Hi Sug -

I just got back from my trip to
VNP Thailand, Philippines & Kaduna. I
have just finished reading your
three letters and enjoyed them. First
I'll cover the trip. I spent three
days at Clark and things have
really gone to pot. you should see
the ration card needed to buy
something, including full Colza
Rawling, sure goofy things. They
are still stealing around \$150,000-
worth of goods each month. and
the new ration cards are on sale
in angely. I spent a night
in Manila with Tony & Salinas.
The place still stinks. Then we
went hunting & I got two wild
pigz & a deer. Then fishing where
we damn near drowned when Tony
shot a hole in the bottom of the
boat while shooting ducks. We had
to stuff a shirt in it and bail
like mad while heading for shore
we made it just as the boat sunk
I thought Salinas was going to kill
Tony.

I borrowed a B-57 & flew two days as Phan Rang. One near Pleiku, in the highlands. Didn't get to see Tom Curtis or Whrig. I was gone one week & flew 23 hours. ^{also June Comm. 1971.} I have the 4 tiki gods here now & they look good. Also got Mom a salad bowl just she wanted. Will pick the glass this week at Kaduna.

Don looks real good in the photos also that gal standing beside him looks interesting, how about a date when I get home. I'll try to figure out where he will be & get to see him in July if possible. I will write his replacement outfit & have them give him a letter so he will keep me informed of his whereabouts!

I got a package from Debut. he said he figured I needed some packages. Had canned albocore, pepuoni, salima, & all kinds of dried goodies. What a weine!

A check left here the 6th of June to the bank for \$750 ^{US\$} you can check on the bank & see if they got it.

We now have a pretty firm schedule
on the move back. The most move
is classified but you won't tell who
told you will you? We come back
in three groups. 333rd sqdn with
Paul in ~~30~~ should get there around
2nd July. 334th with Dancewood
around the 5th July. & 336th with
me around the 30th July. There
may be slips in weather or tankage
but not too much. I will ask
Camen to hold off on the big welcome
until I get there with the last sqdn.
They can have a big turnout by the
wives & all for each sqdn & then
when I get there they can have
the other two sqdns & turn out & invite
the town people & he will welcome
the whole thing back. OK? I
am staying here until the last to protect
an interest & equip. also gives me a
chance to see Don. Gen Burns dropped
me a line & he seemed happy. Am sure he
will keep the house & don't worry about it.
Gen M is coming over the 16th for two
days.

Love you & miss you.
all my love Chuck
