciplinary procedures unless the number of students involved is too numerous to be handled in a reasonable length of time. In these instances the Marshall Judicial Board, made up of students and faculty, handles any

disciplinary action. The decision of the Marshall Judicial Board and/or subcommittees is then referred to the President as a recommendation. Disposition of this recommendation is through the President. Execution of disciplinary action is by the President or his designee. In other cases, appeal may be taken to the President, or his designee, within 10 days, in which case such appeal shall be solely on the record of the proceedings before the committee. If the President, or his designee, or the Associate Dean of Student Life believes that the continued campus presence of a participant could well prove detrimental to others, he may suspend the participant from the university, provided that a hearing is held within 72 hours of the decision to suspend.

EMERGENCY ACTION

Emergency action is a special category that may be used by the President or his designee upon special occasions in which he has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students from school or from a residence hall who act or refuse to

act, the result of which conduct is to interfere with the rights of others and which conduct is nonpeaceful or is disruptive or which conduct constitutes a danger to health, safety or property of others or him/herself provided that a hearing is held within 72 hours of the decision.

PENDING CHARGES

During the period charges are pending, a student under charges, unless suspended, or when his/her continued participation or presence would serve to disrupt the purpose of the university, shall continue to have the rights and privileges accorded other students. However, grades, records transcripts or diplomas shall be withheld pending determination of the charges.

ADMINISTRATIVE ACTION

The university has the authority to compel reimbursement for damage to University property or personal property of other students, faculty and staff.

POLICY STATEMENT

CURTAILMENT OF UNIVERSITY OPERATIONS

Extreme weather conditions and energy shortages resulted in disruption of normal operations at Marshall University on occasions during the winters of 1976-77 and 1977-78.

Similar situations may occur in the years ahead as a result of the weather, energy or other emergency conditions. With the possibility in mind, Marshall University has developed three levels of curtailed operations, based on the severity of the weather.

LEVEL 1: CLASSES SUSPENDED

Classes will not meet as scheduled; students and faculty will be excused. Other staff members will be expected to report in order to maintain all other university activities on a normal or near-normal basis.

LEVEL 2: CLASSES AND OFFICES CLOSED

Routine operations will be suspended. However, staff members involved in the operation of residence halls, health service, recreation facilities, the Student Center, the Library, security services and plant operations functions will be expected to report for duty.

LEVEL 3: UNIVERSITY CLOSED

Residence halls will be closed and all student-related activities will cease. Only security and plant operations staffs will continue to function.

Division directors will have the responsibility for determining the members of their respective staffs required to maintain services at the various levels of curtailed operations.

In the event conditions warrant a curtailment of operations, news media serving the region will be notified as quickly as possible and the level of curtailment will be outlined. This will be done by the Office of University Relations.

In the event of curtailment at Level 1 or Level 2, when many students will remain on or near campus, a number of student-related functions will be maintained on the following schedules:

GULLICKSON HALL:

Recreation facilities to be open from Noon to 10 p.m., weekdays; Noon to 7 p.m., Saturdays, 1 p.m. to 7 p.m., Sundays.

FAMILY CARE OUTPATIENT CLINIC:

Student Health services will be provided at normal hours unless otherwise posted.

MEMORIAL STUDENT CENTER:

Open 1 p.m. to 7 p.m. daily.

LIBRARY:

Both James E. Morrow Library and School of Medicine Library will provide service from 8 a.m. to 5 p.m.; weekdays; 9 a.m. to 5 p.m., Saturdays; and 1 p.m. to 7 p.m., Sundays.

RESIDENCE HALLS:

The Division of Student Affairs will arrange special activities in cooperation with students living in the residence halls.

Security and plant operations are expected to continue under all circumstances.

OTHER CAMPUS POLICIES

ANIMALS ON CAMPUS

All animals must be under the direct command of their owner or handler at all times, that is, on a leash of no more than six (6) feet in length in their owner's hands. No animals are allowed in University buildings, except for seeing-eye dogs for the blind. A detailed statement of this policy is available from the Office of the Associate Dean of Student Life.

SMOKING

In accordance with local ordinances, smoking is prohibited in classrooms, laboratories, auditoriums, and theatre and dressing rooms. Classes and organizations meeting in the late afternoon or at night are not exempt from this regulation. Smoking is permitted in corridors.

