March 26, 1951.

My dear Mr. Lambert:-

First of all, I must apologize for neglecting your letter this long. It was inadvertently placed with some old letters that had been answered and I did not discover it until yesterday, when I was clearing out some dead correspondence.

Joseph Samuels Miller was born in Barboursville, August 17, 1848.

He studied law under some Judge and was admitted to the bar.

His first political position was as clerk of the county court. Subsequently he was elected State Auditor and served at Wheeling, until he was appointed Commissioner of Internal Revenue by Grover Cleveland. He served in this office during both of Mr. Cleveland's terms. Between these terms, he was acting for the Norfolk and Western Railroad buying rights of way through West Virginia.

He was married in 1875 to Miss Florence Tice of Hagerstown whom he had known when they both attended a school in Ashland Ky.

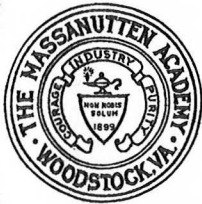

Miss Tice was born Dec 15, 1848 and died in 1904. She was an acknowledged belle and most popular in Wheeling and Washington. Their first child was Lee Alston Miller who was born June 17, 1876 and he is still living at Detroit Mich. He married Miss Gertrude Gore on Aug. 17, 1920 and they have a daughter, Miss Margeret Florence Miller who is about 27 years old.

Mrs. Shelley was born Lavalette Miller on July 3, 1878. She grew up in Washington and has always been much admired. On June 29, 1904 she married George LeRoy Shelley in Xenova. Their first child is George L. Shelley, Jr., who was born May 2, 1905. He is now employed by the General Electric Company in Plainville Conn. He has two sons, George L. Shelley III who will be graduated at Duke University this June. His father was graduated at Yale in 1925.

Mrs. Shelley's second son is Joseph Miller Shelley who was born April 26, 1907. He was graduated at Yale in 1927 and from Massachusetts Tech. in 1928. He has practiced his profession of architecture for over ten years. For ~~three~~ or four years he was the architect in charge of the excavations at Corinth, Greece (1931-5). When the World War broke out he was a voluntary selectee and was stationed at Pine Camp, N.Y. In March 1941, he was sent to O.C.S. at Fort Sill, Oklahoma where he was commissioned a second lieutenant. In October, 1942, he was ordered to West Point where he served as an instructor in Drawing and Topography until he was discharged in 1945. In the meantime he was promoted successively to different grades and was a major when he was released from the service. He is now on the faculty of the University of Denver where he is teaching architecture and art.

See on left.

Mrs. Shelley's third child is Mrs. Florence S. Womack of High Point, N.C. Miss Shelley was graduated at Hollins College in Virginia in 1936, where she was elected President of the Student Body in her senior year. She has three children, Mary Miller Womack, born April 9, 1942; John A. Womack, Jr, born Sept. 30, 1945; Miss Shelley Womack, born May 17, 1950. Mrs. Womack was born June 18, 1914. Mrs. Womack and her husband are very prominent in their community serving in many organizations.

I was born Nov. 1, 1875, at Rome N.Y. I was graduated at Union College ~~in~~ in 1901, and then taught at Mercersburg Academy for eight years. Next I was principal of the Reidsville (N.C.) Seminary for two years when I resigned to accept the co-principalship of the Dearborn-Morgan School in Orange N.J., where I was for twenty five years. The depression closed our school and I accepted the place here as Dean of the faculty where I have been for ~~ten~~ ten years. I am a member of Phi Beta Kappa, and have had my name in Who's Who.

I am sorry that Mrs. Shelley does not have any recent photos of either Mr. or Mrs. Miller. She gave her last one of Mr. Miller to the State of West Virginia to hang in the capitol at Charleston. Mrs. Miller's pictures are all of her in her young womanhood. Mr. Miller died in Huntington on Feb. 21, 1921, so I am sure that you could not have known him. I am sure that many of the older people in West Virginia remember him well and can give you a much better account of him than I can. Col. Miller or Uncle Joe as he was generally known was much beloved by all who knew him. His record speaks for his ability in many lines. He started the First National Bank in Kenova when he returned there in 1902 and served until his death as the president. He was always interested in all movements for the benefit of his fellow citizens and never failed to answer any call for his services.

Mrs. Shelley has some copies of some of his poems but she is not at all well, having been a sufferer from diabetes for thirty years. Perhaps her brother, Mr. Lee Miller may be able to furnish you with some poems. His address is 9235 Agnes Ave., Detroit 14, Mich. I hope that this information may not be too late to help you.

Most cordially yours,

*George L. Hickey*
