Dear Wonderful, Wonderful Women:

Our sixty-first Annual Convention of the West Virginia Federation of Women's Clubs has convened and adjourned leaving pleasant memories that will always remain. The credentials committee reported you came 608 strong, you welcomed our guests, entered into all activities, responded at all times when called upon, exercised your judgment, and I hope took home with you the information and inspiration that was there for the taking.

Our beloved General Federation President, Mrs. E. D. Pearce, brought us an uplifting and informative message. Her insistence on sitting in the audience and being one of the members endeared her to everyone and our standing ovation to her came from our love and gratefulness.

To those of you who were there, will you ever forget the workshop session when Mrs. Earl Hazelton asked us to identify our problems in West Virginia? I believe she anticipated a slow response and was overwhelmed with the immediate desire of everyone to be heard. When anyone listed a problem of common concern the entire group clapped to demonstrate their agreement. I believe Mrs. Hazelton was a bit surprised to have an audience so

DEPARTMENT STORE Fairmont, W. Va. Serving The Public For 90 Years

Eight Miles West of
Petersburg, W. Va.

enthusiastic about their problems but I am sure she was delighted with the response she received. Let no one be in doubt; we can identify our problems in West Virginia. This interest resulted no doubt in the group staying to the very end of the last meeting of the Convention to work again with Mrs. Hazelton in approaching methods of possible solution. Everyone can now work more effectively in her community. Thank you Mrs. Hazelton!

Sincere thanks go also to Mrs. J. W. Ruby. capable Convention chairman; the North Central District as Convention hostesses; the outstanding speakers and music artists who made the program successful; the officers, department and division chairmen, District Presidents, and other members of the Council; the staunch past Presidents of the West Virginia Federation who numbered nine in attendance; and all members who came to the Convention. Now you know why I addressed you as wonderful, wonderful women.

Yes, there were some men present. It would not be a Convention without Mr. Berryman at the organ, Mr. L. C. Hull again presented fine awards in the Shell Oil Education Program. Mr. William Fearnley accompanied the lovely and talented artist Mrs. Manning Muntzing.

It is not too early to begin planning to come to the Convention next year.

It is a must. Begin now to save your dollars.

Mentioning dollars gives me entree to the new project launched for the purchasing and restoration of the lovely Pearl S. Buck home. Elsewhere in this issue of the Clubwoman our new project Director, Maxine Scarbo, has information about it so I will not spoil her announcement. We had to use a little arm twisting to get her to assume another responsibility but we know she will do a wonderful job. Read about the project and then get to work. It will be hard to wait until next March to hear what you have done but it is pleasant to anticipate.

I know you are as delighted as I am that because of the good work of our first vice-president, Mrs. George Hoylman, in handling the flag pins, our budget can be stretched over the next club year without any Federation money making project. This will give you more time to raise money for the Pearl Buck project.

Before we realize it the Education Institute to be held July 12, 13, 14 at the Twin Towers, West Virginia University, will be here. This year it will not be a starred honor point. We believe you know how fine it can be and will not want to miss it. Plan now and be sure to come.

To help you remember, the following is a list of important dates:

KENOVA,

WEST VIRGINIA

The Watoga-Pearl S. Buck Field Trip is being planned especially for members of the West Virginia Federation of Women's Clubs and their families. It is cosponsored by the West Virginia Federation Women's Clubs and the West Virginia Department of Natural Resources. Junior Clubwomen and other interested persons are also invited.

The event will begin on Friday Evening, May 26th and adjourn with breakfast on Sunday, May 28th. It promises to be an informative, interesting and entertaining weekend. Watoga State Park is a perfect setting for you as an individual, or for your entire family, to have a pleasant weekend as we meet together to promote the Pearl S. Buck State Project.

FRIDAY EVENING — Plan to arrive in time to attend the informal Get-Acquainted Party from 8:00 to 10:00 p.m. A smorgasbord will be provided in the dining room so that our travelers may enjoy it from 6:30 to 10:00 p.m. At the party, we will have entertainment for you. We will feature Frank George, Folk singer and musician from Bluefield at this session. You will have time to visit with our state president, Mrs. Delmas Miller, make friends and join in the games and fun. Mrs. Marie Leist will brief us on the Pearl S. Buck Birthplace.