ILLEGAL ACTS COMMITTED OFF-CAMPUS

Off-campus, a violation of an ordinance or statute is a matter for adjudication between the student and civil authorities. The special authority of the university is to be asserted only when the institution's interests as an academic community are involved.

code of conduct

This is a statement of policy of Marshall University which is the Code of Conduct required of all students. The implementation of this Code is given in the document Procedural Standards available to each student upon request to the Student Conduct Office.

I. INTRODUCTION

Marshall University is a community, which exists to promote educational and academic goals. The University is responsible for maintaining an environment which allows individuals maximum opportunity to pursue those goals. To facilitate this, the University has developed a Code of Student Rights and Responsibilities.

Students are individual members of the University. By virtue of this membership, a student acquires both rights from and responsibilities to the University community. The Code strives to balance the maintenance and promotion of individual rights with the need to protect and preserve an environment consonant with the community's goals. As such, the Code is essentially this community's expectations and standards established for each of its members.

Students are also members of such larger communities as city, state and country. A student's conduct may be subject to concurrent review by both the University community and another jurisdiction. Therefore, students charged with violating the University Code may also be held responsible for violating existing local, state and federal law. Similarly, Marshall University upholds and will not violate student's rights guaranteed under the United States Constitution.

Upon enrollment at the University, each student becomes responsible for upholding the provisions of the Code, and all other applicable University and community standards. Official University action will be taken when a student's behavior violates community standards, and interferes either with the University's educational purpose, or with its duty to protect individual and institutional health, welfare and property.

Students charged with violating University regulation or standards are guaranteed fundamental fairness in the handling of those charges, the conduct of hearings, the imposition of sanctions and the right of appeal.

Future changes or amendments in the Board of Regents **Policies, Rules, and Regulations Regarding Student Rights, Responsibilities, and Conduct in West Virginia State Universities and Colleges** shall supersede any specific language contained in this code of conduct and procedures manual.

Changes and amendments in this code of conduct shall take effect immediately following approval by the Student Conduct and Welfare Committee and the President of the University.

Students who commit offenses off-campus may have the incident reviewed by appropriate sub-component units of the University, particularly when the act and subsequent civil action may have a bearing upon the integrity of the University in recommending the student for certification or a similar professional status.

11. Misuse of University Identification:

IV. SANCTIONS

The purpose of a sanction, in addition to protecting others, is primarily to educate an individual by increasing his or her awareness of the consequences of conduct violations and the importance of responsibility to the University community for one's actions. This will ordinarily be the guiding force behind imposition of sanctions by the University judicial system. In some instances, however, the community's need to properly function outweighs the University's ability to so educate an individual. In such a case, for the benefit of both the student and the community, suspension from the University may result.

The following sanctions may be imposed for violation of this Code.

A. Expulsion:

Termination of all student status, including any remaining right or privilege to receive some benefit or recognition or certification. Conditions for readmission may be established only through written appeal to the President no sooner than one complete calendar year from the date the expulsion was placed in effect. During the expulsion the person is barred from coming onto or using University property and facilities. The action will appear on the student's official transcript until such time as an appeal is made to and granted by the President to terminate the expulsion.

B. Suspension:

This action involves separation of the student from the University for a period of time specified by the Judicial Board or the Student Conduct Office. Notification appears on the student's official transcript until the expiration of the sanction. A suspended student may apply for readmission to the University through the Coordinator of Student Conduct at the end of the suspension period specified by the judicial action. The Coordinator of Student Conduct may deny readmission in those instances where the suspended student fails to demonstrate a positive change in behavior which indicates that the suspended student is not yet prepared to become again a responsible member of the University community. A denial or readmission by the Coordinator may be appealed to the Judicial Board. The academic record of the student will not be used in consideration of the application for readmission after suspension for disciplinary reasons. During suspension a student may not participate in any University activity, nor come onto

University property without express written consent from the Associate Dean, Student Life. If a suspended student violates these provisions, or any other University regulations while on University property, the student may — after the opportunity for a hearing — be subject to expulsion as provided above. Two alternate forms of suspension are available:

a. Probationary Suspension:

Suspension is withheld pending careful evaluation of the student's behavior during a probationary period not to exceed one year. If the student is involved in any further offense, or if otherwise warranted, this suspension of disciplinary action may be revoked by the Associate Dean of Student Life and the full sanction of suspension enforced subject to appeal to the Judicial Board.

b. Deferred Suspension:

This is suspension which becomes effective at a specified future date. It is normally used near the end of a semester to avoid the financial penalty of immediate suspension. During this period, probationary status as described in Probationary Suspension, above, will exist.

