"Sug" Darling:

This is the first V-mail letter that I have written to you and I hope it gets there before the interval grows too long since the last one that you received from me. (When I had the most beautiful X-mas, and darling I only wish that you could have been there with me. If you will get out the map and look for a little lake about 30 miles south of Geneva, Switzerland by the name of Lake Annecy and notice the City of Annecy. you will be looking at the place where I spent my X-mas. I went there Dec. 17 and didn't come back until after the first.

Well sugar-puss I just have two more missions to go and darling I sure am sweating them out. I flew today & I hope to fly tomorrow. I sure love you honey as it won't be long now.

Love "Chuck"

 SOON
