M U STORY

Old Main, the oldest administrative building at Marshall University, stands on a site once known as Maple Grove. A small log building erected there in the early part of the 1800's was called Mount Hebron Church. Many denominations used it.

Marshall traces its origin to 1837 when residents of the community of Guyandotte, then part of Virginia, and the farming region nearby turned their attention to providing better educational facilities for their sons and daughters. According to tradition, they met at the home of lawyer John Laidley, planned their school, and named it Marshall Academy in honor of a friend of Laidley's, the late Chief Justice John Marshall.

On March 30, 1838, the Virginia General Assembly formally incorporated Marshall Academy. Its first full term was in 1838-39. For decades the fledgling school faced serious problems, most of them financial. The Civil War forced it to close for several years, but in 1867 the West Virginia Legislature renewed the school's vitality by creating the State Normal School of Marshall College to train teachers.

In 1904, Marshall changed its colors from Blue and Black to Green and White.

The small academy has become a major university operating ten colleges and schools: College of Lib-

eral Arts, College of Science, College of Education, College of Business, Graduate School, School of Medicine, Community College, College of Fine Arts, School of Nursing, School of Journalism and Mass Communications.

STUDENT AFFAIRS

NOTES

from this chapter

STUDENT AFFAIRS

The Department of Student Affairs provides a variety of developmental services, programs, and activities in support of the academic mission of the University. It is committed to excellence and an integration of curricular, co-curricular, and extra-curricular activities.

Guiding concepts of the department are those of human growth, development, and personal responsibility within an open and supportive environment. The integration of the cognitive and affective dimensions so essential for personal growth are central to all Student Affairs programs and activities.

Goals of the Department of Student Affairs are as follows:

1. To provide opportunities for students to broaden cultural perspective and to facilitate the reduction of prejudice.
2. To provide leadership development.
3. To critically evaluate functions, objectives, and trends enabling the department to strengthen services, and seek innovative approaches to facilitate the educational process.
4. To help identify, reduce, and anticipate organizational and personal factors which contribute to unnecessary student attrition.
5. To maintain a timely and efficient management program that allocates resources, provides control of expenditures, and administers programs to meet the development needs of a diverse student population.
6. To provide personal maintenance and support services, and to integrate these services into the total life of the University community.
7. To encourage and assist individuals

in developing goals, problem solving skills, and interpersonal relations skills.

8. To encourage and support participation of students in the University community and the Huntington community at large.

9. To assist in developing a secure and healthful institutional environment.

10. To assist students in clarifying values, utilizing leisure time wisely, developing a satisfying lifestyle, and selecting career opportunities. The Student Affairs Programs outlined below are available to all students. For more information, contact the Dean of Students, Office of Student Affairs, 109 Old Main, (696)-6422.

ALTERNATIVE LIFESTYLES INITIATIVE

137 Prichard Hall / (696)-6623

The Alternative Lifestyles Initiative (ALI) is a service of Student Development/Counseling Services for Lesbian, Gay, and Bisexual students, faculty, and staff. ALI offers information and referral, support groups, academic assistance, a speakers bureau, and serves as a liaison for Lesbian, Gay, and Bisexual members of the University community. For more information, contact the office at the above phone number. All contacts and information will be held strictly confidential.

COUNSELING SERVICES

First Floor Prichard Hall / (696)-3111

The Counseling Services staff provides individual and small group counseling experiences, personal and emotional health seminars, assessment and career exploration, and referral services. Sup-

port groups are available to help students resolve feelings on a variety of issues. Vocational interest and personality testing is available to assist the student in evaluating his/her characteristics. These resources can be used by students to help resolve educational, personal/social, or vocational questions.

All information discussed is confidential. For information or assistance, call or stop by the main office.

DEAN OF STUDENTS

109 Old Main / (696)-6422

The Dean of Students is involved in all University matters pertaining to student welfare with primary involvement in matters outside the classroom. The Dean of Students provides leadership in assessing the learning and social needs of students, recommends ideas to make Marshall a more productive and pleasing environment for students, supervises the Student Affairs Staff, and participates with other University administrators in developing policies and making decisions that affect students.

For information about any program in the Department of Student Affairs, students should contact the Dean of Students.

DISABLED STUDENT SERVICES

120 Prichard Hall / (696)-2271

The Office of Disabled Student Services assists differently abled students with all aspects of campus living through learning programs and activities. The ultimate goal is for each student with a disability to function independently. The following services are

available to meet the individual needs of students with disabilities:

**TAPED TEXTBOOK/READER SERVICE* for visually impaired and learning-disabled students.

**TEST PROCTORING* for visually impaired and learning-disabled students, and for those students with upper-body mobility restriction.

**TUTORING* for most freshman and sophomore level courses.

**STUDY SKILLS/READING IMPROVEMENT INSTRUCTION*

**LECTURE NOTE-TAKING ASSISTANCE* for students with hearing impairments or upper-body mobility restrictions.

**SPECIAL PARKING ACCOMMODATIONS* for students with mobility problems.

**INDIVIDUALIZED NEW STUDENT ORIENTATION* for disabled students upon request.

**ADAPTED SPORTS ACTIVITIES* such as swimming, individual exercise programs, and modified physical education classes.

**LIAISON COUNSELOR* for students under the sponsorship of the West Virginia Division of Vocational Rehabilitation.

**ACCESSIBLE HOUSING, CLASSROOMS, AND LIBRARY FACILITIES* for mobility-impaired students.

**REFERRAL SERVICE* to various University and community agencies for special assistance.

Special Exam Accommodations For Disabled Students

The Vocational Rehabilitation Act of 1973, Section 504, states that a disabled student has the right to be tested in a manner that indicates what the student knows rather than indicating the effects of his/her disability. Professors may require that students provide documentation that a disability exists and that an exception in testing procedures has been prescribed by a qualified professional. Accommodations in testing may include time extension, isolation in a separate room to avoid distraction, a reader, or a person or tape recorder to record the student's responses.

Consultation in developing testing accommodations may be obtained from Disabled Student Services. The Office of Disabled Student Services is located in the Student Development Center on the first floor of Prichard Hall. For information or assistance, call or stop by the office.

EDUCATIONAL SUPPORT SERVICES

134 Prichard Hall / (696)-6622

The Coordinator of Tutorial Services trains peer tutors and maintains a list of tutors who have been endorsed by University departments for each subject to be tutored. In addition, the staff helps students improve study skills through both individual and group processes. A series of workshops is presented each semester and includes such topics as time management, preparing for exams, note-taking, getting the most from textbooks, and memory techniques.

Tutoring is available to all students, full or part-time, and is funded by the

Educational Support Program student activity fee.

Students needing either tutoring or study skills help can contact the office of Educational Support Services.

GREEK AFFAIRS (Sororities & Fraternities)

2W38 Memorial Student Center / (696)-2284

Fraternity and sorority life at Marshall University offers numerous possibilities to enhance a student's college career. Each chapter encourages scholastic excellence, provides leadership opportunities, and stresses involvement in other campus organizations. In addition, Greeks sponsor campus and community service projects and continually raise money for numerous local and national charities. Fraternities and sororities offer strong bonds of brotherhood and sisterhood, and produce life-long friendships among their members.

Marshall's Greek system offers sixteen (16) fraternity and sorority chapters which work together through the Interfraternity Council, Panhellenic Council, and the National Pan-Hellenic Council.

For information about Greek life, and for fall and spring Rush dates, see the GREEK LIFE section in this edition of the Handbook or contact the Office of Greek Affairs.

JUDICIAL AFFAIRS

109 Old Main / (696)-2495

The Coordinator of Judicial Affairs is responsible for the campus-wide implementation of the Student Code of Conduct, policies and procedures of the University, and all federal, state, county, local, city, and municipal ordinances.

Should a student be charged with a violation, he/she will be assured of due process, which includes the right to be heard before an impartial hearing body called the Judicial Board, which is comprised of two students and one faculty member. The Board hears all evidence presented on both sides of a case, makes a determination of responsibility, and establishes recommended sanctions.

The University's judicial procedure strives to assist students in the growth process through mediation, counseling, and education.

RETURNING STUDENTS' PROGRAM

143 Prichard Hall / (696)-3111

"Returning student" is Marshall University's term for students who enter college after a break in their education. The Returning Students' Program was created in response to the needs unique to this student population.

In addition to providing counseling and referral services, the Returning Students' Program also provides: "First Step" informational programs for adults interested in returning to school; individual career and academic counseling; and support groups and seminars on success in college.

All returning students are encouraged to call, or come by the office, to receive information regarding available services.

STUDENT ACTIVITIES

2W38 Memorial Student Center / (696)-6770

A complete college experience involves the development of academic and vocational pursuits, as well as the development of personal and interper-

sonal skills. Student Activities' programs are designed to help students develop knowledge and skills for continued growth. Part of the total experience is found in the excitement of working with other students on a programming committee. This not only develops interpersonal relationships and practical work experience, but also provides special training in leadership qualities important to students' future success.

The programs chosen and presented by the student committees help to develop a stimulating, creative, and enjoyable campus environment. The following committees are coordinated by the Campus Entertainment Unlimited Board: Cinema Arts; Comedy Club; Homecoming; Special Events; and Springfest.

The Student Activities staff and student leaders cooperate with all departments and divisions of the University community in programming to meet student interests as well as educational and informational needs.

For details about any of the committees and dates of upcoming events, contact the Office of Student Activities.

STUDENT GOVERNMENT

2W29B Memorial Student Center / (696)-6435

The Marshall University Student Government Association (SGA) is continually growing as a viable part of University life. Beyond a lesson in democracy, Student Government offers vital interaction with those individuals committed to the goal of a continuously improving University community. Student Government is an equal partner

with the faculty, staff, and administration in the decision-making process at Marshall. Through the channels of Student Government, students make decisions that directly affect the entire student body.

Student Government consists of three divisions: Executive, Legislative, and Judicial. Under the Constitution, Senate elections are held twice yearly, in November and March. This allows for a revolving membership as in the United States Senate. Constituencies include representatives from the various academic colleges within the University. The Student Court, appointed by the Student Body President, is charged with two main functions: (1) the interpretation of the Student Government Constitution and (2) the exercise of judicial review over all actions of Student Government. Students are represented on every major standing committee of the University as well as the President's Cabinet.

Student Government provides students with the opportunity to get involved with a variety of projects. Such projects include providing listings for off campus housing, facilitating a commuter network, and actively lobbying the State Government for higher education. In addition, the Student Body President appoints five students to the University Student Activity Fee Committee to recommend to the University President the use of student fees.

Students interested in Student Government should call or stop by the Student Government Office.

STUDENT HEALTH EDUCATION PROGRAMS

145 Prichard Hall / (696)-4800

Student Health Education Programs (SHEP) offers counseling and educational services which promote the wellness concept of a balanced lifestyle. Although the attorneys may not represent students in court, they offer advice and counseling on all legal matters which concern students including landlord/tenant disputes, consumer rights, domestic relations, contracts, auto accidents, traffic tickets, criminal charges, employment, and civil rights.

Seminars are usually offered each semester on the topics of landlord/tenant relations, consumer protection, establishing credit, and other topics of relevance. Brochures such as *The Renter's Handbook*, *How To Sue In A Magistrate Court*, *Domestic Violence*, *Divorce/Annulment*, *Consumer Protection Tips*, as well as other informative pamphlets are available at the Center.

For free and confidential advice call or stop by the office. While no appointment is necessary, office hours vary each semester depending on student traffic so students are encouraged to call ahead.

INTERCOLLEGIATE ATHLETICS

Athletic Department / 200 Facilities Building / (696)-5409

Athletic Ticket Office / Henderson Center / (696)-HERD (4373)

A single Department of Intercollegiate Athletics at Marshall University serves the needs of both men and women. Programs and facilities are growing with larger numbers of student athletes receiving opportunities to compete.

Marshall's athletic teams are fully competitive in the Southern Conference and men's teams are supported in baseball, basketball, cross country, indoor track, football, outdoor track, golf, and soccer. All compete as part of Marshall University's commitment to the NCAA's Division I athletic program structure.

The growth of the women's program has been one of the marked accomplishments of the student athletes and coaches, not only in terms of quantity,

but in quality. Marshall now boasts seven women's teams: volleyball, basketball, softball, tennis, cross country, indoor and outdoor track.

Many exciting things are happening within the University's athletic programs.

Here are some highlights:

Basketball and the Henderson Center

The Marshall University Men's Basketball Team and the Lady Herd play all home games at the Henderson Center, a multi-purpose facility with a 10,291 seat arena for basketball, and an 800 seat natatorium with eight lanes and a moveable bulkhead to provide facilities for a diving pool as well as metric and yard races.

The Henderson Center is used by the Departments of Physical Education, Intramurals, Recreation, and Intercollegiate Athletics. Offices for each of these departments, training rooms, teaching stations, and facilities for women's sports are housed here.

Each student paying the full activity fee is entitled to free student tickets for all home games. Students are also able to purchase two (2) student guest tickets at a reduced rate. For information, call the ticket office in the Henderson Center.

Cheerleading

The Marshall Cheerleading Squad, sponsored by the Department of Intercollegiate Athletics, performs during all home football and basketball games to stimulate enthusiasm and instill excitement in the crowd. Tryouts for the var-

sity squad are held each year in late spring. Information about cheerleader tryouts is posted on campus and publicized in *The Parthenon*.

Students must have successfully completed twelve (12) credit hours at Marshall University or another recognized university as a transfer student. All candidates must meet the NCAA grade point average eligibility for athletes.

Football and Marshall Stadium

On December 19, 1992, Marshall University became the home of the 1992 Division I-AA National Champions. The Thundering Herd Football Team defeated Youngstown State University in a breath-taking 31-28 win to claim the University's first ever National Championship.

Marshall University's 28,000 seat state-of-the-art football stadium, which opened in September 1991, was chosen to be the host site of the I-AA National Championship Game in 1992 and 1993. The facilities building, located at the North end of the stadium, houses Athletic Department offices, locker rooms, weight rooms, training rooms, and an equipment room.

Each student paying the full activity fee is entitled to free student tickets for all home games. Students are also able to purchase two (2) student guest tickets at a reduced rate. For information, call the ticket office in the Henderson Center.

Golf Team

The Marshall Golf Team utilizes three

outstanding courses in the Huntington area: The Guyan Golf and Country Club, the Spring Valley Country Club, and the Esquire Country Club. Other courses also furnish facilities when needed for special events.

Track

Marshall University's Walter "Lefty" Rollins Track was resurfaced in the spring of 1992 and is the finest track facility in the Tri-State Area. The track facility seats 3,000 and is equipped with "Accutrack," the most recent development in automatic timing. Located next to the Henderson Center and Twin Towers, the track has an electronic scoreboard and a public address system, and is equipped with a steeplechase pit and a "discus and hammer" safety edge.

It is one of the oldest "town/gown" series in the United States and has developed a far-reaching reputation as one of the best University series available today. Major names and experimental acts in disciplines from Broadway, dance, music, comedy, opera, lecture, and film are presented throughout each semester. All events are at the

Keith-Albee Theatre in downtown Huntington.

STUDENT ORGANIZATIONS

STUDENT ACTIVITIES AND ORGANIZATIONS

2W38 Memorial Student Center
(696)-6770

Whether college is the first opportunity to live away from home or the first step towards a career change, it is a time for every student to develop or enhance personal growth and social relationships. Marshall University staff and faculty believe a totally educated person is one whose experience and knowledge are expanded through involvement in worthwhile activities and projects in addition to the classroom experience. Participation in a student organization will provide students with "hands-on" experience in leadership, communication, administration, and general human relations skills.

Marshall University encourages the formation of a variety of organizations in which students may pursue specific academic and vocational goals and/or interests. Over one hundred student organizations and clubs are officially recognized by the University. There is something for everyone, whether interests are in social, religious, special interest, professional, departmental, or honorary activities.

Students are welcomed and encouraged to participate in any of the groups on campus. Students interested in organizing a new group or requiring information about existing ones should contact the Office of Student Activities and Organizations.

Relationship Statement

Marshall University recognizes the

right of co-curricular and extra-curricular activities to exist, while also acknowledging the mutual benefit of these groups to students and the University community.

The University, in the recognition processes set forth for student organizations, allows for the freedom of existence for such organizations and ensures that designated privileges and support are available equally to all groups that uphold the specified requirements. The University does not, however, automatically endorse the mission, goals, or purpose of any student organization. Use of the University's name does not denote or assume that the institution will be liable for matters such as debts incurred or contractual arrangements.

Non-Discrimination in Membership

Every student organization recognized by Marshall University is expected to be free to select its membership upon the basis of individual merit without regard to race, sex, religion, age, sexual orientation, or national origin. This stipulation also extends to those qualified individuals who may have a psychological or physical handicap.

"This policy applies to all student organizations specifically exempted by virtue of Section 804 (b) of the Higher Education Act of 1965. Signature of the President and advisor on the lines indicated verifies receipt and comprehension of the above statement. Marshall University reserves the right to consider withdrawal of recognition to any organization found, in due process, to be in violation of said policy."

Recognized groups are open to per-

sons in the Marshall University community including students, faculty, staff, administrators, and spouses. Non-student membership is not to exceed forty-five percent (45%) of the total membership in registered organizations.

Criteria for membership may be implemented as long as it is applied objectively to all prospective members and can be verified to have an actual relationship to the mission, purpose, and goals of the organization and not subject to personal interpretation (i.e. "of good character" is difficult to define; suggest use of measurable terms such as "in good standing," "not on probation," etc.).

Recognition Process for Student Organizations

I. Group's representative meets with Coordinator of Student Activities and Organizations (or his/her designee) at which time the representative will receive:

- A. the President's Handbook.
- B. Registration Form or Affiliation Form.
- C. Consultation in regard to constitutional guidelines.
- D. Outline of privileges granted to student organizations and orientation to services, resources, policies and procedures.
- E. Outline of student organization responsibilities.

II. Constitution and Registration form must be submitted to the Office of Student Activities and Organizations

(SA & O) for review. The organization will have provisional status until SA & O makes its recommendation to the Student Court of Student Government in regard to the petitioning organization.

III. Final validation as a registered student organization is complete when it has been determined by the Student Court that:

A. No violation(s) of existing local, state, or federal law, or University policy is/are contained or inferred in the submitted constitution.

B. The recognition form has been correctly completed.

C. The organization has certified that membership requirements are non-discriminatory.

D. The organization has certified that hazing is not incorporated into the membership process or activities.

E. A faculty or staff member has to agree to serve as the advisor to the organization (exceptions must be submitted and approved in writing with the Dean of Students, or his/her designee).

F. There are a minimum of seven (7) currently enrolled students in the organization.

IV. Each certified student organization will receive a Certification of Registration, renewable annually.

V. Registration: All registered student organizations must renew their Certificate of Registration annually. In addition to completing the recognition form, a copy of the past year's budget and current financial statement must be sub-

mitted. Renewal must be completed by the last Friday in September of each academic year. Should that deadline not be met, all privileges accorded that organization shall be terminated. At such time, the organization will be required to follow the same procedures to be registered as any new organization.

