(Marshall's Enrollment Breakdown)

The men gained ground on the women from Sept., 1955, to Sept., 1956, in Marshall's ever accelerating enrollment.

Numerically, the men increased from 1,852 to 2,066 since last year, a 10 per cent gain of 204, while only five more women came to Marshall this year to up their total to 1,503, a .3 per cent gain. (4)

So, now the men outnumber the women by 563, whereas they held only a 354 edge last fall. Marshall's enrollment is 57 per cent male and 43 per cent female, a slight variance from the 1955 55%-45% male ration.

The total enrollment at the college increased 6 per cent over the first semester, 1955-56, by reaching 3,569, as compared to 3,340 at that time, according to Luther E. Bledsoe, registrar and director of admissions.

In the college of arts and sciences, enrollment is 1,919, with 1,703 full-time and 216 part-time students. Teachers college figures show 1,291 students, 1,006 full-time and 285 part-time. The graduate school totals 359, showing 46 full-time and 313 part-time students.

FOR IMMEDIATE RELEASE

Pleased by the showing of a couple of sophomores, Coach Herb Royer is feeling a bit better about the situation as he prepares his Big Green charges for their conference opener against Western Michigan Saturday night at Fairfield Stadium.

Royer was quick to make note that he was highly satisfied with the line play in the Morris Harvey game of Tackle Vernon Howell and End Olen Jones, two first year performers. Howell and Jones apparently bolstered Marshall's porous forward wall that gave the coaching staff headaches following the Xavier contest. (6)

Also causing Royer to smile a little more was the sparkling running of Halfback Len Hellyer, who returned to form, and Fullback Sonny Sirianni, a sophomore who has established himself in the first string backfield until further notice. The two reeled off sizeable gains that brought the crowd to its feet a number of times during the game.

"What made Sirianni's play all the more brilliant was his blocking," Royer remarked. "In fact, his blocking was just as outstanding as his ball carrying," he added.

Commenting on the numerous fumbles that put a kink in Marshall's offense during the first half, Royer explained that they were the result of switching signals on the check-off system that is employed when the opponents change their defense at the last minute.

Today's rain won't disrupt the Big Green's practice session in any way. Royer is going ahead as scheduled with a scrimmage against the freshmen eleven that will use Western Michigan defenses. As Royer pointed out, "We may have to play a game in the mud during the season, so we have to acquaint ourselves with the slippery under footing."

(Life Planning Week Organizational Plans---1)

By Bob Cole
Marshall College Student Journalist

Preliminary plans for 1956-57 Life Planning Week at Marshall College have been released in the form of a list of committees, their duties, and chairmen by John Parbour, Huntington senior and administrative chairman of the program.

The all-campus affair, scheduled for the week of February 10-14, 1957, will be a week of religious emphasis, with activities open to the participation of all students and organizations at Marshall and to Huntington area ministers and laymen. (12)

Theme of the week has not been definitely formulated, but will be based on Dr. Richard Shaul's book "Encounter With Revolution," an analysis of the changes in our modern world, to be applied specifically to each academic department and social, interest, and honorary group on campus, as well as to the individual student.

The committees to handle various duties in the promotion of Life Planning Week include the main administrative committee, which is to co-ordinate the actions of all sub-committees. Parbour is chairman of this group, and working with him are Dick Hepler, Huntington senior, chairman of the general program committee, and Dave Kirk, Huntington junior, chairman of the promotion committee. Both the program and promotion committees will be divided into work sections, to be set up as follows:

(College Flag)

The mother of a Marshall College graduate, John Harry Sirrocco of Huntington, class of 1952, has presented the college an American flag of interment used to drape the coffin of the late Marshall graduate upon his death in a Navy hospital in California.

Fred Smith, Marshall College comptroller, acting for President Stewart H. Smith, received the flag at the home of Mrs. Sirrocco at 506 Carson Street, Huntington.

The late Mrs. Sirrocco was a 1952 graduate of the Marshall Teacher's College and had previously served four years with the U. S. Navy. While stationed at Moffett Field, California, he sustained an injury which, according to doctors reports, was the cause of his death in a Glennwood Springs, Colorado hotel in 1952. He had planned to become a teacher in Glennwood Springs.

College officials said the flag will be placed in an "appropriate place" in memory of the late Marshall graduate.

FOR IMMEDIATE RELEASE

Rain didn't dampen today's Big Green workout, as Coach Herb Royer put his charges through a tapering off drill in preparing for Marshall's Mid-American Conference opener against Western Michigan Saturday night at Fairfield Stadium.

Royer was quite happy about the week long series of practices in which he detected a great deal of aggressiveness his squad displayed. "The boys have come right along," Royer remarked, "and their attitude has been fine."

"As for Western Michigan," Royer continued, they're an improved team, despite their record so far. Anyone that gives Bowling Green a good game has to have a fairly decent squad." (22)

What the Marshall mentor was pointing to was the fact that the Broncos trailed Bowling Green 7-0 at the half before the Falcons punched out a touchdown in the final minutes of play to preserve a 27-13 win. The Michigan eleven dropped their opener to Central Michigan, 14-7. This is a rebuilding year at the Kalamazoo school, with hopes of improving on last year's 1-7-1 mark that included a 28-0 defeat administered by Marshall, which incidentally was the only conference victory for the Big Green.

Royer has decided to go with the same line-up that started the Morris Harvey contest. This will find Olen Jones at left end, Vernon Howell left tackle, Joe Clay left guard, Randy Scott center, Herb Hess right guard, Jim Conard right tackle, Dick Athey right end, Bill Zban quarterback, Fred Freeman left half, Len Hallyer right half, and Sonny Sirianni fullback. The only questionable position is right tackle where Jim Simpson will start should Conard's injured hip cause him pain.

Of the starting eleven, six are seniors, three are sophomores, and the remaining two juniors. The weekly honor of captaining the squad in the Western Michigan encounter will go Clay and Freeman.

(Junior G. I. Bill---1)

By Joe Maynor

Marshall College Student Journalist

Four Marshall College students have been given a helping hand in their uphill economic battle for a college education. (23)

The financial aid will come as a result of the recently passed Public Law 634, which is a governmental aid to students whose fathers or mothers have died as a direct result of some injury or illness contracted while serving in the armed forces.

The new law, which is known as the Junior G. I. Bill, will enable the students to draw \$110 a month for 36 months to help them complete their education.

The students, James (Mike) Maroney, Cedar Grove, sophomore; Thomas (Pat) Maroney, Cedar Grove, junior; Thomas Carter, Huntington, sophomore; and Richard Mattox, Huntington, freshman, will all start to receive government benefits within the next month.

"We could have made it through college without the benefits from the new law." Said James Maroney, who is a journalism major at Marshall. "But it would have been plenty hard to do." He added.

MARSHALL COLLEGE INFORMATION SERVICE, Huntington, W. Va.---10-3-56

(Junior G. I. Bill---2)

Thomas Maroney, who is a brother to James, summed it up as being a great help to he and his brother, "but it will be of greater help to some who are less fortunate than us." He said.

James is a member of Sigma Phi Epsilon, social fraternity, and Thomas is an active Pi Kappa Alpha.

Their father died as a result of heart trouble he developed while serving in the Navy in World War I. 24

The new bill came as somewhat of a blessing to Thomas Carter, who is the only one of the four who is married. "These benefits will go a long way in helping me get through Medical School," he said. "Since my wife, Susan and I both work, it will make it much easier for both of us to attend school."

Susan is a part-time student at Marshall majoring in medical technology.

Thomas' father died as a result of World War II action in France. His mother is now living in Huntington.

Richard Mattox, who is the only freshman at Marshall who will receive the benefits, is an engineering major working toward a B. E. S. degree. He has worked in the summer with the U. S. Engineers in Huntington.

"The law could not have come at a more opportune time for me, since I am just starting to college." He said.

Richard was graduated from Marshall High School in 1956. He now lives with his mother, Mrs. Mary E. Mattox, at 1335 15th Street in Huntington.

Mr. Robinette, Chief Counselor for the Veterans Administration, explained the new bill as being, "an opportunity for the students to get the

education that they otherwise might have had if their parent had lived."

"We don't know just how many in West Virginia will be eligible to receive these benefits, but we expect to have over 500 applications." He said.

Marshall's hopes for springing an upset against the defending conference champions Miami University at Oxford, Ohio this weekend, suffered a severe jolt when it was learned that star Halfback Len Hellyer will definitely be sidelined for the fray.

Hellyer, the Mid-American Conference's leading ground gainer last year, suffered a knee injury during the first half of the contest with Western Michigan Saturday night. After a series of whirlpool baths Sunday and Monday, the knee didn't respond too well to treatments. Upon examination of the injured left knee, Trainer Ed Prelaz made the follow analysis: Suspected torn cartilage of the left knee.

With Hellyer's name removed from the starting line-up, the battle for the vacated spot is now wide open. Hellyer's understudy, senior Don Adkins, seems to have the inside track for the opening. In his appearances at various times during the Big Green's first three games, Adkins has run very well. Last season, Adkins averaged 4.6 yards per carry. (26)

Grid boss Herb Royer will closely watch two other halfback prospects, Dick Jackson and Roy Goines, both of Huntington, in practice sessions this week. Both appeared briefly in spots this year, and as sophomores are short on experience. It was gratifying to note that Jackson, labeled as a prospect with good speed, reeled off one of the two Marshall long runs against Xavier.

Royer however, quickly dismissed any thoughts of possibly switching Fullback George Templin, who played a brilliant game against Western Michigan, to the vacated halfback position. Templin together with sophomore standout Sonny Sirianni, have provided the Green with the best one-two fullback punch in the conference.

It isn't expected that Royer will devise any changes in the line. He was quick to say that he was very well pleased with the line's play the last two games, which has limited the opposition to a single touchdown. In blanking Western Michigan, 13-0 last week, the Big Green forward wall smothered the Bronco's ground game, holding the losers to a scant 27 yards rushing.

Dear Adviser:

All West Virginia High School newspaper and yearbook staff members and faculty advisers are invited to attend a joint meeting of the United High School Press of West Virginia and two affiliated organizations at Marshall College Friday and Saturday, Nov. 9 and 10. We hope you and your group will be present.

Delegates will be guests of the Marshall College department of journalism at the annual event which brings about 300 high school students and 40 teachers together for discussions, speeches, demonstrations, a luncheon, a banquet, and a dance. The experience is always an interesting and beneficial one for everyone.

The other two organizations meeting are the United High School Yearbook Association of West Virginia and the Journalism Teachers Association of West Virginia. (27)

Delegates will register at the department of journalism in the Morrow Library building Friday afternoon, Nov. 9. Visiting high school students and faculty members will be guests of the Marshall College athletic department at the Marshall College-Toledo University football game in Huntington that night.

Groups of the three organizations will meet Saturday morning to discuss many publication problems. Saturday at noon there will be a luncheon at the college dining hall with Don Mayne, editor of the Ironton, O., Tribune, as speaker.

Climax of the convention will be the Saturday evening banquet sponsored by the Huntington Publishing Company and Col. J. H. Long. The banquet will feature a speech by George Clark, former Washington, D. C., newspaperman, now managing editor of the Huntington, Advertiser.

Each delegate will pay a \$3 registration fee to cover admission to all events on the joint meeting program. Each delegation will arrange for its own housing.

Registration blanks for you and your students will be supplied by Miss Virginia Lee, registrar.

Plan now to attend the joint meeting of the United High School Press of West Virginia, the United High School Yearbook Association and the Journalism Teachers Association of West Virginia.

Very sincerely yours

Marshall's Big Green will encounter their stiffest test since they discovered the victory path two weeks ago when they battle Miami University at Oxford, Ohio Saturday afternoon. The Big Green travelling squad, numbering some 35 warriors, will leave tomorrow at 1 P.M. arriving in Cincinnati at 5 P.M. After dinner, the team will remain overnight at the Sinton Hotel, journeying to Oxford the day of the game.