SATURDAY MORNING — We'll begin the day with a tasty breakfast at 7:30 a.m. At 9:00 a.m. we will begin our

field trip. First stop will be the Droop Mountain Battle Field, located on Route 219, south of Hillsboro. From there we will proceed to the Pearl S. Buck Birthplace at Hillsboro where we will visit until lunch time. After a nice lunch in Hillsboro, we will jump in our cars and be off to the National Forest Visitors Tourist Information Center, located at Cranberry Mountain on Route 39. From there we will go to CRAN-BERRY GLADES and participate in a guided tour of the Glades. All roads are in good shape. After the tour, we will head back to the park for a scrumptious dinner.

SATURDAY EVENING — After dinner, we will have some special entertainment provided us by a local group from Marlinton. In addition to our entertainment, Mrs. Marie Leist, Chairman of Advisory Committee for the Pearl S. Buck Birthplace Restoration, knows much of the historical background of the Pearl S. Buck family and will speak to us. Mrs. Leist is a member of the Ronceverte Woman's Club. We will also hear from our State President, Mrs. Delmas Miller, and from the President of the Pearl S. Buck Birthplace Foundation, Mrs. Fred Hurt. Mrs. James A. Scarbro, newly appointed Director for the State Project, will tell us about "Pyramiding our Dollar Into Dollars."

SUNDAY MORNING — Breakfast on Sunday Morning will conclude our planned activities for the weekend. However, there is much more to do and see while you are in this area. You can tour the Watoga State Park, visit the Anne Bailey Lookout and the Brooks Memorial Arboretum. While only a few miles away, you can (1) Visit the Cass Scenic Railroad and have the thrilling experience of taking a ride into yesterday; (2) Visit Seneca State Forest; (3) Hills Creek Falls; (4) National Radio Astronomy Observatory at Greenbank; and other interesting spots.

WHAT TO WEAR Informal sports wear will prevail during the entire weekend. Dress comfortably.

WHAT TO BRING (1) A camera to photograph spots of beauty and interest; (2) husband's fishing equipment; and (3) boots for the Cranberry Glades tour.

COST TO YOU \$16.00 per person. This is the total cost of the weekend outing. It includes smorgasbord on Friday evening, breakfast, lunch and dinner on Saturday and breakfast on Sunday. It also includes, of course, your lodging for two nights in one of the 34 cabins to be found on the park. There are one, two and three bedroom cabins all complete with kitchen facilities. If husband and wife are attending, be sure to indicate on reservation, as we must have this information for placing persons in cabins. Watoga is the largest, one of the oldest and most popular parks in the state. You can't help but enjoy a weekend at this park.

Use This Form To Make Your Reservation Today

Mail before Monday, May 22, 1967 to: Mrs. Maxine Scarbro, Coordinator of Women's Activities, State Department of Natural Resources, Charleston, W. Va. 25305. Make checks payable to Watoga-Pearl S. Buck Field Trip.

Theodards, Charleston, W. Va. 2000. Mark Circus payable to Watoga Fear D. Duck Field 1119.

MAY, 1967

BUILD YOUR DOLLAR INTO DOLLARS

For The "Pearl S. Buck" State Project

Mrs. James A. Scarbro Pearl S. Buck Project Director

Excitement reigned supreme on Friday Evening at the State Convention when Mrs. Delmas Miller, State President, presented a crisp new one dollar bill to each club president. WHY DID SHE DO THIS? For the Pearl S. Buck State Project.

Each club is to take the one dollar and pyramid it into as much money as possible between now and the next convention. Then next year at the convention, club presidents will again march in a processional, cross the stage and report to Mrs. Miller the amount her club has raised for the Pearl S. Buck State Project with the dollar presented her this year.

We are interested in learning how various clubs will use this dollar. Please share your ideas by sending them to the Project Director. We will use as many as possible in coming issues of our West Virginia Clubwoman.

For the time being we submit the following ideas suggested to us by Mrs. Lucille Pfeiffer, State Recording Secretary.

tary.

MAD HATTERS TEA — Have a gay festive tea table. Borrow ideas from Alice in Wonderland. Have members donate "mad" fashion hats. Set up mirrors. Sell hats for "donations." These usually bring more than set prices. Everyone has at least one mad hat that just doesn't fit into the wardrobe—or else the man of the house doesn't approve. You will have 100% profit as hats are donated.