C. Probation:

This action involves a period of time specified by the Judicial Board or the Student Conduct Office during which a student in violation of one or more University regulations is given an opportunity to prove that he or she can become a responsible and positive member of the University community. Probation may include one or more of the following:

a. The student may not represent the University in any extra-curricular activities such as intercollegiate athletics, debate teams, University theatre, band, etc.; however, the student may participate in informal activities of a recreational nature sponsored by the University.

b. The student may neither run for nor hold elective or appointive office with any student organization recognized by the University.

c. Self Improvement.

A program of self development will be planned in conjunction with a faculty or staff person assigned to assist in a counseling/guidance capacity. Numerous resource persons and agencies may be used to assist the student in identifying and clarifying experiences, goals, educational and career choices, and other personal objectives.

d. Surrender of Student Activity Card.

A student violating any University regulation or the terms of probation while on social probation will be subject to additional disciplinary action, up to and including suspension from the University. When a student is placed on social probation, the Student Conduct Office will notify appropriate University offices of that action.

e. Dismissal from University Housing:

In the event of serious or repeated violations of University regulations occurring in a residence hall, a

student may be dismissed from University housing for a specified length of time. Such dismissal may result in percentage refund of housing and dining service fees in accordance with the regular University Housing refund policy. The student may reapply for housing following the period of dismissal, in accordance with normal procedures established by the Office of Student Housing and with the written permission of the Coordinator of Student Conduct.

f. Restitution:

A student may be required to make payment to the University or to the complainant for any expenses incurred as a result of physical injury or property lost, damaged, destroyed or stolen as a result of a violation of a University regulation. Once ordered, restitution becomes an integral part of the student's sanction. Failure to make restitution constitutes a subsequent violation of sanction, and may lead to more serious disciplinary action pursuant to the regulation entitled Repeated Violations, Violations of Probation, described under Type One Behavior.

- g.** Other conditions and restrictions as deemed appropriate by the Judicial Board or Student Conduct Office may be imposed.

D. Formal Warning:

A formal warning is written notification from a University official or the Judicial Board to a student containing a warning that repeated infractions of regulations may result in more severe disciplinary action. A record of the action will be filed in the Student Conduct Office.

E. Organization Sanctions:

Sanctions which may be imposed in cases of student organization offenses are:

- a. Denial of use of University facilities;
- b. Denial of recognition of the group as an organization;
- c. Forfeiture of right to representation in other university organizations (Interfraternity Council, Student Government, intramurals, etc.);
- d. Forfeiture of right to represent in the Student Handbook or other publications;
- e. Denial of privileges of some or all social activities for a definite period;
- f. The University reserves the right to establish contact with and recommend to the organization's regional or national office the forfeiture of right to function as a group — including forfeiture of charter. This penalty must be approved by the Student Conduct and Welfare Committee and the President of the University.
- g. Restitution. An organization may be required to make payment to the University, or to the complainant, for any property lost, damaged, destroyed or stolen as a result of a violation of a University regulation. Once ordered restitution becomes an integral part of an organization's sanction. Failure to make restitution constitutes a subsequent violation of sanction, and may lead to more serious discipli-

nary action pursuant to the regulation entitled Repeated Violations, Violations of Probation, described under Type One Behavior.

V. THE UNIVERSITY JUDICIAL SYSTEM

Maintenance of discipline and preservation of community standards is properly the concern of all students, faculty, staff and administration. The University judicial system provides for deliberation and resolution of alleged student misconduct through a judicial board composed of two students and one faculty member. The judicial board is the highest hearing body for student conduct violations. The Judicial Board shall have appellate jurisdiction over final decisions or actions from all recognized student organizations, student government and any residence hall governing bodies.

Any member of the University community may refer a student or student organization suspected of violating the Code to the Student Conduct Office. The person making such referral is expected to provide all information relevant to handling and deciding the case.

VI. APPEALS

Appeals for all decisions of the Judicial Board shall be directed to the President. (See Procedures Manual for Judicial Appeals).

