### **III. President's Report**

President Gilbert discussed his schedule saying he has been in Chicago for an HLC annual meeting; Minnesota on an HLC site visit to another University. While in Minnesota, he received the news from Mrs. Painter that Mr. Hal Greer had passed away.

Upon his return, a discussion regarding a statue memorializing Mr. Hal Greer came to my attention, both from seeing different social media outlets and in a meeting with Prof. Phil Carter. Mr. Hal Greer came to Marshall in 1954, as Marshall's first black athlete.

Dr. Gilbert is planning to work with Prof. Carter, and Mr. Hamrick among others. John Sutherland is traveling next week to Orlando, FL, for the funeral.

President Gilbert discussed the P3 project approved on March 22, noting it is a \$55M project and includes a 280 bed residential complex nearby.

President Gilbert discussed his high school tour during Spring 2017, noting that he visited 44 high schools since November 2017, most recently three in Mercer County.

President Gilbert thanked the Board for approving the raises for faculty and staff. The state legislature provided 1.46% for the raises for faculty and staff. President Gilbert and administrators allocated an additional 1.54% to what the state gave, making it 3%. The 3% across-the-board raise for faculty and staff goes into effect July 1, it will add to the already given 2% to bring the total for the year to 5%.
