COMMUTERS

Some commuting students find it difficult to feel a part of Marshall University. One way to become involved is by joining a student organization. If you enjoy programming entertainment you could join the Special Events Committee of Student Activities, which presents entertainers during the day at the times most convenient for commuters. All campus activities are open to you, so watch for intramural information, Marcos entertainment, specials, and evening programs. See the calendar section of the Handbook for a listing of events.

Another excellent avenue for involvement is through Student Government. Call (696)-6435 for information.

Facilities available for commuters include lockers, a commuter lounge, vending machines, and dining facilities in the Memorial Student Center. You may want to purchase the Commuter Meal Plan which gives you 60 meals for \$230.

If you are a returning student, call the Women's Center and Returning Students Program at (696)-3112 for information that is pertinent to you.

If you have questions, need information, or have suggestions, please call the Student Life Office (696)-6420, or Student Activities (696)-6770.

DEPARTMENT OF PUBLIC SAFETY

Located in the Public Safety building at 1819 Fifth Avenue across from Twin Towers, the Public Safety Department (University Police) is a supporting service to the academic process of Marshall University. It has as its general mission a mandate to provide an environment free from the threat of physical harm, property loss or damage, and disruptive activity within the constraints of federal, state and local laws and ordinances. As the protective and law enforcement agency most directly responsible to the University community, the department provides all services on an around-the-clock basis, which includes a 24-hour emergency ambulance service operated by volunteer Paramedics, Emergency Medical Technicians, Emergency Medical Service Attendants, and University Police Officers. University officers are granted sworn peace officer status by virtue of state law and have full law enforcement authority upon any premises owned or leased by the State of West Virginia which is under the jurisdiction of the Board of Trustees. In an effort to provide the highest level of life safety and property safety services possible to the University community, all officers receive extensive basic training and continued in-service training designed specifically for campus law enforcement personnel.

M.U. Police Officers routinely patrol the campus and surrounding areas twenty-four hours a day. They can be easily recognized by their official brown uniforms and trooper-style hats. Specific protective services provided especially for students include the assignment of security personnel in all residence halls during most hours of the evening and night, a night escort service upon request to locations on and adjacent to the campus, and Project I.D., a program in which valuables are engraved at no cost and records maintained in the Public Safety Office.

Members of the University community can assist in making the campus a safe place by being alert, cautious, security-conscious, responsible, and not taking their safety for granted. Suspicious persons, dangerous or unusual situations, and all crimes or attempted crimes should always be reported immediately. Personal property should be protected by keeping residence hall rooms, and vehicles locked, and by not leaving keys or valuables in cars. Personal protection for females can be increased by being on guard at all times, and by not walking alone at night. Victims of sexual assault or attempted sexual assault should contact the Public Safety Office immediately. A list of faculty and staff women who are personally interested in assisting victims, is on file in that office.

Remember, if you see anything suspicious, or need assistance at any time day or night, call (696)-4357.

The clinic is located at 1801 Sixth Avenue, one block southeast of the main campus, and is open from 8:00 a.m. to 5:00 p.m. Monday through Friday. The clinic is closed on Saturday, Sunday, and Holidays. After 5:00 p.m. Monday through Friday, all students in need of health care must go to Cabell Huntington Hospital (CHH) Immediate Care Unit, 1340 Hal Greer Boulevard. After 8:00 p.m. on Monday thru Friday and on Saturday, Sunday, and Holidays, all care at the Immediate Care Unit will be considered for validation as "Emergency Care".

Student Health Service will be provided from the first day to the last day each fall, spring, and summer class session to students who pay full student activity fees and attend classes scheduled between semesters (intersession). Marshall University students who present current validated activity and identification cards are eligible to use this service. All students are seen on a walk-in, first come, first-served basis. However, appointments are necessary for family planning or contraceptive educational purposes, for which you may call 696-7173. Emergencies will be seen immediately. Services provided include diagnosis and treatment by a physician, and licensed practitioner or physician's assistant, limited routine laboratory procedures, limited routine radiographic procedures, routine physical therapy treatment, and injections for allergies (if vacines and dosage directions are provided by the private physician of the patient and approved by the staff physicians). New and additional services provided are care for chronic illnesses, routine physical examination on an appointment basis, care for children under the age of 18 and the spouse of students who have paid their Student Health fee. When available, emergency ambulance service is provided for any student by the Department of Public Safety.

Community ambulance service, unless requested by the Department of Public Safety, is at the student's expense.

All emergency visits to Cabell Huntington Hospital (CHH) must be validated as emergencies by the Student Health Service. Validation will be based on the time and reasons for the visit on the emergency room report from CHH. Emergency care charges are the responsibility of the student or his/her insurance carrier. However, if the services are validated as an emergency, Student Health will pay up to \$50.00* maximum on charges not covered by the student's insurance carrier. The balance of charges above those covered by the student's insurance carrier and Student Health are the responsibility of the student. If hospitalization is a result of emergency care, the Student Health Service will pay the room fees for one night's hospitalization at CHH at double occupancy rates.

The SHS will pay up to the first \$44.00* of the cost of the initial visit for any referral by a SHS provider to a medical spe-

cialist, other than initial psychiatric evaluation which will be up to \$60.00* of John Marshall Medical Services, Inc. or in the Huntington community. All prescriptions, treatment, and follow-up care that results from the initial specialist consultation, as well as services relating to dental evaluation or repair of or refraction for correction lenses, will be at the expense of the student, his or her parent, or insurance carrier. Students' referral billings should be submitted to the Associate Dean of Student Affairs, Room 117, Prichard Hall for determination of payment.

The *Minority Expressions* newsletter is published four times during the academic year by the Minority Students' Program Office. Articles discuss the minority perspective on relevant issues such as education, cultural and academic achievement, African/African-American organizations, poetry, speakers, programs, a calendar section and other issues of interest to minorities and the general campus community.

If you are interested in learning more about the newsletter, please contact the Minority Students' Program Office at (696)-6705.

MS. QUOTES

Ms. Quotes is a magazine published twice a semester by the Women's Center. *Ms. Quotes* provides information on topics which concern women, such as health, women's history, women's rights, sexual abuse, and sexual harassment. *Ms. Quotes* also contains a schedule of events, poetry, and a chance for women to express their views. If you are interested in being a contributor to *Ms. Quotes* or in receiving the magazine, contact the Women's Center at (696)-3338 or (696)-3112.

THE PARTHENON

The student newspaper, written and edited entirely by students, is published four times per week (Tuesday through Friday) during the fall and spring semesters, and once weekly during summer terms. Financed through advertising and student activity fees, *The Parthenon* is distributed free on campus to students, faculty and staff. Although much of the writing and editing is done by students in journalism classes, non-journalism majors are invited to apply for staff positions.

WELLNESS WAYS

Wellness Ways is a newsletter published four times during the academic year by Student Health Education Programs. It consists of articles on current health trends and issues, with a focus on the wellness concept. If you would like to be on the mailing list, contact Student Health Education Programs at (696)-4800.

STUDENT HANDBOOK

The Student Handbook is published by the Division of Student Affairs. The Handbook is designed for all students, but it is especially helpful to new students, to help familiarize them with the campus and university community. Distribution is the first week of fall semester. Copies are available through the Office of the Vice-President/Dean of Student Affairs, Old Main 109. Additional distribution spots are advertised in the Parthenon and by flyers posted in campus buildings.

ON-CAMPUS RESIDENCE INFORMATION

CONTRACTS

A student who wishes to live in a university residence hall must sign a contract with the Housing Office. The stipulations of that contract are: (1) that the student resides in his assigned residence hall for the entire academic year; (2) that the student abides by the governing rules and standing traditions of the residence hall; (3) that the student purchases a meal plan; (4) that the student will receive no refund of any portion of room and a prorated refund of board fees because of withdrawal from the university after the first Friday of the first week of classes for each semester.

FOOD SERVICES

All students living in the residence halls are required to purchase a meal plan for meals in the university dining halls. Commuter meal plans are available to off-campus students. The meal plan is not valid during vacation periods.

Meal plans will become effective on the first day of classes of any semester or summer term. Meals taken prior to the first day of classes must be paid for in cash.

Students will be issued a meal card upon payment of room and board fees. This meal card must be presented prior to entering food lines at each meal.

No deduction of refund is made in board charges unless the student is absent from the campus for more than a calendar week because of personal illness or a university-approved trip. No deduction is made in room charges for absences. No deductions are made because of late payment.

HOLIDAYS

Residence halls are closed during Thanksgiving, semester breaks, and spring vacation periods, with the exception of Twin Towers complex. Students living in Twin Towers must request and receive approval to stay during break periods. Valid reasons are employment, athletic team participation, and distance from permanent home.

The halls close at 6:00 p.m. on the last day of class before holidays begin. At the close of a semester, students must vacate their residence halls within twenty-four hours following their last examinations.

LOSS OR DAMAGE OF PROPERTY

The university is not responsible for loss of or damage to personal property of students who reside in residence halls. If parents' homeowners' insurance does not cover student belongings, it may be desirable to purchase additional insurance coverage. Students are advised to keep rooms locked at all times.

RESIDENCE HALLS/HOUSING

The Student Housing Office, Old Main 115, and Residence Life Office, TTE, maintain six residence halls which house approximately 2,150 students. Each residence hall provides students with the best possible living and learning conditions. The students' experiences in hall government, education, social, and recreational programs, and their association with residence hall staff members give them an opportunity for sound academic and social development. All of the halls are located at convenient points on campus within a five-minute walk of any classroom building.

Marshall University has a mandatory housing policy requiring all freshmen and sophomores, if space is available, to reside in university owned and operated residence halls unless they reside with their parent(s) and commute to and from the university from that residence. Married students and students two years beyond high school are exempt.

Failure to comply with this policy will result in cancellation of the student's registration.

ROOM APPLICATIONS AND RESERVATIONS

Since all freshmen and sophomores who do not commute to the university from home are required to live in university residence halls, all freshmen admitted by the university are sent residence hall applications. The applications must be accompanied by a \$100.00 deposit (refundable if written cancellation notice is received prior to July 1).

Fifty dollars of this amount is placed into a damage deposit account in the student's name for the duration of on-campus occupancy. This amount is refunded to the student when he/she permanently severs ties with the Housing Office. The remaining \$50.00 is considered a reservation fee and is deducted from the total amount due on the first room and board invoice.

Room assignments are made on first come, first serve basis (based upon date application is received), without regard to the student's race, religion, political affiliation, sex, age, handicap, sexual orientation, or national origin. Students wishing to room together should make every effort to send in applications and the deposit fee in the same envelope. The student is assigned to the residence hall of his/her choice if at all possible. Applicants who do not initially receive their first choice of residence halls will be placed on a waiting list through July 31. Roommates who apply together will not be transferred separately unless otherwise indicated.

Although the housing contract is for a full academic year, room and board fees are paid in two (2) installments, due on approximately August 9 and January 2.

