(Herring at Marshall ---- 1)

HURTINGTON---(Special)---James H. (Jim) Herring of Charleston, member of the Morris Harvey College faculty and administrative staff and former Charleston newspaperman, has been appointed instructor in journalism and director of a new office, the Marshall College Information Service, it was announced today by Dr. Stewart H. Smith, Marshall College president.

Merring will leave his post as instructor in journalism and director of publications and publicity of Morris Marvey College in August. He has directed the publics information program at the Charleston institution since September 1, 1948.

On the Marshall feedby he will succose M. G. Scerlett, who resigned recently to join the staff of the University of Oklahoma. He will teach courses in copyreading, news photography, editorial writing and house organ production.

Dr. Smith said the Marshall College Information Service will collect, process and distribute all news of Marshall College and its people to local, state and national news channels. The office will give special coverage of Marshall stories on request from the editors of newspapers and other (more) (Herring at Marshall ---- 2)

publications, he said.

The Marshall president said its aim "is to maintain a steady flow of news from our institution to the public."

Herring is a 1941 graduate of Marshall College and has done graduate work at the State University of Iowa and West Virginia University. He holds the degree of Bachelor of Arts from Marshall and is a candidate for the degree of Mester of Arts in Journalism from the Iowa school.

The director of Marshall's new office was a newspaperman for ten years before entoring college work five years ago. He worked in various editorial capacities on the Beckley Post-Herald and Beckley Daily News for four years and was employed by Charlecton's two leading dailies for six years.

He was a reporter on the Charleston Gazette and Charleston Daily Mail for four years and was editorial writer of the Daily Mail for two years.

While doing graduate work at the State University of Iowa in Iowa City from September, 1951, to June, 1952, he was a graduate assistant in the University's school of Journalism and worked as a special feature writer for the Iowa City Press-Citizen. He also was a news writer for Radio Station WSUI in Iowa City.

(more)

(Herring at Marshall----3)

Since joining the staff of Morris Harvey College, he has channeled news of the college---its students, faculty members and expansion program---to news media throughout the state. He also has carried on Morris Harvey's journalism instruction program and served as faculty advisor of the student newspaper, The Comet.

Herring is faculty advisor of the West Virginia Intercollegiate Press Association.

His wife, Jo Ann Herring, is fashion editor and women's feature writer of the Charleston Daily Mail. She also is a Marshall graduate, holding the degree of Bachelor of Arts with a major in dournalism.

Herring is the son of Korman J. Herring, proprietor of the Lewisburg Granite and Marble Company, and the late Mrs. Margaret B. Herring.

He was active in Boy Scout and Sea Scout work for a number of years, having reached the rank of Eagle Scout as a boy. He attended the National Training School for Scout Executives at Mendham, N. J., and was field scout executive of Raleigh county for **securities** a year. For more than three years Herring was skipper of a Sea Scout ship at Bream Memorial Presbyterian Church in Charleston.

(Increase in Freehner-1)

With the edvance registration of freehann almost as great as the completed registration of last September, Marshall College officials today were preparing for the largest freehann class since the fall of 1949.

The total of freshmen enrolled yesterday was 600, as compared with a final total of 699 one year ago.

Of the 600 already signed up for the 1955-54 term, 150 are veterons of the Korean war----an increase of 975 percent over the Morean veteron registration of 55 last Ceptember.

Marshall's a peak freshmen enrollment of the post-World War II period was 1848 in September, 1946. By the fall of 1947, it had dropped to 785 and enrollment was at substantially the same level for three years.

A marked drop was noted in September, 1950, just after the outbreak of hostilities in Kores, and freshwan registration has been below 700 each fall since that time.

In addition to the return of Morean war veterans, President Stevert H. Smith attributed the rise in the number of freshmen to the widely publicized pleas of men high in government for young men to get as much college training as possible before entering the anned forces.

The schodulof registration of freshmen at Marshall will begin at 8 a. n. next Friday in the College library.

Commenting on the new college term at windup sessions of the annual student leadership conformes Friday, Dr. Stewart H. Smith, Marshall president, said the new college year will bring about an improvement in Marshall's counsoling program.

