THE OATH

I, about to be graduated from Marshall College, an institution of the State of West Virginia,

ACKNOWLEDGING

My obligation to the beneficent Creator of all men, who has bestowed upon me the blessings of life in a great and prosperous state whose marvelous beauty of mountain, forest, and stream, and whose extraordinary riches of natural resources hourly urge me to higher planes of civic duty and reverent thinking;

ACKNOWLEDGING

My debt to the race, which has made me heir to a civilization wrought out by centuries of toil and thought and preserved by the bravery of its heroes, the wisdom of its sages, and the faith of its saints;

ACKNOWLEDGING

My debt to this nation and to this Commonwealth which through guardian organization and through open school doors have jointly made it possible for me to come into the full riches of my natural and my racial inheritances;

HERE AND NOW PLEDGE

LIFELONG LOYALTY to the shaping ideals of American citizenship:
LIBERTY, bounded by law drawn for the common weal,
EQUALITY, of opportunity for all, and
JUSTICE, administered in accord with the dictates of the common will lawfully expressed.

I HERE AND NOW FURTHER PLEDGE

That in all the years to be granted to me and to the fullness of my allotted strength

I SHALL SERVE

both alone and with my fellows, to the high ends that uncleanness, greed, selfishness, and pride shall lessen, that integrity, charity, comradeship, and reverence shall increase, that this, my generation, shall pass on to the generations to come after it a happier and nobler civilization.
