If there are enough cars available, guests may be invited.

### COFFEE FOR CONGRESSMAN KEN HECKLER

Saturday, Feb. 3, at 11:00 a.m., the League will have an opportunity to interview our congressman, Ken Heckler. At this time League members will be able to familiarize themselves with Mr. Heckler's committee work, his positions on League issues, and what to expect from the 1968 Congress.

Congressman Heckler is on the Science and Astronotics Committee and is chairman of it's sub-committee on Advanced Reasearch and Technology. He is also on the joint committee of Orginazation of Congress.

To be up to date on the League issues it would be wise to refer to your National Voter issues for Jan., April, and July, 1967 for DHR's; Jan., March, April and July 1967 for Foreign Policy; March, May, and June 1967's.

Please make a special effort to attend this coffee and bring interested guests.

### WRITE A LETTER, NOW

Now is the time to write to all of our state Legislators and tell them that we are in favor of a State Constitutional Convention. That way, no matter when they get around to it they will know how a lot of people feel. In case you don't know who they are, here is the list. Just address letters to: The Honorable \_\_\_\_\_, and mail it to the State Legislature in Charleston.

6 POINT GAIN

A finance drive can be the best public relations effort imaginable. The face to face interview provides a fine opportunity for building interest and understanding of League Work among a broader segment of the community. It can result in wider support for League Program as well as increased financial support. The League cannot succeed by working alone. New friends and supporters, often new members, are a related benefit of a finance drive no less valuable than the money raised. Finance drive Feburary 19.