"Our aim," he explained, "is to give each student exactly the kind of courseling he needs. A need for an improvement in this program has been devote in sessions of the student leadership conference and we expect to devote several faculty meetings in the near future to the development of a better program."

The student lead using conference, held at Camp Cliftside in Kamanha county, was intended, as Dr. Smith expressed it, "to set the tone for faculty-student relations during the coming term."

"Matter "We found that the 'working together' the greater on the compus then over before. We brought problems involding the faculty-student relationship into the open so that they might be solved more easily. I feel that the same thing has been accomplished at the meeting this week."

About 100 student leaders and members of the Marshall faculty and administrative staff participated in the conference.

Held in the picturesque setting of a recreational center maintained by the Carbide and Carbon Chemicals Corporation of South Charleston for its personnel, the meeting enabled members of the student body and faculty, as Student Council President Noel Copen expressed it, "to learn to know each other as persons and not just as names."

The conference adjourned yesterday morning after a three-day stand.

(Dr. Trimmer---1)

Dr. J. Maurice Trimmer, pastor of the Fifth Avenue Baptist Church, advised Marshall College freshmen Sunday <u>not</u> to pretend to be "less religious than you really are."

Speaking at the vesper service in the college student union, the minister said a person needs vital religious faith during his student days at college as much as at any other period of life.

"The idea prevalent in some quarters that a student can afford to declare a moratorium on religious devotion during his years on the campus is a dangerous fallacy," he warned. "Also, a student should beware of practicing inverted hypocrisy. Regular hypocrisy is pretending to be morally better and mores religious than you really are. Inverted hypocrisy is pretending to be morally worse and less religious than you a really are. Don't be ashaned to express the religious faith and exemplify the spiritual devotion which you have brought with you to Marshall."

Dr. Trimmer told the gathering that the development of one's maximum possibilities is a major purpose of a college education and that the college program is calculated to challenge (more) (Dr. Trimmer----2)

for immediate release:

Mershall grid drills will continue one-a-day this week as the Big Green begin concentrating on the VPI encounter at Bluefield, Saturday night.

In this afternoon's workout, fullback Jerry Jones watched from the sidelines, unable to dress because of an onkle sprain and a wrenched knee. Halfback Hal Frezer was limited to a light workout by a shoulder injury.

The number one backfie d in the session consisted of John Chamma at quarterback, Paul Long at left half, Henry Hinte at right half, and John Rincich at fullback.

All injures wen are expected to be back in action in time for the game Saturday night.

Ticket ed en for the game are moving rapidly. They are one sale at the Marshall College Athletic Department, 17th Street and College Avenue, between 8:30 AM and 4:30 PM daily. Bob Friedly, Sports Publicity Director, Marshall College, Huntington, West Virginia FOR IMMEDIATE RELEASE, September 14, 1953

New coach Herb Royer will be priming his Thundering Herd this week for the season opener Saturday night, with Virginia Tech (VPT) at Bluefield. Royer, with barely twenty-five men on the squad, must lick the injury jinx which was the downfall of his predecessor, Willard "Pete" Pederson, if he expects to have a winning season. He has switched to the conventional "T"

Ford driving fullback Phil York became the first major casualty during the first week of practice. He will probably be lost for the season after undergoing an operation for a torn knee ligament. Center Gil Smith, quarterback-halfback Henry Hinte, guard co-captain Phil Milano bolfback Lon Hellyer, fullback Elton Jones, and halfback Paul Long have all missed practice at one time or another due to injury. All six are expected to be ready for the Saturday game with the Gobblers.

The Marshall--Virginia Tech meeting will be the third straight time that the two schools have not in the season inaugural. Both previous games have resulted in terrific tussles with the Virginia team coming out on top each time. Last year VPI won 19-14 thanks to sensational passing by Johnny Dean. They took the 1951 game 18-12.

The WCAA limited substitution rule should be a blessing to Marshall rather than a hindrame. The small squad necessitates both offensive and defensive play for some team members. Then too, many of the veterans such as Swierczek, Chmara, Hellyer, Rincich, Zban, Milano, Barger, and others played both last year.