UNIVERSITY HOUSING FOR FAMILY STUDENTS

Housing for married students and/or students with children is provided in 81 furnished family dwelling units owned and operated by the university. The units include a wide variety of accommodations with rents ranging from \$175 to \$310 per month. The apartments are one to two bedroom (furnished or unfurnished) units with kitchen, bath, and living room. Efficiency apartments are also available. Applications may be secured from the Student Housing Office. Married students and/or students with children, full-time, are eligible to reside in family student housing units. Single graduate or upperclass students may apply, provided space is available after families and married couples have been accommodated.

INTERCOLLEGIATE ATHLETICS

A single Department of Intercollegiate Athletics at Marshall University serves the needs of both men and women. Programs and facilities are growing in terms of quality as well as quantity with larger numbers of capable student/athletes receiving opportunities to compete.

Exciting things are happening throughout Marshall's athletic program. Some of the more noteworthy items include:

1. The Henderson Center, the multi-purpose facility, used by physical education, intramurals, recreation and intercollegiate athletics. The facility includes a main arena for basketball with seating for 10,291 and an eight lane natatorium with a moveable bulkhead to provide facilities for a diving pool as well as metric and yard races with a seating capacity for 800. Offices for the athletic department as well as training rooms, and coaches offices are located in the facility. Teaching stations and offices for the Department of Health, Physical Education, and Recreation, with facilities for women's sports, are also provided.

2. Marshall's athletic teams are fully competitive in the Southern Conference. Baseball, basketball, cross country, indoor track, football, outdoor track, golf, women's tennis and soccer teams all compete as part of MU's commitment to the NCAA's Division I athletic program structure.

3. The growth of the women's program has been one of the marked accomplishments of the student-athletes and coaches, not only in terms of quantity but in quality. Marshall now boasts six women's teams: volleyball, basketball, tennis, cross country, indoor and outdoor track.

4. Fairfield Stadium, the home of Marshall football for more than 50 years, includes a synthetic playing surface and a seating capacity of 17,312.

5. The Marshall University track was resurfaced in the spring of 1983 and is the finest track facility in the tri-state area. The track facility seats 3,000 and is equipped with "Accutrack", the most recent development in automatic tim-

ing. Located next to the Henderson Center and Twin Towers, the track has an electronic scoreboard and a public address system, and is equipped with a steeple chase pit and a "discus and hammer" safety edge.

6. The Marshall golf team has three outstanding courses in the Huntington area to call home: The Guyan Golf and Country Club, the Spring Valley Country Club, and the Esquire Country Club. Other courses also furnish facilities when needed for special events.

7. The Marshall cheerleading squad, sponsored by the

Department of Intercollegiate Athletics, stimulates enthusiasm and instills excitement during all games. Tryouts for the Varsity squad are held each year in late spring. Freshmen must have successfully completed 12 credit hours at Marshall University or another recognized University as a transfer student. Freshmen tryouts are held in April. All candidates must meet the NCAA GPA eligibility for Athletes. Information about cheerleader tryouts is posted on campus and publicized in the *Partisan*.

RESIDENCE LIFE

This unit is concerned with the selection and training of the residence halls staff and with providing an environment for living-learning experiences.

The staff of Residence Life strives to promote a positive atmosphere for students living on campus. Assigned to each floor is a Resident Advisor who assists new students with the transition to community living and helps all students develop goals for independent living after graduation. Social and educational activities which enhance residents' academic progress are provided throughout the year. Many graduates report that the experiences and friendships gained in residence halls are among the most cherished of their college careers. The Residence Life Office is located in Twin Towers East, first floor. (696)-3183.

RESIDENCE HALL GOVERNMENT

The residence hall community is comprised of diverse individuals from various and differing backgrounds and experiences. Such diversity calls for members of the community to be involved in their own governance. Each residence hall at Marshall has an individual hall council (called the Hall Advisory Council) comprised of executive officers, including president, vice-president, secretary, treasurer and representatives from each floor.

This organization is valuable in many ways. The efforts of the Hall Advisory Council result in programs and activities that draw residents together to encourage new friendships, and build community. The HAC also reviews issues and concerns that affect the residents hall-wide and campus-wide and help influence official policies. The individual hall councils provide a forum for residents to develop leadership skills including working with others and in establishing and meeting goals. The result is a steady, continual growth of pride in the hall and in the growth of self-confidence and personal satisfaction in see-

ing one's contribution to self and others.

An opportunity to be actively involved in your hall government (HAC) is afforded all students early in the fall semester. Elections are held in each hall for floor representatives. The hall council election will provide an opportunity to become involved in residence hall activities.

The financial support for hall councils is derived from a membership fee collected from hall residents. Membership affords residents the opportunity to participate in activities at a reduced rate or free. Membership is voluntary.

An organization known as Inter-Hall Government Council (IGC) represents all the residence hall councils and their students. The IGC is comprised of three representatives from each hall council. Besides sponsoring campus-wide programs, the IGC maintains the Food Committee and Residents Against a Vandalized Environment (RAVE). The Inter-Hall Government Council strives to represent the concerns of all residence hall students and be a positive factor in influencing change.

STUDENT ACTIVITIES

A complete college experience involves the development of academic and vocational pursuits, as well as the development of personal and interpersonal skills. Student Activities Programs are designed to help students develop knowledge and skills for continued growth. Part of the total experience is found in the excitement of working with other students on a programming committee, for example. This not only develops interpersonal relationships and practical work experience, but also provides special training in leadership qualities vital to students' future success.

The programs chosen and presented by the student committees help to develop a stimulating, creative and enjoyable campus environment, both for the audience and for committee members. The following committees are coordinated by the Campus Entertainment, Unlimited Board:

- Cinema Arts
- Marco's (Coffee House)
- Contemporary Issues
- Homecoming
- Special Recreation
- Springfest

The Student Activities staff and student leaders cooperate with all divisions of the University community in programming to meet student interests as well as educational and informational needs. The office is located in the Memorial Student Center 2W38, (696)-6770.

STUDENT GOVERNMENT

The Marshall University Student Government Association is continually growing as a viable part of university life. Through the channels of Student Government, students make decisions that directly affect them.

Beyond a lesson in democracy, Student Government offers vital interaction with those individuals committed to the goal of a better Marshall. Student Government is equal partners with the faculty, staff and administration in the decision-making at Marshall.

Student Government is concerned with improving the effect of education upon a student. Through its many channels of communication, it offers input into the issues which directly concern the lives of the total student body.

Student Government consists of three divisions: Executive, Legislative, and Judicial. Under the Constitution, Senate elections are held twice yearly, in October and March. This allows for a revolving membership as in the United State Senate. Constituencies are based on the Academic Colleges.

The Student Court, appointed by the Student Body President, is charged with two main functions: (1) the interpretation of the Student Government Constitution and (2) the exercise of judicial review over all actions of Student Government.

The Student Body President heads the Cabinet and appoints all its members. Cabinet members are ratified by the Senate to whom they must report concerning their committees or posts. Regular meetings are held to discuss matters coming before Senate and Cabinet and to report of the progress of each project.

STUDENT GOVERNMENT PROJECTS

Student Government provides students with the opportunity to get involved with a variety of projects. Some such as the Muscular Dystrophy Dance Marathon, which has raised over \$15,000, allows students to get involved with the community. Other projects include providing listings for Off-Campus Housing, facilitating a Commuter network, sponsoring Blood Drives for the American Red Cross, helping to provide students with emergency student loans, providing transportation to ballgames, and actively lobbying the State Government for higher education.

All these projects, as well as others planned throughout the academic year, provide each student many opportunities to become involved in university life. Students are represented on every major standing committee of the University as well as the President's Cabinet. Students interested in Student Government should stop by the Student Government Office in the Memorial Student Center, Room 2W29, or call (696)-6435.

STUDENT LEGAL AID CENTER (SLAC)

The Student Legal Aid Center employs a part-time licensed attorney and an ombudsman to assist all students. Although the attorney may not represent students in court, he/she offers advice and counseling on all legal matters which concern students, including the areas of landlord/tenant, consumer, domestic relations, contracts, auto accidents, traffic tickets, criminal charges, employment and civil rights.

The campus ombudsman assists students in understanding the various policies and procedures within the University such as grade appeals, judicial board appeals, grievances, mediation, and other areas. The primary role of the ombudsman is to ensure the fair and equitable treatment of students within all areas of the University.

Seminars are usually offered each semester on the topics of landlord/tenant, consumer protection, credit, and others. Brochures such as: Renter's Handbook, How To Sue In A Magistrate Court, Domestic Violence, Divorce/Annulment, Consumer Protection Tips, as well as other informative pamphlets are available free in the Center.

For free and confidential advice stop by Room 2W29 in the Memorial Student Center or call (696)-2366.

No appointment is necessary, but due to the limited office hours maintained, students are encouraged to call ahead.

Hours vary each semester depending on student traffic.

EXAM PROCEDURES FOR HANDICAPPED STUDENTS

The Vocational Rehabilitation Act of 1973 Section 504 states that a handicapped student has a right to be tested in a manner that indicates what the student knows rather than indicating the EFFECTS OF HIS/HER handicap. PROFESSORS MAY REQUIRE THAT STUDENTS PROVIDE documentation that a handicap exists and that an exception in testing procedures has been prescribed by a qualified professional. ACCOMMODATIONS in testing may include time extension, isolation in a separate room to avoid distractions, a reader, or a person or a tape recorder to record the student's responses.

CONSULTATION IN DEVELOPING TESTING ACCOMMODATIONS MAY BE OBTAINED FROM DISABLED STUDENTS SERVICES, PRICHARD HALL, TELEPHONE: (696)-2271.

GREEK LIFE

Eighteen Greek Letter Chapters are recognized by the University, of these, 10 are fraternities and 8 are sororities. Fraternities are members of the Interfraternity Council (IFC), while sororities are members of the Panhellenic Council (PHC). Greek Letter Chapters seek to enhance the ideals of brotherhood and sisterhood, while helping the community, and University through various service programs. Membership recruitment (Rush) takes place throughout the year, but particularly twice a year (fall and spring) during Rush week. After Rush, if a student receives an invitation to pledge a chapter (a bid) and he or she wishes to accept, the student begins the process of pledging.

STUDENT ORGANIZATIONS

STUDENTS:

For many of you, college is a new experience. Whether this is the first opportunity to live away from home or the first step towards a career change, it is time to develop or enhance your personal and social goal. At Marshall, we believe a totally educated person is one whose experience and knowledge are expanded through involvement in worthwhile activities and projects in addition to the classroom experience.

To assist you, Marshall University encourages the formation of a variety of organizations in which you may pursue your specific interests. Currently, over one hundred functional student organizations or clubs have been officially recognized by the University. You are welcomed and encouraged to join and participate in the ones that most appeal to you.