Specific Conditions for Affiliation

Any group desiring recognition as a University organization that would like to carry the name of Marshall University in the name of the group is required to complete the registration process, and all officers must be activity fee paying students. Membership must be comprised of Marshall University students, faculty and staff. Students must hold all offices within the organization.

Provisional Status

Upon submitting registration forms to Student Activities and Organizations for review, organization will have provisional status entitling them to reserve rooms through Conferences and Facilities on campus, to use a mailbox in Student Activities, to post signs on campus, and to receive organizational support from the Student Activities Office. Provisional status does not allow organization to use the Marshall name, apply for Student Government or Marriott funds.

Leadership

A. Participation in organization leadership is restricted for three reasons: to encourage many students to assume positions of leadership; to encourage student leaders to focus their attention

on a limited number of key responsibilities; and to help ensure that the responsibilities of leadership positions are executed as efficiently as possible. Members may hold only one organization executive office at a time.

B. An undergraduate student seeking to hold an office either by election or appointment must have a minimum cumulative GPA of 2.2 (3.0 for graduate students).

D. Organizations whose officer(s) does/do not meet the minimum GPA requirements when elected will have one (1) month in which to replace him/her. Subsequent changes must be reported to the Office of Student Activities and Organizations within the one-month period.

E. Organizations not meeting the above requirements (Section III) will forfeit their certification with the University.

GREEK AFFAIRS

GREEK AFFAIRS 2W28 Memorial Student Center

The Office of Greek Affairs is located at the Memorial Student Center in Suite 2W38. The Office of Greek Affairs serves students who are part of Marshall University's Greek System. The Greek System at Marshall University is composed of eight fraternities and seven sororities. These groups work through the National Pan-Hellenic Council, The Interfraternity Council, and the National Panhellenic Council to enhance the ideals of brotherhood and sisterhood, and promote scholastic excellence and leadership skills, while also helping the University and community by organizing various service programs.

Membership recruitment (commonly referred to as "Rush" due to the hectic pace of the process) takes place throughout the year, with formal Rush periods held during one week of the fall semester and again in the spring. For the National Pan-Hellenic fraternities and sororities, membership intake will be announced by the prospective organizations.

Anyone interested in becoming part of the Greek system is encouraged to participate in Rush Week or Membership Intake, to learn more about the many benefits Greek life has to offer. For more information, please feel free to contact the Office of Greek Affairs.

THE MISSION

The Office of Greek Affairs will try to create an environment which will ensure that all students are comfortable with themselves, confident that the edu-

Located in the Public Safety building across from Twin Towers, the Public Safety Department (University Police) is a support service to the academic mission of Marshall University. The department has as its general mission a mandate to provide an environment free from the threat of physical harm, property loss or damage, and disruptive activity within the constraints of federal, state, and local laws and ordinances. As the protective and law enforcement agency directly responsible to the University community, the department provides all services on an around-the-clock basis, which includes a 24-hour emergency ambulance service.

University officers are granted sworn law enforcement officer status by virtue of state law and have full law enforcement authority upon any premises owned or leased by the State of West

Virginia which is under the jurisdiction of the Board of Trustees. In an effort to provide the highest level of life safety and property safety services possible to the University community, all officers receive basic training and continued in-service training designed specifically for campus law enforcement personnel.

MU Police Officers routinely patrol the campus and surrounding areas twenty-four hours a day. They can be easily recognized by their official brown uniforms and trooper-style hats. Specific protective services provided especially for students include the assignment of security personnel in all residence halls during most hours of the evening and night, a night escort service upon request to locations on and adjacent to the campus, and Project I.D., a program in which valuables are engraved at no cost and records maintained in the Public Safety Office.

Members of the University community can assist in making the campus a safe place by being alert, cautious, security-conscious, responsible, and by not taking personal safety for granted. Suspicious persons, dangerous or unusual situations, and all crimes or attempted crimes should always be reported immediately. Personal property should be protected by keeping residence hall rooms and vehicles locked, and by not leaving keys or valuables in cars.

Educational programs which promote the awareness of assault, acquaintance rape, and other sex offenses are offered by the Office of Public Safety and the Office of Women's Programs.

Victims of assault should contact ei-

DIVISIONS OF MU

DIVISION OF MULTICULTURAL AFFAIRS/INTERNATIONAL PROGRAMS

The University is fully committed to a program of affirmative action and to an environment of teaching and learning which recognizes and welcomes diversity of race, color, sex, sexual orientation, age, religion, national origin, marital status, cultural, racial and ethnic backgrounds. Such diversity enriches the atmosphere of a campus and helps others understand a world larger than the one drawn from immediate experiences. Marshall University's students are best served by a faculty and staff who likewise come from diverse backgrounds.

The University also is committed to programs which promote multicultural, international and global understanding. Exposure to many cultures and value systems is an integral part of an exceptional education. Marshall University is committed to developing programs in international, global education and multicultural experiences for students, faculty and staff because they enrich our lives, make us better citizens and prepare us to live in an increasingly interdependent world.

To accomplish this goal, the office of Multicultural Affairs and International Programs provides a variety of services and educational programming which assists in raising the Marshall University campus community's awareness of the need to make multiculturalism and social justice a university responsibility. (Adapted from MU Statement.)

DIVISION OF ADULT AND EXTENDED EDUCATION

The major purpose of the A & EE Center is to provide increased access for non-traditional and/or returning students to higher education. Through flexible scheduling and televised systems the A & EE promotes programs which lead to increased employment opportunities, educational opportunities, and traditional courses, institutes, conferences and seminars.

A & EE is resolved to improve the educational opportunities for students through the following commitments:

1. Provide increased access for those seeking a baccalaureate degree. Through the Regents Bachelor of Arts and other programs of study, the staff

develops creative scheduling of classes and implements procedures which assist those who have constrained personal schedules to meet the demands of an academic program. Evening, weekend, and summer schedules are flexible, and provide greater latitude in course scheduling.

2. Provide distance learning opportunities through the continual development of instructional media delivery methods. To better reach students and increase flexibility in scheduling, the A & EE staff works through instructional television services to offer courses on WPBY-TV, local cable systems, microwave, and computer interaction.

3. Develop regional off-campus centers. A schedule of "general education" courses provides students at these centers with the opportunity to gain classroom credit in their own communities.

4. Create procedures and an environment that encourages adult student participation in higher education. A & EE staff is adult students' advocate in bringing academic services and administrative functions within reach of people who have busy schedules and other commitments.

5. Serve professionals and their organizations through the development of conferences and institutes. Marshall University recognizes the value in linking professionals with new programs in academic-based conferences and support for conference development, promotion, and participation. The Center for Adult Extended Education is open during evening hours Monday-Thursday until 6:30 pm. On-site services for adult students include admissions procedures, on line computerized registra-

tion, academic advising, and financial aid information.

DIVISION OF ENROLLMENT MANAGEMENT

Enrollment Management is the process by which a university identifies and actively recruits the type of student suitable to the institution and coordinates the programs which assist that student from admission through graduation. The Dean of Enrollment Management reports directly to the Vice President of Academic Affairs, and oversees the Office of Admissions, the Office of the Registrar, Student Financial Aid, New Student Orientation/Academic Advising, SCORES, Student Support Services, Student Athlete Program, and Placement Services. By coordinating the efforts of these offices, the enrollment manager ensures that each student has the resources and support to pursue his or her educational goals, and ensures the University's success in graduating the optimal number of enrolling freshmen. Because retention is crucial, the Enrollment Management team regularly reviews admissions policies and requirements, analyzes attrition rates and characteristics, measures academic progress, and assists students in resolving difficulties, including those of a non-academic nature.

NOTES

from this chapter

CAMPUS SAFETY AND SECURITY

Published in Compliance with the 1990 Federal Student Right-to-Know and Campus Security Acts.

At Marshall University, concern for the safety and well-being of students, faculty, and staff is always a top priority. With the support of personnel from other departments, hundreds of people are involved in maintaining a safe and secure campus. It is important to remember, however, that a truly safe campus can only be achieved through the efforts and cooperation of all students, faculty, and staff by accepting responsibility for their own security and the safety of others.

This published statement is part of the Office of Public Safety's continuous effort to ensure that this collective endeavor is effective. Every member of the campus community is encouraged to read the following carefully and to use the information to aid in fostering a safe University environment.

PUBLIC SAFETY SERVICES

The Marshall University Office of Public Safety provides a variety of public safety-related services to the University community of approximately 14,000 students, faculty, and staff.

Ambulance Service

When available, emergency ambulance service is provided for any student by the Department of Public Safety, Public Safety Building, Fifth Avenue across from Twin Towers, (696)-4357. Community ambulance service is at the student's expense.

Campus Escort Service

An escort service is provided by University police officers for the safety of anyone walking alone on campus at night. By calling 4357 (HELP) from any University phone, or using any one of the distinctively marked emergency/service phones, an escort can be summoned to any location to accompany individuals to any parking lot, residence hall, or off campus dwelling, located adjacent to campus. The Office of Public Safety urges members of the University community to take advantage of this very significant crime prevention service.

Campus Watch Program

Approximately 40 student volunteers compose the University Campus Watch Program. This group provides escorts between 8:00 pm and 11:00 pm Sunday through Thursday during the academic year. By routinely patrolling the campus between escorts, they also play a significant role in crime prevention. Equipped with portable radio units, they have direct communication capabilities with a police dispatcher.

All members of the Campus Watch are easily identified by their distinctively bright orange jackets and yellow shirts.

Emergency/Service Telephones

The general safety of members of the Marshall University community has been improved significantly with the installation of ten (10) Emergency/Service Telephones, three (3) of which are "Code Blue" phones. These two-way communication units are located strate-

gically throughout the campus, and with the press of a button provide direct contact on a 24-hour-a-day basis with a police dispatcher. Each call immediately notifies the police dispatcher of the caller's exact location. Students, faculty, staff, and guests are encouraged to learn the locations of each unit, and to use them for all emergency and/or service request communications.

Investigations/Crime Prevention

One section of the University Police Department is the Investigations and

Crime Prevention Unit. This unit is responsible for the follow-up investigation of all reports involving criminal incidents and major violations of University regulations. The unit also interacts with other law-enforcement agencies in matters related to the safety and welfare of members of the University community and the surrounding area.

Crime prevention duties are generally shared by officers in the Investigations/Crime Prevention Unit. However, other officers also present crime prevention programs at various times. Some of the programs available through the department include: Sexual Assault Prevention, Burglary and Larceny Prevention, Alcohol Awareness, Operation ID, Room Surveys, and Office Security.

The Office of Public Safety also publishes pamphlets on various topics of crime prevention which are available to all students, faculty, and staff members. Topics include: Public Safety Services, General Crime Prevention, Sexual Assault, Office Security, and Safety Tips for Parents and Students.

General information on safety and security is provided to the University community through newsletters, crime alert notices, criminal incident updates, the campus radio and television stations, the student newspaper, and local press.

Safety Task Force

A Safety Task Force, consisting of representatives from Public Safety, Residence Services, Student Affairs, Student Government and Physical Plant, meets periodically to review policies

and procedures and address campus safety concerns. Student, faculty, administration, and staff representatives also periodically conduct walks of the entire campus to review lighting and other safety-related environmental concerns.

University Police

University Police Officers are vested with full law enforcement powers and authority by virtue of West Virginia state law. Uniformed officers provide 24-hour-a-day patrol protection to the campus, adjacent University-owned facilities, and parking lots. Officers receive basic training in numerous public safety and law enforcement-related subjects and additional in-service and specialized training in firearms, criminal investigation, updates on laws of arrest, search and seizure and other legal matters, as well as patrol procedures and tactics.

Officers are responsible for a full range of public safety services, including crime reports, investigations, medical emergencies, fire emergencies, traffic accidents, enforcement of state laws, and all other incidents requiring police assistance that occur within University jurisdiction, which includes all University-owned or controlled properties, and/or all properties under the jurisdiction of the West Virginia Board of Trustees.

The Office of Public Safety prepares and submits a monthly report of incidents through a statewide system of crime reporting. These figures routinely become a part of the F.B.I.'s Annual Uniform Crime Report. As a means of better coordinating law enforcement efforts in the immediate area, the Depart-

ment shares information on arrests and all serious crimes with the Huntington Police Department and Cabell County Sheriff's Department. Serial numbers of vehicles, office equipment, and other items of value stolen in campus jurisdiction are reported through the National Crime Information Center (NCIC).

(696)-HELP (4357)

All emergencies, criminal complaints, general requests for service, and public safety concerns can be reported directly to the Office of Public Safety by any person in the University community. Dialing 4357 (HELP) from any University phone, or by using one of the emergency/service phones located throughout the campus (see locations listed in this section), will provide direct contact with the police dispatcher 24-hours-a-day.

POLICIES AND INFORMATION

ALCOHOLIC BEVERAGES

Marshall University has established policies and guidelines governing the sale, possession, and consumption of alcoholic beverages on the University campus that are consistent with West Virginia state law. State law prohibits the sale of all alcoholic beverages to persons under the age of twenty-one (21). Accordingly, possession and/or consumption of alcoholic beverages by underage persons is not permitted on property owned or controlled by the University. The sale, possession, and consumption of alcoholic beverages is limited to non-intoxicating beer and/or

wine coolers and only at designated locations. Distilled liquor is not permitted on campus at any time.

For more information, please see the Substance Use and Abuse Policy within the UNIVERSITY POLICY section of this Handbook.

CRIME STATISTICS FOR THE UNIVERSITY

The Office of Public Safety submits a monthly Uniform Crime Report to the West Virginia Department of Public Safety (WV State Police), which includes criminal incidents and arrests occurring in the University jurisdiction. The following charts reflect the number of crimes for the listed three calendar years that were reported to and/or discovered by the campus agency.

ILLEGAL DRUGS

The University is in compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. The possession, use, manufacture, or distribution of any illegal drug is prohibited on property owned or controlled by the University. Members of the University community are responsible for knowing and complying with provisions of West Virginia and federal laws that prohibit the unlawful possession, sale, delivery, manufacture, or use of those drugs known as "controlled substances."

For more information, please see the Substance Use and Abuse Policy within the UNIVERSITY POLICY section of this Handbook.

OFF CAMPUS STUDENT RESIDENCES

There are five (5) privately owned residential sororities and seven (7) residential fraternities located off campus. In addition, many students live in privately owned housing located within two-tenths of one mile of the campus.

Crime prevention programs emphasizing security measures and precautions are available to students residing off campus from the Office of Public Safety.

The Marshall University Police Department, Huntington Police Department, Cabell County Sheriff's Department, and the Huntington detachment of the West Virginia State Police have a mutual working relationship, providing each other with assistance and backup when necessary.

OFF CAMPUS FACILITIES CONTROLLED BY MARSHALL UNIVERSITY

The Marshall University Medical Education Building is located outside the city limits, ten (10) miles West of the campus, at the Veterans Administration Medical Center Complex.

The University Research and Economic Development Center is located six-tenths of one mile (.6) from the campus in downtown Huntington.

University Heights, the married student housing units, are located outside the city limits, three (3) miles East of the campus. These units house approximately 175 adult students and their children.

The off campus facilities described above are provided with routine patrol by officers from the main campus, and all criminal incidents and complaints originating at these facilities are investigated by officers of the Marshall University Police Department.

ON CAMPUS STUDENT HOUSING

There are six residence halls on campus. The main desk/lobby area of each hall is monitored 24-hours-a-day by full-time Watchguards, Student Security Assistants, or Desk Coordinators. Each hall is administered by a Resident Director with the assistance of Resident Advisors on each floor.

Public Safety and the Department of Residence Services are jointly responsible for the development of procedures and programs to promote the greatest possible safety and security of the residence halls.

The University employs twelve (12)

full-time uniformed Watchguards which are assigned exclusively to the six residence halls. Watchguards patrol the halls from 4:00 pm to 8:00 am, seven days a week. To further enhance the security and protection provided the residence hall population, coverage was recently extended to 24-hours-a-day in each of the halls through the employment of approximately thirty (30) part-time uniformed student Residence Hall Security Personnel.

Within each residence hall, all doors, except the main entrance and specific entrances to accommodate disabled students, are kept locked and armed with alarms that alert the desk staff of any exit, attempted entry, unlocked, or open doors. All entrances are locked at 11:00 pm on week nights and 12:00 midnight on weekends. An ID and /or key must be shown to the desk personnel for entry after these hours.

Marshall University's visitation and guest policies are intended to protect the security and privacy of students living in the residence halls. Guests are required to be signed in at the front desk and to be escorted within the building at all times by their host. Overnight guests must be registered at the front desk. Residents must obtain their roommate's agreement before allowing a guest to stay overnight. Guests may not stay in the building if their host leaves the building, room, or floor.

Students are encouraged to lock doors and windows at all times. Screens are provided for all windows with ground floor access, and all windows are equipped with locking devices. Room doors have conventional locks.

Educational programs emphasizing security, and what residents can do to help protect themselves, is provided by the Department of Residence Services, Public Safety, and other campus services as deemed appropriate to meet the needs of the residents and the goals of this policy.

Every effort is made to ensure that all residence halls are free from uninvited visitors, but it is imperative that residents take an active role in making sure that strangers are reported and that doors are not propped open. Crime reduction in part is related to the willingness of the residents to accept responsibility for safeguarding themselves and the residence halls.

* Residence Hall Staff are encouraged to challenge, and residents are encouraged to report, the presence of strangers or uninvited guests in the residence halls.

* In compliance with University policy, all guests must be properly signed in and escorted by a resident at all times.

* Residents are held accountable for their guest's(s') actions.

NOTE: For more detailed information, please consult the Residence Hall Guidebook available in the Office of Residence Services, Laidley Hall, phone (696)-6765.

UNIVERSITY BUILDINGS

Except for residence halls, most University facilities are open to the public during the day and evening hours when classes are in session. During the time

that the University is officially closed, buildings are generally locked and only faculty, staff, and students with proper authorization are admitted.

The Physical Plant Department maintains the University's academic and administrative buildings, and the campus grounds with a concern for the safety and security of the University community. Personnel inspect facilities regularly and respond to reports of potential safety and security hazards such as damaged doors, broken locks, and windows. Any member of the University community may call the Physical Plant, (696)-6680, to report any safety or security hazards.

NOTES

FINANCIAL AID

As students and their families make plans for meeting the cost of an education at Marshall University, they need to have an understanding of Financial Aid. The following information is designed to acquaint the reader with the University's Financial Aid Programs as well as other important information about Marshall. Hopefully, it will answer many questions the reader might have. It also explains the rights and responsibilities of an aid recipient. Unfortunately, financial aid programs experience frequent changes; therefore, some of the descriptions contained here may change soon after going to print. Current information is always available in the Office of Student Financial Assistance.