TASTING TEA - This can be held

MR. JACQUES, EXECUTIVE CHEF HOTEL FREDERICK

Huntington, W. Va.
Specializing In Gourmet Food

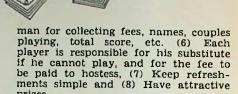

in a new home and a tour of the residence may be included. Tickets could be sold for \$1.00 and the tea can be held in two one-hour segments to accommodate the crowd. All members will donate various favorite dishes to the affair and after the attendees taste the dishes, they can purchase the recipe for the particular dish for 15¢. Each member should bring several copies of recipe for her dish. Baked goods could be sold in another room. Orders could be taken from elderly persons and others not able to attend the affair with goodles being delivered to them.

AUNT EMMY'S ANTIQUE CORNER
— Hold this event as an Attic Auction.
Wear dresses of the 1890's. Have "CanCan" girls sell refreshments from a
bar. Use one corner to display antiques.
Sell food orders. Use your imagination.

BRIDGE-A-THON — Plan your own, make your own rules. A sample marathon is listed: (1) Play 18 hands, (2) Only two Consecutive redeals allowed. Doubles and redoubles are allowed with a maximum of 1000 points per hand, (3) Bonuses: 700 points for having game in unfinished rubber, 500 points for winning three game rubber, 300 points for having game in unfinished rubber, and 50 points for having part score in unfinished rubber, (4) A bonus of 200 points per couple will be added to the score each month if the scores are turned in on or befor the last day of the month in which the game is scheduled. The chairman will add the bonuses deserved, (5) The fee for each game is one dollar per member. Have a chair-

JAMES J. WEILER & SONS, INC.

Fabricated Structural Steel Huntington, W. Va.

COMMUNITY FESTIVAL — Look around you—beware of your heritage—develop a festival to advertise it. Don't be timid about doing something new—the first time out may not present a huge profit, but will develop interest for the next time. Put your thinking cap on and have a festive time in your community. For example: In North Carolina, a club held a "DOG PATCH BREAKFAST". This was complete with Mammy Yockum, hot biscuits and grits.

BILLIE ROSS'S FUDGE — This fudge was a hit at the Convention. Some of you may have sampled it as you visited the President's Suite. Use your dollar on ingredients.

- 4 1/2 cups sugar
- 1/2 pound oleo 1 teaspoon vanilla
- 1 large can condensed milk
- Mix together and cook over medium heat until the mixture comes to a full rolling boil, boil 5 minutes and remove from heat.

Add

- 3 six ounce packages chocolate chips 4 oz, baking chocolate
- 1 jar (pint) marshmallow creme
- Stir until all are melted. Nuts may be added if desired. Pour into wax paper lined pan. Refrigerate 10 hours before cutting. Billie uses a jelly roll pan.

PEARL S. BUCK STATE PROJECT CONTEST

Awards will be presented to clubs having done the most outstanding work for the PEARL S. BUCK STATE PROJECT at the convention next March. There will be three classifications of awards.

- (1) A "Pearl S. Buck" Plaque will be presented to the club in each of the three categories which reports the most unique, novel approach to "PYRAMIDING" the one dollar presented by the State President to the club.
- (2) A "Pearl S. Buck" Cup will be presented to the club in each of the three categories which reports the most actual money made and contributed to the state project. This will be based on percentage of membership.
- (3) One beautiful "Pearl S. Buck" Bowl will be presented to the single Club in the state which contributes the largest amount of money during

BECKLEY beckons you

Come spend a day, several days or a week! Enjoy a growing list of summer attractions:

HONEY IN THE ROCK

The seventh annual presentation of historical drama opens June 24th at Grand-view State Park, and runs nightly (except Mondays) throughout the summer.

Visit the Exhibition Coal Mine in New River Park; swim, fish, picnic, relax at Stephen's Lake and more distant Bluestone and Babcock State Park. Loads of other amusements.

Enjoy shopping in modern central business district, as well as several suburban shopping centers — large modern department stores, specialty shops, antiques shops and all imaginable services.

Motels a-plenty - and a summer climate superior to anything in the east.

These businesses join the Woman's Club of Beckley and the Raleigh County Chamber of Commerce in saying

"See you in '67!"

