2/1 Sugar pass -

I received a wire this morning about the new Division Cmdr. Gen. Mullikan. I have known him for quite some time and he is a pretty dull tool. Got his star thru a political deal with the National Guard.

Received a letter from Sgt McDougall which am sending on. I have the check for \$50<sup>00</sup> which I will keep. I may need the extra money this month with my new clothes & uniforms. Would you mark his paper "paid in full" & send it to him please.

I wrote our "dotter" Sharon a real long letter last week. Hope she is doing OK. Will try to get one over to Don soon.

Gen. Ryan & Staff were here yesterday for 4 hrs. I took him thru everything & he seemed real pleased. Was very complimentary about the wing. Still no word on toy-PCS or anything.

Heard from Delbert said he called. Also said he had everything up for sell. What a character but he always ends up smelling like a rose.

Boy! time sure flies over here  
I'm in the middle of all kinds  
of jobs over here. Construction, money,  
supplies, VD rate, Congressionals, red cross  
Chaplain, IG, <sup>misc. stuff</sup> and everything else that  
makes a base run. I have learned  
more the last month than the whole  
1/2 year at Clark. I make my  
own decisions here & am my own  
boss. I sure wish you were here  
to hold my hand & let me hold  
some little things every once in awhile.

I will go to Clark & fire a sparrow  
missile the 29<sup>th</sup> of this month & will  
try to take a B-57 to ~~the~~ Phan Rang  
the night of the 30<sup>th</sup> that will  
take care of Apr. & May. I will  
then begin to mail the goods home  
like a suit or two, the tiki gods,  
a brass gavel. ect.

Hurry & get your bed so you  
can start marking off a spot  
for me & make believe I'm there.

all my love.

Chuck.