Remember, the primary responsibility for meeting the student's educational expenses rests with the family. The Financial Aid Programs at Marshall University are designed to help those students whose families do not have access to the resources necessary to complete their education. Students should make thorough plans with regard to financing their education and investigate every potential resource available to them.

DEFINITIONS AND USEFUL INFORMATION

1. **Financial Aid:** Money received from external resources (the University, the State, the Federal Government, Vocational Rehabilitation, ROTC, and others) to be used in meeting expenses incurred while completing an educational program.
2. **Student Budget:** Estimated costs that a student will incur during an educa-

tional period. A student's education could well depend upon his /her ability to live within a sound budget. Budgets are intended to be realistically moderate but adequate. Student budget categories vary to recognize such expenses as in-state, metro, and out-of-state tuition; on campus and off campus living situations; and independent or dependent living with parent status. Each year, budget components are updated to reflect actual or average costs of particular classifications of students in the University community. If a student's particular situation is not adequately addressed in the institutional budget applied to that student, he /she should appeal that concern to the Office of Student Financial Assistance.

3. **Financial Need:** The dollar figure which is the result of subtracting the family's expected contribution from the student budget.

4. **Financial Aid "Package":** Financial aid from different sources combined into one award to meet a student's financial need is called a package.

5. **Scholarships:** Gift aid, generally based on academic performance or talent in a specific area. Sometimes need is a factor.

6. **Grants:** Gift aid generally based on financial need.

7. **Employment:** A job, usually part-time, the earnings from which can help pay for the costs of education.

8. **Student Loans:** Long-term, low-interest loans which must be repaid, usually after college.

FINANCIAL AID PROGRAMS AVAILABLE AT MARSHALL UNIVERSITY

1. *Scholarships* are available to those who excel academically, and to some who have other special skills. The general eligibility requirement for an academic scholarship is a 3.5 grade point average (GPA) (first year students must also have a minimum of a 26 ACT Composite). The donor may add other specific requirements. Most scholarships are awarded to West Virginia residents. Priority for out-of-state awards goes to residents of Lawrence and Gallia Counties, Ohio, as well as Boyd, Carter, Greenup, and Lawrence Counties, Kentucky.

2. The *Federal Pell Grant* is an entitlement, gift aid program designed to be the initial "ingredient" in a student's financial aid package. Its entitlement nature guarantees that all students who are eligible will receive a Federal Pell Grant Award. Eligibility is determined by a standard formula developed by Congress. Students may receive a Federal Pell Grant until completion of the first baccalaureate degree. Every applicant will receive a Student Aid Report which will contain an Expected Family Contribution (EFC). Students are determined to have a financial need based on the EFC compared to the cost of attendance. Eligibility is further determined by enrollment status, maintaining satisfactory academic progress, and compliance with all other general aid requirements. In 1994-95, Pell Grants are expected to range up to \$2,300.

3. The *Federal Supplemental Educational Opportunity Grant* (SEOG) is

for undergraduate students who have not completed their first baccalaureate course of study and who financially need grant assistance to help them meet their educationally related expenses. Awards may range between \$100 and \$4,000 per year as determined by the institution. SEOG recipients at Marshall are Pell Grant recipients who have significant financial needs and the greatest direct expenses to the University.

4. *Federal Work-Study* (FW-S) provides jobs to students who need such earnings to meet a portion of their educational expenses. Graduates as well as undergraduate students who demonstrate financial need and meet the general eligibility requirements may be employed through this program. Students are paid the federal minimum wage and typically work 10 to 20 hours per week. Placement will, whenever possible, be in the area of the student's major or a major interest. Summer and off-campus opportunities are available to new and returning students when funds allow taking advantage of such opportunities.

5. *Student Assistance Employment* (non-federally funded) opportunities are available on a limited basis to currently enrolled students. Applicants must typically possess a specific skill directly related to the work experience. Employment opportunities are posted at the southeast entrance of Old Main or at the Placement Center.

6. The *Federal Perkins Loan Program* is a long-term, low-interest loan for students who meet the general eligibility requirements and who have a signifi-

cant need for a loan to help meet educational expenses. Students may borrow up to \$3,000 each year of undergraduate study, and up to \$5,000 for each year of graduate study. The terms and conditions of the loan are disclosed within the Promissory Note. Generally, they include that interest is five (5) percent on the unpaid balance, that repayment begins nine (9) months after graduation or withdrawal from school, normally lasting up to ten years; and that various deferments, cancellations, and postponements of repayment are possible. Interest begins to accrue at the time of repayment. Deferment and cancellation provisions are explained in the Promissory Note. Loan recipients are required to participate in an "exit interview," before graduation, withdrawal, or leaving the University, even if planning to return at a later date.

7. *The Federal Stafford Student Loan Program* (Subsidized and Unsubsidized) enables eligible students to borrow from financial institutions outside the University. New Federal Stafford Student Loans currently carry a 6.22 percent interest rate; interest rates change annually. The student pays four (4) percent in origination and guaranty fees on each new loan. The amount a student may borrow is based on grade level, cost of education, and other aid received. Repayment begins six (6) months after graduation or dropping to less than half-time status. The government pays interest on a Subsidized Loan until the borrower enters repayment; the borrower is responsible for Unsubsidized Loan interest from the time the loan is made. As of July 1, 1994,

students who previously had eligibility under the Supplement Loan for Students Program can now borrow that eligibility as an Unsubsidized Stafford Student Loan. Students should contact the Office of Student Financial Assistance for additional information.

8. *The Federal SLS/PLUS Loan Program* currently carries a variable interest rate; repayment begins within sixty (60) days after disbursement of funds. Loans are originated by financial institutions outside the University. Parents of undergraduate students may borrow up to the cost of education, less any awarded financial aid. Independent undergraduates may borrow up to \$4,000 per year in their first and second years, and up to \$5,000 for each of their third, fourth, and fifth years. Independent graduate students may borrow up to \$10,000 for each year of graduate study.

9. *Short-Term "Emergency" Loans* are available to registered or registering students experiencing temporary monetary needs and demonstrating a visible source of repayment. The need must be a direct educational expense or a generally accepted emergency occurrence. Loans are subject to a ten (10) dollar processing charge withheld at origination. These loans are repayable within forty-five (45) days from date of application. Loans are generally made only during the first week of the semester.

10. *West Virginia Higher Education Grant (WVHEG)* is a need-based grant program operated by the state. All West Virginia residents are expected to apply for this grant. The WVHEG

pays up to seventy-five (75) percent of the cost of tuition for West Virginia residents.

APPLICATION FOR FINANCIAL ASSISTANCE FOR 1994-95

In order to be considered for financial aid, a student must have been regularly accepted by the University's Admission Office with all pertinent data (ACT results, transcripts, etc.) on file.

1. *Scholarships*: Incoming first year students need to be admitted to the University by February 1st (prior to the award year) to be guaranteed consideration. The general requirement is a 3.5 Grade Point Average (Freshmen must also have a 26 ACT Composite Score). All students must submit an Institutional Financial Aid Application for each year by February 1st to guarantee consideration.

2. *Need-Based Aid*: All students must complete a Free Application for Federal Student Aid (FAFSA) and an Institutional Application for Financial Aid. (Prior year applicants may receive a Renewal FAFSA directly from the federal government/processor before January 1; if so, this application should be used.) These forms are available from Marshall's Student Financial Assistance Office or a high school guidance counselor. The FAFSA is used to determine the family's ability to contribute to meeting the cost of education. The results will be used to determine eligibility for a Federal Pell Grant, WV Higher Education Grant, and all other need-based programs. We presume that all applicants will take advantage of every available program. The FAFSA

and Institutional Application should be submitted as soon after January 1 as possible in order to meet deadlines and ensure receiving consideration for the most attractive aid programs. To guarantee consideration for the West Virginia Higher Education Grant, the FAFSA must reach the processing center by *March 1*.

A Federal Pell Grant Student-Aid Report will be returned to the applicant; it should be submitted to the Financial Assistance Office as soon as possible to finalize awards.

3. *Federal Stafford Student Loans and PLUS Loans*: Applications for these loans are available through a participating local lender or through the Financial Assistance Office. Though there are no specific application deadlines, the application process does take approximately four (4) weeks. Students are encouraged to apply early so that their loan checks will be available when payments are due. Institutional application forms must be secured from and returned to Marshall. Students must submit a FAFSA for analysis when applying for an SSL and /or a PLUS, so that need-based eligibility can be determined.

4. *Short-Term "Emergency" Loans*: Applications for short-term loans are available in the Financial Assistance Office. Applications are generally accepted and processed during regular registration and during the first week of classes as funds are available.

5. *Medical School Students*: A Medical School Financial Aid Guide available from the Financial Assistance Office or the Medical School Dean's Office

is updated yearly, and provides application procedures and programs available for medical students.

6. *Financial Aid Transcripts:* All students who have attended other post-secondary institutions must provide a financial aid transcript from each institution attended.

NOTE: Changes are expected for the 1994-95 Academic Year and subsequent years. Please consult with the Office of Financial Assistance for guidance.

GENERAL ELIGIBILITY REQUIREMENTS

Before receiving any Title IV assistance (Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Work-Study, Federal Perkins Loan, Federal Stafford Student Loan, or Federal SLS/PLUS) from Marshall University, a student must meet the eligibility requirements listed below.

A student must:

1. Be enrolled or accepted for enrollment in an eligible program studying for a degree or certificate.
2. Be a citizen, national, or permanent resident of the United States, a citizen of the Federated States of Micronesia or the Marshall Islands, or a permanent resident of the Trust Territory of the Pacific Islands (Palau).
3. Be carrying, or planning to carry at least a half-time work load (6 credit hours) during each semester; less than half-time students will receive consideration based on their needs.
4. Be maintaining satisfactory academic progress toward a degree according to standards set forth for finan-

cial aid recipients at the University, and noted later in this section.

5. Not be in default on any Title IV loan (PSL or SSL/SLS/ PLUS) or owe a repayment on any Title IV Grant (Federal Pell, Federal SEOG, or Federal SSIG) received for attendance at Marshall or elsewhere.

6. Have on file a statement of educational purpose for the year aid is to be received stating that all Title IV funds received will be used solely for educationally related expenses, a certification statement on refunds and default, and a statement of selective registration.

DETERMINING ELIGIBILITY/ AWARDS AND DISTRIBUTING AID

Financial need is described as the difference between a student's cost of education and his or her family's ability to meet that cost. The amount of financial aid offered in a financial aid "package" may equal, but will never exceed, a student's financial need.

The Financial Assistance Office, based on information included in the analysis of the Free Application for Federal Student Aid, determines the amount that a student's family should be able to contribute to meeting educational expenses. The estimated family contribution is uniformly derived through the use of the FAFSA which measures the family's economic strength.

When complete application materials are received in the Financial Assistance Office, and if necessary, the student has been regularly admitted to the University, need-based financial aid will be

awarded as follows:

1. An expense budget is determined.
2. All expected family and other resources are subtracted from the budget to determine financial need.

3. The financial need will be met to the extent possible in a combination of available aid resources. Eligibility for State Grants and Federal Pell Grants are taken into consideration when determining eligibility for other programs. Scholarships are awarded separately, based on different criteria; however, in meeting the need, they are taken into consideration. Self-help assistance is then considered; loans and/or Federal Work-Study are awarded to a maximum of approximately \$4,000 proportioned to meet the student's needs (considering such factors as grade level and need for funds to pay direct educational expenses). Federal Pell Grant recipients with higher needs and who need additional funding for direct educational expenses at the beginning of the semester, will be considered for Federal Supplemental Educational Opportunity Grants.

Applications are reviewed in the order in which an application file is completed and ranked according to need; it is, therefore, beneficial to complete all applications early. Regulations require that SEOG funding be awarded first to Federal Pell Grant recipients with the smallest family contributions. The University also gives priority to students with the greatest direct costs to the school in making these awards. Thus, for SEOG, variation from the earliest application receiving priority is a necessity. After that time when the

University's funding is completely obligated, remaining applicants will be advised of their recognized need level, encouraged to submit their Federal Pell Grant Student Aid Reports, and advised to consider Federal Stafford Student Loans. Any funds which subsequently become available will be used to answer student needs as requested.

All awarded applicants will receive an award letter noting the expense budget, the expected family contribution, the need and the aid awarded. Ineligible applicants will receive notification of ineligibility. Upon receipt of the award letter, all elements should be checked for accuracy. If aid has been offered, it must be accepted or declined. Should a student question any of the information, he or she should contact the Student Financial Assistance office to answer these concerns.

All or any part of the award can be accepted or rejected. Aid that is declined or not appropriately accepted will not normally be replaced.

The offer of financial aid is dependent on the receipt of funds from all funding resources. Although unlikely, the University reserves the right to revise offers of financial aid at any time during the academic year based on availability of funds, changes in regulations, notification of additional resources to the student, and/or procedural changes by any funding authority.

Beginning in 1994-95, Financial Aid is being distributed in coordination with billing for the semester's tuition, fees, and housing costs. Bills to students with finalized awards will include the amount of aid available to assist in the

payment of expenses. Instructions will explain what must be done to authorize the utilization of funds for tuition and fees and then, if appropriate, residence hall fees. If the amount of the award is greater than fees due, a check will be disbursed to the student after the close of the schedule adjustment period. If the award is less than fees due, the student is responsible for paying the difference by the appropriate due date. Federal Stafford Student Loans will be disbursed to students according to regulations and after tuition charges have been paid. It is the aid recipient's responsibility to see that all fees are paid when due or arranging a legitimate payment deferment. Failure to meet due dates may result in registration cancellation or loss of residence hall assignment.

Should these procedures change, aid recipients will receive the necessary notifications.

Federal Work-Study and other student employment checks are disbursed to the student after time sheets are completed and processed. Students are paid bi-monthly; however, the first paycheck a student receives may be delayed up to one month after submission of the first pay period. Students must budget their funds with availability in mind, and to meet the required due dates of their educational expenses.

STUDENT RIGHTS

Every student has the following rights relating to financial aid programs at Marshall University:

1. Knowing what financial aid programs are available.

2. Knowing application deadlines for all available aid programs.

3. Knowing how aid is distributed and why it is distributed that way.

4. Knowing how the student budget was constructed, how the need was determined, and how it will be met.

5. Knowing what portion of the aid package is loan, the repayment responsibilities, the interest rate, and all of the particular characteristics of the loan.

6. Knowing how satisfactory academic progress for the purpose of receiving financial aid is determined and what happens when satisfactory progress is not maintained.

STUDENT RESPONSIBILITIES

Every student has the following responsibilities relating to financial aid programs at Marshall University:

1. Knowing information about the school's programs and performance. This information should be considered carefully before deciding to attend school.

address, or enrollment status changes).
6. Reading and understanding all forms before signing, and keeping copies of them.

7. Accepting the responsibilities for all signed agreements.

8. Performing all work agreed upon in accepting a student employment position.

9. Complying with application deadlines.

10. Meeting fee payment deadlines.

11. Correctly accepting all aid offerings.

12. Maintaining satisfactory academic progress according to the policy "Satisfactory Academic Progress Standards for Financial Aid Eligibility."

ACADEMIC PROGRESS STANDARDS FOR FINANCIAL AID ELIGIBILITY

In order to be able to receive financial assistance, Federal Regulations require that a student be making measurable satisfactory progress toward the completion of his/her degree or program. Marshall University has adopted standards by which to monitor financial aid recipients' academic progress. (These standards ensure the proper distribution of financial assistance to eligible students).

Adjusting enrollment status (from full to part-time, for example) prior to the end of the enrollment adjustment period can affect current financial aid awards. Withdrawing from classes after the drop/add period can have a negative effect on continued eligibility as it can serve to increase the time required to complete a program. Repetitions will be dealt with according to the

University's policy governing grade point averages and will be included in classes registered for and completed. Audits will be dealt with similarly.

Students not meeting the eligibility standards will receive notification from a financial aid counselor as soon as such status is discovered. This notification will indicate ineligibility for financial aid, suggest that academic assistance can be found through the Student Development Center, and inform the student about his or her right to appeal. All appeals must be made in person in the Financial Aid Office.

Unless eligibility is reinstated through a formal appeal within one year (12 months) of the ineligibility declaration, the student will remain ineligible until that time when he or she is again in compliance with the standards set forth.

Students who transfer to Marshall will automatically be considered eligible for assistance during their first semester of enrollment. However, those whose transfer credits or grade point average do not meet the University's standard for satisfactory academic progress will be considered only conditionally eligible.

Undergraduate Baccalaureate Degree-Seeking Students

The satisfactory academic progress standards for financial aid eligibility for students pursuing baccalaureate degrees are as follows:

-Students who have registered for 0-30 credit hours must have completed 50% of the credits registered for and have a

cumulative grade point average of 1.60.

-Students who have registered for 31-64 credit hours must have completed 67% of the credits registered for and have a cumulative grade point average of 1.70.

-Students who have registered for 65-89 credit hours must have completed 75% of the credits registered for and have a cumulative grade point average of 1.80.

-Students who have registered for 90+ credit hours must have completed 80% of the credits registered for and have a cumulative grade point average of 2.00.

Academic Progress is, therefore, to be measured in terms of performance, through the grade point average, and in terms of degree of program completion. **The above limits eligibility to enrollment through the 160th credit hour.** Further, the University limits eligibility for financial assistance to the first twelve (12) regular semesters of full-time enrollment; the first eighteen (18) regular semesters of three-quarter time enrollment; the first twenty-four (24) regular semesters of half-time enrollment or less. A student whose status changes will have his or her maximum period of eligibility determined considering the individual situation. For instance, a student who had enrolled for two semesters at half-time status would have eleven (11) semesters of full-time status remaining or thirteen (13) total semesters.

Please note that regular semesters

include only the fall and spring terms and that full-time is enrollment for twelve (12) semester hours or more; three-quarter time includes enrollment for 9, 10, or 11 semester hours; half-time is enrollment for 6, 7, or 8 semester hours. **Eligibility as an undergraduate will cease with the completion of the first baccalaureate degree.**

Community and Technical College Students

The satisfactory academic progress standards for financial aid eligibility for students in the Community and Technical College are as follows:

-Students who have registered for 0-30 credit hours must have completed 67% of the credits registered for and have a cumulative grade point average of 1.70.

-Students who have registered for 30+ credit hours must have completed 80% of the credits registered for and have a cumulative grade point average of 2.00.

Based on a program maximum of 68 hours, eligibility will be limited through the 85th credit hour. Students in programs requiring fewer hours may have their eligibility terminated sooner. Further, the University limits eligibility for financial aid to the first six (6) semesters of full-time enrollment; the first nine (9) semesters of three-quarter time enrollment; or, the first twelve (12) semesters of half-time enrollment or less. Students whose enrollment status changes from one semester to another will have their maxi-

imum eligibility periods determined considering the individual situation. **Eligibility as a student in the Community and Technical College will cease with the completion of the first associate degree.**

Eligibility for students enrolled in the Community and Technical College Transition Program is limited to two (2) semesters or thirty (30) hours of remedial courses (whichever is completed earlier). Courses taken while enrolled in the Transition Program will be included in the determination of satisfactory academic progress eligibility for all subsequent two-year or four-year program enrollment.