West Virginia Endorses Mrs. Carroll E. Miller As Candidate For GFWC Office

A prominent West Virginia Clubwoman, Mary Katharine Barnes Miller, has been endorsed by the West Virginia Federation of Women's Clubs as a candidate for the elected office of Third Vice-President for the General Federation of Women's Clubs.

Mary Katharine, a non-resident member, now residing in Missoula, Montana, is well qualified for the office she seeks. She has served in local, district and state offices, which led to her being state president the years of 1958-60. On the GFWC level, she has served as chairman of the Public Affairs Department and as chairman of the Divisions of Safety; Law Observance and Crime Prevention; and Crusade for Light. She is currently serving in the high position of Recording Secretary for the General Federation of Women's Clubs which makes her a member of the Executive Committee.

Her various chairmanships and offices have taken her all over the nation. Some of her travels since the first of the year have taken her to Washington, D. C. for the GFWC Executive Committee Meeting where she also attended a reception honoring Her Royal Highness The Princess Irene of Grecce; Tuscaloosa, Alabama, where she spoke at a breakfast session of the Alabama Federation convention. Governor Lurleen Wallace, a longtime club-

Conservation

Blessed of the Lord be his land . . . for the precious fruits brought forth by the sun . . . for the precious things of the earth and the fullness thereof . . .

Deuteronomy 33: 13,14,16

West Virginia has been blessed with a wealth of natural resources. We have striking scenic beauty and recreational resources with great potential. West Virginia has much to contribute to its own prosperity and to the Nation.

But in this day of expanding population and growing industry, only the wise use of these resources will assure us of continuing growth and prosperity. It becomes more evident every year that conservation is everybody's business. The natural beauty of many areas of our state must be preserved for future generations.

Women's clubs, by means of programs and meetings, can do more to educate citizens on conservation problems than any other voluntary group. Ours is the task of using the resources wisely and handing over our trusteeship, in due time, to a generation that has been trained to accept the responsibility of the good things of the earth and the fulness thereof.

The key to West Virginia's natural resources is the YOUTH, our most precious resource. They must be taught to understand and make wise use of the world around them through Conservation Education. This is essential to the future of our state.

I was very surprised and pleased to receive word from Mrs. E. D. Pearce, President of G.F.W.C., that the General Federation has adopted the Youth Conservation Program, as presented in West Virginia four years ago. We are now in competition with fifty states in our Youth Program. Now it is indeed

"TIME FOR ACTION" to "BUILD WITH YOUTH FOR A BETTER WORLD."

MY PERSONAL RESPONSIBILITY

What can I do in Conservation to aid my Community, State and Nation? I can use courtesy, thought and care, in field or forest anywhere. Take what I need but never waste, curb my desire for frantic haste. In handling forest, range or field, plan skilfully for future yield. Observe the laws for fish and game and help my neighbors do the same. So live that in a future year, none will regret that I passed here.

Pollution Division

Mrs. W. E. Lanham, Chairman Spring is in the air, although it is polluted air.

Now is the time for all clubwomen to take hold and back

to take noid and back the men in the legislature, who have put forth their efforts to clear the air. As you know for the past few years many have joined in the fight to combat our pollution problems. Many problems have yet to be solved.

I was a little disappointed that more clubs did not enter the "Clean Air Community Action Program." This is a two year program. You can enter by contacting me and saying you plan to enter.

A G.F.W.C. Citation will be given at the 1968 Convention for the three best State Clean Water Programs. Let's all take a try at this.

Why not recognize and award enterprising industries and individuals for their efforts in Pollution Control?

Don't forget to clean up that roadside litter.

Even though, we as an organization, may gain honor for our fight, we must also think of every individual who will benefit from our struggle. Let's set our goal for "Spring with Clean Air."

Land and Water Resources Division

Mrs. Elwood Williams, Chairman

Promote conservation education at all grade levels, first grade through high school.

Create a public awareness and understanding of natural resources problems and pressures.

Know your local, county, state and national situation regarding natural resources

Put conservation books on local and school library shelves.

Develop scholarship programs for teachers and youth.

Promote essay and art contests in schools on conservation projects.

Put films and conservation teaching aids in the hands of teachers.

Have a club program on conservation of natural resources.

Promote "Keep America Beautiful" projects.

Recognize adult and youth achievement in conservation through awards and citations.

Promote good outdoor manners.

Help prevent fires — forest, range, park.