The linear for Saturday's game, barring injury, will probably find George Thompson or howell Stanley at left end. Thompson, who also is a place kicker, seems to have the upper hand over the lanky passgrabber Stanley. Thompson is a husky 185 pounder. Veteran 210 pound 'ackle Milan Zban of Youngstown, Ohio, will hold down left tackle. Carl Barger, 190 pound enfor goard From Dayton, Tennessee, has developed into one of the toughest linemen on the the squad. Barger will be at left guard. Jerry Snow, 200, will probably be at the cenber position. Snow, who is an aggressive sophomore seems to be ahead of the veteran snapperback Gil Smith. Smith has bad no defensive experience. Co-captain Phil Milano is the right guard. Milano weighs in at 180, but pound for pound is the best tackler on the squad. Koréan veteran, Albie Maier, 205 pounder from Farmingdale, New Jersey, was All Ohio Valley Conference in 1950 before he left for service. The bear-like Maier will hold down right tackle. The Marshall offensive ace, Jim Swierczek, will be the terminal on the right side. Swierczek during the past two years, gathered in 71 passes for 1184 yards and ten touchdowns. He is also safety man on the defense.

Oak Hill's Johnny Chmara bloomed into the number one quarterback last year and is returning at that post. Chmara captured the quarterback job midway in the season, completing 32 passes in 82 attempts for 572 yards. Paul Long, a converted guard will probably be at left half. Long is the team's punter and is expected to be a fine ball carrier. Henry Hinte who gained 290 yards last season is the second punter. Len Hellyer will get the starting assignment at right half. Hellyer churned his way to 498 yards. Johnny Rincich will probably get the fullback call. Rincich, a Bluefield junior, weighs only 175 but has good speed and terrific drive that warrants him the job. Speedy Hal Frazer (185), Jerry Jones (185), and trackman Garland Barnhart are other backs who will see plenty of action.

AN OVERALL OUTLOOK -- lack of depth at all positions. Both line and backfield are light. Good veteran starting lineup. Players experienced at both offensive and defensive play. FOR RADIO RELEASE (Immediate)

BOB FRIEDLY, SPERTS PUBLICITY DIRECTOR, MARSHALL COLLEGE

Tickets for the Marshall-VPI football game at Bluefield, this Saturday, are selling rapidly. The game, which has been a tight affair the past two years, is expected to be quite a thriller again this year.

Marshall, looking for their first win of the three VPW openers, will work diligently in one practice session a day, this week, to ready themselves for the encounter.

Fullback Jerry Jones and halfback Hal Frazer were on the injured list this afternoon. Jones has an ankle sprain and a wrentched knee. Frazer, who has a shoulder injury took a light workout. Both are expected to be ready for the opener Saturday night.

The backfield in today's drills consisted of John Chmara at quarterback, Paul Long at left halfback, Henry Hinte at right halfback, and John Rincich at fullback.

The Murshell College Big Green has only three more practice sessions before the Saturday night lidlifter with Virginia Tech at Bluefield. The game will mark the third consecutive year that Marshall has opened the season against VPI at Bluefield's Coal Bowl. Seturday, the Blacksburg, Virginia school will bid for their third straight triumph of the rivalry.

A regular drill consisting of calisthentics, play drills, pass offense, and scrimmage, made up the Big Green workout this afternoon.

Every squad member, except Phil York, who is a probable loss for the season, was in uniform this afternoon. Hel Frazer and Jerry Jones were still nursing injuries and were limited to "light" workouts.

The Marshell College Thundering Herd concentrated on pass defense again today in preparation for the VPI game at Bluefield, Saturday night. Coach Herb Royer's charges will have to stop the Gobbler's little passing star, Johnny Dean, if they expect to triumph in Royer's Marshell coaching debut.

Freshman quarterback Bill Zban, brother of lineman Milan Zban, and transfer Robert E. Lee, from Potomac State, did the passing against the varsity defenders.

The regular scrimmage session may-have ended in a sour note for the Marshall gridders though. Jim Swierczek, the glue-fingered right end, was helped to the dressing room after receiving a very painful elbow injury in a pile-up. The extent of the injury has not yet been determined.

