Resolution to Endorse ACF Issues for 2018-19

Whereas, the Advisory Council of Faculty (ACF) is a legislatively mandated organization comprised of representatives from all schools of higher education;

Whereas, the ACF has adopted the following issues for 2018-19 in a democratic process, with the input of representatives from all public schools of higher education;

Whereas, the ACF Issues for 2018-19 include three of the four issues adopted by the Marshall Faculty Senate in its April 2018 meeting;

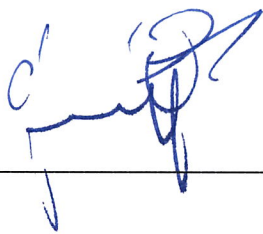

Be it resolved, that the Faculty Senate of Marshall University endorses the ACF Issues for 2018-19:

1. Provide a steady supply of revenue for the higher education of WV students.
2. Fund PEIA to meet the growing needs of WV public employees for affordable and accessible healthcare.
3. Support the critical work of the HEPC and CCTCE to ensure transparency and oversight at colleges and universities in administering higher education.
4. Include faculty in planning and decision making processes that affect the higher education of WV students.
5. Preserve the autonomy of the Boards of Governors to regulate the safety and security of the campus community.
6. Promote ethical behavior and due process for faculty in higher education.

We so resolve.
