RECOMMENDATION**

NOTE: The curricular form for each item listed may be accessed at www.marshall.edu/senate/ucc. Click the UCC Agendas/Minutes link; click the link for the November 7, 2014 meeting date; click the link in the Description column to open a particular item.

Recommends approval of the listed **UNDERGRADUATE PROGRAM CHANGE** in the following colleges and/or schools/program: **COLLEGE OF BUSINESS:**

Name of Major: BBA in Finance: BF10

Rationale:

FIN 321 (Principles of Risk Management & Insurance) is currently required of all Finance Majors. Our division added 321 as a requirement several years ago, when the BBA Degree Program in Risk Management & Insurance (RMI) was established within our division. We did this in order to expose more students to the new RMI program, in hopes of boosting enrollment. Now, however, we are requesting deletion of the BBA in Risk Management & Insurance. So, there no longer exists any rationale for requiring FIN 321 of all Finance Majors. We request, therefore, that FIN 321 be switched to Elective Status. We will continue to offer this course, but only occasionally and if the demand warrants doing so.

Curriculum:

FIN 321's three credit hours will not be deleted from the FIN Program's 120-hour Four Plan of Study. Students will now be able to use Free Electives to complete these hours.