VII. EMERGENCY AUTHORITY

Emergency authority may be exercised by the President or his designee in special circumstances. He has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students who act or refuse to act, the result of which conduct is to interfere with the rights of others and which conduct is nonpeaceful or is disruptive or which conduct constitutes a danger to health, safety or property of others or himself; provided that a hearing is held within 72 hours of the decision to suspend, subject to a 48 hour extension at the option of the student.

VIII. The student should familiarize himself with the Board of Regents **Policies, Rules and Regulations Regarding Student Rights, Responsibilities, and Conduct in West Virginia State Universities and Colleges** which is incorporated herein by reference and copies of which are available in the office of the Coordinator of Student Conduct.

IX. The student should also familiarize himself with the **Code of Conduct Procedures Manual** which is incorporated herein by reference and copies of which are available in the Office of the Coordinator of Student Conduct.

faculty committees

ACADEMIC PLANNING AND STANDARDS

The Academic Planning and Standards Committee is composed of eleven faculty members, one student, and nine ex-officio representatives of the administration. This committee initiates and considers plans for the academic development of the university, including development of standards of admission, requirements for graduation, and new curricula. Except as provided, the committee refers all affirmative actions to the faculty for approval. New course offerings are referred to this committee for final disposition, subject to appeal to the faculty

by ten members of the faculty within ten days of notification. The curriculum committees of the respective college jurisdiction shall have final authority in minor matters such as dropping a course and changing numbers, titles, and descriptions of the courses, subject to appeal to the Academic Planning and Standards Committee. Grade appeals come to the committee for final resolution.

Posting of Information

A. Posting on Bulletin Boards

1. Student Activity bulletin boards are reserved for use by recognized student organizations, Marshall Artists Series, University students and Personnel. Any poster which fulfills the following requirements may be considered approved and then posted for the specified period of time.
 - a. The name of the recognized student organiza-

tion sponsoring the poster must be clearly visible.

- b. The date of the event advertised or a date at which the poster is considered to have fulfilled the function must be included. Any poster not fulfilling these requirements will be removed from the bulletin board by a member of the staff.
- c. Legitimate posters are to be removed the day following the event by the person or persons who put up the poster. Failure to comply with regulations will result in loss of posting privileges.
2. In residence halls, in order to put up posters, permission must be received from the Head Resident of the Hall, and the rules and regulations of that Hall must be observed.
3. Departmental boards are clearly marked as such and no material is to be posted thereon except at the direction of the chairman of the department concerned.
4. In order to maintain the natural beauty of the campus and to preserve the quality

- of the buildings, trees, and shrubs, there shall be no posting of notices on any buildings, telephone poles on the campus or sidewalks. Posting on trees is acceptable only if string or tape is used (no nails).
5. Posting is not permitted on woodwork, doors, windows, walls, or bulletin board frames or painted surfaces.
 6. In accordance with the State Fire Marshall's regulations, all posting within 30 inches from any light fixture must be of fireproof materials. For this reason, no poster, promotional materials, or decorations may be suspended from any light fixture.
 7. There shall be no signs or promotional materials stretched across the corridors of buildings, on the outside of buildings, or between structures unless by special permission, arranged through the Student Activities Office.
 8. Special provisions can be made for displaying posters during Student Government elections or other all-campus referenda through the Student Activities Office.
 9. Courtesy and respect for the freedom of expression by others dictate that posters are not to be marked on, destroyed, or removed. Anyone discovered defacing posters will be subject to disciplinary action under the Code of Student Conduct.
 10. Off-campus groups must receive permission from the Student Life Office before posting any signs or posters on campus. If approval is not received, such material will be removed.
 11. Masking tape may only be used on unpainted cement or metal surfaces, because it damages wooden and painted surfaces.

B. Banners

Requests must be made at least two weeks in advance since requests are forwarded to Student Center Governing Board.

Newspapers, Handbills, Flyers & Printed Materials

1. Handbills or flyers may not be placed on car windshields.
2. The University reserves the right to regulate locations on campus where handbills and flyers may be distributed. In general, they may not be distributed:

This card must be shown to Campus Security or any University official upon request.
7. Materials may not be stuffed in residence hall mail boxes; nor may they be distributed in the residence halls without approval of the Residence Hall Government Association.