One change was made today in the lineup for play drills. Bob McColling, sophomore graduate of Muntington East High School, went through the paces at left guard in place of Carl E rger.

BOE FRIEDLY, SPORTS PUBLICITY DIRECTOR, MARSHALL COLLEGE for immediate release

Things aren't looking too rosy for Coach Herb Royer's Marshall Big Green on the eve of the 1953 opener with Virginia Tech at Bluefield. The twenty-six men who are to make the trip are expected to be able to hold their own, but Royer readily admits that " the roof might fall in".

Several men are on the doubtful list with injuries. Halfback Henry Hinte's pulled muscle, Hal Frazer's injured shoulder, and Jerry Jones' wrentched knee have slowed the Marshall gridders up offensively. Then too, Len Hellyer was lost to the service and Phil York was sidelined for the season with a knee injury.

To add to Royer's woes, VPI is touted to have one of their best teams in years. The Big Green coach has concentrated throughout the week on pass defense in an effort to stop the sensational little Gobbler pitcher, Johnny Dean.

This afternoon, the Marshall squad dressed only long enough to get play assignments and take a very light "non-contact" workout. They leave tomorrow morning at eight for Bluefield.

Here is the probable starting lineup for the game: LE--George Thompson, Huntington sophomore whose hustle, spirit, placekicking, and all around rugged play earned him the epot. LT--Milan Zban, the big veteran tackle from Youngstown, Ohio. LQ--Carl Barger, veteran lineman and one of the most improved players on the squad, from Dayton Tenn ssee. C--Gerry Snow, of Oak Hill, who beat out the veteren Gil Smith for the position because he is adept at both offense and defense. RG--Co-Captain Phil Milano, who is one of the roughest tacklers on the squad despite his small size. RT--Albie Maier, Korean veteran and former All Ohio Valley Conference lineman. RE--Jim Swierczek, All Ohio Valley Conference end who caught 34 pass§s for 621 yards last year. QB--John Chmara, little veteran who can run or pass. LH_-Paul Long, a former guard converted into a rugged halfback. RH--Henry Hinte, last year's number two ground gainer. FB--John Rincich, a bruising tackler and slashing runner for his small size.

"Every man in the game did a fine job", Royer stated in his office this afternoon.

Mershall lost to the Virginia team, Saturday, but the Gobblers barely managed to beat the inspired Big Green 7-0 on a long run.

Royer was particularly impressed with the play of 18 year old sophomore center Jerry Snow. Snow was one of the five men who played all sixty minutes for the Herd.

This week, in preparing for the home opener against Morchead, Royer will concentrate on rushing offense. The Morchead game is scheduled for Saturday night at Fairfield Stadium. "Our ground game was slowed up against VPD" said Royer "due to injuries to Hinte, Jones, Frazer, and Frazer and the loss of Faul Long for roughness in the second half". Royer added that he was schewhat surprised at the success of the passing offense. Quarterback John Chmara threw 21 passes and completed ten for 152 yards. Chmara injured his hip late in the game. He reported to the doctor today but is expected to be right back in the lineup. NEWS FROM MARSHALL COLLEGE INFORMATION SERVICE, Huntington, W. Va.---9-22-53

FROM: Bob Friedly, Sports Publicity Director, Marshall College, Huntington, West Virginia FOR IMMEDIATE RELEASE -- September 22, 1953

Thundering Herd Coach Herb Royer stated that he was "well pleased" despite the 7-0 loss to Virginia Tech, Saturday evening at Bluefield. The undermanned Herd put up a stubborn defense against the powerful Gobblers until the third period when Dickie Beard broke loose for a 57 yard touchdown run. Twice during the fourth period, Marshall threatened to tie it up. Thanks to brilliant passing by Oak Hill quarterback John Chmara, they moved to the thirteen before bogging down and to the nienteen another time.

Concerning the inspired defensive play, Royer said that "they all played a fine game" but he was particularly impressed with the play of eighteen year old sophomore center Jerry Snow. Snow was one of the five men who played the complete sixty minutes. Jerry made one of the hardest tackles of the game when he stopped the Gobbler safety man on a punt return. The rugged 200 pound Oak Hill youngster beat out veteran Gil Smith for the center slot this year.

