Vol. 66 WEDNESDAY, APRIL 26, 1967 HUNTINGTON, W. VA. No. 57

Promotions On Faculty Announced

By DONNA FERGUSON
Staff Reporter

The West Virginia Board of Education has approved recommendations for the promotion in rank of 18 University faculty members and the retirement of four faculty and staff members.

Retiring at the end of the second semester of the current academic year are: Lyell V. Douthat, associate professor of education; Dr. Charles P. Harper, professor of political science; Dora May Mitchell, assistant professor of education; and T. Craig McKee, M.D., University physician.

The Board also approved a recommendation that six faculty members past the retirement age of 65 be permitted to continue their employment. They are: Mary Goins, associate professor of mathematics; Ellis Hanna, associate professor of physics; Clara H. Harrison, assistant professor of business administration; Dr. Alma N. Noble, associate professor of modern languages (French); W. Page Pitt, professor of journalism; and Dr. James T. Richardson, professor of sociology.

Those faculty members promoted in rank (including new rank) are: Joan F. Adkins, assistant professor of English; Dr. Homer Arhelger, professor of education; Martha Blankenship, assistant professor of home economics; Dr. Mahlon C. Brown, professor of social studies; Mary Jo Butler, assistant professor of nursing education; Ernest Cole, associate professor of business administration; Nicholas Contopoulos, assistant professor of economics; and Nellie Smith Dailey, assistant professor of education. Others are Robert Dils, associate professor of science; Frederick Hendricks, assistant professor of art; Dr. Louise Hoy, associate professor of classical languages; George Mendenhall, assistant professor of engineering; Dr. Simon Perry, professor of political science; Bernice Phillips, associate professor of English; Dr. Walter Regula, associate professor of mathematics education; Jane B. Shepherd, professor of music; Layton Thompson, associate professor of mathematics; Dr. Robert E. Wolff, professor of music.

Governor Praises Clean-Up Program

Members of the Campus Clean-up and Beautification program recently received a response concerning their program from Gov. Hulet Smith.

He congratulated the students for their work on the campus. He stated, "This type of constructive project will bring great credit to both the State and the University . . ."

Work parties have been held so far to paint and clean many areas on campus. A work party was scheduled for last Friday to paint the intramural bleachers but was canceled due to rain.

It has not been re-scheduled but will be sometime this week.

HENRY S. WINGATE

REVEREND STUEMPLE

INCO Board Chairman To Address '67 Grads

By LLOYD D. LEWIS
Editor-in-Chief

The largest graduating class in Marshall's 130 year history will hear a commencement address May 28 from Henry Smith Wingate, chairman of the board of the International Nickel Company of Canada, Ltd., and of the International Nickel Company, Inc.

President Stewart H. Smith said he had been trying to get Mr. Wingate as graduation speaker for the past two years but with his schedule he had been unable to do so.

"We feel very fortunate to have Mr. Wingate this year and we are especially happy to have him because he represents a company which leads Huntington in many ways in the support of Marshall."

1,070 To Graduate

With the tentative list of graduates completed, 1,070 students will receive their degrees in the May commencement exercises. Also receiving degrees, although of a special nature are Mr. Wingate and Dr. J. Frank Bartlett who will be awarded honorary Doctor of Laws degrees. Dr. Francis Axtell Scott will receive an honorary Doctor of Humane Letters degree, and Mrs. Helen M. Thompson will be conferred an honorary degree of Doctor of Music.

Mr. Wingate has served with the International Nickel Company of Canada since 1935. In 1954 he was elected as president of the parent company and its United States subsidiary, and chairman of the

Fire Routs Three From Apartment

Three Marshall students escaped injury Monday morning in a \$2,000 fire that struck a second story apartment at 1006 Sixth Ave.

Fireman Carl Taylor rescued Mrs. Don Miller, Madison sophomore, from the porch roof, according to the Fire Alarm Operator. Her husband, Don Miller, Madison sophomore, was in class at the time.

The other two students were Dave Zeites and Tom O'Dell, both Charleston freshmen.

Fire officials attributed the blaze to clothes hanging on a door that swung over a hot water heater and ignited.

The building belongs to Mrs. Goldie Wilkinson who was aroused from the house by Roy S. Slack, Huntington senior.