The Big Green's upset stock dipped a few additional points when starting Guard Joe Clay came up with a sprained ankle. Clay remains a doubtful starter against Miami, causing Coach Herb Royer to look towards Bill Caverly, Dave Stull and Paul Burford as a possible replacements. (29)

Royer however, did decide on a replacement for the injured Len Hellyer by nominating senior Don Adkins to open at right half. Adkins, a fierce competitor, has ran well as Hellyer's understudy the past two seasons. Backing up Adkins will be sophomore Dick Jackson, who has impressed the coaching staff with his all round hustle in the first three games.

Named to co-captain the Green against Miami are Quarterback Bill Zban and End Dick Athey. They will lead a probable starting line-up consisting of Olen Jones at the remaining end post, Jim Conard and Vernon Howell at tackles, Irv Wilson and Clay, if he is able to play, at guards and Herb Hess at center. The backfield will be composed of Adkins and Fred Freeman at halves, and George Templin at fullback.

The Redskins have been whooping it up since their opening 7-6 loss to George Washington. On successive Saturdays they've beaten Xavier, 14-7, a previous 30-6 conquerer of Marshall, and Toledo, 33-14. They have a new coach in John Pont, who took over when Ara Parseghian shifted to Northwestern, but an old face in the presence of Quarterback Tom Dimitroff, the Mid-American Conference's leading passer. He's completed 12 out of 27 tosses for 144-yards in Miami's three games to date.

FOR IMMEDIATE RELEASE

Don't look now, but there's a fellow holding a basketball, and he's ready to start bouncing it Monday afternoon. The ~~gals~~ gentleman with the ball is Marshall Coach Jule Rivlin, and Monday, October 15, marks the first day of basketball practice outlined by the NCAA for colleges around the nation.

This year the NCAA has allowed a two-week earlier starting date for basketball, outlawing the previous November 1 deadline. While establishing the earlier starting date, the NCAA in turn banned spring ~~baskegball~~ practice. (37)

Greeting Rivlin Monday afternoon on the hardwood will be some ~~21~~ 21 cage hopefuls. Rivlin, in his first season as head coach last year, brought home the bacon so to speak, to the championship starved Marshall campus. In a season highlighted by one thrill after another, the Big Green captured the Mid-American Conference crown, and gained a berth in the post season NCAA play-offs.

Returning to add additional glory to last year's banner season, are six main-stays from the championship squad. They include Cebe Price, Paul Underwood, Hal Greer, Dave Kirk, Jack Freeman, and Bob Ashley. Also returning are lettermen Dave Dingess, John Mayfield, and Jerry Pierson.

Being brought up to the varsity from last season's fine freshman squad are Leo Byrd, the Green's prize sophomore, Bob Hart, Dick Hall, Sonny Allen, and Lee Canterberry, and John Darrow.

{more}

(basketball----2)

Also joining the list for a look see are three returning servicemen. They are Bob Bias, who played two years under Cam Henderson, Bob Call, and Bill Alexander. Not listed as a serviceman, but returning after a year's absence, is Harry Wheeler who has one season of freshman ball under his belt.

The only member missing from last year's conference kings is a big one at that, Center Charlie Slack. The big 6'5" pivotman is regarded as one of the greatest rebounding stars in Marshall College history. So, Rivlin has his first problem the opening day of practice---a replacement for Mr. ~~Biggs~~ Big. (38)

Marshall College's cross country squad, fresh from their 16-45 victory over Fairmont State Thursday afternoon, will match paces with Morehead tomorrow at 1 p. m. at Fairfield Stadium. The meet is the first home encounter for the Big Green harriers, and the second of a six-meet schedule.

Coach Otto "Swede" Gullickson will run his six-man squad over the 4.2 mile course in the same order that he opened with against Fairmont. That will include Don Hensley, John Mayberry, John Aleman, James Pyles, Alfred Ferguson, Sam Zygnier, and William Reese.

Marshall copped the first four places against Fairmont, with Hensley and Mayberry covering the 3.5 mile course in under 21 minutes. Hensley's was clocked at 20.25, with Mayberry right behind at 20.49. Aleman and Pyles followed behind to provide the Green with a lock on the first four positions.

Col. Tiller E. Carter, Marshall College professor of Military Science and Tactics and commander of the Marshall Reserve Officers Training Corps, has been named honorary parade marshal for the Marshall College Homecoming Saturday, October 20.

The announcement was made today, October 15, at a meeting of the Marshall Homecoming Commission, whose members met to complete plans for the Homecoming festivities. (34)

Discussed at the meeting were tentative plans for Joe Hunnicutt, Princeton senior, Homecoming Commission chairman, and Cecil Jividen, Charleston sophomore and Homecoming parade marshal, to appear on two television shows Friday, Oct. 19, to discuss student body Homecoming plans and inform the public of all events concerning the Homecoming.

The two personal appearances will include the 9 a.m. "Coffee Time" and "Current," both appearing on WSAZ-TV.

Charlotte Browning, Barboursville junior, judges and trophies chairman for the commission, will also appear with Hunnicutt on the "Current" program.

Friday, October 19, at 9 p.m., the Homecoming Commission decorations committee will judge the decorations of all sorority houses, the winners of which will receive trophies.

In addition to Col. Carter's being named Honorary Parade Marshal, Nancy Naylor, Charleston sophomore was selected as "Miss Touchdown" by the Marshall Varsity "M" Club. The selection of a "Miss Touchdown" was begun this year by the Varsity "M" Club. She will be entered in the Homecoming parade as a float and is in no way connected with the annual Homecoming queens selections.

Coach Herb Royer received some encouraging reports from the medics when the cast on injured Halfback Len Hellyer's left leg was removed Monday evening. Although the star halfback will definitely miss Saturday's homecoming melee with Kent State, he nevertheless can resume workouts the first of next week.

It was first surmised that Hellyer had torn some cartilages in the knee which would have forced him to the sidelines for the remainder of the campaign. However, upon examination, it was revealed that Hellyer is suffering from pulled ligaments. (40)

Reviewing the Big Green's tough 21-14 loss to Miami, Royer labeled Marshall's performance as the best all round effort of the season. "I think the overall team play was excellent," Royer said. "It was encouraging to see that we got an offense going against such a strong club," he continued. "Our defense was good, except for a few mistakes on pass defense which hurt us a bit," Royer concluded.

Except for a few bumps and bruises, the Green emerged from the Miami debacle in good physical shape. Halfback Don Adkins was banged up and has to take it easy for a few days. Guard Irv Wilson suffered some leg bruises, and Center Herb Hess was inflicted with a sore foot. However, all three should be pronounced ready for the Flashes Saturday.

Royer will send his squad through two scrimmages in preparation for Kent's invasion. Today the squad will run offensively against the freshmen squad. Tomorrow the varsity will be on defense against the frosh.

The Marshall mentor indicated that both scrimmages will determine who will get the starting roles at both halfback positions Saturday. "Both spots are wide open," Royer said, "and I'll draw from Adkins, Dick Jackson and Roy Goines at right half, and either Fred Freeman, Ray Dunlap or Cagle Curtis at left half.

(Election of Homecoming Queen---1)

Miss Margaret Ann Quintier, Marshall College senior and daughter of Mr. and Mrs. Fred Quintier of Beckley, was named 1956 Marshall Homecoming Queen for the annual Marshall-Kent State Homecoming football game tomorrow, Saturday, October 20. (44)

The 20-year-old brunette beauty was elected Homecoming Queen over a field of four, representing the freshman, sophomore, junior and senior classes by a majority of 153 votes over her closest rival for the coveted crown, Peggy Tolley, sophomore class representative and daughter of Mr. and Mrs. Andrew J. Tolley of Mullens.

An active member of the Pi Kappa Sigma sorority, Miss Quintier is a 1952 graduate of Woodrow Wilson High School in Beckley and was elected Homecoming Queen there in her senior year.

The Homecoming Queen will be attended by one representative from the freshman, sophomore, and junior classes, who were elected last week in class elections to compete for the Homecoming Queen title. They will accompany the Queen as her court at both the football game tomorrow afternoon at Fairfield Stadium and also at the Homecoming Ball tomorrow night at Memorial Field House.

The three members of the queen's court include: Miss Nancy Connolly, Huntington junior, 20-year-old daughter of T. M. Connolly of 209 Chestnut St.; Miss Tolley; and Miss Darlene Harbour, Huntington freshman class representative, 18-year-old daughter of Mr. and Mrs. E. T. Harbour of 253 Locust St.

An active member and Sentinel of the Sigma Sigma Sigma sorority, Miss Connolly was graduated from Huntington East High School in 1953 and is a member of both the

A couple of halfbacks listed as third stringers the beginning of the season, pushed their way into the starting line-up as Marshall's rejuvenated Big Green hopes to accomodate a Homecoming audience against Kent State Saturday afternoon.

Ray Dunlap and Roy Goines, two local products, made Coach Herb Royer and his aides take notice with some sparkling performances the past few games that earned them both a starting berth against the powerful Flashes. Dunlap, a junior, utilized his speed to awe the Marshall grid staff, while Goines' all round play gained him the distinction of becoming the first Negro gridder to perform for Marshall.

In encountering Kent, Marshall will be in for a busy afternoon. Coach Trever Rees' outfit were co-favorites along with Bowling Green to battle for the conference crown. The Flashes only blur in four games was an opening 17-0 loss to the Falcons. (46) Since then however Kent solved their quarterback problem brought about by the injury to Bob Stimac, and bowled over Louisville 7-0, Waynesburg 19-6, and Ohio University 32-13 in succession.

Sparking the Flashes in the backfield are a pair of speedy halfbacks, senior Bill Whitley and sophomore standout Dick Milhaus. Of the two, Milhaus has been the work horse, lugging the leather 43 times for a 5.7 rushing average. Whitley in turn has carried 27 times for a 6.9 average.

Rounding out the backfield is fullback mainstay Ron Fowler who has made 35 trips with the pigskin for a 4.0 average per carry. The quarterbacking duties have been split between junior Brian Burke and sophomore Ken Horton.

"Kent State has a team on par with Miami," Royer remarked. "Our scouting reports indicate that they have a big, rough line. They utilize a large deal of power plays, and although their backfield isn't big, they are quite fast," Royer concluded.

Placed on the injury list for Kent's invasion are reserve Center Earl Browning with an injured knee, and right halfback Don Adkins, who started against Miami but still is nursing a bruised hip. Halfback star Len Hellyer was declared out the beginning of the week and has failed to play against Kent State in his college career.

Naming his line-up for Saturday, Royer listed: Dick Athey and Campbell Platt at ends, Vernon Howell and Jim Conard at tackles, Irv Wilson and Joe Clay at guards and Herb Hess at center. Bill Zban will guide the squad at quarterback, Dunlap and Goines will be at halves, and George Templin will open at fullback.

(Homecoming Parade---1)

Homecoming parade preparations for the annual Marshall College-Kent State Homecoming football game which will be played this Saturday, October 20, at Fairfield Stadium, have been completed.

Starting time for the parade will be 12 p.m. Saturday, October 20, prior to the football game, with the route of march beginning at Government Square, down Eighth Street, to Fourth Avenue, up Sixteenth Street to Charleston Avenue, and proceeding to Fairfield Stadium. (44)

Included in the parade will be Marshall College President Stewart E. Smith and guests; the Homecoming Queen, "Miss Marshall," and her attendants, whose selections will be announced at a later date; "Miss Touchdown" whose selection will also be announced at a later date; the Marshall College Reserve Officers Training Corps Drill Team, the Pershing Rifles; seven floats, representing the seven men's social fraternities on campus, and the 60-piece Marshall College marching band.

