Tuesday, Jan. 17, 9:15 a.m. - Recreation Unit - Bev. Hills Presbyterian Church, Norway Ave. & Green Oak Dr., babysitting provided

Wednesday, Jan 18, 7:30 p.m. - Recreation Unit - Diane Coe, 612 South Terrace

Summer recreation is important to many people for many different reasons. Children who claim they are bored are children who in their early stages of life were not guided toward making creative moments happen. They are the children who have not had the benefit of well planned and expertly supervised play.

At the recreation unit, Dr. Robert Raus will be highlighting summer recreation possibilities and discussing a project being sponsored by the Youth Agency Representatives. There will be discussion on what county and city government, as well as youth organizations have or will have planned for the summer.

If you have ideas and strong feelings about what you would like to see provided this summer in recreation for youth, PLEASE COME AND SHARE THEM!!

IN MEMORIAM

Our sympathy to Doris Johnson whose Husband Carl, also a member of the Huntington League, died in November of last year. Carl was an active City Council member at the time of his death. We congratulate Doris on her appointment to fill Carl's unexpired term.

We were sorry to note the death of Mary Daniel in December. Mary was a long-time, very dedicated member of our League and was an inspiration to any of us who worked with her or listened to her great wit at unit meetings. No one knew more about Foreign Economic Policy than Mary.