The fire was reported at 10 a.m., and although it was immediately brought under control, the two firetrucks (pumpers) were on the scene for two hours.

board of directors and chief officer of both companies in 1960. Mr. Wingate also serves as a director for a number of large corporations including the United States Steel Corporation, Morgan Guaranty Trust Company of New York, the Canadian Pacific Railway, International Nickel Benelux of Belgium, and International Nickel of France.

Baccalaureate Speaker

The Rev. Herman G. Stuemple Jr., professor of homiletics at the Lutheran Theological Seminary, Gettysburg, Pa., will deliver the principal address at the Baccalaureate Service also to be held May 28.

Dr. Frances A. Scott, who will receive an honorary Doctor of Humane Letters degree, first came to Huntington in 1929 to serve as a surgeon at the Crippled Children's Hospital. Later he served as a consultant at the Logan General Hospital and the Williamson Memorial Hospital. In 1946 he established a private practice in orthopedic surgery.

Founded Series

In the 20 years Dr. Scott has been associated with Marshall, he has cared for injured athletes without compensation, founded and served as the sole supporter of the Scott Lecture Series, become a major donor to the University Honors program, and established the Francis A. Scott scholarship program for pre-medical students.

Also receiving an honorary degree is Dr. J. Frank Bartlett who will have completed 35 years of service to Marshall University on August 28 of this year. Dr. Bartlett has served as Dean of the College of Arts and Sciences since 1945. He earned his A.B., M.A. and Ph.D. degrees from West Virginia University and has taken post graduate work at the University of Zurich and the University of Edinburgh.

Mrs. Helen M. Thompson is executive vice-president of the American Symphony Orchestra League, Inc. She is a native of West Virginia and resides in Vienna, Va.

Beer Resolution Goes To Dr. Smith

By J. PRESTON SMITH
Staff Reporter

Beer advocates can do nothing now but wait.

The Student Senate, after deliberating for better than one hour and a half last Wednesday, passed a beer-on-campus resolution which has been signed by Mike Farrell, Huntington junior and student body president, and submitted to President Stewart H. Smith for consideration.

President Smith has said that he will now consider the views of the administration, faculty, students

and parents before making his final decision.

But there appears to be something else for Dr. Smith to take into consideration . . . the State Board of Education.

Board Votes

In an unofficial vote last Thursday, the board voted 4-2 against the sale of beer on any of the eight college campuses or at Marshall.

This vote, however, did not include three of the board members. The six members that did vote noted that it only expressed the sentiment of those present.

The Council of State College and University Presidents asked the board to take a position banning the sale of beer on campuses.

Interest Wide

Dr. Smith noted that, "All the presidents were interested in knowing the thinking of the board."

But now that President Smith knows the position of the board, will this alter his opinion?

"The board's opinion will be considered along with the letters I have received from parents and the expressions of opinions from students and others involved," he said. "This will all be held for further evaluation."

Eliminate Zone?

Under an amendment of the private liquor club bill the 300-foot zone around college campuses where beer cannot be sold could be eliminated if the college president would file the request.

Dr. Smith is further concerned with getting the impression of the entire student body before making his decision. He said he would like to see a questionnaire circulated asking the student body for its opinion of the beer on campus issue.

This will be done in the immediate future, according to Farrell.

Wilson's Status Due Discussion

President Stewart H. Smith was scheduled to meet with the Athletic Board yesterday to discuss the employment status of Athletic Director Neal B. (Whitey) Wilson.

The Huntington Advertiser last Friday published a story about "rumors" that Mr. Wilson might not continue as athletic director.

President Smith said Monday that he would meet with Mr. Wilson later this week after a meeting scheduled for Monday was postponed.

"I talked to Mr. Wilson last Tuesday and we discussed various Athletic Department problems. However, we resolved nothing during this meeting."

When asked what the problems were, President Smith declined to go into details.

Mr. Wilson had no comment on the matter. "Too much has been said already."

The Athletic Board reportedly held a closed meeting Sunday without Mr. Wilson to discuss the "rumors."

An informed source also said that Sports Information Director Charles W. Dinkins was on the verge of resignation. When contacted by The Parthenon, he said, "No comment. I don't want to say anything now."