In addition to on-campus organizations, two area high school guest bands will be in the parade. They are the Huntington Vinson and Douglass High School Bands. A United Nations float will also be displayed in the parade and is the only off-campus float entered into the parade.

According to Cecil Jividen, Charleston junior, and parade Marshal, the following is the tentative line-up for Saturday's parade:

The number one position will be held by the color guard; Pershing Rifles; Marshall Band; Parade Marshal; Honorary Parade Marshal (to be selected at a later date); President Smith and guests; Senior Class Homecoming Queen; Junior Class

Homecoming Queen; Sophomore Class Homecoming Queen; Freshman Class Homecoming Queen; United Nations Float; Douglass High School Band; Marshall Varsity "M" float; Kappa Alpha social fraternity float; Tau Kappa ALPHA Epsilon social fraternity float; Sigma Alpha Epsilon social fraternity float; Lambda Chi Alpha social fraternity float; Pi Kappa Alpha social fraternity float; Cavaliers social organization float; Sigma Phi Epsilon social fraternity float, and the Huntington Vinson High School Band. (50)

Upon reaching Fairfield Stadium, the parade will make one complete circuit of the stadium prior to game time.

During the half-time festivities, a trophy will be awarded to each of the four floats selected as the best by a board of judges.

Each float entered in the Homecoming parade will be decorated according to its theme and will include:

The Kappa Alpha Fraternity theme, "We're pulling for You, Marshall;" Tau Kappa Epsilon, "Kent State Ain't Nothin' but a Hound Dog;" Sigma Alpha Epsilon, "Peacock, Strut Your Stuff;" Lambda Chi Alpha, "Just Try to Beat Our Buffalo;" Pi Kappa Alpha, "Captain Marco Turning Flashes into Ashes;" Cavaliers, "'m' Marks the Spot Where the Herd Will Trot;" and the Sigma Phi Epsilon theme, "Even the Near-Sighted Mr. Magoo sees a Marshall Victory."

The women's social organizations, although not entering floats in the parade and float contest this year, will decorate their houses and will also have themes for their decoration.

The Sigma Sigma Sigma sorority will have as its theme, "The Sun Always Shines on Marshall," and its members will decorate their house with a Swiss weather indicator.

(more)

(Homecoming Parade---3)

Delta Zeta sorority will have for its decoration a stagecoach with two white horses to symbolize its theme, "Marco Reins Flashes."

The meat grinder in front of the Alpha Chi Omega House will characterize the theme, "Marco Grinds Kent."

"Dash for Victory" is the theme of the Alpha Sigma Alpha sorority, whose house will be decorated with a large effigy of a dachshund dog and dog house.

A variation of a quotation from the pages of history, "They Came, They Saw, We Conquered," will be the theme of the Alpha Sigma Tau sorority, with a decoration of three huge books with open pages.

Alpha Xi Delta sorority will have as its decoration King Neptune spearing two fish, representing the Kent State Flashes. Its theme will be, "20,000 Leagues Under the Seas."

A cuckoo clock with the theme, "Marco Knocks Them Cuckoo," will decorate the Pi Kappa Sigma Sorority House.

Preparations for decorating Leidley Hall, women's dormitory, with a huge lightning rod are now under way. The theme will be, "Lightning, Kent Strike Twice."

Freshmen Women's Dormitory will have a painting on the windows with the theme, "Drown Kent State."

Several areas of the campus, including the main entrance to the campus facing Fourth Avenue, the entrance to the Library, and the Student Union, will also be decorated for the Homecoming festivities.

Immediately following the football game between Marshall and Kent State, an alumni buffet supper will be given in the ballroom of the Hotel Fredrick for all returning Marshall alumni.

The traditional Homecoming dance will be held at Memorial Field House from 9 p.m. to 1 a.m. Saturday, October 20, and will feature the popular Clyde Trask Dance Band from Cincinnati.

BRIEFS

CROSS COUNTRY

Marshall's cross country team runs into its first Mid-American Conference test tomorrow when they travel to Kent, Ohio to meet Kent State.

The Big Green runners have split their first two outings. They opened their season by trimming Fairmont State, 16-45, but dropped their initial home encounter to a strong Morehead squad, 44-16.

Coach Otto "Swede" Gullickson took a seven man travelling squad with him to Kent. They include: Don Hensley, John Mayberry, John Aleman, Fred Pyles, Alfred Ferguson, Sam Zygaer and Bill Reese. Hensley has been the squad's top runner to date, finishing first against Fairmont and fifth against Morehead.

FRESHMAN BASKETBALL

An expected group of 26 cagers will greet freshman basketball Coach Mike Josephs when he blows the whistle for the opening of practice Monday afternoon. The turnout is regarded as one of the largest in Marshall history.

Included in the group are 11 players from Huntington. They include Herm Conner, Ken Thompson, Dave Burner, Brooks Adkins, Tim Hollandsworth, Valmore Samuel, Gus Cleckley, Arnold Johnston, Franklin Williams, Robert Morgan and Thomas Dean.

The remainder of the hopefuls are, Lewis Wott, John Milhoan, Dave Christie, James Harrick, Kelly Griffith, Charles Adkins, and Dave Price.

Some eight other prospects who are not listed are expected to report Monday. The college's highly regarded big man, 6'9" Herb Jacobsen will not be eligible for competition until February, but nevertheless will be on hand when practice opens.

Marshall's cross country squad will be seeking their second victory for the third time tomorrow afternoon when they meet Ohio University in a Mid-American Conference match at Fairfield Stadium at 3:30 P.M.

After copping their first match of the year against Fairmont State, the Big Green runners dropped successive meets to Morehead and Kent State. Against the Golden Flashes, Don Hensley, who finished sixth, and John Mayberry, who came in seventh, were the best performers for the Green. (64)

Coach Otto "Swede" Gullickson will lead off with this pair against Ohio, following with John Aleman, Fred Pyles, Alfred Ferguson, Ronald Trainer, and Willard Anderson.

Immediately following the varsity race, Marshall's frosh will make their season debut against the Bobcat freshman at 4:15 P.M. Gullickson will draw from the following to face the Ohio yearlings: Carl Hickey, Robert Allen, Tom Adkins, Bob Dent, Bill Muth, Valmore Samuel, R. Stone and G. Midkiff.

FOR IMMEDIATE RELEASE

Coach Herb Royer concluded the heavy work of the schedule this afternoon, as his squad continued preparations for their encounter with conference leader Bowling Green Saturday at Bowling Green, Ohio.

The Marshall mentor received some enlightening news in the presence of star Halfback Len Hellyer. Although Hellyer, the conference's leading ground gainer last year, won't be available for duty against the unbeaten Falcons, he nevertheless aroused speculation that he may be ready for action in the Big Green's final three games of the season. (65)

Expected back in uniform for Saturday's clash is Halfback Don Adkins. The hard running little halfback received a hip injury in the Miami game two weeks ago that kept him on the sidelines for the Kent State contest last week.

The only injuries reported from the Kent skirmish were that of Fullback Sonny Sirianni and Guard Joe Clay. Sirianni was inflicted with a slight hip injury, but nevertheless is expected to be ready for the Falcon encounter. Clay, on the other hand, is still bothered with a sore ankle that is taking its time getting well.

Marshall in its workouts the past two days has emphasized passing, with quarterbacks Bill Zban and Bob Wagner doing the majority of the throwing. Although the Big Green has depended largely on its ground game most of the season, Royer has seen occasion to switch his attack overhead.

Marshall's freshmen football squad, idle from game competition for the past month, pack their travelling bags and head for Cincinnati to engage the Xavier frosh Friday afternoon. Coach Bill Chambers and his once tied eleven will leave by bus tomorrow evening at 5:30 p.m. and will stay at the Sinton Hotel upon their arrival in Cincinnati.

Chambers has been sending his squad through a series of heavy workouts since the Little Green's opening 7-7 tie with Greenbrier Military School on September 29. Having only nine practice sessions to prepare for that one, Chambers felt that his club was not quite ready.

However, the bespectacled coach reports that his squad is now in good physical shape and ready for gruelling game action from here in out. Chambers listed only two injuries in connection with Friday's contest. Reserve End Charles Chauncey is lost for the remainder of the year with a broken ankle, while Guard Don Trimbèli has a slight shoulder separation but is expected to be ready for the Musketeers. (66)

The Xavier yearlings have lost both of their gridiron battles this season, and both by almost identical scores. They dropped a 33-12 decision to Dayton, and then lost 34-13 to Miami.

Chambers will employ a big, beefy line against the Musketeers. The Marshall line will pack a 209 pound average, with the backfield carrying a weight of 178. Anchoring the forward wall are a couple of hefty tackles, 6'5" Jim O'Conner at 251 pounds, and 6' Rudy Colombo at 240.

Xavier will be keyed up with a revenge motive against the Little Green. They were heading for an unbeaten season last year until Marshall tripped the Musketeers, 20-19 in the final game of the campaign.

In listing his probable starting line-up, Chambers named Bill Roberti and Danny Frank at ends, Colombo and O'Conner at tackles, Bill Gillespie and Alpha Mayfield or Francis St. Peter at guards, Bill Whitt at center, Jim Sindledecker at quarterback, H. K. Smith and Bob Wilson at halves and Paul Adams or Paul Miller at fullback.

FOR IMMEDIATE RELEASE

Marshall's Big Green jump from the frying pan into the fire so to speak, as they head for Bowling Green, Ohio and a Saturday afternoon date with conference leader Bowling Green after suffering consecutive defeats to Miami and Kent State, the Mid-American loop's second place teams.

Coach Herb Royer will carry a 34 man travelling squad into the Falcons' nest in an attempt to ruffle the feathers of the conference's sole undefeated eleven. The Marshall contingent will leave tomorrow morning by bus at 9 A.M., and remain overnight at Marion, Ohio, some 60 miles from Bowling Green. On the way to Marion, the squad will take time out for a workout on the campus of Ohio Wesleyan, at Delaware, Ohio. Saturday morning the Big Green will continue their journey, reaching Bowling Green at noon for their 2 P.M. meeting with the Falcons. (70)

In the presence of Bowling Green, Marshall will be facing the best defensive club in the MAC. Coach Doyt Perry's stalwarts have allowed their opponents an average of only 186 yards per game. Even more appealing along these lines is the fact that Bowling Green foes could only produce an average of a skimpy nine first downs a game.

To compliment their fine defensive unit, the Falcons have grouped together a potent offense. Sparked by Vic DeOrio and Jack Giroux, Bowling Green has piled up a total of 229 points in their first six games. DeOrio is toting around a 6.0 average yards per carry while scoring five touchdowns. Giroux on the other hand is averaging 5.0 yards a carry while crossing the goal line six times.

In view of Bowling Green's tightly knit defensive unit that has only yielded 53 points, Royer may take a notion to open Marshall's attack with an aerial barrage. During practice sessions the past two days, quarterbacks Bill Zban and Bob Wagner were busily unlimbering their arms with Dick Athey, Campbell Platt, Olen Jones, Donzil Hall and Ray Dunlap being the favorite targets. It's significant to note that both Marshall touchdowns against Miami, and their one against Kent State were realized through the air lanes.

The Big Green injury sheet lists Guard Joe Clay and Fullback Sonny Sirianni. Clay is still bothered by a sore ankle, and Sirianni is still twitching from a sore hip. Both are questionable for Saturday's action. (more)

Royer designated Guard Irv Wilson and Halfback Don Adkins as co-captains against the Falcons. In naming his probable starting line-up, Royer listed Dick Athey and Olen Jones at ends, Jim Conard and Vernon Howell at tackles, Wilson and Bill Caverly at guards, Herb Hess at center, Bill Zban at quarterback, Adkins and Fred Freeman at halves, and George Templin at fullback. (Hess)

President Stewart H. Smith of Marshall College has named Clarke F. Hess, associate professor of education, as the college liaison officer for the Danforth Graduate Fellowship Foundation.

