Hi Sug -

Finally got the F-4 delivered to Danang. I had the 405th pick me up in a B-57 & bring me back to Clark yesterday. I had dinner with mcmuffs last nite. Cres didn't look too good said she had been sick ever since moving into the air conditioned house. Philip has their yard looking good. He had those little hot peppers very when! I went by the Wood Concession and ordered four of the carved wood tiki gods 14" high which I will bring home when I come. They moved the 64th 4/1 will receive F-102 sqdn to Korea & the 405th sends a B-57 up every week. I came to Yokota on it to get a briefing at 5th AF. Hq. I will go to Korea tomorrow (Sat). They sent an F-4 over for me to fly in. They already had my name on it!

Things haven't changed much at Clark. I had lunch with Gen. & Mrs. Davis. They both have put on weight. Saw Gen & Mrs. Westerland they said hello. Things are pretty loose there with very little work. The 13th T.B.Sq. is deactivated

and the 8th is pcs to Phan Rang. With the 64th in Korea there is just the 523rd & part of the 309th left. Everybody ask about you and were sure surprised to see me. Good.

I talked with Gen. Clark (vice commander of TAC) yesterday and re-emphasized that under no circumstances did I want to get caught in a pcs move to Korea.

He said he would watch out for me & if it happened it would be over his strong objection.

I talked with C. Paul Watson at Danang & can understand why housing is so screwed up at S-J. Kenner what a dull tool!! He could have moved into the House that Given has now but didn't want to. I don't suppose anything has happened about Carson's house yet has it.

I sure miss you & am getting too old to be away from you too much. Thanks you are the only one that understands me!

all my love.

@lock.
