AMERICAN RED CROSS

Don't Forget
A kiss on my
letter. Bug.

My Darling Glen:

It seems that every time that I start to write you I almost I just fill up with emotion and I can't hardly say anything. I love you very much darling and every thing that I do is for you or, to make me see you again a lot sooner.

My love for you is piling up and multiplying more every day I want very much to see you "sug" but there seems to be a job over here to finish up so that all of you and my little "Chuck" jr's won't have to do what his daddy had to do.

Gee! Sugar I'm just about the luckiest fellow in the world having you. I'll never forget the first day I met you at the USO Club with you in those tan slacks.

AMERICAN RED CROSS

Do you remember that large picture I got from you when I left Knoxville? Well darling I sent it home when I came over to England I didn't want nothing to happen to it.

Would you have ^{some} snaps taken and I want some of you in your bathing suit too be sure and send them in your next letter. (well, I have to show some pin up girls do I!?)

I am in London now sweating out the buzz bombs. I am going back to the base tomorrow so I will send you some other pictures. Good nite sug.

all my love
your Chuck.