Transfer Students

Students who transfer to Marshall University will automatically be considered eligible for assistance during their first semester of enrollment. However, those whose transfer credits or grade point average do not meet the University's standard for satisfactory academic progress will be considered only conditionally eligible. These students will be expected to meet the standards of others with conditioned eligibility (a 2.00 GPA and completion of all of the classes enrolled for) to remain eligible. After their initial semester at MU, eligibility for all transfer students will be measured by using their total number of credit hours attempted and completed to establish their completion ratio and required GPA; however, the GPA considered will be only what they have achieved at Marshall. In measuring total semesters of eligibility, transfer credits will be divided by twelve (12)

at the undergraduate level and six (6) at the graduate level to determine the number of semesters enrolled.

Graduate Students

Satisfactory academic progress will be questioned of students only when their grade point average drops below 2.00 or the completion ratio drops below 67%. **This limits eligibility to enrollment through the 54th credit hour (counseling majors may appeal for exception because of the length of that program).** Students will be eligible a maximum of six (6) full-time semesters. Students attending on a less than full-time basis will be given a maximum of ten (10) semesters of eligibility. (Please note that semesters include only the fall and spring semesters and that full-time is enrollment of nine (9) semester hours or more). **Eligibility for graduate students seeking a master's degree will cease with the completion of the first master's degree. Students seeking a second degree at the doctoral or professional degree level will be given consideration on a case by case situation.**

LOAN REPAYMENT

Since financial aid awarded from any loan fund (Federal Perkins Loan, Federal Stafford Student Loan, Federal SLS/PLUS Loan, Nursing Loan, Health Professions Student Loan, or Health Education Assistance Loan) requires the signing of a promissory note, it is important for the recipient to understand the terms of the loan thoroughly. Therefore, the promissory note should be read in its entirety before affixing a signature

to it. Repayment responsibility is probably the most important issue.

A sample loan repayment schedule for a student borrowing \$200 through the Federal Perkins Loan Program and graduating on December 15, 1994, would appear as follows. The allowable grace period is nine (9) months, interest is 5% annually, and the minimum monthly payment is \$30.

Appx. billing date	Appx. payment date	Calculated Interest	Payment	Principal Balance
7-15	8-1	\$200x.00467 = \$93	\$30.93	\$170.00
8-15	9-1	\$170x.00467 = 79	30.79	140.00
9-15	10-1	\$140x.00467 = 65	30.65	110.00
10-15	11-1	\$110x.00467 = 51	30.51	80.00
11-15	12-1	\$80x.00467 = 37	30.37	50.00
12-15	1-1	\$50x.00467 = 23	30.23	20.00
1-15	2-1	\$20x.00467 = 09	20.09	-0-

Refunds

Refunds to financial aid recipients will typically be returned to the account(s) from which the student was awarded up to the amount of the award. Only after the total award is recovered will funds be refunded to the student. Recipients may consult the Financial Aid Office if there are any questions.

Repayments

If a financial aid recipient officially withdraws from the University prior to the end of an award period, there will be a review to determine if there should be a repayment of funds disbursed directly to the student. Awards are to be used only to meet education-related costs. Students will be billed for any repayment due.

Student Budgets

While changes in tuition and fees are expected for 1994-95, student budgets utilized at Marshall in awarding financial aid for the 1994-95 nine (9) month academic year are as follows:

Example: In-State Undergraduate:

Dorm Campus	Living at home	Living in or Off-

ON CAMPUS

RESIDENCE SERVICES

Laidley Hall / (696)-6765

The Office of Residence Services maintains six residence halls which house approximately 2,100 students, along with a family housing complex.

Residential living is an integral part of the educational process at Marshall University. The Office of Residence Services strives to promote a living environment which promotes individual and interpersonal development through the coordinated efforts of a professionally trained staff. The belief of the Residence Services Office is that the experiences in the residence halls contribute as much or more to the student's growth as his/her classroom experiences. The staff's primary responsibility is to provide the resources and support to create a positive residential community.

Resident Directors are graduate students responsible for each hall and trained in the supervision of staff and in the development of a community. Resident Advisors are assigned to each floor in each hall.

The area office for Twin Towers and University Heights is in Twin Towers East Lobby. The area office for Holderby, Laidley, Hodge and Buskirk is in Laidley Hall.

HOUSING POLICY

Marshall University has a mandatory housing policy requiring all freshmen and sophomores (if space is available) to reside in University owned and operated residence halls unless residing with his/her parent(s) in the student's primary residence within a fifty mile commuting distance. Married students and

students two years beyond high school are exempt from this policy. Failure to comply with this policy will result in cancellation of the student's registration and/or responsibility for a room and board payment.

CONTRACTS

A student who wishes to live in a University residence hall must sign a contract with the Residence Services Office. The stipulations of that contract are: 1) that the student resides in his/her assigned residence hall for the entire academic year; 2) that the student abides by the governing rules and standing traditions of the residence hall; 3) that the student purchases a meal plan; 4) that the student will receive no refund of any portion of room fees and a pro-rated refund of board fees because of withdrawal from the University after the first Friday of the first week of classes for each semester; and 5) that it is a legal and binding contract for the entire academic year.

ROOM APPLICATIONS AND RESERVATIONS

All freshmen admitted by the University are sent residence hall applications. The applications must be accompanied by a \$100.00 deposit (refundable if written cancellation notice is received prior to July 1).

Fifty dollars of this amount is placed in a damage deposit account in the student's name for the duration of on campus occupancy. This amount is refunded to the student when he/she permanently severs ties with the Residence Services Office. The remaining \$50.00 is

considered a reservation fee and is deducted from the total amount due on the first room and board invoice.

Room assignments are made on a first-come, first-serve basis (based on date application is received), without regard to the student's race, religion, political affiliation, sex, age, handicap, sexual orientation, or national origin. Students wishing to room together should make every effort to send in applications and the deposit fee in the same envelope. The student is assigned to the residence hall of his/her choice if at all possible. Applicants who do not initially receive their first choice of residence halls will be placed on a waiting list through July 31. Roommates who apply together will not be transferred separately unless otherwise indicated.

Although the housing contract is for a full academic year, room and board fees are paid in two (2) installments due on approximately August 10 and January 4.

FOOD SERVICES

All students living in the residence halls are required to purchase a meal plan for meals in the University dining units. Commuter meal plans and full board plans are available for off campus students. The meal plan is not valid during vacation periods. In addition, a points plan or prepaid debit account is available to all students, faculty, and staff.

Meal plans will become effective on the first day of classes of any semester or summer term. Meals taken prior to the first day of classes must be paid for on a cash basis.

All meal cards will be activated upon payment of room and board fees. This meal card must be presented prior to entering food lines at each meal.

No deduction is made in room charges for absences. No deductions are made because of late payment or as a result of discontinuation of meal services for non-payment of residence hall fees.

HOLIDAYS

Residence halls are closed during Thanksgiving, semester breaks, and spring vacation periods, with the exception of Twin Towers complex. Students living in Twin Towers must request and receive prior approval to stay during break periods. Valid reasons are employment, athletic team participation, and distance from permanent home.

The halls close at 6:00 PM on the last day of class before holidays begin. At the close of each semester, students must vacate the residence halls within, or no later than, twenty-four hours following their last examinations.

LOSS OR DAMAGE OF PROPERTY

The University is not responsible for loss of, or damage to, personal property of students who reside in residence halls. If parents' homeowners insurance does not cover student belongings, it may be desirable to purchase additional insurance coverage. Students are advised to keep rooms locked at all times.

RESIDENCE HALL ASSOCIATIONS (RHA)

The residence hall community is

comprised of diverse individuals with various backgrounds and life experiences. Such diversity calls for members of the community to be involved in their own governance. To provide students with an avenue for contribution to the campus community, each residence hall at Marshall has an individual Residence Hall Association (RHA) comprised of the executive offices of President, Vice President, Secretary, and Treasurer, as well as representatives from each floor.

The efforts of each RHA result in programs and activities that bring residents together, encouraging new friendships and building community. The RHAs also review issues and concerns that affect the residents both in the halls and throughout the campus, helping to influence official policies. The individual RHAs provide a means by which residents can develop leadership skills and gain satisfaction in knowing each individual can make a difference.

The opportunity to be actively involved in RHA is afforded all students in the first few weeks of the fall semester. Elections are held in each hall for floor representatives. The RHA officer elections are conducted during the spring semester for the next academic year.

The financial support for RHA is derived from a membership fee collected from hall residents. Membership affords residents the opportunity to participate in activities at reduced rates or free.

INTER-HALL GOVERNMENT COUNCIL (IGC)

An organization known as Inter-Hall Government Council (IGC) represents all the RHAs and their members. The IGC is comprised of representatives from each RHA. The executive officers are elected by RHA members from all six residence halls. Besides sponsoring inter-hall programming and fund raising events, the IGC strives to represent the concerns of all residence hall students and to be a positive factor in influencing change.

UNIVERSITY HOUSING FOR STUDENTS WITH FAMILIES

Housing for married students and/or students with children is provided in 78 furnished family dwelling units owned and operated by the University. Married students and/or students with children are eligible to reside in family student housing units. Single graduate or upperclass students may apply, provided space is available after families and married couples have been accommodated.

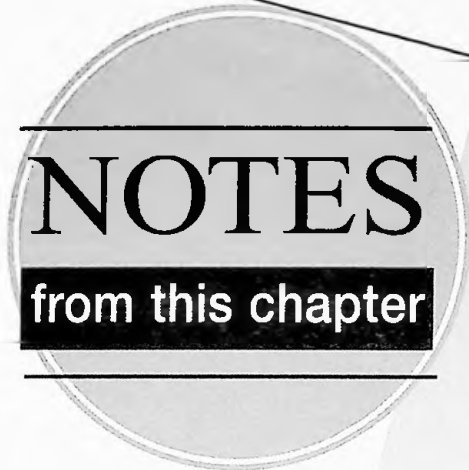

The units include a wide variety of accommodations with rents ranging from \$205 to \$345 per month. The apartments are one to two bedroom (furnished or unfurnished) units with kitchen, bath, and living room. Efficiency apartments are also available. Applications may be secured from the Office of Residence Services.

JUDICIAL SYSTEM

NOTES
from this chapter

JUDICIAL SYSTEM

Marshall University is a community which exists to promote educational and academic goals. The University is responsible for maintaining an environment which allows individuals maximum opportunity to pursue those goals. To facilitate this, the University has developed a Code of Student Rights and Responsibilities.

Students are individual members of the University. By virtue of this membership, a student acquires rights and assumes responsibilities to the University community. The Code of Conduct strives to balance the maintenance and promotion of individual rights with the need to protect and preserve an environment consonant with the community's goals. As such, the code reflects the University community's expectations and the standards established for each of its members.

Students are also members of larger communities such as city, state, and nation. A student's conduct may be subject to concurrent review by the University community and another jurisdiction. Therefore, students charged with violating the University Code of Conduct may also be held responsible for violating existing local, state, and federal law. Similarly, Marshall University upholds and will not violate students' rights guaranteed under the United States Constitution, and federal and state statutes.

Upon enrollment at the University, each student becomes responsible for acting in accordance with the provisions of this code, and all other applicable University and community standards. Official University action will be taken when a student's behavior vio-

lates community standards, and interferes either with the University's educational purpose, or with its duty to protect individual health, welfare, and property.

Students charged with violating University regulations or standards are guaranteed fundamental fairness in the handling of those charged, the conducting of hearings, imposing of sanctions, and the right of appeal. Complaints must be filed in writing with the Coordinator of Judicial Affairs within twenty-one (21) days of the alleged violation. This requirement may be waived by the Judicial Board Executive Committee in appropriate circumstances.

Students who commit an offense off campus may have the incident reviewed by appropriate sub-component units of the University, particularly when the act and subsequent civil action may have a bearing upon the integrity of the University in recommending the student for certification or a similar professional status.

Maintenance of discipline and preservation of community standards is properly the concern of all students, faculty, staff, and administration. The University Judicial System provides for deliberation and resolution of alleged student misconduct through the Judicial Board composed of students and faculty members. The Judicial Board is the highest body for student conduct violations. The Judicial Board shall have appellate jurisdiction over final decisions or actions from all registered or affiliated student organizations, student government, and any residence hall governing bodies.

Any member of the University com-

munity may refer a student or student organization suspected of violating the Code to the Office of Judicial Affairs. The person making such referrals is expected to provide all information relevant to handling and deciding the case.

Marshall University's student based judicial system is designed in such a way as to give students a major role in the formulation of basic policy concerning student conduct and in the adjudication of cases arising under that policy. Upon enrollment at the University, each student becomes responsible for acting in accordance with the provisions of the code and all other applicable University and community standards. Official University action will be taken when a student's behavior violates these standards and interferes either with the University's educational purpose, or with its duty to protect individual health, welfare, and property.

A student or organization suspected of misconduct may be referred by any member of the University community to the Office of Judicial Affairs. If there is sufficient evidence of a violation, the student will be given the opportunity to have the case adjudicated informally. If the informal hearing option is unavailable, the student has the option of having his or her case heard by either the Student Judiciary or by an administrative hearing officer.

Regardless of the hearing option a student chooses, a student advocate will present the University's case and the student will have the right to student representation. Members of the Student Judiciary and all student advocates have studied and received extensive training regarding the procedures for University judicial hearings and the University Code of Conduct regulations.

**STUDENT
CODE OF
CONDUCT**

NOTES

from this chapter

CODE OF CONDUCT

Students and student organizations are expected at all times to conduct themselves in accordance with University regulations. A student or organization suspected of misconduct may be referred by any member of the University community to the Office of Judicial Affairs. G. *Failure to Report a Change of Address with the Registrar of the University.*

H. *Failure to Comply with a Subpoena and/or a Request for Written Information of a Duly Constituted Judicial Body.*

I. *Unauthorized Use of University-leased Long Distance Tie-lines.*

J. *Misuse of Any University Identification Material:*

Loaning, transferring, altering, borrowing, or otherwise misusing official University identification materials.

K. *Conduct Which Causes Emotional Distress:*

This includes conduct which results in physical manifestations, significant restraints on normal behavior or conduct, and/or which compels the victim to seek assistance in dealing with the distress.

L. *Unauthorized Animals on Campus:*

Violation of the University Policy Concerning Animals on Campus.

M. *Aiding, Abetting, or Complicity:*

This includes conspiring with or knowingly helping or encouraging another person to engage in Type Three behavior violations. Students present during the commission of an act(s) by another which constitutes a Type Three behavior violation and who fail to report such act(s) to the proper authorities shall be guilty of complicity.

IV. SANCTIONS

The purpose of a sanction, in addition to protecting others, is primarily to educate an individual by increasing his/her awareness of the importance of responsibility to the University community for one's actions. This will ordinarily be the guiding force behind imposition of sanctions by the University judicial system. In some instances, however, the community's need to properly function outweighs the University's ability to so educate an individual. In such a case, for the benefit of both the student and the community, suspension from the University may result.

Normally, students facing suspension or expulsion from the institution will be entitled to a hearing prior to the imposition of the sanction. However, a student may be temporarily suspended pending final action on the charges when the student's continued presence on campus would constitute a potential for serious harm to himself/herself or to the safety of other members of the institutional community. Such temporary suspension shall be followed with speedy disciplinary proceedings consistent with these policies, rules and regulations. Also, a student who is expelled from one institution in the

Board of Trustees' system may not be considered for admission to another institution in the system until one year has elapsed after the student has been expelled. In addition, all other stipulations as stated in the Board of Trustees' Policy Bulletin No. 57 shall apply.

The following sanctions may be imposed for violation of this code:

A. Expulsion:

Termination of all student status, including any remaining right or privilege to receive some benefit or recognition or certification. Conditions for re-admission may be established only through written appeal to the President no sooner than one complete calendar year from the date the expulsion was placed in effect. During the expulsion, the person is barred from coming onto or using University property and facilities. The action will appear on the student's official transcript until such time as an appeal is made to and granted by the President to terminate the expulsion.

B. Suspension:

This action involves separation of the student from the University as specified by the Judicial Board or the Office of Judicial Affairs for a definite stated period of time up to one academic year, and any condition on resumption of activities, if any, also may be imposed. Notification appears on the student's official transcript until the expiration of the sanction. A suspended student may apply for re-admission to the University through the Coordinator of Judicial

Affairs at the end of the suspension period specified by the judicial action. The Coordinator of Judicial Affairs may deny re-admission in those instances where the suspended student fails to demonstrate a positive change in behavior which indicates that the suspended student is not yet prepared to become again a responsible member of the University community. A denial of re-admission by the Coordinator may be appealed to the Judicial Board. The academic record of the student will not be used in consideration of the application for re-admission after suspension for disciplinary reasons. During suspension, an individual may not participate in any University activity, nor come onto University property without express written consent from the Dean of Student Affairs or his/her designee. Further violations of University regulations while on suspension may result in additional sanctions by the University.

Two additional forms of suspension exist:

(1) Probationary Suspension:

Suspension is withheld pending careful evaluation of a student's behavior during a probationary period not to exceed one year. If the student is involved in any further offense, or if otherwise warranted, this suspension of disciplinary action may be revoked by the Dean of Student Affairs or his/her designee and the full sanction of suspension enforced subject to appeal to the Judicial Board. While a student is on Probationary Suspension, any of the conditions outlined under Probation may be imposed.

(2) Deferred Suspension:

This is suspension which becomes effective at a specified future date. It is normally used near the end of a semester to avoid the financial penalty of immediate suspension. During this period of deferred suspension, probationary status as described in Probationary Suspension above will exist.

C. Probation:

This action involves a specified period of time, not to exceed one year, determined by the Judicial Board or the Judicial Affairs Office during which a student in violation of one or more University regulations is given an opportunity to prove that he or she can become a responsible and positive member of the University community.

A student violating any University regulation or the terms of probation while on probation may be subject to disciplinary action as specified under I-S of this Code. When a student is placed on probation, the Office of Judicial Affairs will notify appropriate University offices of that action.

Probation may include one or more of the following:

(1) Loss of Participation:

The student may not represent the University in any extracurricular activities such as intercollegiate athletics, debate teams, University theater, band, etc.; however, the student may participate in informal activities of a recreational nature sponsored by the University.

(2) Self Improvement:

A program of self development will be planned in conjunction with a faculty or staff person assigned to assist in a

counseling/guidance capacity. Numerous resource persons and agencies may be used to assist the student in identifying and clarifying experiences, goals, educational and career choices, and other personal objectives.

(3) *Surrender of Student Activity Privileges:*

A student required under this section to relinquish Student Activity privileges paid for by the Student Activity Fee may not participate in, or attend, events for which the Activity Fee is required or provides a discount or privilege. Exceptions may be granted by the Judicial Affairs Office in those instances where attendance at such events is required by academic courses or programs.

