System of arrangement: Collection is arranged in three series by Huntington Links, Incorporated chapter materials; Central Area Links, Incorporated materials; and national Links, Incorporated materials. Huntington chapter meeting records are in reverse chronological order as received; other collection materials are arranged by type(s) of items in reverse chronological order where dates are known.

Scope and content notes: Established in 1955, the Huntington, West Virginia chapter of The Links, Incorporated is a women's volunteer organization that works to support culture, education, health and wellness for seniors, adults, and youth in the African American community. The national Links, Incorporated organization, founded in 1946 in Philadelphia, Pennsylvania, oversees four regional areas, including the Central Area, which consists of 69 Links chapters in Arkansas, Illinois, Indiana, Kansas, Minnesota, Missouri, Nebraska, Ohio, Oklahoma, Tennessee, West Virginia, and Wisconsin. The Huntington, WV chapter is the only Links, Incorporated chapter in West Virginia, and its activities extend to Williamson and Bluefield. Chapter members such as Bernice Johnson, Willene H. Moore, and Wendy Thomas have been leaders at chapter, regional, and national levels during the dates encompassed by this collection, and Thomas has served in official positions within the larger Central Area and national Links, Incorporated organizations.

Series I consists of Huntington Chapter records and memorabilia, including meeting minutes and agendas, financial statements, news clippings and press coverage of chapter work like Project LEAD (Links Ending Alcohol and Drugs) from 1989-2010s. Series II and III are composed of materials from the Central Area and national Links organizations, respectively, including assembly reports, programs, agendas, and other conference publications; and newsletters and periodicals dating from 2005-2010. Series III, Folder 9 contains a 256-page history of The Links, Incorporated, *Linked for Friendship and Service*, published in 2010.

Related materials: The Links, Incorporated has several official repositories, including a national Links, Incorporated repository at the Moorland-Spingarn Research Center in Washington, DC, and a Central Area repository in the Vivian G. Harsh Research Collection of Afro-American History & Literature at the Carter G. Woodson Regional Library in Chicago, IL.

Preservation notes: Photographs in Series I, Folders 8 and 8B-8E have adhesives which may pose preservation problems (or already do). All photos were originally framed but were removed from frames to conserve space. Older black and white photographs have aging tape at the corners and on the back, and 8G is taped to a large frame mat. Folder 8E has the most extensive old tape attached, and also has some silvering. One photo in Folder 8 is glued to a piece of corrugated cardboard and is beginning to wrinkle.

Series II and III had post-it notes attached to some pages of booklets and programs, usually noting the involvement of the Huntington, WV chapter or its members in the Central Area Links, Incorporated or the national Links programming. Information from the notes has been transferred to this finding aid.
