My Darling:

Well honey I'm wearing rail road tracks on my shoulder now, how do you like your guy as a Capt? I'm as high as I ever want to be right now, just right.

"^{the} Glamorous Glen II" is just a hulk in the ground now ^{isn't} just like the first one. Only I am OK. It happened down near Achen. She destroyed 7 Me-109's during her ^{one} ~~run~~ ^{run} though, pretty good I would say I have a brand new one now, the latest one I will send you a picture of her when she is painted she is the "G.G. III" I'm sure glad that you

understand. I reckon I'm quite a hoo
back home. I mad all the front page
and all the Radio Broadcasts. I don't
know why I'm so lucky. I reckon you
know sug It's just me having a sweet
little hunk of love like you that makes
me do things like that. I just want
to make you proud of me. Well at least
we will have something to talk about
after the war when we were darning around
or just taking a hike, or something.

say sweetie what do you want
to be? a pilot, or a hunk like his
old man?

And when do you want him as soon as I come home or when the war is all through? I have \$2,000.00 in the bank up to date so I write quite a little nest-egg. I have been sending 100.00 a month home but now I can send 200.00 home besides the bond that is sent to you I must have your name changed on it. Oh we'll get by say even if we have to be beach combus. It would probly be fun anyway.

Bud Boyle + "Mac" are finally home I'm sure glad they made it. poor fellows I'll bet they sure had it rough. Well honey
~~and~~ + Don't send anything for
~~it~~ me except a picture + a kiss.

all love

"Chuck"

I'm SORRY Darling I lost YOUR MOTHER'S ADDRESS. So you will HAVE to SEND it AGAIN.
