## **SCOPE AND CONTENT OF THE COLLECTION**

The Huntington Symphony Orchestra Collection focuses mainly on the EFFORT (Education For Future Orchestra Related Tradition) Program. The EFFORT Program went from school to school performing for students, and teaching them about the instruments. This collection consists of many EFFORT reports from various years which show the schools the orchestra traveled to. It also includes a variety of programs and flyers and a multitude of newspaper clippings and photographs ranging from residencies to EFFORT In-School performances.