Marshall University provides almost any kind of co-curricular and extra-curricular activity. There's something for everyone, whether your interests are in Social, Religious, Professional, Departmental, or Honorary activities.

If you wish to begin a new group, or require information about existing ones, please contact the Office of Student Activities and Organizations, located in Room 2W38, second floor of the Memorial Student Center. We provide assistance and will attempt to answer all your questions. Your participation will provide you with "hands-on" experience in leadership, communication, administration and general human relations skills. Please feel free to stop by any time or call us at (696)-6770.

STUDENT FINANCIAL ASSISTANCE

FINANCIAL AID CONSUMERISM INFORMATION

As students and their families make plans for meeting the cost of an education at Marshall University, they need to have an understanding of Financial Aid. The following information is designed to acquaint the reader with the University's Financial Aid Programs as well as other important information about Marshall. Hopefully, it will answer many of the questions which you have. It also explains the rights and responsibilities of an aid recipient. Unfortunately, financial aid programs experience frequent changes; therefore, some of the descriptions contained here may change soon after going to print. Current information is always available in the Office of Student Financial Assistance.

Remember, the primary responsibility for meeting the student's education expenses rests with the family. The Financial Aid Program at Marshall University is designed to help those students whose families don't have access to the resources necessary to complete their education. Be sure to make thorough plans with regard to financing your education and investigate every potential resource available to you.

DEFINITIONS AND USEFUL INFORMATION

1. **Financial Aid** - money that you receive from external resources (the University, the State, The Federal Government, Vocational Rehabilitation, ROTC and others) to be used in meeting expenses incurred while completing an educational program.
2. **Student Budgets** - estimated costs that a student will incur during an educational period. Your education could well depend upon your ability to live within a sound budget. Budgets are intended to be realistically moderate but adequate. Student budget categories vary to recognize such as in-state and out-of-state tuition, on-campus and off-campus living situations, independent or dependent-living with parents status. Each year budget components are updated to reflect actual or average costs of particular classifications of a student in the University community. If your particular situation is not adequately addressed in the institutional budget applied to you, you should appeal your concern to the Financial Aid Office.
3. **Financial Need** - the dollar figure which is the result of subtracting the family's expected contribution from the student budget.
4. **Financial Aid "Package"** - financial aid from different sources combined into one award to meet a student's financial need is called a package.
5. **Scholarships** - gift aid, generally based on academic performance or talent in a specific area and sometimes to help meet need.
6. **Grants** - gift aid generally based on financial need.
7. **Employment** - a job, usually part-time, the earnings from which can help pay for the costs of education.
8. **Student Loans** - long-term, low-interest loans which must be repaid usually after college.

FINANCIAL AID PROGRAMS AVAILABLE AT MARSHALL UNIVERSITY

- A. Scholarships are available to those who excel academically and to some who have other special skills. The general eligibility requirement for an academic scholarship is a 3.5 grade point average (GPA) (freshmen must also have a minimum of a 26 ACT Composite). The donor may add other specific requirements. Most scholarships are awarded to West Virginia residents. Priority for out of state awards goes to residents of Boyd County, Kentucky, and Lawrence and Gallia Counties, Ohio.

B. The Pell Grant is an entitlement, gift aid program designed to be the initial "ingredient" in a student's financial aid package. Its entitlement nature guarantees that all students who are eligible will receive a Pell Grant Award. Eligibility is determined by a standard formula developed by the Department of Education and approved annually by Congress. Students may receive a Pell Grant until completion of the first baccalaureate degree or up to a maximum of five years of full-time enrollment. Every applicant will receive a Student Aid Report which will contain a Pell Grant Index (PGI). Students are determined to have a financial need based on the PGI compared to the cost of attendance. Eligibility is further determined by enrollment status, maintaining satisfactory academic progress and compliance with all other general aid requirements. In 1990-91 Pell Grants range up to \$2,300.

C. The Supplemental Educational Opportunity Grant (SEOG) is for undergraduate students who have not completed their first baccalaureate course of study and who financially need grant assistance to help them meet their educationally related expenses. Awards may range between \$100 and \$4,000 per year as determined by the institution. SEOG recipients at Marshall have significant financial needs and are in their 1st or 2nd year.

D. College Work-Study (CW-S) provides jobs to students who need such earnings to meet a portion of their educational expenses. Graduates as well as undergraduate students who demonstrate financial need and meet the general eligibility requirements may be employed through this program. Students are paid at least a minimum wage and typically work 10 to 15 hours per week. Placement will, whenever possible, be in the area of the student's major or a major interest. Summer and off-campus opportunities are available to new and returning students when funds allow taking advantage of such opportunities.

E. Student assistance employment (non-federally funded) opportunities are available on a limited basis to currently enrolled students. Applicants must typically possess a specific skill directly related to the work experience. Employment opportunities are posted at the southeast entrance of Old Main. Inquiries are made directly to the Financial Aid Office.

Pell Grant Only - Should you decide to apply for only the Pell Grant, you may utilize an application called the Application for Federal Student Aid. This application is available from your guidance counselor or from the University's Financial Aid Office. Though there is no critical deadline for this application, you should submit it as early as possible after January 1st.

Stafford Student Loans/SLS/PLUS - Applications for these loans are available through your local lender or through the Financial Aid Office. Though there are no specific application deadlines, the application process does take 4 to 6 weeks. Students are encouraged to apply early so that their loan checks will be available when payments are due. Institutional application forms must be secured from and returned to Marshall. Remember, the SSL program is now need-based, you must submit a Financial Aid Form for analysis so that your need can be determined prior to applying for the loan.

Short-Term "Emergency" Loans - Applications for short term loans are available in the Financial Aid Office. Applications are generally accepted and processed during regular registration and during the first week of classes.

Medical School Students - A medical school Financial Aid Guide available from the Financial Aid Office or the Medical School Dean's Office is updated yearly and provides application procedures and programs available for medical students.

Financial Aid Transcripts - All students who have attended other postsecondary institutions must provide a financial aid transcript from each institution attended.

Changes are expected for the 1991-92 Academic year and subsequent years. Please consult with the Office of Financial Assistance after 1989-90.

GENERAL ELIGIBILITY REQUIREMENTS

Before receiving any Title IV assistance (Pell Grant, Supplemental Educational Opportunity Grant, College Work-Study, Perkins Student Loan, Stafford Student Loan, or SLS/PLUS from Marshall University, a student must meet the general eligibility requirements listed below.

- A student must:
1. be enrolled or accepted for enrollment in an eligible program studying for a degree or certificate.
 2. be a citizen, national, or permanent resident of the United States, a permanent resident of the Trust Territory of the Pacific Island, or a citizen of the Marshall Islands, Federated States of Micronesia, or the Republic of Palau.

Short-term "emergency" loans are available to registered or registering students experiencing temporary monetary needs and demonstrating a visible source of repayment. The need must be a direct educational expense or a generally accepted emergency occurrence. Loans are subject to a minor service charge disclosed at origination and are repayable within 45 days. Loans are generally made only during regular registration and during the first week of the semester.

APPLICATION FOR FINANCIAL ASSISTANCE FOR 1990-91

In order to be considered for financial aid, you must have been regularly accepted by the University's Admissions Office with all pertinent data (ACT results, transcripts, etc.) on file.

Scholarships - Incoming freshmen need to be admitted to the University by February 1st (prior to the award year) to be guaranteed consideration. The general requirements include 3.5 Grade Point Average and 26 Composite ACT Score. All students must submit an Application for Scholarship each year by February 1st to guarantee consideration.

Need-Based Aid - All students must complete the College Scholarship Services' Financial Aid Form (FAF) and an Institutional Application for Financial Aid. These forms are available from your high school guidance counselor or from Marshall's Financial Aid Office. The FAF is used to determine your family's ability to contribute to meeting your cost of education. It is mailed to the College Scholarship Service for processing with Marshall's Code, 5396, listed on it. The FAF should be used to apply for the Pell Grant, State Grant, and all other need-based programs. WV residents should check the WV Higher Education Grant Program box. We must presume that applicants for campus-based aid will take advantage of such available programs. The Institutional Application for Financial Aid should be returned to Marshall.

You should submit the FAF and Institutional Application as immediately after January 1st as possible to insure receiving consideration for the most attractive aid programs and to meet deadlines imposed by some aid resources.

The Pell Grant Program will return to you a Student Aid Report which must be submitted to the Financial Aid Office as soon as possible to be considered as a part of your financial aid award.

The Perkins Student Loan Program is a long term low interest loan for students who meet the general eligibility requirements and who have a significant need for a loan to help meet educational expenses. Students may borrow up to \$4,500 during their first two years of undergraduate study, a cumulative maximum total of \$9,000 during the completion of the Bachelor's Degree, and up to a maximum of \$18,000 during graduate study (including undergraduate loans). The terms and conditions of the loan are disclosed within the promissory note. Generally, they include that interest is 5 percent on the unpaid balance, that repayment begins nine months after graduation or withdrawal from school normally lasting up to ten years and that various deferments, cancellations, and postponements of repayment are possible. Interest begins to accrue at the time of repayment. Deferment and cancellation provisions are explained in the Promissory Note. Loan recipients are required to participate in an "exit" interview, before graduation, withdrawal, or leaving the university even if planning to return at a later date.

The Stafford Student Loan Program (SSL) enables eligible students to borrow directly from their local lending institutions. The long-term loan is guaranteed by your state or a private non-profit agency. SSL's carry an eight percent annual interest rate for first time borrowers, however it is paid by the government until the student begins repayment. The student pays an origination fee and a guaranty fee on each new loan. An undergraduate may borrow \$2,625 during the first two years and \$4,000 for each subsequent year up to \$17,250. Graduates may borrow \$7,500 per year up to a maximum total cumulative limit of \$54,750. Repayment begins in six months after graduation or withdrawal and up to ten years can be allowed for repayment. All loans are based on financial need. Additional requirements or loan stipulations are disclosed in Promissory Note.

The SLS/PLUS Loan program currently carries a variable interest rate; repayment begins within 60 days. Loans are made through the borrower's local lending institution. Parents of undergraduate students can borrow up to \$4,000 per year with a maximum total of \$20,000. Independent undergraduates and graduates can borrow \$4,000 per year (including GSL) with a total maximum of \$20,000. Repayment of principal can be deferred if the borrower or the person for whom the loan is made is a student.

3. be carrying or planning to carry at least a half-time workload (6 credit hours) during each semester; less than half-time students will receive consideration based on their needs.
4. be maintaining satisfactory academic progress toward a degree according to standards set forth for financial aid recipient at the University and noted later in this section.
5. not be in default on any Title IV loan - PSL or SSL/SLS/PLUS or owe a repayment on any Title IV Grant - Pell, SEOG, or SSIG, received for attendance at Marshall, or elsewhere.
6. have on file a statement of educational purpose for the year aid is to be received stating all Title IV funds received will be used solely for educationally related expenses as well as a statement of selective service registration status.

