# Resolution to Improve Communication Through Greater Activity in Representation

**Whereas** shared governance at Marshall University relies on good communication;

**Whereas** senators are elected to represent their constituents;

**Whereas** members of committees are appointed or elected to represent their constituents;

**Be it resolved,** that the Faculty Senate of Marshall University requests that

\* Faculty Senate staff send agenda and items to be considered on the agenda to all faculty members along with a link to Faculty Senate Roster prior to the Faculty Senate meetings;

\* Senators collect and present constituent concerns to Faculty Senate meetings; and

\* Senators in each college/group designate a representative who will take notes of each meeting and report back to their constituents about the outcomes of the meeting;

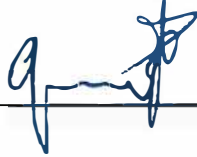

\* Committee members share agendas and issues to be considered at the meetings with their constituents in advance of meetings;

\* Committee members provide written reports to their constituents on the discussions and actions taken during the meetings.

*We so resolve.*