(4) *Dismissal from University housing:*

In the event of serious or repeated violations of University regulations occurring in a residence hall, a student may be dismissed from University housing for a specified length of time. Such dismissal may result in percentage refund of housing or dining service fees in accordance with the regular University housing refund policy. The student may reapply for housing following the period of dismissal, in accordance with normal procedures established by the Office of Residence Services and with the written permission of the Coordinator of Judicial Affairs.

(5) *Restitution:*

A student may be required to make payment to the University or to the complainant for any expenses incurred as a result of physical injury or prop-

erty lost, damaged, destroyed, or stolen as a result of a violation of a University regulation. Once ordered, restitution becomes an integral part of the student's sanction. Failure to make restitution constitutes a violation of sanction and may lead to more serious disciplinary action which may include suspension, expulsion, or denial of access to transcripts and placement files.

(6) *Other:*

Conditions and restrictions as deemed appropriate by the Judicial Board or Judicial Affairs Office may be imposed.

D. *Formal Warning:*

A formal warning is written notification from a University official or the Judicial Board to a student containing a warning that repeated infractions of regulations may result in more severe disciplinary action. A record of the action will be filed in the Judicial Affairs Office.

E. *Organization Sanctions:*

Sanctions which may be imposed in cases of student organization offenses are:

(1) Denial of use of University facilities.

(2) Denial of recognition of the group as an organization.

(3) Forfeiture of right to representation in other University organizations (Interfraternity Council, Student Government, Intramurals, etc).

(4) Forfeiture of right to representation in the Student Handbook or other publications.

(5) Denial of privileges of some or all social activities on University premises

for a definite period.

(6) The University reserves the right to establish contact with and recommend to the organization's regional or national office the forfeiture of right to function as a group, including forfeiture of charter. This penalty must be approved by the Student Conduct and Welfare Committee and the President of the University.

(7) An organization may be required to make payment (restitution) to the University, or to the complainant, for any property lost, damaged, destroyed, or stolen as a result of a violation of a University regulation. Once ordered, restitution becomes an integral part of an organization's sanction. Failure to make restitution constitutes a subsequent violation of sanction, and may lead to more serious disciplinary action pursuant to the regulation entitled Repeated Violations, Violation of Probation or Mediation Agreement described under Type One Behavior.

V. JUDICIAL APPEALS

The party being charged and any complainant other than staff of the Student Affairs Department may appeal the decision. The appropriate channels of appeal are:

1. Appeals from decisions of Resident Directors should be directed to the Coordinator of Judicial Affairs.

2. Appeals from decisions of the Coordinator of Judicial Affairs should be directed to the Judicial Board.

3. Appeals of recommendations of the Judicial Board should be directed to the President or Dean of Students as indicated below:

- a). In those cases where the recommended sanction is formal warning, probation, or probationary suspension, appeals shall be directed to the Dean of Students or his/her designee whose decision will be final.

- b). In those cases where the recommended sanction is deferred suspension, suspension, or expulsion, appeals shall be directed to the President whose decision, which must be rendered within ten (10) days, will be final, except in cases where the President has imposed a sanction of expulsion, in which case an appeal may be filed with the Board of Trustees.

The request for appeal of a recommendation of the Judicial Board must be submitted in writing on an Intent to Appeal Form to the Coordinator of Judicial Affairs within forty-eight (48) hours (not including days the University is closed) from the conclusion of the hearing. The President or Dean of Students at his/her discretion may extend the deadline for filing an appeal upon the motion from either party.

The Board's findings regarding the charge(s) must be affirmed or remanded to the original hearing panel. The Board's recommendation regarding sanctions may be affirmed, modified, or remanded to the original hearing panel for further action as deemed appropriate.

A written brief stating ground for appealing concerning the case should be presented by the appellant within five (5) business days from the date the appeal is filed. The scope of review shall be limited to the following:

1. Procedural errors.
2. Evidence not available at the time

of the hearing.

3. Insufficient evidence to support the findings of the Judicial Board.

4. Misinterpretation of University policies and regulations by the Judicial Board.

5. A sanction or sanctions disproportionate to the offense.

6. Lack of jurisdiction.

All appeals shall be considered upon the record of the original proceedings of the Board. The President or Dean of Students at his/her discretion, may defer the imposition of sanction pending final disposition of the appeal. In the case of expulsion, the President must defer the imposition of sanction when a student files an appropriate appeal with the Board of Trustees. A student desiring to appeal the sanction of expulsion must, within three (3) working days, indicate to the President, in writing, an intent to appeal the decision to the Board of Trustees. A written petition of appeal must be filed with the Chancellor of the Board of Trustees within fifteen (15) days of the institutional President's decision. If the Board of Trustees determines that the petition will not be heard, the decision of the President of the institution is affirmed and sanctions imposed therein shall be effective upon the President's receipt of the statement of denial.

VI. JUDICIAL MEDIATION

Mediation is a method of resolving disputes and conflicts. It is an alternative to the formal judicial process. It is a voluntary process requiring the participation of a mediator who operates from an impartial base and whose primary role is to promote agreement.

The purpose of mediation is not to judge guilt or innocence, but to help parties get to the root of their problems and to devise their own solutions. Compromise is at the heart of a successfully mediated dispute and the end result of a mediation session is that there are neither winners nor losers, but rather, it is hoped, generally satisfied individuals. If a satisfactory agreement cannot be reached through mediation, the complainant may refer the complaint to the Coordinator of Judicial Affairs for judicial action.

VII. EMERGENCY AUTHORITY

Emergency authority may be exercised by the President or his/her designee in special circumstances. He/she has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students who act or refuse to act, the result of which conduct is to interfere with the rights of others and which conduct is non-peaceful or is disruptive or which conduct constitutes a danger to health, safety, or property of others or him/herself, provided that a hearing is held within seventy-two (72) hours of the decision to suspend, subject to a forty-eight (48) hour extension at the option of the student.

VIII. BOARD OF TRUSTEES' POLICIES

Students should familiarize themselves with the Board of Trustees' Policies, Rules and Regulations Regarding Student Rights, Responsibilities, and Conduct in West Virginia Universities and Colleges (P.B. 57) which is available in the Office of Judicial Affairs.

UNIVERSITY POLICIES

NOTES

from this chapter

POLICIES

The following are policies that directly affect all members of the campus community. It is important that all individuals involved in campus activities are familiar with these policies in order for Marshall University to function most efficiently as an institution of higher education.

While every attempt has been made to include the most current edition of each policy, the revision process is ongoing, and changes may have occurred since the printing of this Handbook. Questions regarding these policies should be directed to the Student Legal Aid Center, 2W29A Memorial Student Center, phone (696)-2366. Copies of many of these policies are also available in this office.

ACADEMIC PROBATION

For information, refer to the MARSHALL UNIVERSITY ACADEMIC RIGHTS AND RESPONSIBILITIES OF STUDENTS, and the STUDENT ACADEMIC RIGHTS: WEST VIRGINIA BOARD OF TRUSTEES sections in this edition of the *Handbook*.

ACADEMIC RIGHTS AND RESPONSIBILITIES

For information, refer to the MARSHALL UNIVERSITY ACADEMIC RIGHTS AND RESPONSIBILITIES OF STUDENTS, and the STUDENT ACADEMIC RIGHTS: WEST VIRGINIA BOARD OF TRUSTEES sections in this edition of the *Handbook*.

ACTS OF INTOLERANCE

Marshall University provides more than an intellectual experience. It also provides the opportunity to further the

social growth of students by maintaining an environment conducive to learning how to get along with peers and how to handle differences such as race, ethnicity, and gender. Respect for other individuals and the ability to treat others in a civil manner is a basic tenet on which our society is built. Accordingly, the University has an obligation to address behaviors within our environment that are unacceptable. Incidents based, for example, on racial or sexual prejudice are inconsistent with our educational mission and will not be tolerated.

It is a goal of Marshall University to provide an environment which is free from acts of harassment based on intolerance directed against individuals or groups. Harassment is a violation of University policy and will be subject to disciplinary sanctions, including dismissal from the University when appropriate.

ADMINISTRATIVE ACTION

The University has the authority to compel reimbursement for damage to University property or personal property of other students, faculty, and staff.

AIDS POLICY

For the current Marshall University Policy for Faculty, Classified Staff, and Students with Confirmed HTLV-III Infection and/or Acquired Immune Deficiency Syndrome, please contact the Dean of Students, 109 Old Main, phone (696)-6422.

ALCOHOL/BEER MARKETING

Alcohol/beer beverage marketing programs specifically targeted for stu-

dents and/or held on campus should conform to the Student Code of Conduct of Marshall University, and should avoid demeaning sexual or discriminatory portrayal of individuals.

Promotion of beverage alcohol/beer should not encourage any form of alcohol abuse, nor should it place emphasis on quantity and frequency of use.

Beverage alcohol or beer (such as kegs or cases of beer) should not be provided as free prizes to individual students or campus organizations.

No uncontrolled sampling as part of campus marketing programs should be permitted, and no sampling or other promotional activities should include "drinking contests."

Where controlled sampling is allowed by law and the institutional policy, it should be limited as to time and quantity. Principles of good hosting should be observed, including availability of alternative beverages, food, and planned programs. The consumption of beer, wine, or distilled spirits, should not be the sole purpose of any promotional activity.

Promotional activities should not be associated with otherwise existing campus events or programs without the prior knowledge and consent of appropriate institutional officials.

Display of availability of promotional materials should be determined in consultation with appropriate institutional officials.

Informational marketing programs should have educational value and subscribe to the philosophy of responsible and legal use of the products represented.

Beverage alcohol/beer marketers

should support campus alcohol education programs that encourage informed and responsible decisions about the use or non-use of beer, wine, or distilled spirits.

If permitted, beverage alcohol/beer advertising on campus or in institutional media, including that which promotes events as well as product advertising, should not portray drinking as a solution to personal or academic problems of students or necessary to social, sexual, or academic success.

Advertising and other promotional campus activities should not associate alcohol/beer beverage with the performance of tasks that require skilled reactions such as the operation of motor vehicles or machinery.

Local off-campus promotional activities, primarily directed to students, should be developed in consultation with appropriate institutional officials.

Endorsed by: the National Association of Student Personnel Administrators (NASPA), and the Association of College/University Housing Offices-I (ACHUO-I).

ANIMALS ON CAMPUS

All animals must be under the direct command of their owner or handler at all times; that is, on a leash of no more than six (6) feet in length in their owner's hands. No animals are allowed in University buildings except for animals assisting disabled persons.

APPEALS

Academic/Grade Appeals-refer to the MARSHALL UNIVERSITY ACADEMIC RIGHTS AND RESPONSIBILITIES OF STUDENTS, and the STU-

DENT ACADEMIC RIGHTS: WEST VIRGINIA BOARD OF TRUSTEES sections in this edition of the **Handbook**.

Disciplinary Appeals-refer to the UNIVERSITY JUDICIAL SYSTEM: CODE OF CONDUCT section in this edition of the **Handbook**.

Grievances-refer to the Grievance Procedure listed in the UNIVERSITY POLICIES section of the **Handbook**.

CAMPUS DISTURBANCES

The President, or his/her designated representative, will determine whether the activity in question is one for which an institutional response is in order.

The individuals participating in an unacceptable activity will be notified by an authorized University official that their actions must cease. Such a notification will specifically cite the regulation and/or statutes being violated. The individuals participating will be asked to disband and desist in their actions. If the opportunity to disband and desist the unacceptable activity is not heeded, the University official will order the individuals to disband and desist, and will indicate clearly that a refusal to heed the order will result in disciplinary action.

Disciplinary proceedings will be instituted by the Coordinator of Judicial Affairs only when there has been a violation of institutional regulations. Disciplinary proceedings pertaining to incidents such as disruptive picketing, protesting, or demonstrations will follow normal disciplinary procedures unless the number of students involved is too numerous to be handled in a reasonable length of time. In these instances, the Marshall University Judicial Board

will handle the disciplinary process. The decision of the Marshall University Judicial Board and/or subcommittees is then referred to the President or his/her designee with a recommendation. In other cases, appeal may be taken to the President, or his/her designee, within ten (10) days, in which case such appeal shall be solely on the record of the proceedings before the committee. If the President or his/her designee, or the Dean of Students believes that the continued campus presence of a participant could well prove detrimental to others, he/she may suspend the participant from the University, provided that a hearing is held within seventy-two (72) hours of the decision to suspend.

CHEATING/ACADEMIC DISHONESTY

For information, refer to the MARSHALL UNIVERSITY ACADEMIC RIGHTS AND RESPONSIBILITIES OF STUDENTS and the STUDENT ACADEMIC RIGHTS: WEST VIRGINIA BOARD OF TRUSTEES sections in this edition of the **Handbook**.

COMPUTER ABUSE POLICIES

The University Computer Center (UCC) has established a Computer Abuse Policy applying to all hardware, data, software, and communications networks associated with MUNET computer systems.

MUNET users are also subject to applicable network (BITNET, INTERNET, etc.) usage guidelines, as well as state and federal laws regarding computer abuse. The "West Virginia Computer Crime and Abuse Act," which defines

computer abuse and prosecution possibilities, went into effect July, 1989. The Electronic Communications Privacy Act, passed by Congress in 1986, cites illegal electronic communications access and interception. Cases of computer abuse must be reported to the appropriate UCC personnel and /or to local, state, and federal authorities.

Common Forms of Computer Abuse

The UCC is responsible for informing users of the rules, regulations, and procedures which apply when using network computing resources. Users are responsible for understanding these rules so that they can abide by them. These policies cover MUNET as well as WVNET services.

Privacy

Investigating or reading another user's file is considered a violation of privacy. Reading unprotected files is intrusive, reading protected files, by whatever mechanism, is considered as "breaking and entering." Violations include:

- attempting to access another user's files without permission;
- furnishing false or misleading information or identification in order to access another user's account;
- attempts to access MUNET'S computers, computer facilities, networks, systems, programs or data without authorization;
- unauthorized manipulation of MUNMET'S computer systems, programs, or data.

Theft

Attempted or detected alteration of

software, data, or other files as well as disruption or destruction of equipment or resources is considered theft. Violations include:

- using subterfuge to avoid being charged for computer resources;
- deliberate, unauthorized use of another user's account to avoid being billed for computer use;
- abusing specific resources such as BITNET;
- removing computer equipment (hardware, software, data, etc.) without authorization;
- copying or attempting to copy data or software without authorization.

Vandalism

Violations include:

- sending mail or a program which will replicate itself (such as a computer virus) or do damage to another user's account;
- tampering with or obstructing the operation of MUNET computer systems;
- inspecting, modifying or distributing data or software (or attempting to do so) without authorization;
- damaging computer hardware or software.

Harassment

Sending unwanted messages or files to other users may be considered harassment. Violations include:

- Interfering with legitimate work of another user.
- sending abusive or obscene messages via computers;
- using computer resources to engage in abuse of computing center personnel or other users.

Copyright Issues

MUNET prohibits the copying, transmitting, or disclosing of proprietary data, software, or documentation (or attempting to commit these acts) without proper authorization (see Software and Intellectual Rights section).

Miscellaneous

Other acts considered unethical and abusive include:

- unauthorized and time-consuming recreational game playing;
- using computer accounts for work not authorized for that account;
- sending chain letters or unauthorized mass mailings;
- using the computer for personal profit or illegal purposes;
- personal advertisements.

Software and Intellectual Rights

Respect for intellectual labor and creativity is vital to academic discourse and enterprise. This principal applies to works of all authors and publishers in all media. It encompasses respect for the right to acknowledgement, right to privacy, and right to determine the form, manner, and terms of publications and distribution.

Because electronic information is volatile and easily reproduced, respect for the work and personal expression of others is especially critical in computer environments. Violations of authorial integrity, including plagiarism, invasion of privacy, unauthorized access, and trade secret or copyright violations may be grounds for sanctions against members of the academic community.

This Statement of Software and Intellectual Rights applies in full to use of the UCC and its resources.

Computer Usage Guidelines

1. You must have a valid, authorized account and you may only use those computer resources for which you are specifically authorized. You are responsible for safeguarding your own account. You should not allow another user to use your account unless authorized by the system administrator for a specific purpose.

2. You may not change, copy, delete, read, or otherwise access files or software without the permission of the owner or the system administrator. You may not bypass accounting or security mechanisms to circumvent data protection schemes. You may not attempt to modify MUNET software except when it is intended to be customized by users.

3. You may not prevent others from accessing the system, unreasonably slow down the system by deliberately running wasteful jobs, playing games, or engaging in nonproductive or idle computer "chatting."

4. You should assume that any software you did not create is copyrighted. You may neither distribute copyrighted or proprietary material without the written consent of the copyright holder, nor violate copyright or patent laws concerning computer software, documentation, or other tangible assets.

5. You must not use the MUNET computer systems to violate any rules in the Marshall University Employee Handbook, or local, state, or federal laws.

6. You should promptly report misuse of computing resources, or poten-

tial loopholes in computer systems security, to the appropriate authorities (the UCC Director or UCC personnel), and cooperate with the systems administrators in their investigation of abuse.

In connection with inquiries into possible abuses, the UCC reserves the right, with approval of the UCC Director, to examine files, programs, passwords, accounting information, printouts, or other computing material without notice. Privacy of any electronic or printed material examined that is not relevant to the investigation is guaranteed. Disclosure of such material will be subject to penalty.

Penalties for Computer Abuse

Abuse or misuse of MUNET computing facilities and services may not only be a violation of network policy and user responsibility, but it may also violate the criminal code. Therefore, the UCC will take appropriate action in response to user abuse or misuse of computing facilities and services. Action may include, but is not necessarily limited to:

- Suspension or revocation of computing privileges. Access to all computing facilities and systems can, may, or will be denied.

- Reimbursement to the UCC or the appropriate institution for resources consumed.

- Other legal action including action to recover damages.

- Referral to law enforcement authorities.

- Referral of offending faculty, staff, and/or students to institutional authorities for disciplinary action.

EDUCATION RECORDS: PRIVACY RIGHTS OF PARENTS AND STUDENTS

The Family Educational Rights and Privacy Act of 1974, 93-380, 93rd Congress, H.R. 69, authorizes granting to parents and students the right of access, review, challenge, and exception to education records of students enrolled in an educational agency or institution. In accordance with the regulations of the Family Educational Rights and Privacy Act of 1974, Marshall University has adopted a policy to be implemented by all units of the institution. Upon enrollment in the University, the student and/or eligible parent(s) may request a copy of the policy.

Under the Act the student and eligible parent(s) are granted the following rights:

- a. to be informed of the provisions of the Act through adoption of an institutional policy;

- b. to inspect and review the records of the student;

- c. to reserve consent for disclosure except as exceptions are granted in the regulations, i.e., school officials, officials of other schools to which the student seeks attendance, or others as delineated in Section 99.31;

- d. to review the record of disclosures which must be maintained by the University; and

- e. to seek correction of the record through a request to amend the record and to place a statement of the record.