DETERMINING ELIGIBILITY, AWARDING AND DISTRIBUTING AID

Financial need is described as the difference between your cost of education and your family's ability to meet that cost. The amount of financial aid you will be offered in a financial aid "package" may equal, but will never exceed your financial need.

The Financial Aid Office, based on information included in the College Scholarship Service's analysis of your Financial Aid Form (FAF), determines the amount that your family should be able to contribute to meeting your educational expenses. The estimated family contribution is uniformly derived through the use of the FAF which measures the family's economic strength. It should be noted that all families of dependent students are expected to contribute an amount equal to at least the amount of the student's projected earning capability (\$700 for incoming freshmen; \$900 for all others). Independent students are expected to make a reasonable contribution.

When complete application materials are received in the Financial Aid Office, and if necessary, the student has been regularly admitted to the University, need-based financial aid will be awarded as follows:

1. An expense budget is determined.
2. All expected family and other resources are subtracted from the budget to determine financial need.
3. The financial need will be met to the extent possible in a combination of available aid resources. Students are first held responsible for State Grants and Pell Grants for which they are eligible. Scholarships are awarded separately, based on different criteria; however in meeting the

need, they are taken into consideration. Self-help assistance is then considered; loans and/or College Work-Study awarded to a maximum of approximately \$3,000 proportioned to meet the student's needs (considering such factors as grade level and need for funds to pay direct educational costs). First and second year Pell Grant recipients with higher needs and who need additional funding for direct educational expenses at the beginning of the semester will be considered for Supplemental Educational Opportunity Grants.

Applications are reviewed in the order in which an application file is completed; it is, therefore, beneficial to complete all applications early. After that time when the University's funding is completely obligated, remaining applicants will be advised of their recognized need level, encouraged to submit their Pell Grant Student Aid Reports and advised to consider Stafford Student Loans. Any funds which subsequently become available will be used to answer student needs as requested.

All awarded applicants will receive an award letter noting the expense budget, the expected family contribution, the need and the aid awarded. Ineligible applicants will receive notification of ineligibility. Upon receipt of the award letter, all elements should be checked for accuracy. If aid has been offered, it must be accepted or declined. Should you question any of the information contact the aid office to answer your concerns.

All or any part of the award can be accepted or rejected. Aid that is declined or not appropriately accepted will not normally be replaced.

The offer of financial aid is dependent on the receipt of funds from all funding sources. Although unlikely, the University reserves the right to revise offers of financial aid at any time during the academic year based on availability of funds, changes in regulations, notification of additional resources to the student, and/or procedural changes by any funding authority.

Financial aid is currently distributed by the following process. Students with completed awards are notified prior to the beginning of each semester of the aid which is available to assist in the payment of their expenses. This notification should be signed and returned to the Bursar no later than due date of tuition and fees. The signature is authorization for the utilization of funds to first be applied to paying tuition and fees and then, if appropriate, residence hall fees. If the award is greater than the fees due, a check will be disbursed for the difference to the student when the semester begins. If the award is less than the fees due, the student is responsible for paying the remaining fees due on the appropriate due date. Stafford Student Loans will be disbursed to the students according to regulations and

after tuition charges have been paid. It is the aid recipient's responsibility to see that all fees are paid by the appropriate due date or arrange for a legitimate payment deferral. Failure to meet due dates can result in registration cancellation or loss of residence hall assignment.

These procedures will remain constant from semester to semester unless otherwise noted.

College Work-Study and other student employment checks are disbursed to the student after time sheets are completed and processed. Students are paid twice monthly, however, the first paycheck a student receives will be delayed to one month after submission of the first pay period. Students must budget their funds with availability in mind and to meet the required due dates of their educational expenses.

STUDENT RIGHTS AND RESPONSIBILITIES

The rights include:

1. knowing what financial aid programs are available to you.
2. knowing application deadlines for all available aid programs.
3. knowing how aid is distributed and why it is distributed that way.
4. knowing how the student budget was constructed, how the need was determined, and how it will be met.
5. knowing what portion of the aid package is loan, the repayment responsibilities, the interest rate and all of the particular characteristics of the loan.
6. knowing how satisfactory academic progress for the purpose of receiving financial aid is determined and what happens when satisfactory progress is not maintained.

The responsibilities include:

1. knowing information about the school's programs and performance. This information should be considered carefully before deciding to attend school.
2. completing all applications accurately; meeting deadlines and taking advantage of all available aid programs.
3. providing correct information. In most instances, misreporting information on financial aid applications is a violation of the law, punishable under the U.S. Criminal Code.
4. submitting all documentation, verification, corrections and/or new information requested by either the Financial Aid Office or the agency to which application was made.
5. informing the Financial Aid Office of any changes which affect your financial situation (including name, address, or enrollment status changes).
6. reading and understanding all forms which you sign and for keeping copies of them.
7. accepting the responsibilities for all signed agreements.
8. performing all work agreed upon in accepting a student employment position.
9. complying with application deadlines.
10. meeting fee payment deadlines.
11. correctly accepting all aid offerings.
12. maintaining satisfactory academic progress according to the following policy.

SATISFACTORY ACADEMIC PROGRESS STANDARDS FOR FINANCIAL AID ELIGIBILITY

Undergraduate Students

In order to be able to receive financial assistance, Federal Regulations require that a student be making measurable satisfactory progress toward the completion of his/her degree or program. Marshall University has adopted standards by which to monitor financial aid recipients' academic progress. (These standards insure the proper distribution of financial assistance to eligible students.) The satisfactory academic progress standards for financial aid eligibility are as follows

- Students who have registered for **0-30** credit hours must have a completed **50%** of the credits registered for and have cumulative GPA of **1.60**.
- Students who have registered for **31-64** credit hours must have completed **67%** of the credits registered for and have a cumulative GPA of **1.70**.
- Students who have registered for **65-89** credit hours must have completed **75%** of the credits registered for and

have a cumulative GPA of **1.80**.

- Students who have registered for 90+ credit hours must have completed **80%** of the credits registered for and have a cumulative GPA of **2.00**

Academic Progress is, therefore, to be measured in terms of performance, through the grade point average, and in terms of degree of program completion. The above limits eligibility to enrollment through the 160th credit hour. Further, the University limits eligibility for financial assistance to the first twelve (12) regular semesters of full-time enrollment; the first eighteen (18) regular semesters of three-quarter time enrollment; the first twenty-four (24) regular semesters of half-time enrollment or less. A student whose status changes will have his or her maximum period of eligibility determined considering the individual situation. For instance, a student who had enrolled for two semesters at half-time status would have eleven semesters of full-time status remaining or thirteen (13) total semesters. (Please note that regular semesters include only the fall and spring terms and that full-time is enrollment for twelve (12) semester hours or more; three-quarter time includes enrollment for 9, 10, or 11 semester hours; half-time is enrollment for 6, 7, or 8 semester hours. Eligibility as an undergraduate will cease with the completion of the first baccalaureate degree.

Withdrawing from classes after the drop/add period can have a negative effect on continued eligibility as it can serve to increase the time required to complete one's program. Repletions will be dealt with according to the University's policy governing grade point averages and will be included in classes registered for and completed. Audits will be dealt with similarly.

Students not meeting the above standards will receive notification from the Director of Financial Aid as soon as such status is discovered. This notification will indicate ineligibility for financial aid, suggest that academic assistance can be found through the Student Development Center and inform the student about his or her right to appeal. All appeals must be made in person to the Director of Financial Aid.

Unless eligibility is reinstated through a formal appeal within one year (12 months) of the ineligibility declaration, the student will remain ineligible until that time when he or she is again in compliance with the standards set forth.

Students who transfer to Marshall will automatically be considered eligible for assistance during their first semester of enrollment. However, those whose transfer credits or grade point average do not meet the University's standards for satisfactory academic progress will be considered only conditionally eligible. These students will be expected to meet the stan-

dards of others with conditioned eligibility (a 2.00 GPA and completion of all of classes enrolled for) to remain eligible after the initial semester. Transfer credits will be added to M.U. credits in determining the maximum period that a student will be considered eligible for aid. In measuring total semesters of eligibility, transfer credits will be divided by twelve (12) for undergraduates or nine (9) for graduates to determine the number of semesters enrolled.

Graduate Students

Satisfactory academic progress will be questioned of graduate students only when their grade point average drops below 2.00 or the completion ratio drops below 67%. Students will be eligible a maximum of six (6) regular full-time semesters. Students attending on less than a full-time basis will be given a maximum of ten (10) regular semesters of eligibility. (Please note that regular semesters include only the fall/spring semesters and that full-time is enrollment for nine (9) semester hours or more.) Eligibility for graduate students seeking a masters degree will cease with the completions of the first masters degree. Students seeking a second degree at the doctoral or professional degree level will be given consideration on a case by case situation.

LOAN REPAYMENT

Since financial aid awarded from any loan fund (Perkins Student Loan, Stafford Student Loan, SLS/PLUS Loan, Nursing Loan, Health Professions Student Loan, or Health Education Assistance Loan) requires the signing of a promissory note, it is important for the recipient to understand the terms of the loan thoroughly. Therefore, the promissory note should be read in entirety before affixing a signature to it. Repayment responsibility is probably the most important issue.

A sample loan repayment schedule for a student borrowing \$2000 through the Perkins Student Loan Program and graduating on December 20, 1990, would appear as follows. The allowable grace period is six months; interest is 5% annually, and the minimum monthly payment is \$30.

Appx. billing date	Appx. payment date	Calculated Interest	Payment	Principal Balance
7-15	8-1	\$200x.00467 = .93	\$ 30.93	\$170.00
8-15	9-1	\$170x.00467 = .79	30.79	140.00
9-15	10-1	\$140x.00467 = .65	30.65	110.00
10-15	11-1	\$110x.00467 = .51	30.51	80.00
11-15	12-1	\$ 80x.00467 = .37	30.37	50.00
12-15	1-1	\$ 50x.00467 = .23	30.23	20.00
1-15	2-1	\$ 20x.00467 = .09	20.09	-0-
			\$3.57	\$203.57

REFUNDS

The University's general refund policies are detailed elsewhere in this publication. Please read them carefully. Refunds to financial aid recipients will typically be returned to the award account(s) from which the student was awarded up to the amount of the award. Only after the total award is recovered will funds be refunded to the student. Recipients may consult the Financial Aid Office if there are any questions.

REPAYMENTS

If a financial aid recipient officially withdraws from the University prior to the end of an award period there will be a review to determine if there should be a repayment of funds disbursed directly to the student. Awards are to be used only to meet educationally related costs. Students will be billed for any repayment due.

THE MARSHALL UNIVERSITY JUDICIAL SYSTEM

INTRODUCTION

Marshall University is a community which exists to promote educational and academic goals. The University is responsible for maintaining an environment which allows individuals maximum opportunity to pursue those goals. To facilitate this, the University has developed a Code of Student Rights and Responsibilities.