Youth Conservation Division

Mrs. H. L. Akers, Chairman

The youth is the greatest single natural resource we possess. This con-

servation program is designed for the youth of our state. It is co-sponsored by The Sears-Roebuck Foundation and the West Virginia Department of Natural Resources. Women's Clubs may participate in the program

by sponsoring a youth group such as 4-H Club, Boy or Girl Scouts, Rainbow Assembly, Student Council, Church Group, FFA Chapters, etc. in the conservation program. Awards will be presented in May of 1968 to the adult and youth groups doing the most outstanding conservation projects. Period of program June 1, 1967 through April 15, 1968.

To build our community, we must first consider and build our youth. To develop healthy, alert, responsible, responsive citizens and leaders of tomorrow we must be ever mindful of their training and encouragement they receive TODAY.

Investigate and give assistance to any type of activity involving the youth or special recognition to the youth of the community.

A brochure explaining the program, listing awards, and giving other information will be mailed to each club president prior to September. Plan to enter this conservation program and contest

HURRICANE
WOMAN'S CLUB

Hurricane, W. Va.

By Mrs. Henry W. Bassell, Jr.

The 61st annual convention of the West Virginia Federation of Women's Clubs came to a close on Saturday. March 18. at the Greenbrier Hotel, White Sulphur Springs, with member, returning to their local clubs stimulated and motivated to action in carrying out new and established projects of the federation program.

Mrs. Delmas Miller, state President, presided at all sessions of the convention and commended officers, chairmen and the federation membership for their outstanding work in the past year on community, state, and national levels to promote programs of study and action in the areas of Conservation; Education; Fine Arts; Home Life and Public Affairs; International Affairs and Community Improvement.

A fitting climax to the meeting was the passing out of several resolutions which were previously presented to local clubs for study and consideration and voted on by delegates at the convention and which will keynote the club's efforts to promote needed legislation in the coming months. These include: An emergency resolution urging conservation of Wilderness areas, supporting the recommendation of the W. Va. Highlands Conservancy, that the Spruce Knob. Roaring Plains. Dolly Sods and Smoke Hole areas be preserved against the encroachment of highways and the inundation by the water reservoirs of high dams.

A resolution that the WVFWC will support the Federal Child Safety Act of 1966 which requires the packaging of children's aspirin in limited quantities, safety closures on drug containers, more careful labeling, and the ban on articles eminently hazardous to health; and seeks to cooperate in any way necessary to see that the law is enforced. A resolution urging the State of West Virginia to enact better legislation for the control of strip mining operations and to put forth strenuous efforts to remedy the undesirable and unsightly conditions which are the result of the strip mining in the past.

The membership also reaffirmed their support of the establishment of kindergartens for all five year old children, urging the provision of kindergartens in the Public Schools of the State.

Adding new dimensions and impetus to future programs and project considerations for the federated clubs were the messages of General Federation officers and chairmen present. Mrs. E. D. Pearce, of Miami, Fla., GFWC President, commended the W. Va. federation for past achievements and urged members to continue their quest for excellence in leadership and successful completion of federation projects.

Workshop sessions in leadership development were conducted by Mrs. Earl J. Hazelton, GFWC chairman of

Highlights

Club Presidents Receive Advertising Awards

Left to right: Mrs. Rufus Land, Woman's Club of Huntington; Mrs. Sam White, St. Marys Woman's Club; Mrs. Lark Maynard, Parkersburg Civic Woman's Club; Mrs. M. A. Booth, Woman's Club of Beverly Hills; Mrs. Woodrow Wade, Woman's Club of Romney and Mrs. Dave Robinson, Woman's Club of Fairmont.

the Community Improvement division, were enthusiastically received by the members. Promoting a more intensified educational program on safety problems in the local communities was the concern of Mrs. W. E. Hamilton, GFWC chairman of Traffic Safety, speaking on the traffic hazards of the states.

"Challenges of Today" a panel discussion and audience participation was presented with Mrs. Carroll E. Miller, GFWC Recording secretary as moderator. Mrs. James Scarboro led the discussion on club membership — its problems and responsibilities and Mrs. Fred Hurt presented methods of successful programming. Mrs. Hurt is the immediate past president of the W. Va. federation and is now the President of the Pearl S. Buck Birthplace Foundation and GFWC chairman of Trade and Aid. Mrs. Scarbro is the GFWC Recreation chairman and is a member of the W. Va. Wildlife Federation.

