GRADUATE COMMITTEE  
RECOMMENDATION

**SR-95-96-7 (GR)**

To approve the following COURSE CHANGES:

PMC 620 Medical Pharmacology From 6 hours credit to 8 hours credit

PMC 637 Neuropharmacology Literature Review 1 hour credit will be given

**RATIONALE:** PMC 620 - because of changes which have occurred within the PMC 620 course requirements, the credit hours need to be increased to 8 hours to more accurately reflect content and time. Medical students who take PMC 720, which is essentially the same course receive 8 hours of credit.  
PMC 637- the grade received in this course will be changed from a letter grade to a grade of CR/NC (Credit / No Credit).