Students are individual members of the University. By virtue of this membership, a student acquires rights and assumes responsibilities to the University community. The Code of Conduct strives to balance the maintenance and promotion of individual rights with the need to protect and preserve an environment consonant with the community's goals. As such, the Code is essentially this community's expectations and standards established for each of its members.

Students are also members of larger communities such as city, state and nation. A student's conduct may be subject to concurrent review by the University community and another jurisdiction. Therefore, students charged with violating the University Code may also be held responsible for violating existing local, state and federal law. Similarly, Marshall University upholds and will not violate students' rights guaranteed under the United States Constitution and federal and state statutes.

Upon enrollment at the University, each student becomes responsible for acting in accordance with the provisions of this Code, and all other applicable University and community standards. Official University action will be taken when a student's behavior violates community standards, and interferes either with the University's educational purpose, or with its duty to protect individual and institutional health, welfare and property.

Students charged with violating University regulations or

standards are guaranteed fundamental fairness in the handling of those charged, the conducting of hearings, and imposing of sanctions, and the right of appeal. Complaints must be filed in writing with the Coordinator within twenty-one days of the alleged violation. This requirement may be waived by the Judicial Board Executive Committee in appropriate circumstances.

Alleged offenses committed off-campus by a student may be reviewed by appropriate sub-component units of the University and the Office of Judicial Affairs, particularly when the act or subsequent criminal and/or civil action may have a bearing upon the integrity of the University in recommending the student for certification or a similar professional status or may reflect adversely on the student's fitness as a member of the University community by jeopardizing the physical, mental and/or emotional well being of faculty, staff and/or students.

Maintenance of discipline and preservation of community standards is properly the concern of all students, faculty, staff and administration. The University judicial system provides for deliberation and resolution of alleged student misconduct through the Judicial Board composed of students and faculty members. The Judicial Board is the highest body for student conduct violations. The Judicial Board shall have appellate jurisdiction over final decisions or actions from all registered or affiliated student organizations, student government and any residence hall governing bodies.

Any member of the University community may refer a student or student organization suspected of violating the Code to the Office of Judicial Affairs. The person making such referral is expected to provide all information relevant to handling the deciding the case.

IV. SANCTIONS

The purpose of a sanction, in addition to protecting others, is primarily to educate an individual by increasing his or her awareness of the importance of responsibility to the University community for one's actions. This will ordinarily be the guiding force behind imposition of sanctions by the University judicial system. In some instances, however, the community's need to properly function outweighs the University's ability to so educate an individual. In such a case, for the benefit of both the student and the community, suspension from the University may result.

Normally, students facing suspension or expulsion from the institution will be entitled to a hearing prior to the imposition of the sanction. However, a student may be temporarily suspended pending final action on the charges when the student's continued presence on campus would constitute a potential for serious harm to himself/herself or to the safety of other members of the institutional community. Such temporary suspension shall be followed with speedy disciplinary proceedings consistent with these policies, rules and regulations. Also a student who is expelled from one institution in the Board of Trustees' system may not be considered for admission to another institution in the system until one year has elapsed after the student has been expelled. In addition, all other stipulations as stated in the Board of Trustees Policy Bulletin No. 57 shall apply.

THE FOLLOWING SANCTIONS MAY BE IMPOSED FOR VIOLATION OF THIS CODE.

A. Expulsion

Termination of all student status, including any remaining right or privilege to receive some benefit or recognition or certification. Conditions for readmission may be established only through written appeal to the President no sooner than one complete calendar year from the date the expulsion was placed in effect. During the expulsion the person is barred from coming onto or using University property and facilities. The action will appear on the student's official transcript until such time as an appeal is made to and granted by the President to terminate the expulsion.

B. Suspension

This action involves separation of the student from the University as specified by the Judicial Board or the Office of Judicial Affairs for a definite stated period of time up to one academic year, and any condition or resumption of activities, if any, also may be imposed. Notification appears on the student's official transcript until the expiration of the sanction. A suspended student

may apply for readmission to the University through the Coordinator of Judicial Affairs at the end of the suspension period specified by the judicial action. The Coordinator of Judicial Affairs may deny readmission in those instances where the suspended student fails to demonstrate a positive change in behavior which indicates that the suspended student is not yet prepared to become again a responsible member of the University community. A denial of readmission by the Coordinator may be appealed to the Judicial Board. The academic record of the student will not be used in consideration of the application for readmission after suspension for disciplinary reasons. During suspension an individual may not participate in any University activity, nor come onto University property without express written consent from the Dean of Student Affairs or his/her designee. Further violations of University regulations while on suspension may result in additional sanctions by the University. Two additional forms of suspension exist:

1. Probationary Suspension:

Suspension is withheld pending careful evaluation of the student's behavior during a probationary period not to exceed one year. If the student is involved in any further offense, or if otherwise warranted, this suspension of disciplinary action may be revoked by the Dean of Student Affairs or his/her designee and the full sanction of suspension enforced subject to appeal to the Judicial Board. While a student is on Probationary Suspension, any of the conditions outlined under Probation may be imposed.

2. Deferred Suspension:

This is suspension which becomes effective at a specified future date. It is normally used near the end of a semester to avoid the financial penalty of immediate suspension. During this period of deferred suspension probationary status as described in Probationary Suspension above, will exist.

C. Probation

This action involves a specified period of time, not to exceed one year determined by the Judicial Board or the Judicial Affairs Office during which a student in violation of one or more University regulations is given and opportunity to prove that he or she can become a responsible and positive member of the University community.

A student violating any university regulation or the terms of probation while on probation, may be subject to disciplinary action as specified under I-S of this Code. When a student is placed on probation, the Office of Judicial Affairs will notify

appropriate University offices of that action. Probation may include one or more of the following:

1. The student may not represent the University in any extra-curricular activities such as intercollegiate athletics, debate teams, University theater, band, etc.; however, the student may participate in informal activities of a recreational nature sponsored by the University.

2. Self Improvement:

A program of self development will be planned in conjunction with a faculty or staff person assigned to assist in a counseling/guidance capacity. Numerous resource persons and agencies may be used to assist the student in identifying and clarifying experiences, goals, educational and career choices, and other personal objectives.

3. Surrender of Student Activity Card:

A student required under this section to surrender the Student Activity Card may not participate in or attend events for which the Activity Card either is required or provides a discount or privilege. Exceptions may be granted by the Judicial Affairs Office in those instances where attendance at such events is required by academic courses or programs.

4. Dismissal from University Housing:

In the event of serious or repeated violations of University regulations occurring in a residence hall, a student may be dismissed from University housing for a specified length of time. Such dismissal may result in a percentage refund of housing or dining service fees in accordance with the regular University housing refund policy. The student may reapply for housing following the period of dismissal, in accordance with normal procedures established by the Office of Student Housing and with the written permission of the Coordinator of Judicial Affairs.

5. Restitution:

A student may be required to make payment to the University or to the complainant for any expenses incurred as a result of physical injury or property lost, damaged, destroyed or stolen as a result of a violation of a University regulation. Once ordered, restitution becomes an integral part of the student's sanction. Failure to make restitution constitutes a violation of sanction and may lead to more serious disciplinary action which may include suspension, expulsion or access to transcripts and placement files.

b. Other conditions and restrictions as deemed appropriate by the Judicial Board or Judicial Affairs Office may be imposed.

D. Formal Warning

A formal warning is written notification from a University official or the Judicial Board to a student containing a warning that repeated infractions of regulations may result in more severe disciplinary action. A record of the action will be filed in the Judicial Affairs Office.

E. Organization Sanctions:

Sanctions which may be imposed in cases of student organization offenses are:

1. Denial of use of University facilities;
2. Denial of recognition of the group as an organization;
3. Forfeiture of right to representation in other university organizations (Interfraternity Council, Student Government, Intramurals, etc);
4. Forfeiture of right to representation in the Student Handbook or other publications;
5. Denial of privileges of some or all social activities on University premises for a definite period;
6. The University reserves the right to establish contact with and recommend to the organization's regional or national office the forfeiture of right to function as a group - including forfeiture of charter. This penalty must be approved by the Student Conduct and Welfare Committee and the President of the University;

7. Restitution. An organization may be required to make payment to the University, or to the complainant, for any property lost, damaged, destroyed or stolen as a result of a violation of a University regulation. Once ordered, restitution becomes an integral part of an organization's sanction. Failure to make restitution constitutes a subsequent violation of sanction, and may lead to more serious disciplinary action pursuant to the regulation entitled Repeated Violations, Violation of Probation or Mediation Agreement described under Type One Behavior.

Changes and amendments in this Code of Conduct shall take effect immediately following approval by the Student Conduct and Welfare Committee, the Faculty Senate, and the President of the University.

V. APPEALS

The party being charged and any complainant other than the staff of the Student Affairs Division may appeal the decision. The appropriate channels of appeal are:

1. Appeals from decisions of Resident Directors should be directed to the Coordinator of Judicial Affairs.
2. Appeals from decisions of the Coordinator of Judicial Affairs should be directed to the Judicial Board.
3. Appeals of recommendations of the Judicial Board should be directed to the President or Vice-President/Dean of Student Affairs as indicated below:

a. In those cases where the recommended sanction is a formal warning, probation or probationary suspension, appeals shall be directed to the Vice-President/Dean of Student Affairs or designee whose decision will be final.

b. In those cases where the recommended sanction is deferred suspension, suspension or expulsion, appeals shall be directed to the President whose decision, which must be rendered within 10 days, will be final, except in cases where the President has imposed a sanction of expulsion, an appeal may be filed with the Board of Trustees.

The request for appeal of a recommendation of the Judicial Board must be submitted in writing on an Intent to Appeal Form to the Coordinator of Judicial Affairs within 48 hours (not including days the University is closed) from the conclusion of the hearing. The President or Vice-President/Dean of Student Affairs at his/her discretion may extend the deadline for filing an appeal upon the motion from either party.

The Board's findings regarding the charge(s) must be affirmed or remanded to the original hearing panel. The Board's recommendation regarding sanctions may be affirmed, modified, or remanded to the original hearing panel for further action as deemed appropriate.

A written brief stating ground for appealing concerning the case should be presented by the appellant within five (5) business days from the date the appeal is filed. The scope of review shall be limited to the following:

1. procedural errors
2. evidence not available at the time of the hearing
3. insufficient evidence to support the findings of the Judicial Board

4. misinterpretation of University policies and regulations by the Judicial Board

5. a sanction or sanctions disproportionate to the offense

6. lack of jurisdiction

All appeals shall be considered upon the record of the original proceedings of the Board. The President or Vice-President at his/her discretion, may defer the imposition of sanction pending final disposition of the appeal. In the case of expulsion the President must defer the imposition of sanction when a stu-

dent files an appropriate appeal with the Board of Trustees. A student desiring to appeal the sanction of expulsion must, within three working days, indicate to the President in writing an intent to appeal the decision to the Board of Trustees. A written petition of appeal must be filed with the Chancellor of the Board of Trustees within 15 days of the institutional President's decision. If the Board of Trustees determines that the petition will not be heard, the decision of the President of the institution is affirmed and sanctions imposed therein shall be effective upon the President's receipt of the statement of denial.