SPEAKER BANS

Students should be allowed to invite and to hear any person of their choosing. These routine procedures required by the University, before a guest speaker is invited to appear on campus, are designed only to insure that there is orderly scheduling of facilities and adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. It should be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. The responsibility for the content and proper conduct of such meetings lies with the respective organization and its advisors.

1. Speakers are encouraged at Marshall University regardless of subjects to be discussed, background or past association of the speaker. Although the Office of Student Life encourages a wide variety of issues and topics, we do reserve the right to intercede if we feel a topic may be of such a volatile nature as to interfere with the goals and the nature of the University. If requested, groups must provide equal time for opposing points.
2. An outside speaker must be sponsored by a recognized student organization or University Department.
3. A recognized student organization which sponsors a speaker must:
 - a. Submit a request form to the Office of Student Life two weeks in advance. The form is to be signed by both the President and Advisor of the group.

 - c. If an outside agency or speaker is being sponsored at a table in the Student Center or Residence Halls, members of that sponsoring group must be present at the table.

ACTIVITY CARD

As a full-time student, you pay a \$86.35 activity fee each semester. You will receive an activity card to show you are entitled to services and activities covered by the fee.

If you are a part-time student, you pay a reduced fee and have access to fewer services and activities. Participation in such events as admission to athletic contests, and Artists Series programs is not included in the part-time fee, but, if you want, you can pay the difference and participate in any activity open to full-time students.

A special fee of \$26.75 can be paid for the spouse of a full-time student to cover attendance at events like athletics, Artists Series, and Forums.

COME ON, COMMUTERS

Let's face it, some commuting students find it difficult to feel a part of Marshall University. However, in recent years, our commuting students at Marshall have become very significant in numbers and importance to the entire University community. As a result, we have increased services and facilities for commuters, but like every student at Marshall — you must make the decision yourself about how involved you will be during your undergraduate experience.

Joining student organizations is an excellent way to become a part of Marshall's campus life. If you enjoy programming entertainment, you can join the Special Events Committee of Student Activities, which presents entertainers during the day at the times most convenient for commuters. All activities are open to you — so watch for intramural information, Coffee House entertainment and dinner buffet, specials and evening programs. Student Government provides an office of Off-Campus Housing for assistance in finding an apartment, and the Office of Student Life provides a lawyer for students.

Facilities available include lockers, a commuter lounge, and dining facilities in the Student Center. You may also purchase meal tickets to eat in the Residence Hall Dining Rooms.

If you would be interested in a car pool arrangement or the possibility of getting together with other commuters to develop even better programs and services, please contact the Office of Student Activities and Organizations (696-6770). Commuter concerns are high priority for us in the coming year, and we would like to work with students in developing responsive services.

MEMORIAL STUDENT CENTER

The Center serves as the focal point for many campus activities, recreation, meetings and dining. Included are a cafeteria, a coffee house, a bookstore, a clothing shop, a sweet shop, bowling lanes, games rooms, study areas, television viewing areas, meeting rooms, information center, and the multi-purpose room. The facility also houses the offices of various Student Affairs personnel, Alumni Affairs, Student Activities, Marshall Artists Series, Student Government, and Attorney for Students.

Rehearsals are held Monday, Wednesday, and Friday, 3:30 - 5:00 p.m. The Symphonic Band meets Tuesday and Thursday, 2:00 - 2:50 p.m. Permission of the director, Room 146 Smith Music Hall, is necessary for participation.

Members of the Majorette Corps, Flag Corps, Twirlers and the Drum Major are chosen during the

Spring Semester. The group performs with the band at all marching appearances during football season.

It is the job of the cheerleaders to stimulate enthusiasm and to instill excitement during all games. Tryouts for the squad are held in late spring.

Tryouts for freshmen interested in cheering on the freshman squad will be held in October. To try out, the student must have a 2.0 grade point average and be willing to attend practices. Freshmen with past experience in cheerleading on the high school level are welcome to try out for the squad.

intercollegiate athletics

A single Department of Intercollegiate Athletics at Marshall University serves the needs of men and women. Programs and facilities are growing in terms of quality as well as quantity with larger numbers of capable student/athletes receiving opportunities to compete.