After the student registers for courses,

the student and/or eligible parent(s) may request a copy of the policy "Education Records: Privacy Rights of Parents and Students" from the Student Legal Aid Center (2W29A Memorial Student Center).

Complaints of alleged failure by the University to comply with the Act shall be directed to :

*The Family Educational Rights
and Privacy Act Office
330 Independence Avenue, S.W.
Washington, D.C. 20201*

The University encourages complainants to lodge a formal complaint with either the Dean of Student Affairs, the campus Ombudsperson, or the Attorney for Students.

Requests for further clarification of the Act, the regulations, and University policy should be directed to the Dean of Student Affairs or the Student Legal Aid Center.

EMERGENCY ACTION

Emergency action is a special category that may be used by the President or his/her designee when, on special occasions, he /she has the authority to impose the sanction, *inter alia*, of suspension to a student or group of students from school or from a residence hall who act or refuse to act, the result of which conduct is to interfere with the rights of others and which conduct is non-peaceful or is disruptive, or which conduct constitutes a danger to health, safety, or property of others or him/herself provided that a hearing is held within seventy-two (72) hours of the decision.

FACILITY USE

Regulations for Use of University Facilities

The conduct of participants at an event sponsored by a recognized campus organization is the responsibility of the scheduling organization and its advisor.

Campus organizations are expected to use University property responsibly. Officers of the sponsoring organization as well as the individuals involved are responsible for any and all damages or violations of policy, except for expected ordinary wear and tear. Accordingly, officers of the group and /or Advisor(s) may request inspection of the premises by Public Safety personnel during inspection.

Any damage or violation of policy noted will be reported to the Office of Conference and Facilities by Public Safety personnel. A complaint stating violation, damages, estimated cost of repair, etc., will be filed with the Coordinator of Judicial Affairs seeking payment for damages and loss of privilege to schedule facilities or other penalties deemed appropriate by the Coordinator of Judicial Affairs.

Organizations sponsoring pool parties in the Henderson Center are required to hire one Marshall University Public Safety Officer. Organizations sponsoring events with an estimated attendance of 100 are required to hire two Marshall University Public Safety Officers. Exceptions to this policy may be granted if the organization's advisor, or approved designee, will be in attendance. One officer and the advisor/designee will be required in lieu of

two officers. Arrangements and assignment of officers will be confirmed by the Assistant Director of Public Safety, (696)-4357.

Officers are to be paid by the organization.

The user must abide by all rules and regulations of Marshall University and the West Virginia Board of Trustees as outlined in the **Marshall University Student Handbook and/or The Greenbook**.

Neither Marshall University nor the West Virginia Board of Trustees shall be responsible for any loss of or damage to equipment or property of the organization, its members, or patrons. Any equipment of the user remaining on the premises for more than ten (10) days shall be considered abandoned, and may be disposed of by the Manager of Conference and Facilities as he/she deems advisable unless prior arrangements have been made in writing.

No signs are to be posted upon University premises without prior written approval of the Conference and Facilities Manager. Material such as nails, hooks, adhesive fasteners, tacks, or screws are prohibited. The Conference and Facilities Manager has the right to refuse permission to use any materials, devices, or procedures which might cause injury or bodily harm.

The use of lighted tobacco is not permitted in any University building. Alcoholic beverages or illegal substances are strictly forbidden.

Campus organizations using the University pools must hire a lifeguard through the University: one (1) lifeguard for each fifteen (15) participants. Lifeguards may be hired by contacting

the Recreational Sports & Fitness Activities Office in 112 Gullickson Hall. Lifeguards are paid by the organization at an hourly rate.

Persons running or crossing over the Marshall University Track shall wear regular track shoes with a spike less than one quarter inch. The only other shoes permitted on the track will be flat running shoes or standard basketball or tennis shoes. Joggers are required to run on the outside lanes of the track. Under no circumstances shall persons using the track eat, smoke, chew, or drink on the track surface.

No parties using Marshall University facilities shall discriminate against any citizen of the United States or any person within the jurisdiction thereof, on the grounds of race, color, sexual orientation, national origin, sex, or handicap.

To reserve one of the above facilities, a completed Facility Reservation Form signed by the organization's Advisor and President must be submitted to the Conference and Facilities Manager at least two weeks prior to the desired date of use.

The Conference and Facilities Manager will schedule the use of the facility and obtain other approvals as necessary (i.e., Security, Intramurals, etc.).

Because of limited space and the current construction program, campus organizations are limited to two uses of the same facility in one month. For the same reasons, late requests will be subject to the availability of the space and personnel.

Use of all campus facilities is governed by "Regulations for Use of University Facilities."

FUNDRAISING, SALES, AND SOLICITATION

The term "solicitation" is used to describe the sale of products or the seeking of funds, signatures, merchandise, services, or supplies.

Commercial-for-profit solicitation is not permitted on University property except by contract with the West Virginia Board of Trustees.

The sale of items or the solicitation of funds on University property by recognized student organizations and/or their members or agents is prohibited unless written permission in the form of a Fundraising Permit is obtained from the Student Activities Office, 2W38 Memorial Student Center. ALL funds solicited must be solely for the use of the student organization. Fundraising permits are issued for a maximum period of one week for a specific time and location on campus. Non-University individuals or groups planning sales or solicitation must make arrangements in advance through Conference and Facilities, 1W31 Memorial Student Center.

Recognized student organizations (or those in the certification process, at the discretion of the Student Activities Office) may solicit at reasonable times and places on University property, and under reasonable conditions imposed by University officials charged with control of the areas, provided such solicitations are not inconsistent with the educational purposes of the University. The organization must comply with facility usage and scheduling policies, and arrangements for the solicitation of funds must be made with the supervisor of the building or campus area to be used. When soliciting funds, the organization must have a copy of the Fundraising Permit present at all times. The organization conducting the solicitation must be identified at every location by means of a sign or announcement.

In determining reasonableness of time, place, and manner of the solicitation activity planned, the Student Activities staff and University officials

charged with the control of the areas where the activity is planned shall consider whether the proposed activity conflicts with regularly scheduled University activities or other scheduled events in the area. The effect of the activity on normal pedestrian and vehicular traffic, the availability of alternate facilities, and similar factors may also be considered in awarding fundraising permits. Other reasonable time, place, and manner conditions may be imposed as a pre-condition of conducting activity (e.g., an applicant may be asked for information regarding the anticipated number of participants and spectators, security arrangements, and sanitary facilities).

GRIEVANCE PROCEDURE FOR STUDENTS

Section I: Purpose

The purpose of this procedure is to provide all students with a systematic policy for the resolution of grievances which may arise with a functioning unit and/or policy of the University. This policy shall not be applicable to those cases covered by the Marshall University Code of Conduct, or the Marshall University Policy on Academic Rights and Responsibilities of Students. Procedures for student disciplinary and academic affairs are outlined in the Board of Trustees' Policy Bulletins 57 and 60. It is not the intent of this policy that any functioning unit adopt these procedures as part of their unit appeal process. Those functioning units which have students seeking appeals on a continuing basis must develop their own appeals process.

Section II: Rationale

Good student relations are maintained, effective services to students from all functioning campus units are enhanced, and all affected parties of the Marshall University community are better served when sincere efforts of students, faculty, and staff are exerted toward constructive solutions to problems that may occur. The intent of this procedure is to provide a simple and easily understood process for solving problems at the lowest possible administrative level, as fairly and as expeditiously as possible.

Section III: Definitions

A. Grievance - A formal statement from a student expressing a circumstance which he/she feels resulted in unjust or injurious treatment from a functioning unit and/or staff/faculty employed within said unit of Marshall University. Such circumstances may include, but are not limited to, a misapplication, or a misinterpretation of the statutes, policies, rules, regulations, or written agreements that are part of the functioning procedure of the University and/or behavior or actions of staff/faculty employed within a functioning unit of Marshall University.

B. Functioning Unit - The various administrative areas, departments, and/or offices and all non-classified staff/faculty employed within those areas, departments, and/or offices.

C. Jurisdiction - Refers to the areas of authority in relation to the student's right to be heard in the solution of problems in all matters except those cases covered by the Marshall University Code of Conduct or the Marshall

University Policy on Academic Rights and Procedures.

D. *Grievance Panel* - Permanent subcommittee of the Student Conduct and Welfare Committee composed of two faculty members (one of whom must be a member of the Student Conduct and Welfare Committee) and one student. Faculty members, students, and alternates shall be appointed by the Chairman of the Student Conduct and Welfare Committee at the beginning of each academic year. Panel members and alternates serve one academic year. When a complaint has been filed against a member of the classified staff, the Ombudsperson shall request the Chair of the Staff Council to appoint a staff member to serve on the Panel in place of one faculty member. When a complaint is against a non-classified staff member, the Ombudsperson shall request the head of said unit to appoint one non-classified member in consultation with the individual(s) involved, to replace one faculty member.

E. *Grievant* - Any student who has a grievance as defined in Section III, Paragraph A.

F. *Student* - Any person who has been admitted to an institution to pursue a course of study, research, or service and who has not been graduated or dismissed from such a course and who has some right or privilege to be on the campus or in the facilities of the institution, or to use the same, in connection with study, research, or service, or who yet has some rights or privilege to receive some benefit or recognition of certification from the institution, under the Rules, Regulations, or Policies of the Board of Trustees or the institution.

Section IV: Processing

A. Level I

1. Student fills out a formal grievance and submits to the Ombudsperson in Room 2W23 of the Memorial Student Center (forms are available in said office).

2. After the Ombudsperson discusses the complaint with the student, the grievance is presented to the individual named in the complaint in an attempt at resolution. If not resolved, a copy of the grievance will be forwarded to the head of the unit in which the individual named in the complaint is employed. If the head of the unit is party to the complaint, the grievance shall be forwarded to the supervisor of the head of the unit. If a resolution is not possible at this point, the student may proceed to Level II.

B. Level II

1. Student requests the Ombudsperson to present his/her grievance to a Grievance Panel for disposition. Neither the student nor the individual named in the grievance is present at the Panel meeting.

2. After the Ombudsperson presents all the information submitted by the student and the individual named in the grievance, the Grievance Panel does one of the following:

a. If the Panel finds in favor of the student, a recommendation for resolution of the grievance shall be forwarded to the head of the unit in which the individual named in the complaint is employed. If the head of the unit is party to the complaint, the recommendation shall be forwarded to the super-

visor of the head of the unit.

b. If the Panel finds that the student did not receive unjust or injurious treatment, the student shall be advised that the Panel supports the decision/action(s) of the individual(s) named in the grievance.

c. If the Grievance Panel deems it necessary to obtain additional information, the Panel shall request the Ombudsperson to invite the student and the individual named in the complaint to meet separately or together (at the discretion of the Panel) with the Panel. After said meeting, the Panel shall choose to act upon (a) or (b) listed above.

C. Level III

1. The Ombudsperson shall refer the findings of the Grievance Panel on a Panel Response Form to the head of the unit in which the individual named in the complaint is employed. If the head of the unit is party to the complaint, the findings shall be forwarded to the supervisor of the head of the unit. The head of the unit shall indicate on the Panel Response Form acceptance or rejection of the recommendation of the Panel. The form shall be returned to the Ombudsperson within five (5) working days after its receipt.

b. If the head of the unit rejects the recommendation of the Panel, the student may file a written appeal to the President of the University with the Ombudsperson within five (5) working days after receipt of notification.

c. Within ten (10) working days, the President or his/her designee should respond to the appeal. If no response is received by the Ombudsperson within that time, the recommendation of the Grievance Panel will be deemed accepted.

SEXUAL HARASSMENT

Marshall University's Policy Statement of Sexual Harassment for Faculty, Staff, and Students

I. General Policy

Sexual harassment perpetrated by any faculty, staff, and/or student against any member of the aforementioned groups is prohibited at Marshall University. It is a violation of Title VII of the 1964 Civil Rights Act, as amended, and Title IX of the Education Amendments of 1972.

II. Definition

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

Sexual harassment occurs when:

A. Submission to such conduct is made, either explicitly or implicitly, a term or condition of an individual's employment or education.

B. Submission to or rejection of such conduct is used as the basis for employment or academic decisions affecting that individual.

C. Such conduct has the purpose or effect of interfering with an individual's academic or work performance, or creating an intimidating, hostile, or offensive working or educational environment.

III. Unacceptable Behaviors

Sexual harassment undermines the integrity of the workplace, research, learning, and teaching environments. It is unsolicited, non-reciprocal behavior which includes: graffiti; verbal abuse; rape; leering or ogling/physical assault; sexist remarks regarding the victim's clothing or body; general sexist jokes, comments, or pictures; patting, pinching, or brushing up against the victim's body; suggestions/demands for sexual favors in return for grades, hiring, promotion, or tenure. Each alleged incident/complaint of sexual harassment will be reviewed and evaluated on a case-by-case basis by the Department of Affirmative Action.

IV. Grievance Procedure

Anyone who believes that she/he has been subjected to sexual harassment should contact the Department of Affirmative Action, (696)-6455, the Office of Women's Programs, (696)-3112, or any member of the Sexual Harassment Grievance Panel.

The administration encourages students, faculty members, administrators, etc., to pursue the matter through the procedures described below. At his / her option, the grievant may choose to pursue only the informal procedure, only the formal procedure, or may seek resolution under the informal procedure first and then, if unsatisfied, pursue the formal process.

All issues/information evaluated during and after informal or formal review of sexual harassment incidents/complaints will be held **STRICTLY CONFIDENTIAL**. *Breach of confidentiality by the Affirmative Action Of-*

ficer, the Grievance Panel, or Marshall University Administrators is a serious offense and subject to appropriate sanctions at the discretion of the President.

Sexual Harassment Grievance Panel

The Sexual Harassment Grievance Panel is comprised of eighteen (18) individuals who have expressed interest in serving on sexual harassment grievance committees. Prior to serving on a Grievance Committee, each individual must receive training in sexual harassment investigations.

Of the eighteen members, six (6) shall be faculty members (selected by the President of the Senate), six (6) shall be students (selected by the Student Body President), and six (6) shall be staff (selected by the President of Staff Council). All employees who are not faculty are considered staff for the purposes of this policy. A committee of three (3) individuals chosen by the Affirmative Action Officer from each of the subgroups (faculty, student, and staff) will review or investigate the incident or complaint.

Initially, two of the six members appointed by each of the above entities shall serve one year, two shall serve two years, and two shall serve three years. Thereafter, all terms shall be for three years with a total of six members appointed each year, two by the President of the Senate, two by the President of Staff Council, and two by the Student Body President. The names of the individual members of the Sexual Harassment Grievance Panel are available from the Department of Affirmative Action.

All members of the Grievance Panel will treat as **CONFIDENTIAL** to the

extent permitted by law, the information that is disclosed to them in their capacity as Panel members although records of the Panel may be made available for CONFIDENTIAL REVIEW by the responsible committee or administrator in any resulting disciplinary or complaint procedure arising out of the same incident.

Informal Procedure

Complaints may be pursued informally through consultation with the Affirmative Action Officer, or a member of the Sexual Harassment Grievance Panel. When informally pursued, no written complaints are required, although the alleged harasser will receive written notification of a review in progress.

Although the grievant may choose a person to act as her or his representative, all members of the Sexual Harassment Grievance Panel are available for informal resolution. The representative will, at the request of the grievant, meet with the alleged harasser to attempt a resolution of the situation. In addition, the representative may assist the grievant in other attempts at informal resolution which are appropriate under the circumstances and act as a confidant and/or advisor.

If a member of the Sexual Harassment Grievance Panel acts as a representative under this section, that member will be excluded from selection on the investigatory committee under the formal procedure.

At the conclusion of the informal procedure, the representative(s) shall report the results of the findings to the Affirmative Action Officer who shall

decide if the grievance has been resolved or merits further investigation.

Formal Procedure

The formal procedure is invoked by the filing of a written complaint with the Department of Affirmative Action or when evidence from the informal procedure warrants a formal investigation. The complaint shall be filed using forms available from the office. A copy of the complaint will be delivered by Certified Mail from the Department of Affirmative Action.

An investigatory committee consisting of a member from each of the three constituencies will be selected by the Affirmative Action Officer at random from the Sexual Harassment Grievance Panel. Prior to the investigation, either grievant or accused may request that a committee member be excused for cause (bias, interest, relationship to one party, etc.). Any member excused shall be replaced by a person of the same constituency by random selection.

In the interest of timely resolution, the grievance shall be investigated within twenty (20) working days after a formal complaint is delivered to the alleged harasser. In the event of extenuating circumstances (determined by the Affirmative Action Officer), this period may be extended as reasonable under the circumstances. Each party has the right to seek counsel and/or representation.

Within five (5) working days following the conclusion of the investigation, the investigatory committee shall submit a written recommendation based on the evidence and recommend an

appropriate sanction, if any, to the Affirmative Action Officer, the President, and one of the following:

a. if the alleged harasser is a student, to the Dean of Students or designee;

b. if the alleged harasser is a faculty member, to the Vice President for Academic Affairs, or Vice President for Health Sciences, or designee; and

c. if the alleged harasser is a staff member, to the Vice President to whom the staff member reports, or designee.

The written decision of the investigatory committee shall include the nature of the complaint, a summary of the relevant evidence, a recommendation based on the evidence, and a recommendation of an appropriate sanction, if any.

Thereafter, either party unsatisfied with the decision may appeal to the University President or designee within twenty (20) working days. The decision of the President shall be rendered within five (5) working days and shall be final. However, any and all victims have the right to file a charge of discrimination based on sexual harassment with the appropriate local, state, or federal agency. For additional information, contact the Department of Affirmative Action.

V. Sanctions

Any administrator, faculty, or staff person who sexually harasses another will be subject to the following appropriate disciplinary action at the discretion of the President: (a) verbal or written warning/reprimand documented in their files, (b) negative evaluation, (c) suspension, and/or (d) termination.

VI. Statute of Limitation

Anyone who believes he or she has been sexually harassed must present a formal complaint within one (1) year of the alleged sexual harassment incident(s).

VII. Dissemination

Deans, directors, and department heads will disseminate this policy and anti-sexual harassment posters and brochures to faculty, staff, and students at Marshall University on a regular basis. Workshops and seminars will be held periodically highlighting issues of sexual harassment.

VIII. Retaliation or Reprisal

Faculty members, students, staff members, and administrators who request a review/investigation in accordance with the outlined policy and procedures may expect a fair review/investigation without fear of further harassment or retaliation. Any retaliatory action of any kind taken against: 1) the grievant as a result of his/her seeking redress under these procedures, 2) students or employees cooperating in the review/investigation, or 3) Grievance Panel members, is prohibited and shall be regarded as a separate and distinct grievable matter.

NOTE: Adjustments to this policy are currently underway. Please check with the Affirmative Action Office for information.

