FACULTY SENATE
Resolution
February 14, 1991
(from the Senate Floor)

SR-90-91-(70)222 (SF)

WHEREAS the Administration of Marshall University has ignored the established planning and governance structures of this institution in formulating, coordinating, and executing its policy of accreditation for the academic unit known as the College of Business, in accordance with *Faculty Senate Policy Statement #2* of 19 October 1987; and

WHEREAS, in so doing, the Administration of Marshall University has unilaterally singled out this one academic unit for inclusion among the *uppermost ten percent* of all academic units of its kind in the nation in matters of stature, funding, and mission while, at the same time, assigning an inferior priority to the quest for similar stature, funding, and missions by other academic units of this institution; and

WHEREAS this clearly discriminatory action by the Administration of Marshall University has seriously compromised and jeopardized the harmony, the tranquility, and the collegiality among academic units on this campus;

BE IT RESOLVED THAT the Faculty Senate of Marshall University goes on record as reprimanding the Administration of Marshall University for its unconscionable action in this matter; and further

BE IT RESOLVED THAT the Administration of Marshall University reaffirm its pledge never again to violate the rights, the prerogatives and the privileges of the faculty, the staff, and the students of this institution regarding shared governance in matters of academic planning.