Exciting things are happening throughout Marshall's athletic program. Some of the more noteworthy items include:

1. A new multi-purpose facility to be used by physical education, intramurals, recreation and intercollegiate athletics. Ground was broken in 1979 with a completion date set for mid-1981. The facility will include a main arena for basketball with seating for 10,250 and an eight-lane natatorium with a moveable bulkhead to provide facilities for a diving pool as well as metric and yard races with a seating capacity for 800. New offices for the athletic department as well as training rooms, equipment rooms and coaches' offices are also planned for the facility. It will also provide teaching stations and offices for the Department of Health, Physical Education and Recreation, with special facilities for women's sports. Future activities in the multi-purpose facility include concerts and commencements. With activities such as tournaments, concerts, commencements, intramurals, recreation and teaching stations as well as varsity practices for virtually every Marshall sport, the facility will provide true multi-purpose use. It will be a first-class facility for the growing student, faculty and staff population at the university.

2. Marshall's athletic teams are becoming fully competitive in the Southern Conference. The swimming and baseball teams won their Southern Conference championships to close their successful regular seasons while cross country, indoor track, wrestling, outdoor track, tennis, golf, soccer and rifle teams all compete as part of MU's commitment to the NCAA's Division I-A athletic program structure.

3. The growth of the women's program has been one of the marked accomplishments, not only in terms of quantity but also in quality of the student/athletes and coaches. Marshall now boasts seven women's teams including volleyball, basketball, tennis, softball, cross country, golf, and track. The women's program operates under regulations of the AIAW.

4. Fairfield Stadium, the home of Marshall football for more than 50 years, underwent a facelifting 3 years ago which included a new synthetic playing surface and a revamped seating area. The 18,000-seat facility rates at the top of the Southern Conference as a football facility.

5. The basketball team plays in County-owned Memorial Field House which also was renovated extensively in 1974 and 1977 including installation of a synthetic floor, accoustical ceiling and complete repainting. The green and white decor truly makes it "Herd Heaven." More than 2,500 seats are allotted for students, and approximately 4,000 are available to the general public. Sellouts have been the rule rather than the exception in the last three seasons.

6. The newest athletic facility on campus is the Marshall University track, which was used for the first

time in the Spring of 1975 when it hosted the inaugural National Track and Field Hall of Fame relays. The eight-lane all-weather, 3-M Highland (tartan) surfaced facility is the finest track facility in the tri-state area (and possibly the Southern Conference) and is marked to handle metric races as well as conventional distances. The facility has hosted the Hershey's National Youth Sports Program (youth from 50 states), numerous AAU invitational meets and in 1978 hosted the Southern Conference Track and Field Championships and the West Virginia state high school track meet which involved more than 5,000 participants, officials, and fans. The track facility seats 3,000 and is equipped with "Accutrack," the most recent development in automatic timing. Located next to Gullickson Hall and Twin Towers, the track has an electronic scoreboard, and a public address system, and is equipped with a steeplechase pit and a "discus and hammer" safety cage.

7. The Marshall golf teams have two outstanding courses in the Huntington area to call home. The men's team plays at the Guyan Golf and Country Club, and the Green Gals play at the Riviera Country Club. Other courses also furnish facilities when needed for special events.

8. The remaining varsity teams presently use the facilities in and surrounding Gullickson Hall, which also houses the Department of Athletics. In 1975, a modern complex was added to Gullickson Hall including the latest in equipment, such as 13 Nautilus stations. Gullickson Hall contains Marshall's modern and well-staffed athletic training facility and a six-lane pool.

INTRAMURAL/RECREATION SERVICES

Intramural activities at Marshall University are an integral part of student life which gives eligible participants an opportunity to engage in a wholesome recreational experience. The program is designed to be competitive for the benefit of students who do not compete on an intercollegiate basis.

The Intramural Sports Program at Marshall is a College of Education Program which is operated through the Department of Health, Physical Education and Recreation. The Intramural Department of Marshall University encourages all students to enjoy the sports participation available through intramurals.

Approximately 50 percent of the total student body of Marshall compete in recreational and intramural activities. At present the intramural program includes the following:

campus christian center

a ministry for the community

The Campus Christian Center at Marshall offers ministry to members of the campus community. Through a wide range of programs and informal discussions, the ecumenical staff of the Center responds to various spiritual, personal and vocational needs. It helps humanize life on the large campus and offers realistic alternatives in dealing with the problems of modern life.