The Danforth Foundation is an educational trust fund organization in St. Louis, Missouri. It invites applications for graduate fellowships from college senior men and recent graduates who are preparing for a career of college teaching, and are planning to enter graduate school in September, 1957, for their first year of graduate study. (73)

Professor Hess is to nominate to the foundation two or not to exceed three candidates for these fellowships. The maximum annual grant for single men is \$1800; for married men, \$2400 with an additional stipend for children.

The qualifications of the candidates as listed in the announcement from the foundation are: men of outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

All applications must be completed by January 31, 1957. Any student wishing further information should get in touch with Professor Hess at Marshall College.

(Feature on Matewan girl in Marshall College Theater---1)

HUNTINGTON, W. VA.---(MCIS)--"Most actresses try to be pretty, but I like for them to act and show what they feel--like Shirley Booth does. I don't like to watch Marilyn Monroe. She tries to act too babyfied and sexy." (74)

This is the opinion on desirable qualities in an actress by Miss Christine "Tinkey" Barrett, a freshman woman who will have a chance to perform in just so conscientious a style as the lead female role of "Vets," in the College Theater's coming production of "Harvey."

If you're not in--or interested in--College Theater, you probably know little about Miss Barrett, but among Director Clayton R. Page's proteges, she has caused quite a stir by stepping into the play's lead female role of "Vets" with a seeming ease and effectiveness. And all because of an aftermath of influenza and a bad strep throat. . .

But, Tinkey remembers that her first appearance before Mr. Page's critical eye found her lacking the poise she carries now. It was last March at the Region VIII High School Play Festival on the same stage in Old Main Auditorium that she set and sweated out Page's criticism of Matewan High's attempt at "The Purple Door Knob." Then she shared the surprise and joy of

her fellow troupers as he named them to represent Region VIII at the State High School Play Festival in Morgantown. This honor, plus the two individual awards of being named best actress in the region and a member of the All-State Festival cast, are some achievements that Tinkey thinks have given her more of the self-confidence she plays now.

"When I came over to read (try out), I didn't know tryouts were over. I just had a short talk with Mr. Page and then read the part of 'Mrs. Chauvenet' (a minor role). But, even when I read 'Veta,' I wasn't nervous," she says.

Maybe she wasn't because "Veta" is (or at least, Miss Barrett interprets her to be) an "'airy-like', carefree, daydreaming type of person," and it's not difficult to picture the vivacious, petite brunette in such a role.

Tinkey has a manner of locking eyes with a conversationalist while he talks and then focusing her intent brown eyes on some indefinite spot in space as she answers. Her answers are given with an enthusiasm for words equalled only by her complete lack of inhibition for hand motions. In other words, she projects herself: she seems to be a sincere girl with an "on-stage personality," which shows her strong liking for acting.

Considering her close contact with College Theatre, one would never guess that she is taking a two-year secretarial course. Still, "I may chance my major to speech. Now that I'm in a play and see all these others who are going to be directors---golly! If I was a high school teacher (sic. staff-member), I wouldn't want to teach, just direct plays."

Other personal data on Miss Barrett includes: age, 18 (October 14); likes dancing, sports (wants to pick up tennis); parents, Mr. and Mrs. Golden Barrett, New Town (her hometown); no brothers or sisters.

Oh, yes, the nickname. How did she get it?

Well, she was christened Christine Louise, after her two grandmothers. The pot name came when her mother read in a magazine of a girl named Christine who was nicknamed "Tinkey," so she applied it to her daughter and it's lasted over the past 15 years. Simple as a Monday morning breakfast conversation. . .

INSTRUCTIONS FOR REPORTERS
OF THE MARSHALL COLLEGE
INFORMATION SERVICE

1. Check your assignment folder at the beginning of your work period each day.
2. Check with each news source on your assignment sheet the first of each week. This will be either Monday or Tuesday. You might check with certain news sources Monday and others Tuesday, depending upon which time is more convenient for you and each news source.

Try not to forget. But if you do forget to make your check Monday or Tuesday, make it Wednesday or later in the week. This should be an exception rather than the rule.

Although the routine check should be made Monday or Tuesday, you should not hesitate to check with a news source later in the week when an unexpected story develops.

3. The routine check itself may be made by telephone. When the story is very short, take it by telephone if the news source has time to give it to you. When it is more than a brief item, arrange to see the news source at a specific time to get all the facts. Arrange the personal interview for the earliest time possible. If you have a specific deadline on a particular story, tell the news source when it is so he will be more agreeable to the idea of getting together soon. (89)
4. If you don't know of any specific story that you might get from a news source, ask him something like this: "Dean Jones, this is Joe Doe, reporter for the College Information Service. Do you know of any College event or speech that should be publicized in the downtown papers?" If the answer is yes, get the facts.
5. If you know of a specific story that might be available from Dean Jones, ask him about that story at the beginning. In this case, before ending the conversation, ask whether the dean knows of any other event or speech that should be publicized. Always make sure that you get every news possibility for the next two weeks. Certain stories, because of their great importance, should be turned out even a month or more in advance of the event.
6. If the story is something you think you can easily handle, get all the facts and write it up yourself. If the story is unusually technical, academic, or difficult to obtain, call Mr. Herring and he will cover it himself. He wants you to do this, so don't worry about it if it becomes necessary.
7. If the person says he will call you back at a specific time and give you the story, it is all right for you to agree to that arrangement. You are still responsible for making the contact, however.
8. If the news source cannot come to the telephone when you call, don't consider that the check has been made and forget about it. Say that you will call back or ask the person to call you when not busy. If he doesn't call back, however, call again within a reasonable time and try to make contact with the news source.

If your efforts to talk with the news source prove futile after repeated efforts, see Mr. Herring.

If the person is uncooperative or impolite to you, see Mr. Herring.

If the person says he wants to give the news story to the newspapers directly, politely end the conversation by a "thank you" and see Mr. Herring.

9. When you have to be out of the office for as much as an hour, call Mr. Herring or Mrs. Barnes and report where you are, what you are working on, and about what time you expect to be back to the office.

It's usually better to call the office before or after an interview with a news source. The news source feels that you are wasting his time when you interrupt an interview to make a routine call to the office. If a serious question comes up during an interview, tell the news source that you will have Mr. Herring to see him about the story. (85)

10. It is understood that you must have papers on top of your desk while you work. Whenever your work is finished, however, make sure that the top of your desk is cleared of papers, books, etc. An office cluttered with papers reflects unfavorably upon the Marshall College Information Service. A neat office reflects favorably.
11. In all your work for the Marshall College Information Service, remember that you are representing Marshall College. Your manner should be professional, pleasant and unobtrusive. Diplomatic persistence --- not meekness---should characterize your approach in getting a story. Your dress should be neat.
12. Pictures add greatly to news and feature stories. Take full advantage of picture possibilities. Where the Huntington newspapers are concerned, let them take their own pictures if at all possible. Call the city desk or the newspaper concerned and suggest picture possibilities, indicating whether a story is coming on the same subject. If the editor decides to get pictures, you should get the picture subjects together at a specific place and time and be there yourself to help with the identification.

When the event is interesting enough, call the news editor of WSAZ-TV and suggest that he might want to get "some footage" on the event. This is the television term for taking moving pictures. Give the editor any details desired about time and place.

When the news pictures are to be sent to out-of-town newspapers or other mass media, have the Information Service photographer to take the pictures. Always schedule pictures between 1 and 4:15 p.m. Tuesday or Thursday. The best places are the men's or women's lounges in the Science Hall. The reporter is responsible for getting the picture subjects together and getting the identification on pictures.

A picture order is made by filling out a picture order form and leaving it in Mr. Herring's copy tray.

13. Strive to develop a good telephone personality. Remember that the person to whom you are talking cannot see the smile on your face or the fine suit that you have on. Every good feature you have must be evident in the voice when you are talking on the telephone. Call the person's name occasionally. He doesn't like to feel that you are talking to someone whose name you don't even know. Besides a person's name is something he likes to hear.

"The darkest thing about Africa is our ignorance of it," Dr. Marion Mill Preminger of New York City, authority on one of the world's greatest humanitarians, Dr. Albert Schweitzer, told a Marshall College Community Forum audience last night.

Her speech was heard by several hundred persons at Old Main auditorium on the Marshall campus.

Describing Dr. Schweitzer's hospital in French Equatorial Africa as "the poorest hospital on earth and yet a lighthouse to all other hospitals," Dr. Preminger said Schweitzer ministers to the minds and bodies of natives in an area where one doctor must serve 100,000 persons.

"He is a simple country doctor," said the speaker, "but a guiding light to all other doctors. He coined a phrase: 'Reverence for life.' And he protects life in every form. He is the greatest philosopher of the twentieth century and doesn't know that he's a philosopher. His teaching is like a hot gulf stream in a cold ocean. He is the only modern saint who doesn't want us to follow him. We are better people by hearing about him. The secret is not what we are teaching, but what we are teaching because of him. I call him the thirteenth apostle. He is the rarest form of fulfillment. Everything he says is a lesson."

She said the great humanitarian regards himself as a "time bomb that went off too early."

"It is the silent man who is worth listening to," said the Community Forum speaker. "Schweitzer is the silent man. He only helps and teaches. He teaches as just an elderly brother. To watch him as a doctor is ~~to~~ to be as near to God as men could be."

Dr. Preminger gave up international social life to work for Dr. Schweitzer, 1952 winner of the Nobel Peace Prize. She spends part of each year working for this 82-year-old doctor, teacher, minister, musician and philosopher.

A naturalized American citizen, Dr. Preminger is the daughter of a Hungarian diplomat and a French mother. During her school and college days she became interested in Dr. Schweitzer's life and work and after meeting him, decided to devote her life to his work. She wrote her dissertation on Dr. Schweitzer.

The New York socialite is founder of the Albert Schweitzer Hospital Fund in New York City.

October 31, 1956
FOR IMMEDIATE RELEASE

Coach Herb Royer sent his charges through another brisk scrimmage today, as Marshall continued preparations for their Saturday night meeting with Youngstown University at Youngstown, Ohio.

The Big Green grid boss was cheered by the appearance of star halfback Len Hellyer, who worked out in pads for the first time in three weeks. Hellyer, who was injured in Marshall's third game of the season, resumed workouts last week, but that was confined to light sprinting on a straightaway level. It now appears that the Logan senior may be ready for limited action against Youngstown. (98)

With left end Olen Jones sidelined for the remainder of the campaign as the result of a broken hand, Donzil Hall has entered the picture for a possible starting berth. The scrappy Hall is pushing Campbell Platt, the Mid-American Conference's leading pass receiver, for some first string action. Although small as ends go at 5'11" and 169 pounds, Hall nevertheless has impressed the coaches by his all-round aggressiveness.

The halfback positions in the backfield are also the scene of battles for starting roles. Roy Goines and Dick Jackson, two local products, are vieing for the starting call at right half in the event that Hellyer is not ready. The left halfback post is a question between Fred Freeman and Ray Dunlap.

It also appears that Jim Simpson may crack his way into the starting line-up at a tackle position. Simpson looked good in reserve action against Bowling Green, and in practice this week has waged a battle with regular tackle Vernon Howell for the number one job.

Royer was also busy this week acquainting his squad with the short punt formation employed by the Penguins. This will be the Green's first encounter with an opponent that makes use of the short punt system, in contrast to the various T formations that Marshall has faced all season.

Margie Cobb Wins 1st Medical Scholarship

10-30-56 Adv.
By DOROTHY BUZEK

Miss Margie Cobb of Huntington has been named winner of a new \$100 medical technician's scholarship at Marshall College, awarded by the Huntington Elks Club.

The recipient was chosen by the college scholarship committee. This was the first scholarship for medical technology ever given in West Virginia.

