University Vision Statement

Marshall University, an exemplar of excellence in teaching and learning, will continue to place its highest priority on providing outstanding undergraduate and graduate education, resulting in national recognition in academics and in scholarly, artistic, and creative achievement. Marshall's students will graduate well prepared for the responsibilities of life within a culturally diverse and globally interdependent society. Marshall will address the changing needs of the state and region and will return to the community and state an outstanding value for the resources invested in the university.

Goals to accomplish this vision can be found in *Owning the Opportunity: MU-2010*, the strategic plan for Marshall University [<http://www.marshall.edu/ucomm/publications/mu2010.pdf>].
