Resolution to Support the ACF Issues for 2016-17

Whereas, the Advisory Council of Faculty (ACF) is a legislatively mandated organization tasked to bring issues of importance to faculty to the HEPC and to the West Virginia Legislature;

Whereas, the ACF, through an inclusive and democratic process, has adopted issues to bring before the HEPC and the WV Legislature for this academic year;

Be it resolved, that the Faculty Senate of Marshall University support the ACF issues for the 2016-17 academic year, listed below:

Preamble to the ACF Issues: To provide a high quality and affordable education for West Virginia students, and to recognize the continuum of state-supported learning, from Pre-K through college.

For the Legislature:

- A. Create a steady stream of increasing revenue for the higher education of West Virginia students;
- B. Support the work of the HEPC, CTCC, and Boards of Governors at colleges and universities in administering higher education.

For the HEPC/CTCC and Institutions of Higher Learning:

- A. Promote faculty rights and ethical behavior through educating administrators and faculty;
- B. Include faculty in decision-making processes that create initiatives and policies.

We so resolve.
