Oversized material from Series XVII

Series XVIII Audio/Visual

The Audio-Visual Series contains material specific to the life and career of Dr. Ken Hechler. While the collection originally included hundreds of commercially-produced VHS tapes, cassettes, CDs, and DVDs, those no longer physically remain in the current collection. Lists of discarded audio-visual material can be located in Series XX.

Series XVIIIa VHS

The VHS Tapes in the Hechler Collection are organized roughly by theme. Like tapes share boxes. A total of nine Hollinger boxes hold VHS tapes. Each tape possesses an identification number. The collection contains 383 VHS tapes. Numerical, Alphabetical, and Thematic lists can be located in Series XX. A physical copy of the discarded list can also be found in Series XX.

Each box contains an inventory of the tapes that can be found within.
