**ACADEMIC PLANNING COMMITTEE  
RECOMMENDATION**

**SR-08-09-20 APC**

Recommends that the following academic programs be continued with corrective action required:

- Bachelor of Arts in Sociology and Anthropology
- Bachelor of Science in Integrated Science and Technology
- Bachelor of Science in Park Resources and Leisure Services
- Bachelor of Social Work

**RATIONALE:**

Each of the programs has been reviewed by the Academic Planning Committee and found to meet the requirements of adequacy, viability, necessity, and consistency with the mission of the university, the institutional compact, and the education and workforce needs of the region. However, each has deficiencies that the program itself can address and correct. A follow-up report addressing these areas will be made to the Academic Planning Committee by November 1, 2009.
