AMERICAN RED CROSS

My Dearest Darling:

Here's something else for your scrap book. Kinda looks like you still have a wild guy on your hands. I jumped 22-109^s and got five of them destroyed before they made things hot for me. Old "Hammerson" "Dun II" really "responds" when you "pounce" for the right place. I got three black holes in his yesterday just a little. Place is all.

I sure would love to be there with you darling where it's nice and warm because I'm getting tired of all this strain & stuff. It's so wet and cold over here the sun never shines. I'll bet I wouldn't be drinking Ice tea if I was there either.

AMERICAN RED CROSS

I haven't much time to write
much but I love you very
much sug. and Josh honey its
just makes me feel awful good
inside when I think about me
coming home & being with you.
I just have 145 more bombs
have to fly, but the weather is
so bad we don't fly too often.
so it might be a few more months
to finish.

all my love

Chuck. (ACE)
