Brig. Gen. (Ret) Charles E. Yeager.

Dear Sir:

The enclosed picture was taken at the Annual Explorer's Club meeting in April at the Waldorf - at which time you were one of the Speakers. You will notice a halo effect behind your head and I assure that was not pre-arranged even though you probably deserve it.

An update - I happen to be the one who spoke with you about living 40 miles from Hamlin - here in Huntington. 24 hours ago a Mrs. James Sizemore saw your picture on the wall in my private office along with 35 other pictures. Mrs. Sizemore informed me that Rev. Sizemore - her husband - is your Uncle. He was here to update me with pleasant recalls of your youth and their contact with you. A pleasant surprise inasmuch as I have for years taken care of the Sizemores - including the children and Grand-children.

The Sizemores mentioned that your Mother had been hospitalized and I trust that she improved as expected.

Cordially yours,

J. E. Ricketts, M.D.