VI. MEDIATION

Mediation is a method of resolving disputes and conflicts. It is an alternative to the formal judicial process. It is a voluntary process requiring the participation of a mediator who operates from an impartial base and whose primary role is to promote agreement.

The purpose of mediation is not to judge guilt or innocence, but to help parties get to the root of their problems and to devise their own solutions. Compromise is at the heart of a successfully mediated dispute and the end result of a mediation session is that there are neither winners nor losers, but rather, it is hoped, generally satisfied individuals. If a satisfactory agreement cannot be reached through mediation, the complainant may refer the complaint to the Coordinator of Judicial Affairs for judicial action.

VII. EMERGENCY AUTHORITY

Emergency authority may be exercised by the President or his designee in special circumstances. He has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students who act or refuse to act, the result of which conduct is to interfere with the rights of others and which conduct is non-peaceful or is disruptive or which conduct constitutes a danger to health, safety, or property of others or himself, provided that a hearing is held within 72 hours of the decision to suspend subject to a 48-hour extension at the option of the student.

VIII. BOARD OF TRUSTEES POLICIES

Students should familiarize themselves with the Board of Trustees Policies, Rules and Regulations Regarding Student Rights, Responsibilities, and Conduct in West Virginia Universities and Colleges (P.B. 57) which is available in the Office of the Coordinator of Judicial Affairs.

It also provides the opportunity to further the social growth of students by maintaining an environment conducive to learning how to get along with peers and how to handle differences such as race, ethnicity, and gender. Respect for other individuals and the ability to treat others in a civil manner is a basic tenet on which our society was built. Accordingly, the University has an obligation to address behaviors within our environment that are unacceptable, including, for example, on racial or sexual prejudice are inconsistent with our educational mission and will not be tolerated.

MARSHALL UNIVERSITY POLICY FOR FACULTY, CLASSIFIED STAFF, AND STUDENTS WITH CONFIRMED HTLVIII INFECTION AND/OR AIDS.

In considering adoption of a policy concerning HTLVIII infection and/or Aids, among members of the faculty, classified staff and students of Marshall University, the following facts should be kept in mind:

Discovery that an individual has HTLVIII infection is most likely to be inadvertent and by the following means:

1. Current attempt to donate blood to the American Red Cross or other agencies.
2. The "Look-Back" of the Red Cross to detect HTLVIII-positive individuals among past donors.
3. An individual recognizing that he or she is in a "high-risk" group seeks medical attention for specific testing for HTLVIII.

Recognizing that the current tests for detection of HTLVIII are not totally reliable (with the ELISA test, false positive occur at a frequency of 1:10), the following guidelines should be considered for members of the faculty, classified staff, and students who are determined to be positive for HTLVIII:

1. Strict confidentiality should be maintained at all times.
2. Individuals determined to be positive for HTLVIII virus by a screen-test should be examined by a physician specially qualified in diagnosis and treatment of AIDS or an Infectious Disease Specialist Physician.
 - a. The Physician specially qualified in diagnosis and treatment of AIDS or Infectious Disease Specialist Physician will examine the person and order any further tests required to confirm the diagnosis of HTLVIII infection and to ascertain the presence or absence of clinical evidence of AIDS.
 - b. Individuals confirmed to be positive for HTLVIII, should seek counseling as to their personal risk status for developing AIDS and/or for potential transmission of HTLVIII to others.
3. The individual will be responsible for any cost of medical examinations, laboratory tests, and treatment not covered by regular health insurance policy or policies and regular Student Health Service coverage.
4. Should unusual circumstances arise requiring quarantine of the individual, such a decision should be made by appropriate Public Health Officials.
5. All decisions with regard to assumption of the responsibilities of a faculty or staff member and student continuation of salary, extension of sick leave, classroom attendance and comparable matters are administrative and would be considered under established guidelines for other illnesses.

ALCOHOL/BEER MARKETING

Alcohol/beer beverage marketing programs specifically targeted for students and/or held on campus should conform to the code of student conduct of Marshall University and should avoid demeaning sexual or discriminatory portrayal of individuals.

Promotion of beverage alcohol/beer should not encourage any form of alcohol abuse nor should it place emphasis on quantity and frequency of use.

Beverage alcohol or beer (such as kegs or cases of beer) should not be provided as free prizes to individual students or campus organizations.

No uncontrolled sampling as part of campus marketing programs should be permitted and no sampling, or other promotional activities, should include "drinking contest."

Where controlled sampling is allowed by law and the institutional policy, it should be limited to time and quantity. Principles of good hosting should be observed including availability of alternative beverages, food and planned programs. The consumption of beer, wine or distilled spirits should not be the sole purpose of any promotional activity.

Promotional activities should not be associated with otherwise existing campus events or programs without the prior knowledge and consent of appropriate institutional officials.

Display of availability of promotional materials should be determined in consultation with appropriate institutional officials.

Informational marketing programs should have educational value and subscribe to the philosophy of responsible and legal use of the products represented.

Beverage alcohol/beer marketers should support campus alcohol education programs that encourage information and responsible decisions about the use or non-use of beer, wine or distilled spirits.

If permitted, beverage alcohol/beer advertising on campus or, in institutional media, including that which promotes events as well as product advertising, should not portray drinking as a solution to personal or academic problems of students or necessary to social, sexual or academic success.

Advertising and other promotional campus activities should not associate alcohol/beer beverage with the performance of tasks that require skilled reactions such as the operation of motor vehicles or machinery.

Local off-campus promotional activities, primarily directed to students, should be developed in consultation with appropriate institutional officials.

Endorsed by the National Association of Student Personnel Association (NASPA), Boost Alcohol Association of College/University Housing Offices-I (ACHUO-I).

Approved: Student Conduct and Welfare Committee, 1984, University President, 1984. Copies of this document available in the Student Legal Aid Center, Student Life Office, Student Activities and Organizations, MSC 2W38, and the Vice President/Dean of Student Affairs, Old Main, 116.

ANIMALS ON CAMPUS

All animals must be under the direct command of their owner or handler at all times, that is, on a leash of no more than six (6) feet in length in their owner's hands. No animals are allowed in University buildings, except for seeing-eye dogs for the blind. A detailed statement of this policy is available from the Office of Student Life 2W31 MSC.

APPEALS

Academic Appeals - refer to the 1990-91 Marshall University Undergraduate/Graduate Catalog.

Disciplinary Appeals - refer to the Code of Conduct this publication.

Grievances - refer to Grievances Procedure this publication.

CAMPUS DISTURBANCES

The President or his/her designated representative will determine whether the activity in question is one for which an institutional response is in order.

The individuals participating in an unacceptable activity will be notified by an authorized university official that their actions must cease. Such a notification will specifically cite the regulation and/or statutes being violated. The individuals participating will be asked to disband and desist in their actions. If the opportunity to disband and desist in their actions is not heeded, the university official will order the individuals to disband and desist, and will indicate clearly that a refusal to heed the order will result in disciplinary action.

Disciplinary proceedings will be instituted by the Coordinator of Judicial Affairs only when there has been a violation of institutional regulations. Disciplinary proceedings pertaining to incidences such as disruptive picketing, protesting, or demonstrations will follow normal disciplinary procedures unless the number of students involved is too numerous to be handled in a reasonable length of time. In these instances the Marshall Judicial Board will handle the disciplinary process. The decision of the Marshall Judicial Board and/or subcommittees is then referred to the President or his/her designee with a recommendation. Disposition and execution of the recommendation is through the President or his/her designee. In other cases, appeal may be taken to the President, or his/her designee, within 10 days, in which case such appeal shall be solely on the record of the proceedings before the committee. If the President or his/her designee, or the Vice-President/Dean of Student Affairs believes that the continued campus presence of a participant could well prove detrimental to others, he/she may suspend the participant from the University, provided that a hearing is held within 72 hours of the decision to suspend.

COMPUTER MISUSE

A student who is found guilty of any of the following acts shall be subject to the maximum sanction of expulsion or any lesser sanction authorized by the Board of Trustees and/or Marshall University Code of Student Rights and Responsibilities. Faculty and Staff members are similarly cautioned against violations listed below.

Misuse of WVNET and Marshall University Computer Facilities

1. Disruption or interference with the normal use of the computers, computer-related equipment, data, communications, or programs of individuals, WVNET, or Marshall University;
2. Use of this equipment, data, or programs in performance of any act listed as prohibited to this document;
3. Attempts to breach security in any manner;
4. Use of a computer account for other than the purpose for which it is specifically assigned or use of a computer account by an individual other than the individual to which it is specifically assigned.

EMERGENCY ACTION

Emergency action is a special category that may be used by the President or his/her designee when, on special occasions, he has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students from school or from a residence hall who act or refuse to act, the result of which conduct is to interfere with the rights of others and which conduct is nonpeaceful or is disruptive or which conduct constitutes a danger to health, safety or property of others or his/herself provided that a hearing is held within 72 hours of the decision.

FUND RAISING, SALES, AND SOLICITATION

The term "solicitation" is used to describe the sale of products or the seeking of funds, signatures, merchandise, services or supplies.

Commercial-for-profit solicitation is not permitted on University property except by contract with the West Virginia Board of Trustees.

The sale of items or the solicitation of funds on University property by individuals or organizations is prohibited unless written permission in the form of a Fund-Raising Permit is obtained from the Student Activities Office, MSC 2W38. All funds solicited must be solely for the use of the Student organization. Fund-raising permits are issued for a maximum period of one week for a specific time and location on campus.

Recognized student organizations (or those in the certification process, at the discretion of the Student Activities Office) may solicit at reasonable times and places on University property and under reasonable conditions imposed by University officials charged with control of the areas provided such solicitations are not inconsistent with the educational purposes of the University. The organization must comply with

facility usage and scheduling policies and arrangements for the solicitation of funds must be made with the supervisor of the building or campus area to be used. When soliciting funds, the organization must have a copy of the Fund-Raising Permit present at all times. The organization conducting the solicitation must be identified at every location by means of a sign or announcement.

In determining reasonableness of time, place and manner of the solicitation activity planned, the Student Activities staff and University officials charged with the control of the areas where the activity is planned shall consider whether the proposed activity conflicts with regularly scheduled University activities or other scheduled events in the area. The effect of the activity on normal pedestrian and vehicular traffic, the availability of the alternate facilities, and similar factors may also be considered in awarding fund-raising permits. Other reasonable time, place and manner conditions may be imposed as a pre-condition of conducting activity (e.g., an applicant may be asked for information regarding the anticipated number of participants and spectators, security arrangements, and sanitary facilities).

