Resolution to Endorse ACF Issues for 2019-2020

Whereas the Advisory Council of Faculty (ACF) is a legislatively mandated organization comprised of representatives from all schools of higher education;

Whereas the ACF has adopted the following issues for 2019-2020 in a democratic process, with the input of representatives from all public schools of higher education;

Whereas the ACF issues for 2019-2020 include three of the four issues adopted by the Marshall Faculty Senate in its April 2018 meeting;

Be it resolved that the Faculty Senate of Marshall University endorses the ACF issues for 2019-2020:

1. Increase funding for higher education to prepare our students for the dynamic needs of West Virginia.
2. Fully fund PEIA and explore alternatives to meet the needs of state employees for affordable and accessible healthcare.
3. Include faculty representation in higher education planning and decision making.
4. Ensure transparent, fair, and equitable employment processes for higher education faculty and staff.
5. Preserve the autonomy of Boards of Governors to regulate the safety and security of their campuses.

We so resolve.