Miss Cobb, a senior at Marshall, is the daughter of Mr. and Mrs. C. R. Cobb. She is a graduate of Douglass high school and studied for a year at West Virginia State College at Institute before transferring to Marshall. She is a member of the Sportlettes and the Student Christian Association.

Six In Class

Miss Cobb is one of six students enrolled in a program at Marshall leading toward a degree of bachelor of science in medical technology. The State Board of Education recently approved Marshall's request that it be permitted to grant the degree.

The curriculum meets the requirements of the American Society of Clinical Pathologists for admission into a school of medical

technology. Academic courses are given at Marshall and the senior year's work, done at Cabell-Huntington Hospital, is of 52 weeks' duration.

Miss Cobb and the five others working toward a medical technology degree at Marshall began their work at the hospital in September.

Area Graduates Eligible

To be eligible for the Elks Club scholarship a student must be a graduate of a high school within the limits of the area served by Huntington Lodge 313, BPO Elks.

Mrs. Clarence H. Plymale, immediate past president of the West Virginia State Society of Medical Technologists, commended the club for offering the scholarship.

Mrs. Plymale, who has been interested for several years in recruiting students for medical technology work, said it is "opportune that the Elks should provide the scholarship just at the time Marshall is affiliating with a school of medical technology. It is gratifying to know that this fraternal organization recognizes the great need for medical technologists and is taking a step toward meeting the need."

Miss Nancy Naylor Selected "Miss Touchdown Of 1956"

10-22-56 Adv.

Miss Nancy Naylor of Charleston was recently selected "Miss Touchdown" of 1956 by the Varsity "M" of Marshall College. Miss Naylor, the first coed selected for this honor, represented the lettermen in the Homecoming festivities last week end.

Miss Naylor is a graduate of Stonewall Jackson High School in Charleston and is a sophomore at the college. Among her

activities she is second vice president of Laidley Hall, women's dormitory, copy editor of The Chief Justice, a member of Alpha Xi Delta sorority, and a student assistant in the geography department.

Miss Naylor's selection was based on beauty, social grace, and a pleasing personality as determined by the members of the Varsity "M."

Samuel S. Willey, son of Wesley E. Willey of Huntington, has been promoted from lieutenant to captain at Lehigh University at Bethlehem, Pa., where he is an instructor in the Air Force Reserve Officers Training Corps program. He is a graduate of East High School and Marshall College and

served in the Pacific and Korea. He formerly was associated with the Cabell County school system.

'56 College Festivities Tomorrow

10-19-56
A colorful parade to Fairfield Stadium tomorrow at noon will get Marshall College's 1956 homecoming celebration under way.

The parade will form in Government Square. It will move north on Eighth street to Fourth avenue, east to Sixteenth street, south to Charleston avenue and east to the stadium where Marshall will meet Kent State University in the homecoming football game.

In the parade will be President Stewart H. Smith and other college officials and guests; the homecoming queen, Margaret Quintier, and her attendants; "Miss Touchdown" (Nancy Naylor, Charleston sophomore) selected by the Varsity M; the Marshall College Reserve Officers Training Corps drill team, the Pershing Rifles; floats representing the men's fraternities on the campus, and the 60-piece Marshall marching band.

High School Bands Play

In addition to the on-campus organizations, there also will be two area high school bands participating — Huntington Vinson and Douglass High. A United Nations float is expected to be entered.

Campus organizations are departing from custom this year in that only men's organizations will enter floats in the parade. Sororities will decorate their houses — each carrying out a different theme. Several areas of the campus also will be decorated for the homecoming celebration.

A highlight of the day for "old grads" and former students of the college will be a buffet supper given by the College Alumni Association at the Hotel Frederick immediately following the game.

Dr. Milton W. Sanderson, left, of the Illinois Natural History Survey, Urbana, and Dr. Paul N. Musgrave of the Marshall College faculty, look over a few of nearly 15,000 specimens of water beetle presented by Dr. Musgrave to the Survey for its permanent research collection. The story is on the editorial page of today's Advertiser.

Former Students Welcome

There will be no admission charge and anyone who has attended Marshall is welcome, Mrs. Frederick A. Fitch Jr., president of the alumni association, said. She emphasized that membership in the organization is not restricted to graduates, but is open to all former students.

Mrs. Vincent Diehl and Mrs. W. A. Thompson are co-chairmen of the hospitality committee for the supper. Mrs. Harlan A. Stiles is in charge of decorations.

The traditional homecoming dance will begin at Memorial Fieldhouse at 9 P. M. tomorrow and continue until 1 A. M. Clyde Trask and his orchestra from Cincinnati will play. The queen will be crowned at the dance.

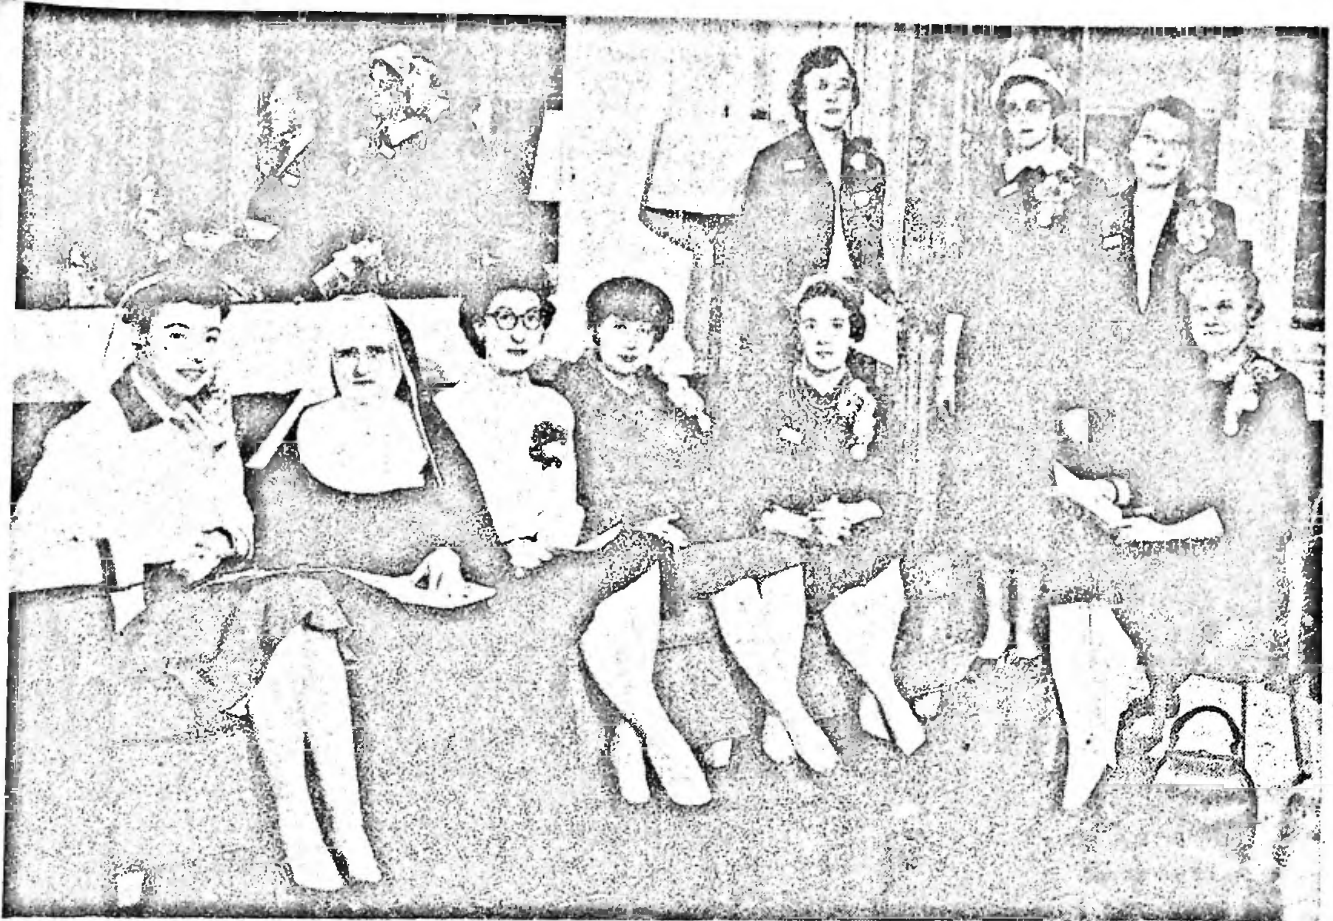

At half-time ceremonies at Fairfield Stadium in the afternoon trophies will be awarded the prize-winning floats selected by a board of judges.

Orthodox Students Organize Tuesday

A meeting to organize an Orthodox Students Federation at Marshall College will be held in Room 114 of Old Main tomorrow at 4 P. M.

The federation will be composed of young people of Greek, Syrian and Slavic ancestry, and will be under the direction of the Rev. Michael Huback, pastor of St. Nicholas Eastern Orthodox Church at Beckley. Assisting him will be Norman Haddad of Beckley, a student at Marshall; Thomas O'Connell of the music department, and the Rev. Lander Beal, student religious counselor at the college.

Father Michael said it will be the first organization of its kind in West Virginia.

The home economics department of Marshall College was hostess recently to the convention of the West Virginia Dietetics Association. Officers and committee chairmen of the group are, left to right, seated, Mrs. M. J. Couture of Parkersburg, treasurer; Sister Mary Edwina of Huntington, a delegate; Mrs. Margaret Smith of Charleston, president - elect; Mrs.

¹⁰⁻³¹⁻⁵⁶ Katherine Spencer of Beckley, secretary; Mrs. Mary Boyles Shafer, president; and Miss Mildred Bonnell, council member of the American Dietetics Association House of Delegates. Faculty To Be Honored At Dinner

^{10-31-56 Adv.} The Faculty Wives Club of Marshall College will sponsor a dinner for the entire faculty Saturday, at 6:30 P. M. in the ballroom of the Hotel Governor Cabell.

The program will consist of a discussion on the "Development of Jazz" by Professor Wilbur Pursley and several students from the music department of Marshall College.

Hostesses for the dinner will include Mrs. Purdy Phillips, chairman, Mrs. Frederick Fitch, co-chairman, Mrs. George Hulgate, Mrs. Lawrence Kingsbury, Mrs. Tiller Carter, Mrs. Carl Miller, Mrs. Lloyd Beck, Mrs. Alfred Lanegger, Mrs. J. F. Bartlett and Mrs. Mahlon Brown.

Faculty Wives Will Meet

¹⁰⁻³¹⁻⁵⁶ The regular meeting and tea of the Faculty Wives Club of Marshall College will be Friday, at 2:30 P. M. in the North Parlor of Old Main.

Mrs. Donald Martin is chairman, and Mrs. Harold Willey is co-chairman. Members of the committee are Mrs. James Barron, Mrs. M. P. Loy, Mrs. Melvill Gill, Mrs. Herschel Heath, Mrs. Thomas W. Olson, Mrs. J. T. Richardson, and Mrs. John Wolszon.

Frosh Cage Drills To Open Monday

^{10-30-56 Adv.} An expected group of 26 cagers will greet freshman basketball Coach Mike Josephs when he blows the whistle for the opening of practice Monday afternoon. The turnout is regarded as one of the largest in Marshall history.

Included in the group are 11 players from Huntington. They include Herm Conner, Ken Thompson, Dave Burner, Brooks Adkins, Tim Hollandsworth, Valmore Samuel, Gus Cleckley, Arnold Johnston, Franklin Williams, Robert Morgan and Thomas Dean.

The remainder of the hopefuls are, Lewis Mott, John Milhoan, Dave Christie, James Harrick, Kelly Griffith, Charles Adkins, and Dave Price.

