12 May -

Hi Sug -

How is my bird watching wife? So now you are naming birds after me. Boy! Things must be pretty rough around there. You had better have your bed when I get home because I'm going to do more than just flutter my feathers around you!!

I'll go along with anything you want to do on the property. I wonder why old man Wright wants his money so bad.

I agree on the insurance. I don't think they would turn me down. I noticed the FAA now runs a whole year instead of 6 months as stated by the flight surgeon on my Commercial Pilot's license.

I still look to get home around the middle of July. I also don't see any reason why we should have to move out of our house until p.c.s. It's only Col's quarters.

Gen Burns is home by now so he has probably filled you in on all the flaps over here.

for about a week. should get some control pay  
When you get this letter how  
about putting \$100<sup>00</sup> in my account  
at Hamlin. I will pick up  
your glass at Okiniwa and  
the white Elephant. I am going  
to Clark & Saigon around the  
27<sup>th</sup> of May. I also am getting  
mom a salad set. small with  
8 bowler. I go to 5<sup>th</sup> R.F.  
hge for a Cmdr. Conference the  
14<sup>th</sup> for 4 days. I have bought  
& paid for my uniform & suits  
about \$255<sup>00</sup>. I am thinking about  
getting a white dinner jacket like  
my black tex. I would need it  
later on in life & it only cost  
\$28<sup>00</sup>. What do you think?

I sure look forward to the 30yr  
you mentioned. by then he should  
have all the problems of the kid  
settled. also he should be firm  
up on any property deals we  
would be involved in. - like maybe  
an acre or two at Jockies!! I sure  
love you and miss you. Did I ever tell  
you that you're a real smart wife as well as  
beautiful & class. also real prissy.

always love. Clark