DR. BROWN ELECTED

Dr. Mahlon C. Brown, associate professor of social studies, was elected to the Executive Committee of the West Virginia Conference of the American Association of University Professors (AAUP) recently. Dr. Brown is president of the Marshall chapter of the Association.

Karen Knotts, Judith Hoskins Win Fulbrights

Fulbright scholarships have been awarded to two Marshall students, Karen Knotts, Buckhannon senior, Teachers' College, and Judith Hoskins, Huntington senior, of the College of Arts and Sciences.

Dr. Alma Noble, associate professor of French, nominated both women for the scholarships. Dr. John F. Warren, dean of the graduate school, presented the applications to the Fulbright committee.

Since 1954 there have been six students from Marshall who have received Fulbright grants in French, according to Dr. Noble.

The grant is made annually to about 2,500 United States citizens. Its purpose is to enable U. S. government to increase mutual understanding between the people of the United States and the people of other countries by means of educational and cultural exchange; to strengthen the ties which unite us with other nations . . . and thus to assist in the development of friendly, sympathetic, and peaceful relations between the United States and the other countries of the world.

Miss Knotts plans to do research in 19th century French literature at the University of Lyon, Lyon, France.

Miss Hoskins is going to the University of Liege, in Belgium to study French literature that was produced during the two World Wars.

Convocation Is Set For Book Review

The Faculty-Student Book of the Semester Committee is sponsoring a convocation to be held tomorrow at 11:00 a.m. in the Academic Center Auditorium.

"The purpose in this convocation is to arouse interest among faculty and students in both the book of the semester (In Cold Blood by Truman Capote) and the process of selecting a book," said Mrs. Barbara Stickman, instructor in English and member of the committee.

The convocation will consist of a panel discussion with five panelists. Chauncey Browning, Jr., commissioner of public institutions, will discuss the criminal aspects of the book while Dr. Elizabeth Wolf, professor of psychology, will present the psychological side of the story. Duncan T. Williams, associate professor of English, is to discuss the literary merit of the book. A special guest panelist and Russell Daugherty, juvenile judge, will be the other two panelists.

A question and answer period will be held following the panel discussion.

"We hope that this program will urge more students to read not only this book but any other books the committee may select in the future," said Betty Kessler, St. Albans senior and student chairman of the committee.

Campus Briefs

STUDENT POSTS VACANT

"Students with an interest in student government are needed to fill student government committee positions," said Mike Farrell, Huntington junior and student body president.

Examples of committees with vacancies are the Civil Service Committee, Book of the Semester Committee, and four committees under athletic affairs. Male students are especially encouraged to apply for the athletic committees. Applications are available at the Student Government Office.

SHELTER EXERCISE

A Fallout Shelter Exercise will be held by the Civil Defense Friday at the Cabell County 4-H Club for a selected number of Marshall students and others who might be interested. Those participating will live on survival rations for 24 hours in various shelters. Prior to entering the shelters, selected persons will be acquainted with shelter procedures. Any students interested should contact Mrs. Violet Brandon at the Cabell County 4-H Club.

WEST HALL ELECTS

Jane Dudash, Bramwell sophomore, was elected president of West Hall dormitory in elections recently.

Other officers are: Barbara Holmes, Charleston junior, first vice president; Patsy Tincher, Hurricane junior, second vice president; Mary Frances Williams, Parkersburg sophomore, secretary; Rachel Riffe, Crab Orchard sophomore, treasurer, and Katura Carey, Portsmouth, Va., freshman, chaplain.

DORM PLANS UNSURE

"If Marshall University plans to use the Hotel Prichard as a dormitory next year, I will be happy to confer with them on this matter," said James R. McGoldrick, vice president and general manager of the Hotel Prichard. No negotiations have been made as yet between university and hotel officials. It is hoped that the four story addition on South Hall will be completed by next fall, therefore, the hotel may not be used.

ELECTIONS HELD

Scabbard and Blade, military science honorary, will hold elections for the fall semester May 4 at 11 a.m. in Room 250 of Gullickson Hall. A president (captain), vice president (first lieutenant), treasurer (second lieutenant), and secretary (first sergeant) will be elected.

CONCERT SCHEDULED

The Marshall Community Symphony will present a concert at 3 p. m. May 7 in Old Main Auditorium, sponsored by the Recording Industries, Local 362, American Federation of Musicians. Professor Alfred P. Lanegger will conduct the concert.