Quarterback Chmara, who threw 21 passes and completed ten of them, was injured late in the game but apparently not seriously. Chmara reported to the doctor today, to determine the extent of injury. Halfback Hal Frazer again went on the injured list as he hurt his ailing shoulder the first play that he was in the game. Frazer may be out of action for a while. Henry Hinte and Jerry Jones are still suffering a pulled muscle and wrenched knee, respectively. The lack of depth made it necessary to play Hinte during most of the VPI game.

Coach Royer plans to work this week on rushing offense in preparation for the Morebead State home opener, this Saturday. "Hinte's pulled muscle and Paul Long's ejection from the ball game for unnecessary roughness hurt our ground attack considerably, last Saturday", Royer said. He expressed surprise at the success of the passing offense, though.

Morehead State was victimized 48-14 by Marshall last year. This season, the Eagles have a new coach in Shorty Jamerson, former University of Kentucky great. Jamerson switched the offense back to the single wing, making use of a variety of fullback spinner plays modeled after Michigan. Morehead is having one of the same troubles that Marshall is--lack of numbers. Jamerson's squad consists of only 28 men.

Big green back Garland Barnhart who was impressive in the VPI game will be counted on for more action in the Morehead game, according to Coach Royer. This is junior halfback Barnhart's first year of college football. Mid-American track fans have had occasion to meet Barnhart. He won three medals in the Mid-American meet at Kalamazoo, Michigan, last spring. Against Ohio University, although Marshall lost, he accounted for twenty points, placing in six different events.

Barring late developments, the Marshall lineup for the Morehead game, Saturday, will be essentially the same as last week. Sophomore George Thompson, 5'll", 185, of Huntington at left end; senior Milan Zban, 6'3", 215, of Youngstown, Ohio, at left tackle; senior Carly Barger, 6', 190, of Dayton, Tennessee, at left guard; sophomore Jerry Snow, 6', 200, of Oak Hill, West Virginia at center; senior co-captain Phil Milano, 5'l0", 180, of Sophia, West Virginia at right guard; junior Albie Maier, 5'll", 205, of Farmingdale, New Jersey, at right tackle; senior Jim Swierczek, 6'l", 175, of Seth, West Virginia, at right end; senior John Chmara, 5'9", 180, of Oak Hill, West Virginia at quarterback; senior Paul Long, 5'll", 180 of South Charleston, West Virginia at left halfback; Junior Henry Hinte, 5'9", 160, of Mount Hope, West Virginia, at right halfback; and junior John Rincich, 5'9", 175, of Bluefield, West Virginia, at fullback. NEWS FROM MARSHALL COLLEGE INFORMATION SERVICE, Huntington W. Va.---9-23-53 For Immediate Broadcast

Marshall quarterback John Chmara remained a doubtful starter for the Morehead game, Saturday, as eoach Herb Royer continued drillwork on the Big Green ground game today.

Chmara completely stole the show from Virginia Tech's celebrated Johnny Dean last Saturday as he completed eleven passes for 151 yards. He was sidelined late in the game with a hip injury.

The ground attack was sadly lacking against VPI. Royer stressed blocking and running offense in his first three workouts this week and intends to continue to do so.

Garland Barnhart is a probable starter at right halfback against Morehead. Barnhart was impressive last week and will take over the position from Henry Hinte. Hinte is still nursing a pulled leg muscle and if he is not called upon to fill the quarterback slot, he will probably be given a rest.

Coach Royer has been experimenting with end Jim Swierezek at the right halfback post. Hoyer says he will make the switch "if he has too." George Thompson would then move to right end and veteran Lowell Stanley would replace Thompson at the right flank. Lutheran Head To Speak Here

Dr. Franklin Ciark Fry, president of the United Lutheran Church in America and one of the nation's leading clergymen, will open the 1953-54 Marshall College student convocation series Thursday at 11 A. M. in the college auditorium, speaking on the subject, "Youth Has a Flavor of Its Own."

Members of the Huntington Ministerial Association have been invited to attend as special guests.