One of the highlights of the convention was the unanimous endorsement by the federation membership of Mrs. Carroll E. Miller as a nominee for the elective office of Third vice president of the General Federation

for 1968-70. Mrs. Miller, a resident of Missoula, Mont. and the only non-resident member of the W. Va. Federation, is a past state president, and has served on the General federation level since 1960 as chairman of the divisions of: Safety; Law Observance and Crime Prevention; Public Affairs; Crusade for Light, and is now serving in the elective office of recording secretary, 1966-68.

Members were asked to continue their support of the annual Adult

Beautiful Women's Fashions

PRICE'S

Fairmont, West Virginia

Education Institute, sending members to the clinics to be held at West Virginia University, July 12, 13, 14. Mrs. J. W. Ruby will serve as chairman of the project.

Hostess group for the 61st convention was the members of the North Central District clubs under the direction of Mrs. Paul Ryan, Mannington, District President, and Mrs. J. W. Ruby, general chairman.

More than 600 members and guests attended the three day meeting with representatives and delegates from 183 senior clubs and 61 junior clubs registered.

Many clubs achieved awards for successfully fulfilling honor point requirements, completing projects and competing in contests in Membership, education, advertising, literature and poetry, art, press books and crafts.

JUNIOR DEPARTMENT PARKERSBURG

CIVIC WOMAN'S CLUB

The new bridge in the Weirton Woman's Club's Wildlife Sanctuary was dedicated and opened on July 22, 1966, as Miss West Virginia (Judith Skunda of Weirton) seen below, snipped a steel ribbon. Others, seen below, taking part in the dedication ceremony were (left to right) Mrs. John Bender, President of the Weirton Woman's Club; Mrs. Ralph G. Barone, Past Chairman, Junior Department; Weirton Mayor Frank A. Rybka; and Mrs. John A. Jones, Joint Chairman of the Wildlife Sanctuary project with Mrs. Earl Gorrell.

PROGRESS IN WEIRTON

The civic pride and community spirit of the citizens of Weirton resulted during 1966 in continued progress and improvement at the Wildlife Sanctuary and park area owned and being developed by the Woman's Club. A major project, completed with the cooperation of several civic and youth groups, was a new bridge, pictured above. The 16 acres of woodland, just a few steps from downtown Weirton, are an example of the kind of community improvement that has made the Weirton Woman's Club, its departments and committees so outstanding.

Weirton Steel commends the club for its continued civic enterprise and for its fine showing at the convention of the West Virginia Federation of Women's Clubs. Winning 15 awards, in various categories, the club scored a clean sweep of all prizes in the Conservation Division. Weirton Steel is proud again this year to salute this dedicated group of ladies and wishes them well as they continue to work for a better Weirton.

UNIOR S & VIEWS

Mrs. Robert Daniels, Junior Editor

Junior Director's Message

Dear Juniors:

As we end this administration, each of you can truly feel that every day you have lived the last lines of the Junior Pledge: "trying to accomplish something, not merely to exist."

By the time you read this message, state convention will be recorded history, club installation banquet

candles will have flickered low, and you are now ready to enjoy this lovely "springtime fantasy" and re-new your faith in the beautiful mysteries of life.

this past year, and come June, I will pack up for the "Golden Gates" and San Francisco! In July, the Adult Education Institute will be held (July 12, 13, 14). I hope to visit with many of you! The Junior Council will meet in Charleston in July. And, then comes September . . . GFWC Board meeting in Washington, D. C. . . . the Conservation Outing at Watoga on September 15, 16, and 17. THEN, I'll be seeing each of you at fall District meetings!
At each of these above conferences, you will be forthmost in my mind because, as I have said before, I am so proud to represent the W. Va.

Juniors!

As we end this club year, may I give you some fresh thoughts for your spring garden? Did you know that "EVERY CLUB NEEDS A GARDEN" .. "If we nourish this garden, we will cultivate characteristics guaranteed to please those whom we serve."