KAPPA PI ART SHOW

Approximately 100 exhibits have been entered in the annual Kappa Pi Art Show currently on display in the first floor Student Lounge of Academic Center. The formal opening and reception was held Monday evening and the exhibits will remain on display through April 29th. Awards will be presented to those exhibits judged "Best of Show" in each division with an overall "Best of Show" exhibit to be selected. Winners will be announced this week.

OFFICERS ELECTED

Newly elected officers of West Hall are president, Jane Dudash, Bramwell sophomore; Barbara Holmes, Charleston graduate student, first vice-president; Patsy Tincher, Hurricane junior, second vice-president; Mary Frances Williams, Parkersburg sophomore, secretary; Rachel Riffe, Crab Orchard sophomore, treasurer, and Katura Carey, Portsmouth, Va., freshman, chaplain.

GAINS ASSISTANTSHIP

Lloyd D. Lewis, Princeton senior and editor-in-chief of The Parthenon, has been awarded a \$2,200 graduate assistantship at Ohio University. The honor was recently announced by Dr. L. J. Horton, director of the School of Journalism at OU, to become effective this September for three quarters.

RILES TO LEAVE

Robert Riles, instructor of social studies, will leave Marshall at the end of this semester to teach three history courses at Lakeland College, Sheboygan, Wis. Riles, who came to Marshall in 1965, received his M.A. in 1963 from Mississippi State University, State College, Miss. He has done graduate work at Ball State University, Muncie, Ind.

STUDENT WORK PERMITS

Dr. John L. Martin, professor of Spanish and adviser to foreign students, has been authorized by the United States Immigration Office in Pittsburgh, Pa. to issue work permits to foreign students for the summer. "Foreign students must have permission from the Immigration Office to work in this country," said Dr. Martin.

MRS. BARONE RESIGNS

Ms. Marian T. Barone, assistant instructor of physical education, will be leaving Marshall to accept a position at Temple University, Philadelphia, Pa. Mrs. Barone will continue to teach at Marshall for the two summer terms and will begin her new position in the fall.

TO JUDGE POETRY

Dr. A. Mervin Tyson, chairman of the English Department, has been selected to judge a poetry contest sponsored by the National Federation of the State Poetry Society, Inc.

STOCK MANAGER RESIGNS

Joseph Fodor, stockroom manager of the chemistry department storeroom, has resigned effective June 1. Mr. Fodor is leaving Marshall to become assistant to the chairman of the chemistry department of Southern Illinois University next fall.

WMUL SCHEDULES

Schedules listing all broadcasts on WMUL are now available, according to Jim Slicer, Huntington sophomore and news director. Students may secure a copy of the program listings by either calling or writing the station. Schedules will then be mailed to the students.

PERFUME FOR SALE

Alpha Sagma Alpha sorority is selling perfume for a money-making project. There are 15 different kinds of perfume for sale at \$1 for one dram. Anyone who wishes to order perfume should contact a member of this sorority.

ROBE TO ELECT OFFICERS

The Robe, men's leadership fraternity, will elect officers for the fall semester at its regular meeting Tuesday at 9:30 p.m. in Tau Kappa Epsilon house. Offices to be filled are president, vice president, secretary, treasurer, and historian.

CONCERT BAND

The University Concert Band will give its spring concert in Gullickson Hall Friday at 7:30 p.m. Conducted by Alfred Blatter, assistant professor of music, the concert will be open to the public with no admission charges.

Beta Nu Receives National Support

The newest addition to Marshall's Greek system, Beta Nu, is now a colony of a national fraternity.

The brothers of Beta Nu fraternity sent a petition to the national headquarters of Phi Kappa Tau fraternity at Miami University in Oxford, Ohio, and received a letter Friday stating that they had been unanimously accepted by the council.

Jim Boggess, Huntington sophomore, said they expected to have pledging ceremonies around May 1.

Beta Nu was founded Nov. 16, 1966, and had eight charter members. The chapter now has 20 members and the following officers: Andy Ronald, Silver Springs, Md., junior and president; Marvin McKelvey, Portland, Ohio, sophomore and vice president; Jim Boggess, Huntington sophomore and secretary, and John Eddy Beard, Huntington sophomore and treasurer.