SMOKING POLICY

Effective April 1, 1993, there should be no smoking anywhere in any Marshall University vehicle or building, in-

cluding the football stadium, with the following exceptions:

1. Smoking is allowed in University residence halls in individual student rooms that are designated as smoking rooms.

Questions regarding this policy should be directed to University Legal Council, 216 Old Main, phone (696)-6295.

SOUTHERN CONFERENCE CODE OF SPECTATOR CONDUCT

Southern Conference teams shall be supported with enthusiasm and dedication, for strong spectator support is a vital part of the experience of college competition. We expect good sportsmanship from players and coaches, and they have a right to expect the same from spectators. Therefore, we urge Southern Conference students, alumni, and friends to cheer their teams to victory while upholding those ideals our colleges and universities have nurtured during the long history of the Southern Conference. Our spectators should be courteous and judicious in choice of expression and exhibit good manners and kindness to all others. The scoreboard will reflect the quality of the teams in competition; the kind of support given by the spectator will showcase the character of Southern Conference fans.

Athletic Directors will see to the following:

1. Posters will be displayed in appropriate places throughout the campus.

2. Code will be printed in game program.

3. Requests will be made to carry it in the school newspaper.

4. PA announcements will be made calling attention to the Code at home games.

5. Emphasize to coaches, athletes, bands, and cheerleaders that they are expected to live up to their part of the Code.

Artificial Noisemakers

Artificial noisemakers, air horns, and "electric amplifiers" are not permissible in arenas or stadiums except for those amplifiers that are part of the official pep band. Such instruments will be removed from facility when discovered inside.

The only exception to the electronic amplifiers will be for use of cheerleaders using them to give instructions to the crowd, and not using them toward area of competition.

Bands-PA Announcers

Bands or any component thereof (including drums), organs, and PA announcers are not allowed to play/speak while the game is in progress and bands will be seated where designated.

Cheerleaders

The Athletic Director, with whatever other University personnel he/she deems advisable, shall meet semi-annually with all cheerleaders prior to the first football game and again prior to the first basketball game. He/she will emphasize the Southern Conference Code of Spectator Conduct highlighting the cheerleaders' responsibility in assisting in its implementations. He/she will discuss with them ways to

excite rather than incite the crowd as vulgar, profane, and/or derogatory cheers are not in keeping with the goals of the Southern Conference Code of Spectator Conduct.

Derogatory Signs

Signs of a derogatory nature directed towards an individual opponent, visiting team, or game official are not permitted in Southern Conference arenas. It is the responsibility of Home Management to see that any such signs are immediately removed.

Explosive Devices, Live Mascots, and Motorized Vehicles

The Home Team's Athletic Director decides the policy regarding use of explosive devices (cannons, rifles, shot guns, rocket launchers, etc.), live mascots (horses, buffalos, etc.), and motorized vehicles in the school's facilities. Visiting Team Athletic Director needs to request permission for the use of such at least two (2) weeks in advance of contest and approval or disapproval should be furnished at once by Home Team's Athletic Director.

Institutional Heads

Before the first football game each year, or as soon after that game as practical, each Institutional Head will hold a meeting for the purpose of discussing sportsmanship and crowd behavior at football and basketball games. (At his/her discretion, the Institutional Head may hold another meeting before the first basketball game.) This meeting will be attended by the following persons: Institutional Head, Dean of Students (or the equivalent officer), Faculty Athletic Chairman, Athletic Direc-

tor, all coaches (football and basketball), cheerleaders, band director, band leaders, student body leaders, student newspaper reporters, public address announcer, and security personnel. The Athletic Director and coaches will inform the players and other squad personnel of their responsibilities. The Institutional Head will certify, on a form supplied by the Commissioner, that such a meeting has been conducted. This form will be filed with the Commissioner not later than October 1.

SPEAKER BANS

Students should be allowed to invite and to hear any person of their choosing. These routine procedures required by the University before a guest speaker is invited to appear on campus are designed only to ensure that there is orderly scheduling of facilities, adequate preparation for the event, and that the occasion is conducted in a manner appropriate to an academic community. It should be made clear to the academic and larger community that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed, either by the sponsoring group or the institution. The responsibility for the content and proper conduct of such meetings lies with the respective organization and its Advisors.

1. Speakers are encouraged at Marshall University regardless of subjects to be discussed, background, or past

association of the speaker. Although the Student Affairs Staff and the Staff of Public Safety encourages a wide variety of issues and topics, they reserve the right to intercede if a topic may be of such a volatile nature as to interfere with the goals and the nature of the University. If requested, groups must be provided equal time for opposing points of view.

2. An outside speaker must be sponsored by a recognized student organization or University Department.

3. A recognized student organization which sponsors a speaker must:

a. Submit a request form to the Office of the Dean of Students at least two (2) weeks in advance. The form is to be signed by both the President and advisor of the group.

b. Speakers must be accompanied by representatives of the sponsoring group at all sponsored activities.

c. If an outside agency or speaker is being sponsored at a table in the Student Center or Residence Halls, members of that sponsoring group must be present at the table.

SUBSTANCE USE AND ABUSE POLICY

I. Introduction

The purpose of this policy is to serve as a guide for the campus community in the use and abuse of controlled substances. Alcohol abuse or the use of illegal drugs is incompatible with the educational mission of Marshall University. The role of the University in pursuit, creation, and dissemination of knowledge requires that all members of

the University community function at their optimal level. The illegal use or abuse of drugs and/or alcohol has a clear and adverse effect on the educational environment. Accordingly, Marshall University is committed to promoting the responsible use of alcohol and preventing the use of illegal drugs.

Consistent with its mission, Marshall University will utilize educational strategies as the primary approach to substance abuse. However, all members of the University community should know that any violations of local, state, or federal laws will be subject to prosecution to the fullest extent of the law and of University policy.

Those persons who are currently involved in the abuse of alcohol or the use of illegal drugs and who seek assistance in overcoming these addictions through a viable and recognized treatment program will be supported in these efforts.

II. Definitions

Alcoholic beverages includes those beverages defined under the State of West Virginia Code, Section 60-7-12a, as non-intoxicating beer, and under 60-8-20a as wine and other alcoholic liquors. This means beer, wine, wine coolers, and all other liquors.

Illegal drugs include those substances defined under Schedule I of the West Virginia Uniform Controlled Substances Act (60A-2-204). These include any opiates, opiate derivatives, and hallucinogenics such as marijuana and LSD. Also included are substances listed under Schedule II of the Act which have a high potential for abuse, but which may have a recognized medical use.

III. Alcohol

West Virginia state law prohibits the purchase of alcoholic beverages by persons under the age of 21, and also prohibits any person not related by blood or marriage from providing alcoholic beverages to persons under age 21. In order to stand consistent with this statute, the University is compelled to carefully monitor and control the use of legal alcoholic beverages on campus or by organizations under the support of Marshall University. All organizations affiliated with the University must take positive action to ensure that minors are not served alcohol.

Many campus-based constituencies include persons who are legally able to purchase and consume alcoholic beverages. These include faculty, staff, students, alumni, visitors to campus, community groups, conference or workshop participants, or others here for purposes related to University functions. For these groups, the responsible use of alcohol must be the guiding principle.

State law also prevents the sale and consumption of alcoholic beverages on campus, except in specifically designated locations. For this reason and others, many campus affiliated organizations choose to hold social functions at off campus locations. Again, for these organizations, positive actions must be taken to promote the responsible use of alcohol. These actions are required:

- Positive actions to ensure that no persons under age 21 are served alcoholic beverages.

- No social event shall include any form of "drinking game."

- Alcohol should not be used as an inducement to participate in a campus

event. Promotional materials for any event shall not make references to the amount of alcoholic beverages (such as number of kegs) available.

- Direct access to alcoholic beverages should be limited to those persons designated as servers.

- Alternative non-alcoholic beverages must be available.

- Food as well as drink must be served.

- Early cut-off of drinks must be observed, *preferably one (1) hour prior to the end of the event.

- No alcohol should be served to those persons obviously intoxicated.

- (*) Alcoholic beverages (beer and wine coolers) may be legally sold and consumed with the approval of the President in designated and licensed areas of the Marshall University campus.

IV. Illegal Drugs

Consistent with its educational mission, the University will utilize educational strategies as the primary activity aimed at preventing drug abuse and the use of illegal drugs. A strong program focusing on drug abuse will be conducted with the intent of informing all members of the University community of the resources available to help resolve abuse problems. Those members of the University community who voluntarily seek assistance for abuse concerns or drug addiction through a recognized treatment program, either through the services of Marshall University or through community resources, will be assured that applicable standards of confidentiality will be maintained. Students who voluntarily seek such treatment may be eligible for a medical withdrawal from the Univer-

sity without academic penalty.

Members of the Marshall University community are responsible for knowing and complying with provisions of West Virginia law that define as crimes the possession, sale, delivery, or manufacture of those drugs known as "controlled substances." Any member of the University community who violates that law is subject both to prosecution and punishment by civil authorities and by the University.

Sanctions will be imposed by the University consistent with procedural safeguards applicable to disciplinary actions against the involved parties. Penalties imposed may range from written warnings with probationary status to expulsions from enrollment and/or termination of employment.

V. Governing Policies for Specific Communities

Students: The Marshall University Student Code of Conduct, as administered by the University Judicial System, governs the procedures to be followed in case of violation of this policy by enrolled students.

Faculty: Violations of University policy and/or state laws committed by members of the University faculty shall be adjudicated within the guidelines of WV Board of Trustees Policy Bulletin 36.

Staff and Administrative Personnel: Violations of University policy and/or state laws committed by members of the University staff or administration shall be subject to sanctions as outlined above. Procedures for adjudicating such violations shall be consistent with WV Board of Trustees Policy Bulletin 52, and the

Classified Employees Handbook, Section 10.

Alumni and Other Groups: Alumni of the University, when gathered at a University-sponsored, sanctioned, organized, or affiliated event should be subject to the same standards of behavior as students and staff of the institution. The University will make every effort to ensure compliance with these guidelines. Affiliated groups, including visitors to campus, participants in seminars benefitting from University affairs or services will also be expected to conform to these standards.

WEAPONS POLICY

Concealed and unconcealed possession or storage of any firearm, pellet gun, illegal knife, sling shot, ammunition, dangerous chemical, fireworks or explosive device, or other dangerous weapon, device, or substance of any kind by any individual on or about the University premises is prohibited and is a violation of Marshall University's policy. A violation of this nature is considered a gross misconduct, and may constitute a violation of state or federal law. Any individual who is found to be in violation of this policy shall be subject to removal from the premises and possible arrest by the Marshall University Police Department. Marshall University employees, whether faculty or administrative staff, who violate this policy shall be subject to disciplinary action which could lead to immediate dismissal.

WEATHER STATEMENT

Generally, it is Marshall University's

policy to maintain its normal schedule, even when conditions are inclement. However, this is not always possible. In those instances when it is necessary to alter the schedule in response to weather conditions, every effort will be made to notify all those affected, students, faculty, staff, and general public, as expeditiously and as comprehensively as possible in the following ways:

1. Television stations in Huntington and Charleston will be notified.
2. Radio stations in Huntington and Charleston will be asked to announce the delay or closing.
3. Time permitting, newspapers in Huntington and Charleston will be notified. Often, however, decisions must be made after the deadlines of newspapers.
4. The Director of University Relations will communicate the specific details of the closing as follows:
 - a. To the Office of Public Safety and (696)-HELP.
 - b. To the AUDIX of the Assistant of Vice President of Administration at (696)-3335 and to the Director at his home.
5. The Director of Campus Technology will place the closing message on the entire university AUDIX system as well as the university response number (696)-3170.

Definitions:

University Closed: All classes suspended and offices closed.

Classes Canceled: Classes suspended; office open.

Delay: A delay in the beginning of activities, usually in the range of one to

two hours. For example, since normal operations of the university begin at 8:00 am, a two hour delay would mean functions would begin at 10:00 am. As a result, Monday, Wednesday, or Friday classes beginning at 8:00 am would be canceled; 10:00 am classes would meet. Tuesday or Thursday classes beginning at 8:00 am would be canceled; those scheduled for 9:30 am would begin instead at 10:00 am in an abbreviated session. In most instances, delays on Tuesday or Thursday will be 90 minutes, enabling 9:30 classes to begin on schedule.

Clarification:

Since announcements in the mass media are subject to individual distortion, incompleteness or misunderstanding, clarification may be obtained by telephoning Marshall University at (696)-3170.

Staff and Administrative Personnel:

The university will completely close only rarely and in extreme situations since it is essential that public safety be maintained, that buildings and equipment be protected and that services be provided for those students housed in campus facilities. Therefore, although classes may be canceled, all university staff and administrative employees will be expected to report to work, unless notified otherwise.

In the event of critical need, certain employees may be required to work or temporarily reside on campus to ensure human safety and preservation of university property and/or facilities.

Individual employment may, in their best judgement, determine the risk of travel to be too great and elect to remain at home. Those who do so should contact their respective supervisor and indicate they are:

1. taking annual leave that day, or
2. taking compensatory time, in the event compensatory time is owed them.

In the event a building, or a section of a building is closed (because of heat loss, power outage, etc.), employees' working in the effected area will be permitted to take their work to another area or building on campus. Or, in consultation with the supervisor, the employee may elect to take annual leave that day, or take compensatory time off.

In the event of an extreme situation (tornado, flood, ice storm, campus disturbance, etc.) and the employees' presence is not desired on campus, this information will be disseminated to the news media. A decision as to whether the missed time will be chargeable to annual leave, compensatory time, or a non-pay situation will be determined by the resident and communicated through supervisors.

Supervisors must take steps to ensure offices and /or work stations are open to employees at all time when those employees are expected to be at work, including inclement weather situations and other disruptive situations.

Faculty:

Once operations are resumed, deans and department chairs must take steps

to ensure that faculty meet their scheduled classes or substitutes secure so that class schedules are met.

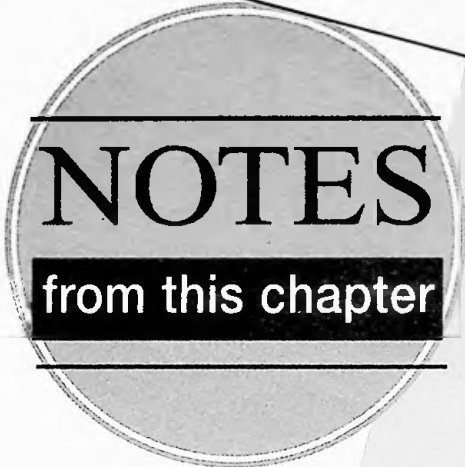

Decision-Making:

Decisions on closing and /or delays will be made jointly by the vice president for academic affairs and the vice president for administration following consultation with other appropriate officials, including the president. Should only one of those two vice presidents be available, that person will make the decision.

Every effort will be made to reach a decision to allow time for adequate notification to the news media, in turn those affected.

RESPONSIBILITIES

ACADEMIC RIGHTS AND RESPONSIBILITIES

Marshall University's policies in regard to the academic rights and responsibilities of students are in keeping with the Board of Trustees Policy Bulletin Number 60, which is reproduced in its entirety following this section. The Academic Rights and Responsibilities of Students policy statement provides details with respect to student rights and procedures on these and similar matters relating to academic appeals.

This policy statement implementing Board of Trustees Policy Bulletin Number 60 (July 11, 1986) supersedes previous policies which concern grade appeals, academic dishonesty, and any other procedures relating to academic appeals.

I. Statement of Philosophy

Marshall University is an academic community and as such must promulgate and uphold various academic standards. Failure of a student to abide by such standards may result in the imposition of sanctions pursuant to Policy Bulletin Number 60 of the West Virginia Board of Trustees. A student, by voluntarily accepting admission to the institution or enrolling in a class or course of study offered by Marshall University, accepts the academic requirements and criteria of the institution. It is the student's responsibility to fulfill course work and degree, or certification requirements, and to know and meet criteria for satisfactory academic progress and completion of the program.

II. Definitions

A. *Academic Dean*: the chief aca-

ademic officer also serves in an advisory capacity to the student. The student is encouraged to contact his/her academic dean for guidance on appeal procedures.

B. *Academic Deficiency*: failure to maintain the academic requirements and standards as established by Marshall University and its constituent colleges and schools other than those relating to academic dishonesty. This shall include but is not limited to the criteria for maintenance of satisfactory academic progress, i.e. quality point average, special program requirements, professional standards, etc.

C. *Academic Dishonesty*: any act of a dishonorable nature which gives the student engaged in it an unfair advantage over others engaged in the same or similar course of study and which, if known to the classroom instructor in such course of study, would be prohibited.

This shall include, but is not limited to, the following: securing or giving unfair assistance during examinations or required work of any type; the improper use of books, notes, or other sources of information; submitting as one's own work or creation any oral, graphic, or written material wholly or in part created by another; securing all, or any part of assignments or examinations, in advance of their submission to the class by the instructor; altering of any grade or other academic record; and any other type of misconduct or activity which manifests dishonesty or unfairness in academic work. Each classroom instructor may modify the general definition of academic dishonesty to fit the immediate academic needs

of a particular class, provided the instructor defines, in writing, the details of any such departure from the general definition.

Academic dishonesty also includes conspiring with or knowingly helping or encouraging a student to engage in academic dishonesty.

D. *Day*: shall refer to a calendar day.

E. *Limited Enrollment Program*: any academic program which imposes admissions requirements in addition to general admissions to the University.

F. *Student*: any undergraduate student who has been admitted to, and is currently enrolled in, a course or in a certificate or degree program at Marshall University, or for whom the institutional appeal period has not expired. Students enrolled in the undergraduate Nursing Program will follow these procedures.

G. *University Community*: faculty, staff, or students at Marshall University.

H. *President's Designee*: Provost.

I. *V.P. Academic Affairs*: refers to the Chief Academic Officer.

J. *Appeal Deadlines*: the time allowed for each level of appeal. There will be no time extensions unless granted by the Academic Appeals Board for good cause. If the appeals do not meet the established deadlines, the issue is no longer appealable.

III. Student Academic Rights

Concomitant with other academic standards and responsibilities established by Marshall University and its constituent colleges and schools, each student shall have the following academic rights:

A. The student shall be graded or have his/her performance evaluated solely upon performance in the course work as measured against academic standards.

B. The student shall not be evaluated prejudicially, capriciously, or arbitrarily.

C. The student shall not be graded nor shall his/her performance be evaluated on the basis of his/her race, color, creed, sex, sexual orientation, or national origin.

D. Each student shall have the right to have any academic penalty, as set forth herein, reviewed pursuant to the procedures in Section V. Except in those cases where a specific time is provided, this review shall occur within a reasonable time after the request for such review is made.

E. Each student shall have access to a copy of a University catalog or program brochure in which current academic program requirements are described (e.g., required courses, total credit requirements, time in residence standards, minimum grade point average, probation standards, professional standards, etc.).

F. Each student shall receive from the instructor written descriptions of content and requirements for any course in which he/she is enrolled (e.g., attendance expectations, special requirements, laboratory requirements including time, field trips and cost, grading criteria, standards and procedures, professional standards, etc.).

