Resolution to Reject Any Legislative Bill Allowing Possession of Firearms on Campus

Whereas "Campus Carry" bills allow any individual to possess and carry firearms on the University campus;

Whereas presence of firearms has been linked in research literature to higher risk of self-directed and other-directed violence;

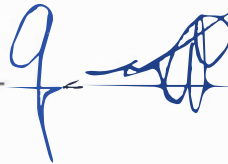

Whereas campus carry bills could thereby negatively impact the safety of students, staff, faculty, or others present on the Marshall University campus;

Be it resolved, that the Faculty Senate of Marshall University encourages the legislature to defeat any campus carry legislation.

We so resolve.
