25<sup>th</sup> May -

Hi Sug -

Just got your letter about the truck. Glad Mike wasn't hurt. Tell him to stay on top of the body shop to make sure they get a fit on the doors & fenders. Was the Camper hurt any? Oh well - glad you are NOT leading a boring life!!

I would have thought that Don would have been given a TR for his trip to Oakland. You sure are right when you say he's nuts! Oh well not much difference in us when he traveled from Calif to W.VA to get married & then back to Calif.

When Don speaks of the highland he means around Pleiku (PLEUKU) in the West Central part of V.N. Near where Laos & Cambodia meet V.N. I flew quite a few missions up there. I see where Gen Westmoreland is leaving V.N. I sure would like to get down & see Don in early July, but don't know.

Why don't you beat Smil, get a new bed, let the house go & just have a few hot dreams about me! OK

all my love. your yo-so.  
Chuck
