**CURRICULUM COMMITTEE
RECOMMENDATION**

SR-08-09-14 CC

Recommends approval of the listed **COURSE DELETIONS** in the following colleges and/or schools:

• **COLLEGE OF LIBERAL ARTS**

ANT 333 Linguistic Anthropology 3 hours

Rationale: The Department has no linguist on staff to teach this class. To continue to offer a four-field Anthropology program (encompassing: linguistic, socio-cultural & biological/physical anthropology and archaeology), we have talked with the Department of English, which has agreed to cross-list two existing linguistics classes with Anthropology. This way, we secure our students the very best teaching by specialists in the field and use our limited resources most efficiently. The classes to cross-list are ENG 478 Introduction to Sociolinguistics (as a required class) and ENG 475 Introduction to Linguistics (as an elective).

CL 465 Ancient Greek Theatre Production 3 hours

Rationale: We no longer have faculty to teach this course.

SOC 428 Medical Sociology 3 hours

Rationale: The course has not been taught in a few years given retirement of qualified instructor. A new course (SOC 362) is being created to replace this earlier course. The new course will be cross listed with ANT 362.

• **COLLEGE OF SCIENCE**

GLY 451L Principles of Geomorphology Laboratory 1 hour

Rationale: The proposed change will combine this lab with GLY 451 (lecture) to form a 4-hour integrated lab/lecture.