Residence Halls

Residence hall students may not act as agents for business firms when this entails solicitation or the receiving of business offers, services or goods in the hall. Residence hall rooms may not be used for business purposes of any nature.

Recognized student organizations (or those in the certification process, at the discretion of the Head Resident in consultation with the Student Activities Office) may sell items within the residence halls under the following guidelines:

1. The organization must obtain a Fund-Raising Permit from the Residence Life Office, located on the first floor of Twin Towers East, or the building Resident Director, with preference given to Hall Government programs.
2. Solicitations must be restricted to common areas. No door-to-door solicitation is permitted. Solicitation in the dining halls is restricted to entrance areas only.
3. A representative of the organization must reserve common areas space with the Resident Director of that building.

Speaker Bans

Students should be allowed to invite and to hear any person of their choosing. These routine procedures required by the University, before a guest speaker is invited to appear on campus, are designed only to insure that there is orderly scheduling of facilities and adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. It should be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. The responsibility for the content and proper conduct of such meetings lies with the respective organization and its advisors.

1. Speakers are encouraged at Marshall University regardless of subjects to be discussed, background or past association of the speaker. Although the Office of Student Life encourages a wide variety of issues and topics, it does reserve the right to intercede if it feels a topic may be of such a volatile nature as to interfere with the goals and the nature of the University. If requested, groups must provide equal time for opposing points.
2. An outside speaker must be sponsored by a recognized student organization or University Department.

Campus organizations are expected to use University property responsibly. Officers of the sponsoring organization as well as the individuals involved are responsible for any and all damages or violations of policy, ordinary wear and tear excepted. Accordingly, officers of the group and/or advisor(s) may request inspection of the premises by Public Safety personnel prior to and immediately following the use of the facility. Officers and advisors of the sponsoring organization are encouraged to accompany Public Safety personnel during inspection.

Any damage or violation of policy noted will be reported to the Office of Conference Services by Public Safety personnel. A complaint stating violation, damages, estimated cost of repair, etc., will be filed with the Coordinator of Judicial Affairs seeking payment for damages and loss of privilege to schedule facilities or other penalties deemed appropriate by the Coordinator of Judicial Affairs.

Organizations sponsoring pool parties in the Henderson Center are required to hire one Marshall University Public Safety Officer. Organizations sponsoring events with an estimated attendance of 100 are required to hire two Marshall University Public Safety Officers. Exceptions to this policy may be granted if the Organization's advisor or approved designee will be in attendance. One officer and the advisor/designee will be required in lieu of two officers. Arrangements and assignment of officers will be confirmed by the Assistant Director of Public Safety. (696-4357). Officers are to be paid by the organization at a rate of \$9.00/hr for patrolmen and \$12/hr for supervisors.

The user must abide by all rules and regulations of Marshall University and the West Virginia Board of Trustees as outlined in the **Marshall University Student Handbook** and/or the **Greenbook**.

Any equipment of the user remaining on the premises for more than ten (10) days shall be considered abandoned and may be disposed of by the Manager of Conference Services as he deems advisable unless prior arrangements have been made in writing.

No signs are to be posted upon University premises without prior written approval of the Conference Services Manager. Material such as nails, hooks, adhesive fasteners, tacks or screws are prohibited. The Conference Services Manager has the right to refuse permission to use any materials, devices or procedures which might cause injury or bodily harm.

The use of lighted tobacco is restricted to corridors and other designated areas. Alcohol beverages or illegal substances are strictly forbidden.

Campus organizations using the University pools must provide one (1) lifeguard for each thirty-five (35) participants. Lifeguards may be hired by contacting the Recreational Sports & Fitness Activities Office in HC 2017. Lifeguards are paid by the organization.

Persons running or crossing over the Marshall University Track shall wear regular track shoes with a spike less than one quarter (1/4) inch. The only other shoes permitted on the track will be flat running shoes or standard basketball or tennis shoes. Joggers are required to run on the outside lanes of the track to eliminate wear on the track. Under no circumstances shall persons using the track eat, smoke, chew, or drink on the track surface.

MARSHALL UNIVERSITY'S POLICY STATEMENT OF SEXUAL HARASSMENT FOR FACULTY, STAFF AND STUDENTS

I. GENERAL POLICY

Sexual harassment perpetrated by any faculty, staff and/or student against any member of the aforementioned groups is prohibited at Marshall University. It is a violation of Title VII of the 1964 Civil Rights Act, as amended, and Title IX of the Education Amendments of 1972.

II. DEFINITION

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Sexual harassment occurs when:

- A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or education.
- B. Submission to or rejection of such conduct is used as the basis for employment or academic decisions affecting that individual.
- C. Such conduct has the purpose or effect of interfering with an individual's academic or work performance, or creating an intimidating, hostile or offensive working or educational environment.

III. UNACCEPTABLE BEHAVIORS

Sexual Harassment undermines the integrity of the workplace, research, learning and teaching environments. It is unsolicited, non-reciprocal behavior which includes:

- graffiti • verbal abuse • rape
- leering or ogling • physical assault
- sexist remarks regarding the victim's clothing or body and general sexist jokes, comments, or pictures
- patting, pinching or brushing up against the victim's body
- suggestions/demands for sexual favors in return for grades, hiring, promotion or tenure

Each alleged incident/complaint of sexual harassment will be reviewed and evaluated on a case-by-case basis by the Affirmative Action/Human Resources Office.

IV. GRIEVANCE PROCEDURE

Anyone who believes that she or he has been subjected to sexual harassment should contact the Affirmative Action/Human Resources Office (696-6455). The administration encourages students, faculty members, administrators, etc. to pursue the matter through the procedures described below. At his or her option, the grievant may choose to pursue only the informal procedure, only the formal procedure, or may seek resolution under the informal procedure first and then if unsatisfied, pursue the formal process.

All issues/information evaluated during and after informal or formal review of sexual harassment incidents/complaints will be held **STRICTLY CONFIDENTIAL, BREACH OF CONFIDENTIALITY BY THE AFFIRMATIVE ACTION OFFICER, THE GRIEVANCE PANEL OR MARSHALL UNIVERSITY ADMINISTRATORS IS A SERIOUS OFFENSE AND SUBJECT TO APPROPRIATE SANCTIONS AT THE DISCRETION OF THE PRESIDENT.**

SEXUAL HARASSMENT GRIEVANCE PANEL

The Sexual Harassment Grievance Panel is comprised of eighteen (18) individuals who have expressed interest in serving on sexual harassment grievance committees. **Prior to serving on a Grievance Committee, each individual must receive training in sexual harassment investigations.** Of the eighteen members, six shall be faculty members (selected by the President of the Senate), six shall be students (selected by the Student Body President), and six shall be staff (selected by the President of Staff Council). All employees who are not faculty are considered staff for the purposes of this policy. A committee of three (3) individuals chosen by the Affirmative Action Officer from each of the subgroups (faculty, student and staff) will review or investigate the incident or complaint.

Initially, two of the six members appointed by each of the above entities shall serve one year, two shall serve two years and two shall serve three years. Thereafter, all terms shall be for three years with a total of six members appointed each

year, two by the President of the Senate, two by the President of Staff Council, and two by the Student Body President. The names of the individual members of the Sexual Harassment Grievance Panel are available from the Affirmative Action/Human Resources Office.

All members of the Grievance Panel will treat as **CONFIDENTIAL** to the extent permitted by law, the information that is disclosed to them in their capacity as panel members although records of the panel may be made available for **CONFIDENTIAL REVIEW** by the responsible committee or administrator in any resulting disciplinary or complaint procedure arising out of the same incident.

INFORMAL PROCEDURE

Complaints may be pursued informally through consultation with the Affirmative Action Officer, or a member of the Sexual Harassment Grievance Panel. When informally pursued, no written complaints are required although the alleged harasser will receive written notification of a review in progress.

Although the grievant may choose a person to act as her or his representative, all members of the Sexual Harassment Grievance panel are available for informal resolution. The representative will, at the request of the grievant, meet with the alleged harasser to attempt a resolution of the situation. In addition, the representative may assist the grievant in other attempts at informal resolution which are appropriate under the circumstances and act as a confidant and/or advisor.

If a member of the Sexual Harassment Grievance Panel acts as a representative under this section, that member will be excluded from selection on the investigatory committee under the formal procedure.

At the conclusion of the informal procedure the representative(s) shall report the results of the findings to the Affirmative Action Officer who shall decide if the grievance has been resolved or merits further investigation.

FORMAL PROCEDURE

The formal procedure is invoked by the filing of a written complaint with the Affirmative Action/Human Resources Office or when evidence from the informal procedure warrants a formal investigation. The complaint shall be filed upon forms available from the office. A copy of the complaint will be delivered by Certified Mail from the Affirmative Action/Human Resources Office.

An investigatory committee consisting of a member from each of the three constituencies will be selected by the Affirmative Action Officer at random from the Sexual Harassment Grievance Panel. Prior to the investigation, either grievant or accused may request that a committee member be excused for cause (bias, interest, relationship to one party, etc.). Any member excused shall be replaced by a person of the same constituency by random selection.

In the interest of timely resolution, **the grievance shall be investigated within twenty (20) working days** after a formal complaint is delivered to the alleged harasser. In the event of extenuating circumstances (determined by the Affirmative Action Officer), this period may be extended as reasonable under the circumstances. Each party has the right to seek coun-

SOUTHERN CONFERENCE CODE OF SPECTATOR CONDUCT

Southern Conference teams shall be supported with enthusiasm and dedication, for strong spectator support is a vital part of the experience of college competition. We expect good sportsmanship from players and coaches, and they have a right to expect the same from spectators. Therefore, we urge Southern Conference students, alumni, and friends to cheer their teams to victory while upholding those ideals our colleges and universities have nurtured during the long history of the Southern Conference. Our spectators should be courteous, judicious in choice of expression and exhibit good manners and kindness to all others. The scoreboard will reflect the quality of the teams in competition; the kind of support given by the spectator will showcase the character of Southern Conference fans.

Athletic Directors will see to the following:

1. Posters will be displayed in appropriate places throughout the campus.
2. Code will be printed in game program.
3. Requests will be made to carry it in school newspaper.
4. PA announcements will be made calling attention to the Code at home games.
5. Emphasis to coaches, athletes, bands and cheerleaders that they are expected to live up to their part of the Code.

Band - PA Announcers

Bands or any component thereof (including drums), organs and PA announcers are not allowed to play/speak while the game is in progress and bands will be seated where designated.

Derogatory Signs

Signs of derogatory nature directed towards an individual opponent, visiting team, or game official are not permitted in Southern Conference areas. It is the responsibility of Home Management to see that any such signs are immediately removed.