Dr. Fry is actively interested in church relief work overseas. In January, 1951, he made a roundthe-world flight for Church World Service's "One Great Hour of Sharing" appeal to inspect conditions and needs of displaced persons and war refugees. He reported to the nation via radio and television and also personally to College auditorium, opening the year's convocation series. His subject will be "Youth Has a Flavor of Its Own." Members of the Huntington Ministerial Association will be guests. President Truman. . Dr. Fry is vice-chairman of American Relief for Korea.

FOLLOWING World War II he was elected president of Lutheram World Relief, Inc., one of the 11 bodies licensed by the President's War Relief Control Board to collect and distribute relief in Germany, and spent several weeks in Europe in the interest of relief and reconstruction.

In 1952 he was awarded the Grosses Verdienstkreuz (Grand Order of Merit) by the German Federal Government, Bonn, in appreciation for his work in relieving the distress in post-war Germany.

ALSO A leader of Protestant cooperation, Dr. Fry presided at the opening session of the constituting convention of the National Council of Churches of Christ in the U.S.A. at Cleveland in November, 1950. He is vice-chairman of the Central Committee of the World Council of Churches; vice-chairman of its Conferences of U.S.A. Member Churches. He was treasurer of the Lutheran World Federation from 1946 to 1952. He now is vice-presicient of the Lutheran World Federation and chairman of its Commission on Younger Churches and Orphaned Missions.

A graduate of the Philadelphia, Pa. Lutheran Theological Seminary in 1925, Dr. Fry was ordained by the Lutheran Synod of New York and New England at Ithaca, N. Y. on June 10, 1925. During the next four years he was pastor of Trinity Lutheran Church at Akron, O. and then was named president of the United Lutheran Church in America. Dr. Fry was also active as secretary of the United Lutheran Church's Committee on Evangelism and as a member of the church's board of American missions and executive board

Coach Herb Royer of the Murshell Big Green attributed the success of his ground attack, Saturday night to "Good blocking." Marshall rushed for 373 pixz yards in the NO-O conquest of Morehead. The Hig Green montor added that he was well satisfied with the agressiveness showed by his team so far this season.

This Saturday Marchall travels to Cleveland to play John Carroll University. John Carroll lost 16-7 here in Huntington Last year, but scouting reports show the Chic team as a much improved ballelub. Carroll fields a big hard hitting squad fresh from a drubbing of Baldwin-Wallace Saturday. 743

Quarterback John Chasta (She-mar'th) who is leading the Mid-American Conference in passing is expected to be in the line-up, this Saturday. Chasta saw only limited action against Morcheed because of a bruised hip. He reinjured the hip but says that he feels no worse than he did before the game.

Jim Swierczek (Swi zek) and Dyke Six are also gigh in the Hid-American statistics. Swierczek is the leading pass receiver and Six is number two in ground gaining.

Rever doesn't expect the ground an attack to be so successful egainst John Carroll. "We'll have to pass more," he suid. He plans to work on pass offense and engage in duray scrimmages this week. Contact scrimmage will be avoided because of the great rick of an injury in the shallow backfield.

("Good Elocking"----1)

"Good blocking" says Marshall coach Eerb Royer, was mainly responsible for the devastating ground attack displayed against Morehead, Saturday evening. The Herd thundered to a 373 yaud rushing total as Marshall chalked up its first win of the season in its second start. The Big Green blockers shock a different ballcarrier loose for each of the six touchdowns.

Rever has been well satisfied with the aggressive play of his charges so far this season.

Typically, Royer is very much worried about the game at Cleveland this weekend with John Carroll University. Scofiting reports turned in on the John Carroll--Haldwin-Wellace game, Saturday, showed Carroll to have a big hard-hitting scoring machine. They dumped Baldwin-Wellace quite easily.

Ace Marshall quarterback, Johnny Chmara, who was reinjured in the Morehaad game, is expected to be back in action against John Carroll. Chmara says that he feels no worse now than he did last week after his first injury. John saw only limited action against the Eagles but was spilled as he held the ball for an extra point attempt. Chmara threw no passes, Saturday, but on the strength of his brilliant work at Eluefield, he lends the Mid-American Conference in passing attempts, completions, and yardage.