Programs designed and administered by both staff and students include:

● **Pre-Marriage Seminar**

For engaged couples, held in the spring each year. It covers the essential aspects of married life, including such aspects as commitment, religious foundation for marriage, human sexuality, finances, and planning the home. The seminars are conducted by experts in their respective fields.

● **Host Family**

Students who want a "home-away-from-home" are introduced to area families who share their homes for meals, recreation, picnics, and fellowship.

● **Bible Study, Prayer and Singing Groups**

Personal commitment and growth through choral groups, Bible study, seminars, informal rap sessions, and retreats.

● **Personal Growth Groups**

Small groups of 8-12 students whose specific purpose is to share their faith, needs and personal problem-solving.

● **Faculty Ministry**

The special needs of faculty and administration are met through luncheons, seminars, consultations, and classroom participation. Several faculty members serve as directors of the Campus Christian Center.

● **Forum**

The center involves university, church, and community in dialogue about significant sociotheological issues. Recent forums have explored the implications of faith for political action and have tackled selected issues in medicine and ethics.

● **Counseling**

Every campus minister is available for consultation of all kinds: spiritual, personal, emotional.

● **Meeting Rooms**

The Center has a number of meeting rooms available at minimal fee to off/on campus groups for any purpose which is not inconsistent with its basic philosophy.

● **Chapel**

Worship — Formal and informal campus worship experiences relating the Christian faith to today's needs. Also available for weddings.

● **Volunteers in Community Service (VICS)**

Makes opportunities available for those who wish to be involved in personal ministries in the community such as hospital and nursing home visitation, recreational programs, big brother projects, and crisis intervention services.

● **Fun Nights**

Open occasionally on Friday evenings for fun and fellowship.

● **Lectures and Concerts**

The Center sponsors occasional visiting lecturers, noted theologians, and musical and drama groups.

● **Other Programs**

Offered as campus ministry responds to new needs, issues and concerns at Marshall.

● **The Campus Christian Center**

An ecumenical ministry supported and sponsored by the American Baptist, Southern Baptist, Christian Science, Disciples of Christ, Episcopal, Lutheran, United Methodist, Presbyterian, Roman Catholic, and United Church of Christ denominations.

ART EXHIBITS

The Art Department conducts many exhibits of art work in the Birke Art Gallery and the sixth floor hallway of Smith Hall. The Huntington Galleries, 3065 Eighth Street Road, also provides a continuing exhibition of art. Many of our students receive prizes and purchase awards for their works each year in Exhibition 280 at the Galleries. Student and faculty exhibits planned for this year will be announced.

In the Fall of 1977, Marshall opened the Birke Art Gallery on the first floor of Smith Hall. While the gallery is primarily a facility for art students' exhibitions, visiting artists exhibit regularly and special exhibitions are presented, such as the sculpture of

Harry Bertioia. Each year the Department provides at least two visiting artists and art educators who discuss their work with students and interested community members.

A BFA degree program is available beginning September 1979, providing students with a professional degree in painting, printmaking, sculpture, weaving, ceramics, jewelry, and commercial art. Art therapy classes are being offered for the first time in Fall 1980.

The Bill Belanger Art Scholarship is available to a West Virginia student graduating from high school who needs financial help to attend college as an art major.

MARSHALL ARTISTS SERIES

The Marshall Artists Series provides for the educational and cultural enrichment of the university and the surrounding area by presenting recognized lecture authorities and artists. Music, dance, drama, lecture-films, and talk are included in the four divisions of activity: Baxter Series, Mount Series, Forum Series and Summer Series.

The concern is global and programs advance knowledge and understanding and promote intellectual and aesthetic curiosity. Supplementing the public events are many workshops, seminars, and master classes.

Students with valid Activity Cards may attend all programs at no charge since these activities are funded in part by the Student Activity-Services Fee. Students serve on the Artists Series Advisory Board. Applications are available each semester.

Information about programs may be obtained at the Information Desk in the Memorial Student Center. Applications for participation as advisory board members are available in the Marshall Artists Series Office, MSC 2W38.

POLICY ON HAZING

According to the policies of Marshall University, the National Inter-Fraternity Council and National Panhellenic Conference, each national fraternity and sorority, and other national organizations represented on campus, hazing is not permitted and has no place in our campus organizations.

