Biographical Notes:

There are two possible addressees for the collection: Lucian W. Osburn and Luchian B. Osburn. Both lived in Wayne County, West Virginia. Lucian was a farmer and Luchian a wholesale grocer in 1910. It is possible that letters in this collection went to each of them, rather than one or the other.

Scope and Content:

This collection contains correspondence from L. J. Corbly and J. E. Plummer, president of Marshall College and the Marshall Business College respectively, to recruit the Osburns/Osbornes to attend Marshall. This collection includes Marshall College ephemera from 1904-1906, including advertising pamphlets, a 1905 copy of The Parthenon, general course information, and empty envelopes.

The accession record states that this collection included a cylindrical photograph of the Marshall College student body in May of 1930, however, this item was not found when the collection was processed.

Processing Notes:

This collection was already processed at the time the finding aid was created. No folder names, content, or other information was changed.