Some eight other prospects who are not listed are expected to report Monday. The college's highly regarded big man, 6'9" Herb Jacobsen will not be eligible for competition until February, but nevertheless will be on hand when practice opens.

Four Marshall Students Aided By New Law

'Junior G. I. Bill' Provides Money For Education

10-24-56 By JOE MAYNOR

Marshall Student Journalist

Four Marshall College students have been given a helping hand in the uphill economic battle for a college education.

The financial aid will come as a result of the recently-passed Public Law 634, a governmental aid to students whose fathers or mothers have died of some injury or illness resulting from military service.

The new law, known as the Junior G. I. Bill, will enable the students to draw \$110 a month for 36 months to help them complete their education.

The students, James (Mike) Maroney, Cedar Grove, sophomore; Thomas (Pat) Maroney, Cedar Grove, junior; Thomas Carter, Huntington, sophomore, and Richard Mattox, Huntington, freshman, will all start to receive government benefits within the next month.

Makes It Easier

"We could have made it through college without the benefits from the new law," said James Maroney, a journalism major. "But it would have been plenty hard to do," he added.

Thomas Maroney, James' brother, summed it up as being a great help to him and his brother, "but it will be of greater help to some who are less fortunate than us," he said.

James is a member of Sigma Phi Epsilon social fraternity and Thomas is an active Pi Kappa Alpha.

Their father died as a result of heart trouble he developed while serving in the Navy in World War I.

The new bill came as somewhat of a blessing to Thomas Carter, the only one of the four who is married. "These benefits will go a long way in helping me get through Medical School," he said. "Since my wife Susan and I both

work, it will make it much easier for both of us to attend school."

Wife Student Also

Susan is a part-time student at Marshall majoring in medical technology.

Thomas' father died as a result of World War II action in France. His mother is now living in Huntington.

Richard Mattox, the only freshman receiving the benefits, is working toward a B. E. S. degree in engineering. He has worked during summer months with the U. S. Engineers in Huntington.

"The law could not have come at a more opportune time for me, since I am just starting to college," he said.

Richard was graduated from Marshall high school last spring. He now lives with his mother, Mrs. Mary E. Mattox, at 1335 15th Street.

Mr. Robinette, Chief Councilor for the Veterans Administration, explained the new bill as being "an opportunity for the students to get the education that they otherwise might have had if their parent had lived."

"We don't know just how many in West Virginia will be eligible to receive these benefits, but we expect to have over 500 applications," he added.

Home-Ec Teachers Will Meet

10-29-56 Adm.
The Vocational Home - making

Teachers of West Virginia will sponsor a Program Planning Workshop in the home economics department of Marshall College Saturday, from 9:30 A. M. until 3:30 P. M. The group is composed of vocational teachers in the southwestern region of the state and includes the following counties: Cabell, Jackson, Kanawha, Lincoln, Mason, Putnam, Wayne, Logan, Boone, and Mingo.

Miss Pauline Stout, state supervisor of Home Economics Education on Charleston, will be in charge of the workshop.

Miss Nancy Matthews, home-making teacher in Wayne county, will be chairman of the meeting.

Preceding the workshop, the student teachers in home-making at the college and members of the home economics staff will sponsor a coffee hour for the visiting teachers.

Marshall's Budget Gets Board Okeh

A 1957-58 budget calling for erection of a \$1,750,000 fine arts building with auditorium has been approved for Marshall College by the State Board of Education.

In approving the budget the board also authorized 15 new positions and salary increases for present personnel at the college.

The budget totals \$3,893,005. It now goes to the state budget director, the Board of Public Works and the 1957 Legislature for final approval.

The salary increments would be five per cent for clerical and custodial employes, 15 per cent for the administrative staff and \$400 to \$700 over a period of nine months for ranking members of the teaching staff.

Color Film On India To Be Shown Monday

H. Adm. 10-21-56
The Marshall College Community Forum will present "Incredible India," an all-color motion picture tomorrow at 8:15 P. M. in the college auditorium. Admission will be by season membership only.

The film will be shown by J. Michael Hagopian, well known travel-lecturer and producer of motion pictures.

From his grade school days in Boston, high school in Los Angeles, through graduation and master's degree at the University of California and his doctorate at Harvard University, Dr. Hagopian nourished a deep interest in the problems and destiny of the Middle East. A naturalized American citizen, he read prolifically and assiduously in Arab and Ottoman history and affairs. It was thus the ambition of many years to return to the Middle East for first-hand observations.

The opportunity came to Dr. Hagopian in 1948. At the time he was an instructor of International Relations at the University of California. He was invited to head the Political Science Department of the American University of Beirut, largest American educational institution abroad. The American University of Beirut held a strange fascination for Dr. Hagopian. It was there his father received his medical degree as a student of the early graduating classes of the medical school. "The building in which my father studied anatomy had been converted into the social science building, and the room where he studied and learned about America was the room which became my private office where I taught about this land of ours."

"BEIRUT WAS no stranger to me," says Dr. Hagopian, "for I had journeyed through it at the age of nine. I had been retrieved from the bottom of a well in Turkish Armenia, a well dug specially by my Armenian parents wherein to hide me should they perish as surely it

seemed their fate during the holocaust of World War I."

Came Pearl Harbor and Dr. Hagopian spent three years in the 20th Air Force in China, India and the Marianas. His first postwar position was that of Instructor of Economics at Oregon State College at Corvallis.

The Middle East in 1948 was "a return to the well of my childhood," recalls Dr. Hagopian. "My camera tried to catch the sorrows of the Middle East as well as its laughter, its problems as well as its destiny."

IN THE SUMMER of 1949 he flew and sailed up and down the great Nile River, filming from its source at Lake Victoria in Uganda to the Estuary above Cairo. Two films have been subsequently released by Academy Films in Hollywood, one of them winning the first prize at the 1951 Cleveland Film Festival for the most outstanding educational film of the year. A brilliant cameraman, Dr. Hagopian is now an independent producer-director of educational films in Hollywood. He is president of Atlantis Productions, Inc.

He received an invitation in 1950 by the Indian Government to lecture on Middle East politics and American foreign policy at the famous Benares Hindu University. He was one of the first American professors to be invited by the Indian Government. His year in India was a passport to an understanding of Hindu culture.

Dr. Feil Has Full Schedule

Dr. Madeleine H. Feil, associate professor of psychology at Marshall College, was to speak at 2:30 P. M. today at Ohio University laboratory school, at Athens. Addressing the guidance group of the Southeastern Ohio Teachers regional meeting there, she was to use as her subject, "Johnny Gets a Job."

On November 1 Dr. Feil will be guest speaker at a meeting of the West Virginia Council of Social Studies Teachers at the Hotel Frederick. Her subject then will be "They Catch More Than They Learn."

On November 6 Dr. Feil will address the Woman's Club of Huntington at 7:30 P. M. at the clubhouse. On December 4 and 5 she will address the Owens-Illinois Supervisory Conference on the subject, "Planning for an Enjoyable Retirement."

Duncan W. Daugherty, center, president of the Marshall Foundation, signs an agreement between the foundation and the board of directors of the Proctor Community Center establishing the A. T. Proctor Memorial Scholarship Fund at Marshall College. Colonel W. C. Petty, right, treasurer of the center, holds a check for \$10,000 which he turned over to Marshall President Stewart H. Smith, left, as soon as the agreement was signed. The scholarship is in memory of Mr. Proctor, for many years one of Huntington's leading photographers and civic leaders, and founder of the Eighteenth Street Mission which later became the Proctor Center.

\$10,000 For Scholarships Is Set Aside

A \$10,000 gift to the Marshall Foundation, Inc., yesterday established the A. T. Proctor Memorial Scholarship Fund at Marshall College.

The gift was set up by officials of the Proctor Community Center in memory of Mr. Proctor, a civic leader and photographer here for many years.

Residents of West Virginia attending Marshall will be eligible for grants from the fund. They must be in undergraduate work preparing for the ministry, religious education work or a similar career.

Scholarships carry the provision, however, that recipients will be required "to organize and operate a program of activities for children in the community surrounding the Marshall campus where, the Proctor Community Center formerly carried on such significant work."

Mr. Proctor founded the Eighteenth Street Mission, which later was re-named the Proctor Community Center. Land on which the center stood was condemned for a Marshall College expansion and no suitable new location could be found. Instead, a memorial chapel was established at the YMCA and the scholarship fund set up.

Royer Lists Another Switch In Lineup For Falcon Game

By ERNIE SALVATORE

Advertiser Sports Editor

The Marshall football team left for Delaware, O., today aboard a chartered bus.

There, on Ohio Wesleyan's field this afternoon, the Big Green will complete preparations for tomorrow's Mid-American Conference clash against unbeaten Bowling Green at Bowling Green, O.

Following this afternoon's practice, which will be a very light one, according to head coach Herb Royer, the squad will go to Marion, O., where it will spend the night.

After tomorrow's game, which is a Homecoming affair for the Falcons, the squad will return to its Marion base where it will spend Saturday night. It will complete the return trip to Huntington

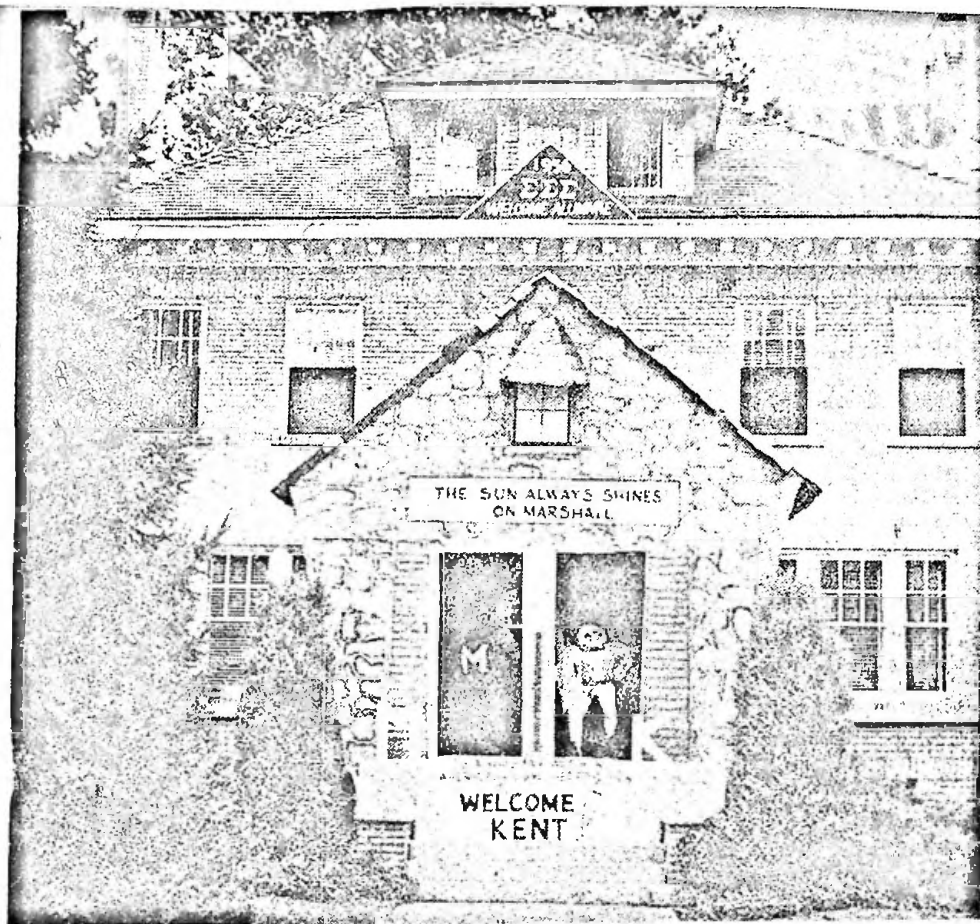

Sunday, arriving here at about 2 P. M.