Plant five rows of Peas;

- 1. Presence
- 2. Promptness
- 3. Preparation
- Publicity 5. Perseverance
 - Plant five rows of Lettuce:
- 1. "Lettuce" be faithful to duty
- Let us be loyal and unselfish
- Let us be true to obligations
- 4. Let us obey rules and regulations
- 5. Let us love one another

Plant three rows of Squash:

- Squash gossip
- Squash criticism (unless constructive)
- 3. Squash indifference

No garden is complete without four rows of Turnips:

- 1. Turn up for meetings
- Turn up with a smile Turn up with new ideas
- 4. Turn up with determination to make everything count for something good and worthwhile.

It is my firm belief that each Junior and Juniorette will plant a "good" garden this spring. Have a wonderful summer with family and friends. Come back in the Fall with renewed enthusiasm as we will start once again TO BUILD, TOGETHER!

Junior Love, Ollie Harvey

"Special Spring Bouquet To Juniorettes"

From: Junior Director

Dear Special Rosebuds:

You have indeed made the Junior Department of the West Virginia Federation blossom forth this year! We are so proud of your accomplishments! And, to see you build from the first organized club of 12 members in Ripley last August, to 269 members in 18 clubs around the state, truly causes our cup to runneth over this spring

I hope you enjoyed the state convention and the tremendous excitement that prevailed throughout the weekend... you helped to make it so! To our lovely Juniorettes who will be graduating and going on to college this fall, may I say from each Junior of the W. Va. Federation. "it was so good to know you!" I hope sincerely that through your "touch" with Federation this past year, you will be eager to join our folds once again after college when you begin to settle into

community life to build your lives as our Juniors have done.

To each Senior as you go forth to build your "Reputation and Character" may I give you the following poem by William Hersey Davis, I hope you will always keep it close by.

"The circumstances amid which you live determine your reputation; the truth you believe determines your character.

Reputation is what you are supposed to be; character is what you are. Reputation is the photograph; character is the face.

Reputation comes over one from without; character grows up from within.

Reputation is what you have when you come to a new community; character is what you have when you go away.

Your reputation is learned in an hour; your character does not come to light for a year.

Reputation is made in a moment; character is built in a lifetime.

Reputation grows like a mushroom; character grows like the oak.

A single newspaper report gives you your reputation; a life of toil gives you your character.

Reputation makes you rich or makes you poor: character makes you happy or makes you miserable.

Reputation is what men say about you on your tombstone; character is what angels say about you before the throne of God."

To each of you, "may God always hold you in the palm of His hand."

Junior Love.

Lecture-Demonstrations

Communications Prologue to Tomorrow— The Bell System today and tomorrow, highlighting Telstar, undersea cable, electronic central office, the LASER.

LASER (Light Amplification by Stimulated Emission of Radiation)—Explores the amazing tool which could benefit or destroy the world.

NORAD (North American Air Defense Command)—A vivid look at our air and space defense system, including slide presentation and a call to Colorado Springs, Colo., where an Air Force officer reviews the nation's defense situation for the past 24 hours.

Magic of Numbers—A delightful trip into the world of numbers, discussing history, use in today's society.

A New Look at Safety — Safety precautions from the caveman era to today, using "Flintstone" cartoons.

Floral Fantasies — Prepared by members of Sunrise Garden Center, Charleston, this talk uses 60 beautiful color slides to illustrate five of the basic principles of flower arranging.

Dial D for Diamonds—See authentic replicas of world's most famous diamonds: Kohinoor, Florentine and others. Hear legends of romance and intrigue associated with them.

Your Voice is You — Perennial favorite with clubs illustrated with taped voices and cartoons. Versions available for men or women.

Films

Plan for Pleasant Living — 15 minutes, color — a glimpse at the gracious life, via Good Housekeeping Magazine's model home.

West Virginia. Land for Relaxation — 15 minutes, color—Narrated by Chet Huntley, this West Virginia Department of Commerce film captures the four-season beauty of the Mountain State.

Decorating Unlimited — 29 minutes, color— Newest home decorating ideas and latest fashions in home communications.

Pavilion '64-'65—30 minutes—Marilyn Van-Derbur, former Miss America and now the C & P's television and radio spokeswoman, hosts a trip through the West Virginia pavilion at the recent New York World's Fair.

Ballad for the Fair—14 minutes, color—Another interesting look at the World's Fair. Oscar Brand, narrator, sings the "Ballad for the Fair", a folk song.

Beyond Three Doors—26 minutes, color—Public affairs film stressing better government through increased participation of individual citizens.
