The Mc Keand Family,

Most of the older members of this family are dead, and there are not many records, to be found in either Cabell, or Wayne County, about them. They were early settlers, in Wayne.

The first of this family to appear upon the records, was Willis Mc Keand, who was ~~born there, in 1821, and~~ died Jan. 14, 1860. He was a son of John and Elizabeth Mc Keand.

Willis Mc Keand's death record says he was 77 years old, at the time of his death. He married Sarah (Sally) M. J. Gilliam, ~~or~~ from Goochland County, Virginia. Her mother was Mary Mc Keand. (See marriage contract, in Goochland County)

The Wayne County Census of 1850, shows that he and his wife had, at that time the following

children: Sandy Mc Keand 39, Nelson ²¹, Henry C. ²⁴, Betsy C. ²⁹, ~~Henry C.~~, Mariana ²³, Sarah J. ¹⁹, and Susan Mc Keand, who, at that time, was 17 years old.

2.

This same death record shows that he had a son, Alexander McKeand. ~~and~~ He married Ursilla Bias, 1859 (2-8). She was a daughter of _____ and _____ Bias, of _____

The Wayne Co. death records show that Willis McKeand was a slave owner.

Another son of Willis and Margaret McKeand was George McKeand. Evidently, Willis McKeand had more than one wife

August 1, 1855, William McKeand ~~died~~ ^{was born} indicating that Willis McKeand was married three times. This wife was named Adaline McKeand.

In 1859, a daughter was born to Willis McKeand, but the wife was not named, neither was the daughter.