Royer is taking 34 players on this trip, one less than on two previous road jaunts.

He reported one more lineup change in which junior Bill Caverly of Huntington will open at right guard in place of Joe Clay. Clay has been bothered by a bad ankle for the past two weeks and though he played against Kent last week, hasn't been able to go at top speed.

Thus, Marshall will present four starting lineup alterations against the Bee Gees. Senior Fred Freeman has regained his left halfback post, soph Roy Goins will get his first starting assignment at right half and Olen Jones will get another chance at left end. Jones is also a sophomore.

M. C. Prexy To Talk At FTA Parley

Dr. Stewart H. Smith, president of Marshall College, will deliver the keynote address at the fifth annual state convention of Future Teachers of America.

The convention will be held November 2-4 at Jackson's Mill. Dr. Smith's address will be delivered at 7:30 P. M. on opening day.

Delegates representing more than 100 clubs in high schools throughout West Virginia, plus 16 college FTA chapters, will attend and participate in workshop and business sessions.

Nancy Morgan, a Marshall student from South Charleston, is state FTA president. She will preside at the general and business sessions.

Group singing and special music will be directed by Nancy Marples of Marshall and Iris Butler of Alderson-Broadus College.

Beckley Girl Marshall 'Homecoming Queen'

(Additional Story on Page 8)

Margaret Ann Quintier, Marshall College senior and daughter of Mr. and Mrs. Fred Quintier of Beckley, is the 1956 Marshall homecoming queen. She will reign over the annual Marshall-Kent State homecoming football game tomorrow at Fairfield Stadium.

The 20-year-old brunette beauty was elected queen over a field of four, representing the freshman, sophomore, junior and senior classes. She won by 153 votes over her closest rival, Peggy Tolley, sophomore class representative and daughter of Mr. and Mrs. Andrew J. Tolley of Mullens.

MARGARET QUINTIER

An active member of the Pi Kappa Sigma sorority, Miss Quintier is a 1952 graduate of Woodrow Wilson high school in Beckley and was elected homecoming queen there in her senior year.

Three Attendants

The queen will be attended by one representative from the freshman, sophomore and junior classes, who were elected last week in class elections to compete for the homecoming queen title. They will accompany the queen as her court at both the football game tomorrow afternoon and also the Homecoming Ball tomorrow night at Memorial Field House.

The three members of the queen's court are Miss Nancy Connolly, Huntington junior, 20-year-old daughter of T. M. Connolly, 209 Chestnut street; Miss Tolley and Miss Darlene Harbour, Huntington freshman class representative, 18-year-old daughter of Mr. and Mrs. E. T. Harbour of 253 Locust street.

Ohio Editor To Address UHSP Meet

Donald G. Mayne, managing editor of the Ironton (O.) Tribune, will be luncheon speaker at the 22nd annual congress of the United High School Press of West Virginia at Marshall College November 10.

Professor W. Page Pitt, head of the Marshall College department of journalism and UHSP executive secretary, said Mayne will address about 300 UHSP delegates and representatives of two affiliated organizations in the Marshall College dining hall. The luncheon will begin at 1 P. M. It is sponsored by the Huntington Chamber of Commerce and The Parthenon, Marshall College student newspaper.

Organizations meeting jointly with the United High School Press are the United High School Yearbook Association of West Virginia and the West Virginia Journalism Teachers Association. The joint meeting begins November 9, and continues throughout the day and evening November 10.

Marshall Graduate

Mayne, a 1949 journalism graduate of Marshall College, is past president and former director of the Ironton, O. Board of Trade. He is immediate past president of the Ironton Lions Club.

Other key speakers on the program include:

George H. Clark, managing editor of The Huntington Advertiser; Miss Berridge Long, champion amateur golfer; James Wright, Huntington Herald-Advertiser reporter; Dr. Stewart H. Smith, president of Marshall College; Prof. W. Page Pitt, head of the Marshall College Department of Journalism; Prof. Virginia Lee and Prof. James H. Herring of the Marshall journalism faculty; Miss Estelle (Bill) Belanger, city editor, Huntington Herald-Advertiser; George Spruce, representative of the Jones Printing Co., Charleston; Miss Ann Garrity, editor-in-chief of The Parthenon, and Robert Alexander, president of the Marshall College student body.

Board Passes New Marshall Budget Draft

The State Board of Education yesterday approved a proposed Marshall College budget for 1957-58 calling for construction of a \$1,750,000 fine arts building with auditorium, 15 new staff positions and salary increases for present personnel.

The proposals were submitted last month by President Stewart H. Smith of Marshall, who said increasing enrollment makes the plant and faculty expansion necessary. Full and part-time students on the campus now total 3,573.

The over-all budget totals \$3,893,005, including \$1,827,000 of proposed capital outlay and \$2,066,005 for personal services, current expenses, repairs and alterations, equipment, etc.

The budget now goes to the state budget director, and then to the Board of Public Works and the 1957 Legislature.

The salary increments would be five per cent for clerical and custodial employes, 15 per cent for the administrative staff and \$400 to \$700 over a period of nine months for ranking members of the teaching staff.

The requested \$1,719,240 for personal services alone would represent an increase of \$296,785 over the appropriation for 1956-57.

The \$1,750,000 for a fine arts building would include money for purchase of additional land. Dr. Smith told the board that a new auditorium is especially needed because the present auditorium will not accommodate even the present freshman class.

Teacher Certification Dispute Action Put Off

By DAN DONAHUE
(See Page One Story)

CHARLESTON, Oct. 23 (AP)—The State Board of Education, postponing until tomorrow another round in the teacher certification dispute, took final action today on budgets of the nine state-operated colleges.

Two board decisions stemmed directly from the Brewton report on higher education, a subject that kept popping up all day. The board:

1. Discontinued, effective July 1 of next year, the teacher-training high school at West Virginia State College in nearby Institute.

2. Allocated to Marshall, West Virginia Tech and West Virginia State "the exclusive function of developing . . . complete quality programs" in pre-engineering, effective in September, 1957.

Both items were in line with recommendations of the report handed the 1956 Legislature by a professional survey team.

The quorum of five board members gathered around a long conference table spent an equally long afternoon hashing over the minutiae of budget matters, accompanied by the hum of an air conditioner which provided little relief from the warm, stuffy atmosphere.

The only breaks were Bob Mollohan at 2:30 and Cokes at 3:30. Mollohan, Democratic nominee for governor, swept into the chambers of the non-partisan board mopping his brow, as part of a whirlwind tour of the Statehouse.

Atty. Gen. John G. Fox and State Democratic Chairman Hulett C. Smith of Beckley were with him. It took just 30 seconds for him to smilingly shake hands with board members and rush out again.

Budgets approved included, on motion of board member Raymond Brewster of Huntington, salary increases for state college faculty members. In addition, the budget requests which will go to the Board of Public Works, and then the Legislature included a 15 per cent annual raise for administrative personnel and a 5 per cent increase for clerical and custodial college employes.

Full professors, associate professors, assistant professors and instructors would receive respective annual increases of \$800, \$700, \$500 and \$400 under terms of the budgets. The aim is to bring West Virginia college salaries in line with other states, as shown in a survey.

The actual operating budget for the colleges for the fiscal year beginning July 1, 1957, will be adopted by the board next May, after the Legislature has done what cutting it may on the re-

the three-year policies would cost an estimated \$20,000.

Board President Lawrence R. Lynch of Clarksburg said the question came up because West Virginia University was "subject to considerable criticism" for not having insured one million dollars worth of equipment destroyed by fire early this year.

Teacher certification was made a special order of business for 11 A. M. tomorrow at the request of board member Lacy I. Rice of Martinsburg, who said he could not be here for the first day of the two-day meeting.

It was on Rice's motion that a 3-2 board majority voted last month to proceed with tighter certification requirements this fall as scheduled, rejecting a proposal by State School Supt. W. W. Trent to postpone the action.

Trent, contending schools are closed and pupils without classes because of a lack of teachers who can meet the requirements, has promised to have a four specific proposals to lay before the board tomorrow.

In an important step, the board adopted a resolution directing that President S. J. Wright of Bluefield State College "take immediate steps" to reduce his cost per student to \$800. The board noted that the present per-student cost of \$1,052 annually was the state's highest and the 0.5 students per faculty member the state's lowest.

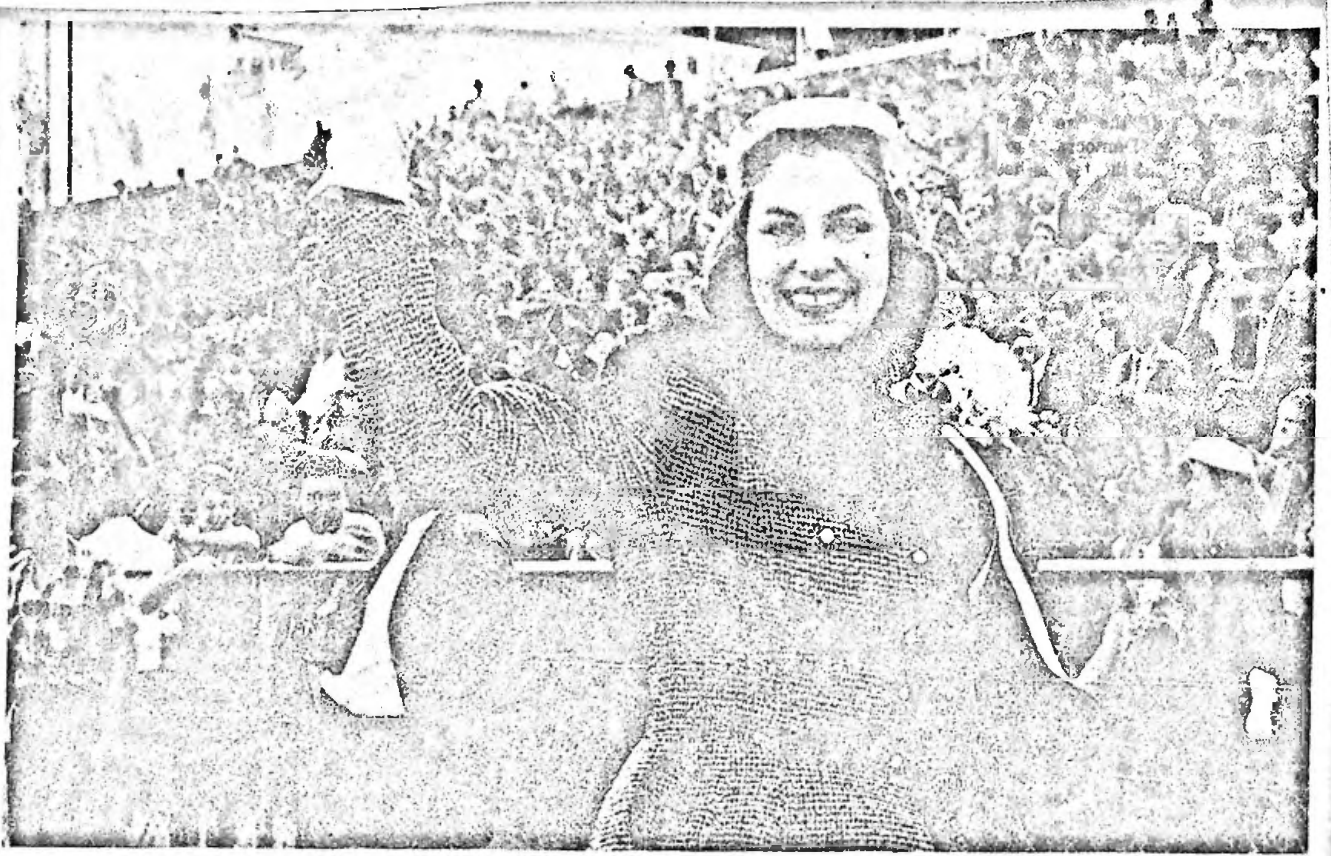

The board did not trim budget requests totaling \$10,343,000 by the colleges for buildings and land. Member C. Lee Spillers of Wheeling suggested it might shock the Legislature into realizing the staggering need. Brewster agreed, saying:

"If the administrative heads make an honest appraisal, we should put it before the Legislature."