Jim Swierczek is enother conference leader. "Swize" has caught six passes for 146 yards. Mid-American statistics show Dyke Six as the number two ground gainer after his stellar performance against Morehead. Left half Paul Long ranks fifth in this department.

Coach Royer doesn't expect the ground attack to work so well applant the Muge John Carroll line this weekend. "We'll have to pass more," he said.

This works in properation for the game with Corroll, there will be no contact series, Hover amounced. Hover feels that he cannot risk further injury to his shallow blocfield. Passing offense and dusay scrimmage will constitute the greater part of the daily drills.

Dr. Stewart H. Smith, president of Marshall College, urged informed Americans today to take their "stand for freedom" by defending by every means possible the right of free speech.

Addressing electrical engineers of several states at the Daniel Econe Hotel, the Huntington educator said "we not only need the courage to speak out for freedom---to condemn tyranny and suppression--but also to defend the right of others to do the same."

His address on "Freedom to Speak" was the highlight of the Middle Eastern district meeting of the American Institute of Electrical Engineers.

Dr. Smith declared that secrecy and democracy are incompatible just as totaliterianism and an informed public cannot exist together. Unrestricted access to knowledge and information makes for an informed and intelligent citizenry, he pointed out.

"History's pages," said the Marshall College executive, "are filled ith the records of men and women who followed the principle of freedom to speak. Some of them were put to silence by their enemies. Eut their ideas could not be silenced. You can't hang a good idea or keep it in jail."

It'll be two fellows named Herb matching witsSeturday night, when Marshall's Thundering Herd tangles with John Carroll University at Cleveland. Coach Herb Royer of Marshall and Coach Herb Fiscle of John Carroll will be bidding for their second win in three starts.

Ficele's Hue Streaks whiched B Livin-Wallace 26-0 Last week after losing two weeks ago th Hastern Mentucky by two points.

Fisele is in his seventh year to Carroll coach. Past master of the T-formation and its variations, his he took a 16-7 beating by Marshall last year. But, Eisele has 10 returning lettermen this-year.

Foremost shong the B we Streak offensive threats is the skinny negro halfback Chuck McMillan. McMillan is 6'3" and weight 175 pounds. Last season he caught 20 passes for 354 yards and three touchdowns. Huntington fans who saw the Marshall--John Carroll game last year will remember the lanky giant who played and and safety wan against the Big Green.

Another back who may prove to be a thorh in Marshall's side is fullback Paul Brubeck, 100 pound giledriver. Brubeck picked up 360 yards rushing in 1952 for a 5.5 average per try. The Carroll quarterback is Pete Chirle, a southpaw who threw for 366 yards and five touchdowns.

The big man in the Blue Streak line is 230 yound tackle Joe Fagen. Fagen is experienced in both offensive and depensive play.

The-second Coach Royer of the Herd believes that he will have als hands full with the such improved Cloveland teau. The Big Green conference leading passing combination of Johnny Chance and Jie Swierczek will be counted on to carry a large share of the load, this Saturday.

MARSHALL RADIO SUMMARY:

A West Virginia educator, President Stewart Smith of Marshall College, called today for every informed citizen to defend the American doctrine of free speech. He was addressing electrical engineers from seven states and the District of Columbia at a Charleston Muncheon.

The right of a man to speak freely was devised by "frace," "mane for brave men," said the Huntington college head, "and this doctrine may still be good only if we ourselves are brave."

In the Marshall President's opinion, "we not only meed the courage to speak out for freedom---to condemn tyranny and suppression---but also to defend the right of others to do the same."

Secrecy and democracy, according to Dr. Smith, cannot exist together. He said unrestricted access to knowledge and information produces the informed citizenry that a democracy must have to lime.

West Virginia, as he put it, "holds the unenviable rank of 47th in the nation in the provision of public libraries for its people." He cited the need for "giving our citizens better access to the rich store of accumulated knowledge, information and ideas."

Dr. Smith's speech on "Freedom to Speak" was a feature of the Middle Eastern district meeting of the American Institute of Electrical Engineers. Sessions were held at the Daniel BooneHotel in Charleston.
