COMMENCEMENT  
MARSHALL UNIVERSITY**

SUNDAY AFTERNOON, MAY THIRTIETH  
NINETEEN HUNDRED AND SEVENTY-ONE  
TWO O'CLOCK  
MEMORIAL FIELD HOUSE

# “Alma Mater”

---

Marshall Gracious Alma Mater,  
We thy name revere:  
May each noble son and daughter  
Cherish thine honor dear.  
May thy lamp be ever bright,  
Guiding us to truth and light;  
As a beacon o'er dark water  
This is for thee our prayer.

May the years be kind to Marshall;  
May she grow in fame;  
May her children fail her never,  
True to her beacon flame.  
May her spirit brave and strong  
Honor right and conquer wrong;  
This the burden of our song  
Ever her truth proclaim.

Music: DR. C. E. HAWORTH

Words: JAMES HAWORTH '06

**M**ARSHALL UNIVERSITY, now in its one hundred thirty-fourth year, welcomes the graduating class into its alumni family. The faculty and administration join with the family and friends of each graduate in congratulating each on the attainment of a higher education.

Today's graduates are joining thousands of Marshall alumni spread throughout the entire world. Marshall men and women live in each of the 50 states and in many foreign countries. Within a few days those receiving degrees will make their individual ways to various parts of this world.

The university, established as Marshall Academy in 1837, was named in honor of John Marshall, Chief Justice of the United States Supreme Court from 1801 to 1835. John Laidley, long-time friend of Marshall, is traditionally accepted as the founder of the academy.

There are many milestones in Marshall's growth: the humble subscription school called Mt. Hebron; the private academy founded by John Laidley; the college, elevated to collegiate status by the Virginia Assembly in 1858; the "West Virginia State Normal School . . . to be established at Marshall College in the County of Cabell . . ." in 1867; the conferring of the first baccalaureate degrees in 1921; the separation of the Teachers College and the College of Arts and Sciences in 1923; recognition by the North Central Association of Colleges and Secondary Schools in 1928; the organization of the Graduate Division in 1938 and its elevation to Graduate School in 1948; the establishment of the College of Applied Science in 1960; the change of name to Marshall University on March 2, 1961, and the establishment of a School of Business in 1969.

The four-room academy on its one and one-half acres has grown into a sixty-five acre campus in the heart of Huntington, the city that came after and grew up around the university. The 185-acre University Heights Campus continues to develop.

Marshall is continuing its service to young men and women as it prepares them for business, industry and the professions in West Virginia. More teachers for the public schools receive their training at Marshall than at any other school in the state. Doctors, lawyers, and other have received their pre-professional education and their bachelor degrees from the university. Business and industry look to the university for well-trained personnel.

At the close of today's ceremonies, the university will have graduated (26,922) students. These new alumni will remember with affection the classrooms of Old Main, the skillful teaching of a respected professor, the lovely campus in the spring just before school is out and in autumn when hurrying feet stir fallen leaves, the conversations in Shawkey Student Union, the thrills of football and basketball games, the shade of the Beech Tree, the bust of John Marshall, and most of all, the many friendships formed here at Marshall University.
