## MEETING WITH OUR LEGISLATORS

Our annual meeting with legislators enables us all to discuss legislative goals before the session begins. League members have the opportunity to become acquainted with our legislators, hear the presentation of the League's legislative concerns, and enjoy the frank discussion (as well as the delicious refreshments). What a good time to bring a guest who you think might enjoy League membership, too!

Here are the state legislators we've invited from Cabell and Wayne Counties --

- Senators Ned Jones and Mack Jarrell
- Cabell Delegates Chuck Chambers, Robert Childers, Phyllis Given, Pat Hartman, Richard Houvouras, and Steve Williams
- Wayne Delegates Walter Rollins and Kenneth Adkins

Be part of the action: come for an afternoon of fellowship and conversation.

Observing meetings of our public officials is important for understanding how government operates. For that reason, instead of scheduling a regular meeting in January, the Huntington League suggests that members attend the meetings of our elected officials (see Calendar on front). After the meetings, members attending have the opportunity to gather at a local restaurant to discuss the observed meeting, if they wish. The League also encourages volunteers who are willing to attend such meetings on a regular basis.

Leagues throughout the country will soon be conducting an extensive survey in their own communities about what human service programs are available and how local officials and service providers view the social welfare system. If you would like to help with our local survey -- both telephone and personal interviews will be needed -- contact Nancy Mullen, 522-9025, or Helen Gibbins, 736-3287.