SIGNS

1. Signs on University property must clearly display the name of the sponsoring organization of the individual and the date of posting. The total area of the signs shall not exceed 700 square inches with a maximum diameter/width/length not to exceed 30 inches.
2. In order to maintain the natural beauty of the campus and to preserve the quality of the buildings, trees, and shrubs, signs are to be displayed only on the bulletin boards provided for that purpose. Signs are not to be posted on the exterior or interior surfaces of buildings, doors, or windows. Signs are not to be posted on shrubs, utility poles, or sidewalks and can be posted on trees only if secured with string or tape (no nails).
3. Bulletin boards in classrooms are to be reserved for information pertaining to the instructional program. Administrative bulletin boards in departmental areas and in/or adjacent to University offices are reserved for the use of such departments and offices. These bulletin boards shall be under control of the departments and instructional staff.
4. Organizations and individuals may post only one sign on the same bulletin board at the same time unless the additional sign pertains to a different event.
5. All signs posted on campus must be stamped for approval to post on campus by the staff in the Office of Student Activities (2W29, MSC) or the staff in the Student Affairs Office of the School of Medicine. Any questions concerning this provision should be directed to the Associate Dean of Student Affairs (2W31, MSC 696-2282).
6. Individuals or organizations displaying signs are responsible for their removal the day after the event.
7. Signs will be removed which violate these or other University regulations.
8. The student activity banners which are displayed on the balcony of the Memorial Student Center, the fraternity doors which are displayed during elections, are specifically exempted from the size limitations and the restrictions of posting only on bulletin boards. These exemptions are given on the basis of the signs being in good taste and their repetitive use having been accepted prior to the implementation of this policy. It shall not imply a waiver of the restriction against posting signs on painted surfaces nor prompt removal of such signs. Use of the banners, doors, and the student government election signs as exempted will be subject to review. Approval to use these signs as described does not negate the possible withdrawal of approval at a later date.
9. These policies pertain to the total University, and shall take precedence over any regulations formulated by constituencies of the University. The enforcement of these policies shall be the responsibility of the Vice-President for Student Affairs or his/her designee.

Artificial Noisemakers

Artificial noisemakers, air horns, "electronic amplifiers", are not permissible in arenas or stadiums except for those amplifiers that are part of the official pep band. Such instruments will be removed from facility when discovered inside.

*The only exception to the electronic amplifiers will be for crowd of cheerleaders using them to give instructions to the crowd and *not* using them toward area of competition.

Explosive Devices, Live Mascots, and Motorized Vehicles

The home Athletic Director decides the policy regarding use of explosive devices, (cannons, rifles, shot guns, rocket launchers, etc.) live mascots, (horses, buffaloes, etc.), and motorized vehicles in their facilities. Visiting Team Athletic Director needs to request permission for the use of such at least two (2) weeks in advance of contest and approval or disapproval should be furnished at once by home Athletic Director.

Cheerleaders

The Athletic Director, with whatever other university personnel he deems advisable, shall meet semi-annually with all cheerleaders prior to the first football game and again prior to the first basketball game. He will emphasize the Southern Conference Code of Spectator Conduct highlighting the cheerleaders' responsibility in assisting in its implementations. He will discuss with them ways to excite rather than incite the crowd as vulgar, profane, and/or derogatory cheers are not in keeping with the goals of the Southern Conference Code of Spectator Conduct.

Institutional Heads

Before the first football game each year, or as soon after that game as practicable, each Institutional Head will hold a meeting for the purpose of discussing sportsmanship and crowd behavior at football and basketball games. (At his discretion, the Institutional head may hold another meeting before the first basketball game). This meeting will be attended by the following persons: Institutional Head, Dean of Students (or the equivalent officer), Faculty Athletic Chairman, Athletic Director, all coaches (football and basketball), cheerleaders, band director, band leaders, student body leaders, student newspaper reporters, public address announcer, and security personnel. Guidelines for the discussion will be supplied by the commissioner. Reference should also be made to the section of the Southern Conference Constitution entitled "Crowd Control-Sportsmanship". The Athletic Director and coaches will inform the players and other squad personnel of their responsibilities.

The Institutional Head will certify, on a form supplied by the Commissioner, that such a meeting has been conducted. The form will be filed with the Commissioner not later than October 1.

SUBSTANCE USE AND ABUSE POLICY

I. INTRODUCTION

The purpose of this policy is to serve as a guide for the campus community in the use and abuse of controlled substances. Alcohol abuse or the use of illegal drugs is incompatible with the educational mission of Marshall University. The roll of the university in pursuit, creation, and dissemination of knowledge requires that all members of the university community function at their optimal level. The illegal use or abuse of drugs and/or alcohol has a clear and adverse effect on the educational environment. Accordingly, Marshall University is committed to promoting the responsible use of alcohol and preventing the use of illegal drugs.

II. DEFINITIONS

Alcoholic beverages include those beverages defined under the State of West Virginia Code, Section 60-7-12a as nonintoxicating beer, and under 60-8-20a as wine and other alcoholic liquors. In plain language this means, beer, wine coolers, and all other liquors.

Illegal drugs include those substances defined under Schedule I of the West Virginia Uniform Controlled Substances Act (60A-2-204). These include any opiates, opiate derivatives, and hallucinogenics such as marijuana and LSD. Also included are substances listed under Schedule II of the act which includes substances with a high potential for abuse but which may have a recognized medical use.

III. ALCOHOL

West Virginia state law prohibits the purchase of alcoholic beverages by persons under the age of 21, and also prohibits any person not related by blood or marriage from providing alcoholic beverages to persons under age 21. In order to stand consistent with this statute the university is compelled to carefully monitor and control the use of legal alcoholic beverages on campus or by organizations under the support of Marshall University. All organizations affiliated with the university must take positive action to insure that minors are not served alcohol.

Many campus based constituencies include persons who are legally able to purchase and consume alcoholic beverages. These include faculty, staff, students, alumni, visitors to campus, community groups, conference or workshop participants, or others here for purposes related to university functions. For these groups the responsible use of alcohol must be the guiding principle.

State law also prevents the sale and consumption of alcoholic beverages on campus, except in specifically designated (1) locations. For this reason and others many campus affiliated organizations choose to hold social functions at off-campus locations. Again, for these organizations positive actions must be taken to promote the responsible use of alcohol. These actions are required:

- * Positive actions to insure that no persons under age 21 are served alcoholic beverages.
- * No social event shall include any form of "drinking game".

- * Alcohol should not be used as an inducement to participate in a campus event. Promotional materials for any event shall not make references to the amount of alcoholic beverages (such as number of kegs) available.

- * Direct access to alcoholic beverages should be limited to those persons designated as servers.
- * Alternative non-alcoholic beverages must be available.
- * Food as well as drink must be served.
- * Early cut-off of drinks must be observed, preferably one hour prior to the end of the event.
- * No alcohol should be served to those persons obviously intoxicated.

Alcoholic beverages (beer and wine coolers) may be legally sold and consumed with the approval of the President in designated and licensed areas of the Marshall University campus. Beer only may be consumed in the residence halls by residents and guests age 21 or older in sleeping quarters only in areas so designated by the Housing Office and the Office of Residence Life. Private residences on campus property, such as apartments within the residence halls and the Married Student Housing unit, are not subject to these limitations.

IV. ILLEGAL DRUGS

Consistent with its educational mission, the university will utilize educational strategies as the primary activity aimed at preventing drug abuse and the use of illegal drugs. A strong program focusing on drug abuse will be conducted with the intent of informing all members of the university community of the resources available to help resolve abuse problems. Those members of the university community who voluntarily seek assistance for abuse concerns or drug addiction through a recognized treatment program, either through the services of Marshall University or through community resources, will be assured that applicable standards of confidentiality will be maintained. Students who voluntarily seek such treatment may be eligible for a medical withdrawal from the university without academic penalty.

Members of the Marshall University community are responsible for knowing and complying with provisions of West Virginia law that define as crimes the possession, sale, delivery, or manufacture of those drugs known as "controlled substances". Any member of the University community who violates that law is subject both to prosecution and punishment by civil authorities and by the University.

Sanctions will be imposed by the University consistent with procedural safeguards applicable to disciplinary actions against the involved parties. Penalties imposed may range from written warnings with probationary status to expulsions from enrollment and termination of employment.

V. GOVERNING POLICIES FOR SPECIFIC COMMUNITIES

Students

The Marshall University Student Code of Conduct, as administered by the University Judicial System, governs

the procedures to be followed in case of violation of this policy by enrolled students.

Faculty

Violations of university policy and/or state laws committed by members of the University faculty shall be adjudicated within the guidelines of WV BOR Policy Bulletin 36.

Staff and Administrative Personnel

Violations of university policy and/or state laws committed by members of the university staff or administration shall be subject to sanctions as outlined above. Procedures for adjudicating such violations shall be consistent with WV BOR Policy Bulletin 52, and the Classified Employees Handbook, Section 10.

Alumni, Other Groups

Alumni of the university, when gathered at a university sponsored, sanctioned, organized, or affiliated event should be subject to the same standards of behavior as students and staff of the institution. The university will make every effort to insure compliance with these guidelines. Affiliated groups, including conference participants, or other persons benefiting from university affairs or services will also be expected to conform to these standards.

WEATHER STATEMENT

Extreme weather conditions or energy outages have resulted in disruption of normal operations at Marshall University on several occasions during past winters. Similar situations may occur in the future. With that possibility in mind, Marshall University has developed the following policy:

1. Although it may be necessary to suspend classes because of inclement weather or other problems on some occasions, offices will not be closed and ALL employees will be expected to report to work.
Individual employees, for whom it is appropriate, may, in their best judgment, determine the risk of travel to be too great and elect to remain at home. Those who do so should contact their respective supervisors and indicate that they are: (1) taking annual leave that day, or (2) taking a day off without pay, or (3) taking compensatory time, in the event compensatory time is owed them.
In the event that a building, or a section of a building, is closed (because of heat loss, power outage, etc.), employees working in the affected area will be permitted to take their work to another area or building on campus. Or, in consultation with the supervisor, the employee may elect to take annual leave that day, take the day off without pay, or take compensatory time off.
2. In the event of an extreme situation (tornado, flood, ice storm, campus disturbance, etc.) and the employees' presence is not desired on campus, this information will be disseminated to the news media. A decision as to whether the missed time will be chargeable to annual leave, compensatory time, or a non-pay situation will be determined by the President and communicated through supervisors on the first day that normal campus operation is resumed.
3. Supervisors must take steps to ensure offices and/or work stations are open to employees at all times when those employees are expected to be at work, including inclement weather situations and other disruptive situations.
4. The President will notify the media by 7:00 a.m. of suspended classes for that day. A separate announcement will be made later in the day in regard to classes scheduled to begin at 4:00 p.m. or later.

The Marshall University Student Handbook/Calendar is published by the Division of Student Affairs. All statements in this publication are announcements of present policy only; they are not to be regarded as offers to contract.

Programs are subject to change depending upon staffing and budgeting. Policies, regulations, calendar events, etc., stated herein are subject to revision subsequent to date of publication.