There was considerable discussion, but no action, on another Brewton report recommendation that West Virginia State's status as a land-grant college be dropped or subordinated.

Earlier in the day, the board incorporated into the budget provision for fire insurance on contents of state college buildings which do not produce revenue. Board Secretary H. K. Baer said

Marshall Homecoming Is Spoiled By Flashes

(Additional Pictures on Page 8)

By JIM WRIGHT

In spite of beautiful football weather yesterday at Fairfield Stadium a cloak of gloom overhung the Marshall College squad as Kent State University plowed the Thundering Herd under in 25 to 7 victory in the annual Homecoming game.

Such a game shouldn't happen to a dog, much less to a buffalo.

Marshall players were resplendant in their white jerseys and pants and might have stayed resplendant looking if they had been on top of the pile-ups a few times rather than buried beneath Kent's Flashes.

IT WAS OBVIOUS that the crowd of observers was just a crowd of observers, not a crowd of fans. The usual exuberance of a spirited crowd and a spirited game was absent.

Spectators did little to let the Marshall Herd know they had any followers whatsoever in the stands.

Consequently, the squad didn't appear to go overboard for the hundreds of spectators who were all but sitting on their hands to maintain silence and reserve.

Needless to say, Kent State's Flashes, whose numerous injuries this season have been much publicized, were in fine recuperative form. However, the Herd (Turn to Page 8, Col. 3, Sec. 1)

Marshall Homecoming Is A Sad Affair

appeared reluctant to do further injury.

A REDEEMING feature of the afternoon was the magnificent parade of floats, sponsored by campus fraternities. Seven floats participated in the parade which began at Eighth street and Fifth avenue, continuing to Fourth avenue, east to Sixteenth Street, south to Charleston avenue, and west to the stadium.

Pi Kappa Alpha Fraternity commanded top honors with their float depicting a buffalo piloting a moving space ship whose cannon spouted real smoke. The float bore the slogan: "Captain Marco And His Herd Patrol Turn The Flashes To Ashes". The cannon was trained on figures representing the Kent State team.

Second place honors went to Sigma Phi Epsilon Fraternity for their "Mr. Magoo" float. On the float were a moving figure of the cartoon character "Mr. Magoo", his customary arm chair and television set. Their slogan was: "Even Near-Sighted Magoo Can See A Blinding Marshall Victory."

ON THE REAR of the float, the last in the parade, were the words: "The End. A Sigma Phi Epsilon Production".

This year only the fraternities entered the float competition. A number of sororities decorated their houses for a separate competition which was judged Friday night.

First place went to Sigma Sigma Sorority for their representation of a Swiss weather indicator. One of the figures of the indicator was that of a Buffalo and the other a Flash. The slogan was: "The Sun Never Sets On Marshall. It's Always Fair Weather When Arch Rivals Get Together".

Second places went to Alpha Delta Sorority. The decoration consisted of King Neptune,

in the form of a buffalo, appearing two fishes (Kent Flashes). The theme was: "Marco Steals Kent State's Thunder; Sends Flashes 20,000 Leagues Under".

AT THE Homecoming dance last night at the Memorial Field House, Miss Margaret Ann Quintier, Beckley senior, reigned as Miss Marshall, Homecoming Queen.

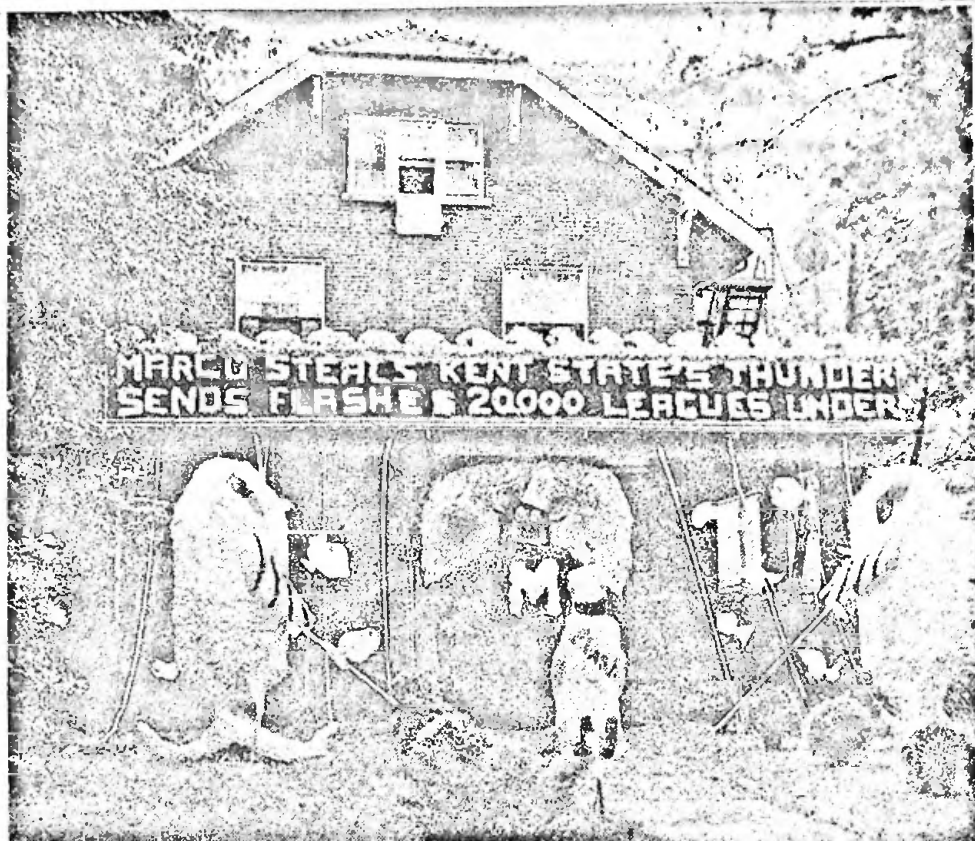

Her attendants were Miss Nancy Connolly, Huntington junior, Miss Peggy Tolley, Mullens, W. Va., sophomore, and Miss Darlene Harbour, Huntington freshman.

The Clyde Trask dance band, from Cincinnati, O., played for dancing from 9 P. M. to 1 A. M.

Immediately following the game, an alumni buffet supper was given in the ball room of the Hotel Frederick for all persons who have ever attended Marshall College.

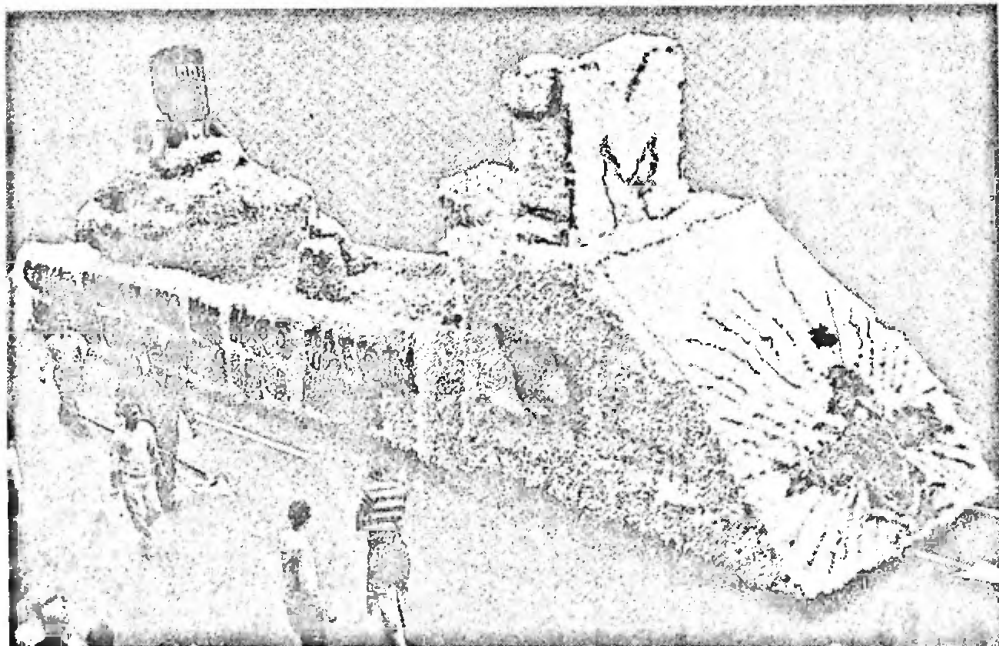

Participants in the parade, which began at noon, included in addition to the floats, the Pershing Rifles, drill team of the Marshall College Reserve Officers Training Corps; the Marshall band, and the Douglass, Ceredo - Kenova and Vinson high school bands.

City And College Musicians To Play In Symphony Concert

10-21-56 40-21-56
Of interest to music lovers in the area is the opening concert of the Charleston Symphony Orchestra Tuesday at 8:30 P. M. at the Municipal Auditorium. Geoffrey Hobday, resident musical director, will be conductor. Hobday, a native of England, is well known to European audiences having made appearances in England, France and Italy.

A number of Huntington musicians are members of the Charleston Symphony and commute each week to attend rehearsals. They are: Kenny Hayes and Randy Sharp, bass players; August Kujala, bassoon; David Becker, viola; and Sarah Fleschman, violin.

Representatives from Marshall College are George M. Kyer, French horn, a former member of the Huntington Symphony who is a student at Marshall after four years in the Air Force; Dale Riley of Logan, trumpet, Dorothy Cole, flute and Robert Nichols, French Horn of Charleston.

The symphony's first performance is a Pop Concert — the theme of which is "Meet the Orchestra" — spotlighting various sections of the orchestra. The program includes numbers by Bach, Liszt, Sibelius and Sousa.

Four additional concerts will be held during the season on November 20, February 12, March 26 and April 23. The November concert is entirely orchestral. The February concert will be given in conjunction with the Charleston Civic Chorus of which Harold Ewing is chorus master, in a concert performance of the opera, "Cavalleria Rusticana" — with 100 voices and using local soloists. The March performance is a memorial concert to the symphony's former conductor, Antonio Modarelli. Modarelli's tone poem "Unto The Hills" is programmed.

Soloists for the April concert will be winners in the statewide contest for amateurs and professionals. Last year's winner in the professional division was Bette Benjamin of Huntington, soprano, who appeared last April.

All concerts this season will be held in the Municipal Auditorium. Both season and single admission on tickets may be obtained at the box office prior to concerts. A free baby-sitting service is provided by the Women's Committee of the Symphony.

GEOFFREY HOBDAY will conduct the Charleston's symphony orchestra in the poular concert Tuesday in Charleston's Municipal auditorium. Huntingtonians and several Marshall College students play in the orchestra.

Recreation Director Is Sought

10-21-56
Dr. Michael Josephs, chairman of the recreation division of the Community Welfare Council, said yesterday that the council plans to continue its efforts in securing a full time recreation director for Huntington. The statement was made after a committee meeting held to outline projects for the year.

"One of the greatest needs in Huntington is safe recreational outlets not only for our youth but for adults," he said. "We of the Community Welfare Council will work in cooperation with any service club, agency or commission striving for the same goal."

"Our recreational program is now large, and should grow even larger," he said.

Mrs. John W. St. Clair, chairman of the group work section of the recreation division, has taken under advisement by her committee studies of private agency community programs.

A meeting will be held Thursday at 7:30 P. M. at the YWCA building of the Community Welfare Council delegates, and on November 19 the recreation division will meet.