G. The instructor of each course is responsible for assigning grades to the students enrolled in the course consistent with the academic rights set out in

the preceding sections.

H. Marshall University and its constituent colleges and schools are responsible for defining and promulgating:

1. the academic requirements for admission to the institution, for admission to limited enrollment programs, and for admission to professional and graduate degree programs;

2. the criteria for maintenance of satisfactory academic progress, for the successful completion of the program, for the award of a degree or certification, for graduation;

3. the requirements or criteria for any other academic endeavor, and the requirements for student academic honesty, consistent with the Policies, Rules, and Regulations of the Board of Trustees and with the fundamentals of due process; and

4. probation, suspension, and dismissal standards and requirements.

B. Academic Probation

1. For Academic Deficiency:

- a. *Undergraduate Students*

Any student who has less than a 2.0 grade point average on course work attempted at Marshall University and / or any approved course work transferred from another institution shall be placed on academic probation. Normally, the student will be permitted to enroll in no more than thirteen (13) hours.

In addition, a student placed on academic probation shall abide by such further conditions or restrictions imposed upon him/her pursuant to policies promulgated by the college or school in which he/she is enrolled as provided in Section III, H of this policy.

come a responsible and positive member of the University community. Conditions and restrictions for probation may be imposed, as deemed appropriate, including but not limited to:

A student who has a deficit of twenty (20) or more quality points and who does not receive better than a 2.0 average on all work attempted during the semester in which the student last enrolled may be suspended and may not enroll during the next regular academic semester. Individual colleges and schools may impose additional suspension requirements pursuant to policies promulgated in accordance with Section III, H of this policy.

b. *Graduate Students*

Graduate students should consult col-

lege and program publications for a description of the conditions under which academic suspension may be imposed for academic deficiency.

2. For Academic Dishonesty

In those cases in which a student has been found guilty of academic dishonesty he/she may be academically suspended for a period of time not to exceed one academic year. During such period the student may not enroll in any course or program offered by Marshall University or any of its constituent colleges or schools. A student violating any term of academic suspension while on suspension will be subject to further academic suspension up to, and including, academic dismissal from the University.

D. Academic Dismissal

This is defined as termination of student status, including any right or privilege to receive some benefit, or recognition, or certification. A student may be academically dismissed from a limited enrollment program and remain eligible to enroll in courses in other programs at Marshall University; or a student may be academically dismissed from the institution and not remain eligible to enroll in other courses or programs at Marshall University. The terms of academic dismissal from a program for academic deficiency shall be determined, defined, and published by each of the constituent colleges and schools

of Marshall University. Academic dismissal from a program or from the University may also be imposed for violation of the University policy on academic dishonesty.

V. Academic Appeals

In cases where a student is appealing a grade, the grade appealed shall remain in effect until the appeal procedure is completed, or the problem resolved.

A. Student Appeals for Instructor-Imposed Sanctions:

The intent of the appeals process is to treat all parties fairly, and to make all parties aware of the appeals procedure.

In those cases in which a student has received an instructor-imposed sanction, the student shall follow the procedures outlined below:

1. Undergraduate Students

a. The student should first attempt a resolution with the course instructor. This initial step must be taken within ten (10) days from the imposition of the sanction or, in the case of an appeal of a final grade in the course, within thirty (30) days of the beginning of the next regular term. The student who makes an appeal is responsible for submitting all applicable documentation. If the instructor is unavailable for any reason, the process starts with the department chairperson.

b. If the procedure in Step 1 (a) does not have a mutually satisfactory result, the student may appeal in writing to the department chairperson within ten (10) days after the action taken in Step 1 (a), who will attempt to resolve the issue at the departmental level. When a student

appeals a final grade, the faculty member must provide all criteria used for determining grades.

c. Should the issue not be resolved at the departmental level, either the student or instructor may appeal in writing to the Dean of the college in which the course is offered within ten (10) days of the action taken in Step 2 (b). The Dean will attempt to achieve a mutually satisfactory resolution. The Dean of the college in which the student is enrolled will be notified.

d. Should the issue not be resolved by the Dean, either the student or instructor may appeal in writing within ten (10) days of the action taken in Step 3 (c) to the Chairperson of the Academic Standards and Curricular Review Committee who shall refer the matter to the University Academic Appeals Board for resolution. The hearing panel has the right to seek additional documentation if necessary.

e. Should the student or the instructor be dissatisfied with the determination of the Academic Appeals Board then either party may file an appeal with the V.P. Academic Affairs within thirty (30) days from receipt of the decision of the Board. The decision of the Provost shall be final.

2. Graduate Students

Graduate students who desire to appeal an instructor-imposed sanction should consult the appropriate Graduate School publication for the proper procedures to follow.

3. Medical School Students

Medical School students who desire to appeal an instructor-imposed sanction should consult the appropriate Medical

School publications for the proper procedures to follow.

B. Appeals for Academic Dishonesty:

Primary responsibility for the sanctioning for academic dishonesty shall lie with the individual instructor in whose class or course the offense occurred; however, charges of academic dishonesty may be filed by any member of the University community.

Sanctions for academic dishonesty may range from an instructor-imposed sanction, pursuant to Section IV, A herein, to dismissal from the institution.

1. In those cases where the instructor imposes a sanction pursuant to Section IV, A only, and does not refer the matter to the department chairperson for additional sanctions, the student may appeal the sanction in accordance with the procedures described in Section V, A.

2. Where the offense is particularly flagrant or other aggravating circumstances are present, such as a repeat violation, the instructor may refer the matter to the department chairperson for additional sanctions as permitted by this policy. In addition, any member of the University community may refer a case of academic dishonesty to the chairperson of the department in which the course involved is being offered. Allegations of academic dishonesty must be referred to the department chairperson within thirty (30) days from the date of the alleged offense. This process starts with the Dean if there is no department chairperson.

In those cases where the matter is

referred to the department chairperson the following procedures are applicable:

a. The department chairperson shall bring together the student involved, and the faculty member, and /or other complainant within ten (10) days from the date of referral. A written admission of guilt at this level may be resolved with a maximum penalty of "F" in the course.

b. If the student denies guilt or disagrees with the sanction imposed, or if the faculty member, other complainant, or chairperson feels that the penalties in Step V(a) are insufficient for the act complained of, the case shall be forwarded in writing by the chairperson to the student's academic Dean within ten (10) days from the date of the meeting. The academic Dean shall bring together the student, faculty member or other complainant, and the department chairperson to review the charges within ten (10) days from the date of referral. The academic Dean may impose any sanction permitted by Section IV of this policy.

c. Should the student, faculty member, or other complainant be dissatisfied with the determination of the academic Dean, the case may be appealed in writing within ten (10) days of the Dean's written decision to the Chairperson of the Academic Standards and Curricular Review Committee, who shall refer the case to the University Academic Appeals Board for resolution.

d. Should the student, faculty member, or other complainant be dissatisfied with the determination of the Academic Appeals Board, then he/she may file an appeal with the Provost within thirty (30) days from the receipt of the

written decision of the Board. The decision of the V.P. Academic Affairs shall be final.

C. Appeals for Academic Deficiencies:

1. In those cases in which an undergraduate student has been denied admission to a program, has been or may be placed on academic probation or academic suspension for academic deficiencies, the following procedures are applicable:

a. The student is entitled to written notice:

(1) of the nature of the deficiency or reason for denial of admission to a program;

(2) of the methods, if any, by which the student may correct the deficiency, and;

(3) of the penalty which may be imposed as a consequence of the deficiency.

b. The student shall be given the opportunity to meet with the person(s) who has judged his/her performance to be deficient, to discuss with this person(s) the information forming the basis of the judgment or opinion of his/her performance; to present information or evidence on his/her behalf; and to be accompanied at any such meeting by an advisor of his/her choice from the University (faculty, staff, or student). Such advisors may consult with, but may not speak on behalf of their advisees, or otherwise participate directly in the proceedings, unless given specific permission to do so by the person conducting the meeting. The student is not entitled to an attorney in such meetings, and the formal rules of evidence are not applicable. The stu-

dent must request such meeting in writing ten (10) days from receipt of the notice.

c. If the student is dissatisfied with the outcome of the meeting outlined in (b) above, the student may appeal the judgement to the V.P. Academic Affairs within thirty (30) days after receipt of written notice of the judgment.

d. The decision of the V.P. Academic Affairs is final.

2. In those cases in which a student has been or may be dismissed from an undergraduate academic program, or has been or may be dismissed from the institution for academic deficiencies, the following procedures are applicable:

a. The student is entitled to written notice:

(1) of the nature of the deficiency;

(2) of the methods, if any, by which the student may correct the deficiency, and;

(3) of the penalty which may be imposed as a consequence of the deficiency.

b. The student shall be given the opportunity to meet with the person(s) who have judged his/her performance to be deficient. The student must request such meeting in writing within ten (10) days from receipt of the notice. The student shall be given the opportunity to discuss with this person (s) the information forming the basis of the judgment or opinion of his/her performance, to present information or evidence on his/her behalf, and to be accompanied at any such meeting by an advisor of his/her choice from the University (faculty, staff, or student). Such advisor may consult with but may not

speaking on behalf of his/her advisee, or otherwise participate directly in the proceedings, unless given specific permission to do so by the person conducting the meeting. The student is not entitled to an attorney in such meetings, and the formal rules of evidence are not applicable.

c. If the student is dissatisfied with the outcome of the meeting outlined in (b) above, the student may file an appeal with the Chairperson of the Academic Standards and Curricular Review Committee, who shall refer the matter to the Academic Appeals Board. In such case at least two (2) of the faculty and student members of the hearing panel must be chosen from Board members appointed from the constituent college or school involved. This appeal must be filed within ten (10) days after receipt of written notice of the decision.

d. If the student is dissatisfied with the decision of the Academic Appeals Board, the student may appeal the decision to the Provost within thirty (30) days after receipt of written notice of the decision.

e. The decision of the Provost is final.

3. Graduate Students

In those cases in which a Graduate student has been or may be placed on academic probation, or academic suspension, or has been dismissed from Graduate School for academic deficiencies, he/she should consult the appropriate Graduate School publications for the proper procedure to follow.

4. Medical Students

In those cases in which a Medical student has been or may be placed on academic probation, or academic sus-

pension, or has been or may be dismissed from Medical School for academic deficiencies, he/she should consult the appropriate Medical School publications for the proper procedures to be followed.

VI. Undergraduate Academic Appeals Board

A. Description and Jurisdiction:

The Undergraduate Academic Appeals Board is a permanent subcommittee of the Academic Standards and Curricular Review Committee. It is established to hear all appeals arising from the following:

1. Instructor-imposed sanctions, including: lowering of final course grade, failure of course, or exclusion from further participation in the class.
2. Final course grades.
3. Sanctions imposed for academic dishonesty.
4. Dismissal from an academic program.
5. Dismissal from the University.
6. Such other cases as may be referred to the Board by the Academic Standards and Curricular Review Committee.

B. Composition of the Board:

The Academic Appeals Board shall be composed of faculty and student members chosen in the following manner:

1. Faculty Members:

The Dean of each of the constituent colleges and schools of the University shall appoint three (3) faculty members from his/her unit to serve on the Board. Such appointments shall be made annually in the Fall semester.

2. Student Members:

The President of Student Government shall appoint two (2) students from

each of the constituent colleges and schools of the University. All student members of the Board must be in good academic, financial, and disciplinary standing with the University and must have been enrolled for at least two (2) semesters at Marshall. If, for any reason, the President of the Student Government fails or is unable to appoint student members from any constituent college or school, then the Dean of that constituent unit may appoint such student members.

3. Hearing Officers:

The Academic Standards and Curricular Review Committee shall appoint the Hearing Officer and two (2) alternates. The Hearing Officer and alternates must have previously served on the Board.

C. Selection of Members for an Individual Hearing:

An individual Hearing Panel shall be composed of two (2) faculty members, one (1) student member, and one (1) non-voting Hearing Officer. The members of the Hearing Panel shall be chosen randomly by the Chairperson of Academic Standards and Curricular Review Committee or his/her designee. In appeals arising from dismissal from an academic program, at least two (2) of the faculty and student members of the panel must be chosen from Board members appointed from the constituent college or school involved.

VII. Hearing Procedures

It is the intent of these procedures to insure that Marshall University students receive appropriate due process in academic matters. This includes fundamental fairness, just sanctions, and all

rights in accordance with the belief that academic appeal hearings at an institution of higher education such as Marshall University should have an educational objective. Academic appeals, pursuant to these procedures, are informal and not adversarial in nature.

A. The time and place of the hearing are determined by the Hearing Officer. The hearing should be held within sixty (60) days of receiving the written request. Upon written request, the Hearing Officer may, at his/her discretion, grant a continuance to any party for good cause.

B. The Hearing Officer will notify the appellee, appellant, and other appropriate parties in writing at least five (5) days prior to the hearing, of the date, time, and place of the hearing. A statement of the facts and evidence to be presented in support of the student's grounds for appeal will be provided to the appellee in appropriate cases.

C. The appellant student and the appellee have the right to an advisor. Advisors must be members of the University community (faculty, staff, or student). Such advisors may consult with, but may not speak on behalf of their advisees or otherwise participate directly in the proceedings, unless they are given specific permission to do so by the Hearing Officer. Attorneys are not permitted to appear on behalf of any appellant or appellee.

D. Prior to the scheduled hearing, the members of the Board may convene in closed session to examine the content of the appeal, the specific issues to be considered, and all supporting documents.

E. The student with his/her advisor if any, will be called before the Board

and the Hearing Officer will then restate the nature of the appeal and the issues to be decided.

F. The hearing shall be closed. All persons to be called as witnesses, other than the appellant, with his/her advisor, if any, and the appellee and his/her advisor, if any, will be excluded from the hearing room. Any person who remains in the room after the hearing has begun will be prohibited from appearing as a witness at the discretion of the Hearing Officer.

G. Anyone disrupting the hearing may be excluded from the hearing room if, after due warning, he/she engages in conduct which substantially delays or disrupts the hearing, in which case the hearing shall continue and the Board shall make a determination based on the evidence presented. If excluded, the person may be readmitted on the assurance of good behavior. Any person who refuses the Board's order to leave the hearing room may be subject to appropriate disciplinary action pursuant to Marshall University policy. When a student is ejected for disruptive behavior and does not have a recognized representative, the hearing officer will appoint one.

H. Except as provided in G and K herein, all evidence must be presented in the presence of the student.

I. The student or other parties involved may petition the Hearing Officer for a subpoena or a request for appropriate written information or documents.

J. The student will be given the opportunity to testify and present evidence and witnesses on his/her own behalf and to discuss with, and question, those

persons against whom the appeal is filed.

K. The Board may admit as evidence any testimony, written documents, or demonstrative evidence which it believes is relevant to a fair determination of the issues. Formal rules of evidence shall not be applicable in academic appeal hearings.

L. If the student appellant or the appellee fails to appear at a hearing and fails to make advance explanation for such absence which is satisfactory to the Board, or if the student appellant or the appellee leaves before the conclusion of the hearing without permission of the Board, the hearing may continue and the Board may make a determination on the evidence presented at the hearing, or the Board may, at its discretion, dismiss the appeal.

M. Upon completion of the testimony and presentation of evidence, all persons, except Board members will be required to leave the room. The Board will then meet in closed session to review the evidence presented. The Board shall make its findings based upon a preponderance of evidence. The Board shall reach its determination by a majority vote. The results shall be recorded in writing and filed with the Chairperson of the Academic Standards and Curricular Review Committee and the Provost. If the Board's decision includes the imposition of academic sanction, the sanction given and its duration must be specified for the record. A report of a dissenting opinion or opinions may be submitted to the Chairperson of the Academic Standards and Curricular Review Committee and the V.P. Academic Affairs by any Hearing Officer.

N. The findings of the Board, and any sanction, shall be announced at the conclusion of the hearing. The student, faculty member, and the appropriate Academic Dean shall be notified in writing of the findings and any sanction at the conclusion of the hearing. A record of the hearing shall be prepared in the form of summary minutes and relevant attachments and will be provided to the student upon request.

O. The student, or any other person, may not tape the proceedings.

P. In an appeal related to a final grade the appeals board will complete the change of grade forms and submit that information to the Registrar, the faculty member, and the appropriate Academic Dean.

Q. Within thirty (30) days following receipt of the Board's decision, the student may file an appeal with the V.P. Academic Affairs who shall review the facts of the case and take such action as deemed appropriate under all the circumstances. The Board's findings and sanction, if any, may be affirmed, modified, or remanded to the original Hearing Board for further action as deemed appropriate by the Provost. A written brief stating grounds for the appeal should be presented by the student to the Provost with the appeal. The scope of review shall be limited to the following:

1. Procedural errors.
2. Evidence not available at the time of the hearing.
3. Insufficient evidence to support the findings of the Board.
4. Misinterpretation of University policies and regulations by the Board.
5. A sanction disproportionate to the offense.
6. Lack of jurisdiction.

R. The decision of the V.P. Academic

Affairs is final. The student, the faculty member, the appropriate Academic Dean, and the Registrar shall be notified in writing of the Provost's decision.

Approved by the Academic Standards and Curricular Review Committee, October 28, 1988

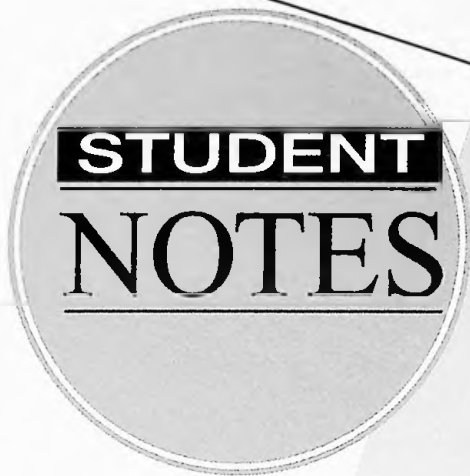

SCHOOL OF MEDICINE GRADE APPEAL:

All School of Medicine grade appeals must be made in accordance with University Systems Board of Trustees Policy Bulletin Number 60. Copies of the Policy may be found in the Marshall University Student Handbook or from the School of Medicine Office of Student Affairs.

Actions of the Academic Standards Committee: A student may appeal actions of the Marshall University School of Medicine Academic Standards Committee, which have been approved by the dean. Within 30 days following notification of such action, the student must notify the academic dean in writing of his or her intent to appeal. An opportunity to submit statements, and to appear before the Academic Standards Committee will be scheduled.

The Academic Standards committee will act upon the appeal. The student will be notified of this action and will have an opportunity to further appeal to the Dean's Advisory Committee. The Dean's Advisory Committee will consider the appeal and make a recommendation to the dean, who will then decide upon the appeal.

A *Final Appeal* may be made to the President of Marshall University.

Marshall University also neither affiliates with nor grants recognition to any individual, group, or organization having policies that discriminate on the basis of race, sex, religion, age, sexual orientation, handicap, or national origin.