All acts of hazing by an organization, any member or alumni, are specifically forbidden. Activities that constitute hazing include as per the Marshall University policy, but are not limited to the following:

No organization shall allow any of its pledges, associate members, members or other persons, to participate in any hazing ceremony, actively or practice. This activity would place a person in peril. Actions which involve physical exhaustion, abuse, or intimidation, any activity of a dangerous, rude, or degrading nature, any activity which would interfere with a persons ability to perform college work, or other activity which would reflect unfavorably on the Marshall University recognized student organizations, are considered hazing.

Specific complaints or violations of the hazing policy should be referred to the Coordinator of Student Conduct, which may result in expulsion or other organizational sanctions as provided in the **Student Code of Conduct**.

In appropriate cases, complaints may be forwarded to the Student Conduct and Welfare Committee, which has the authority to remove recognition of the organization.

organization forms

PROCEDURES

For Application, Renewal, and Fund-Raising Marshall University Organizations

Anyone interested in having a group officially recognized by the University is encouraged to do so through the Office of Student Life in the Memorial Student Center on the campus. In order to be recognized by the University, a group:

- 1) Must present a Constitution to the Office of Student Life, stating the purposes and goals of the organization.
- 2) Must complete an Application for Recognition Form attained from the Office of Student Life.
- 3) Must have a recognized University official or faculty member as Advisor.
- 4) Must show that there is sufficient interest in the group to make recognition feasible, i.e., elections of officers or a governing board.

Once these materials are received in the Office of Student Life, a final decision will be made regarding the status of the prospective organization. One of the primary benefits to the recognized organizations is the free publicity granted in the various University publications, and the right to use the Marshall University name in conjunction with the organization. Each recognized organization may use the Organizations Workroom, MSC 2W29, which also houses the mailboxes for each group. Additionally, recognized organizations may be eligible for receipt of University or Student Government funding for worthwhile projects.

RENEWAL

Each year, each recognized organization on the Marshall University campus must indicate that the organization wishes to be recognized for the coming academic year. This simple process involves completion of a form available in the Office of Student Life. Usually this process must be completed by mid-October.

FUND-RAISING

*Any recognized organization must file written intent to conduct a fund-raising project with the Office of Student Life two (2) weeks **PRIOR** to the date of the function. This requirement exists so that the Office of Student Life and other organizations can avoid schedule conflicts which might damage their fund-raising efforts, and to insure the legality of the fund-raising activity. The projects must be registered whether the activity takes place on or off campus. The application may be picked up at the Student Life Office, 2W31 of the Memorial Student Center.*

STATEMENT

— NON-DISCRIMINATION IN MEMBERSHIP SELECTION

"Every student organization recognized by Marshall University is expected to be free to select its membership upon the basis of individual merit without regard to race, sex, or ethnic background. This stipulation also extends to those qualified individuals who may have a psychological or physical handicap. This policy applies to all student organizations recognized by Marshall University with the

exception of those organizations specifically exempted by virtue of Sec. 804(b) of the Higher Education Act of 1965. Signature of appropriate officers on the line indicated verifies receipt and comprehension of the above statement. Marshall University reserves the right to consider withdrawal of recognition from any organization found, in due process, to be in violation of said policy."

SONS OF MARSHALL

Proud are we of the history of a very famous man;
They gave our college his name because that's the kind of man he
was.

Revolution to Constitution, his rise to fame began.
He was the third Chief Justice and a true American.
Oh!

We are the sons of Marshall,
Sons of the great John Marshall.

Year after year we go to Marshall U.,
Cheering for the team and gaining knowledge too.
Proudly we wear our colors,
Love and loyalty to pledge.

Sure from far and near you always hear "The Wearin' of the Green,"
But it's the Green and White of Marshall U.

ALMA MATER

Marshall, Gracious Alma Mater,
We thy name revere;
May each noble son and daughter
Cherish thine honor dear.
May thy lamp be ever bright,
Guiding us to truth and light,
As a beacon o'er dark water;
This is for thee our prayer.

May the years be kind to Marshall;
May she grow in fame.
May her children fail her never,
True to her beacon flame.
May her spirit brave and strong
Honor right and conquer wrong.
This the burden of our song;
Ever her truth proclaim.