Phi Kappa Tau house is located at 1660 Fifth Ave.

Noted Philosopher To Speak At Academic Center Friday

Dr. Paul Schilpp, professor of philosophy at Southern Illinois University, will be featured speaker at the meeting of the West Virginia Philosophical Society at 7:30 p.m. Friday in the AC Auditorium.

His speech is entitled "Dr. Albert Einstein: Sainly Scientist."

Dr. Schilpp, who was a good friend of Dr. Einstein's, is noted for his ability to convey philosophical issues with popular appeal.

The meeting, scheduled Friday and Saturday, is open to the public and is being sponsored by the University and Alpha Xi, faculty science club.

Opening the conference Friday afternoon will be an address by Dr. J. Stewart Allen, vice president of

academic affairs, on the question "Are the Sciences Out-moding the Humanities?"

Dr. John C. Plott, associate professor of philosophy, will speak on "Early Eastern Philosophies of Science," Dr. Howard Slaatte, professor of philosophy, on "Is The Scientist Amoral?", Dr. Joseph Krinsky, previously from Huntington, on "The Scientific and Religious Views of Teilhard de Charlin," and Dr. Wallace Cayard of West Liberty College, on "Berdyaev's View of a Technological Society."

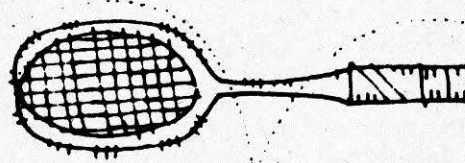

The society banquet will be at 6 p.m. Friday and the reception by President and Mrs. Stewart H. Smith in their home at 9 p.m.

Look who's in the National College Queen Contest

Here are the four Finalists in our state—vote for your choice today!

**MISS KAYETTA FRANCES DURRETT
WEST VIRGINIA WESLEYAN COLLEGE**

Buckhannon, West Virginia • Hometown: Hinton, West Virginia
Senior. Majoring in: Sociology
Also studying: Philosophy, Economics, Home Economics
Age: 21 Height: 5' 4" Medium brown hair, hazel eyes

Kayetta has achieved academic honors, including a sorority Scholarship Award and a sorority citation for having the highest "active" average. Named to the Dean's List, she has also been President of the Philosophy Club. Kayetta has served as Secretary-Treasurer of the West Virginia Philosophical Society. She is a member of 4-H, the Sociology Club, Associated Women Students, Religious Life Council, Debate Club, the Campus and Center Program Board. Active in Zeta Tau Alpha, she was President of her pledge class and Chapter Vice President. Kayetta enjoys swimming, volleyball, basketball, modern dance, bowling, tennis and skating. Her hobbies are coin collecting, sewing, knitting, ceramics and cooking. As a volunteer, she helps to plan and stage UNICEF parties. Kayetta's goal is to be a social worker.

**MISS NANCY ELLEN GLASER
MARSHALL UNIVERSITY**

Huntington, West Virginia • Hometown: Hawthorne, New Jersey
Senior. Majoring in: Special Education (Mentally Retarded)
Also studying: Elementary Education, English
Age: 21 Height: 5' 8" Titian hair, hazel-green eyes

Nancy has earned a scholarship, was an honor student for six semesters, and was elected to the Honors Seminar for two semesters. She also received a Sigma Kappa Scholarship Trophy. Her academic honorary societies include Kappa Delta Pi and Alpha Lambda Delta. She has been President of Sigma Tau Delta and Treasurer of Fagus. Nancy was Class President for one year, Vice President for two years, a Class Senator, and a Senior Justice. She has been a member of Senior Advisory Board, Panhellenic, Sisters of the Golden Heart, Council for Exceptional Children, Women's Recreation Association, and Leadership Camp. Nancy also served as Scholarship and Rush Chairman for Sigma Kappa. She is on the swimming team, and won a medal in tennis. She works for Muscular Dystrophy, Mental Retardation, and Red Cross drives. Her ambition: teaching.

**MISS ANN PARRY LEHMAN
WEST VIRGINIA UNIVERSITY**

Morgantown, West Virginia • Hometown: Fairmont, West Virginia
Senior. Majoring in: Home Economics
Also studying: Psychology, Humanities, French, English
Age: 21 Height: 5' 2" Blonde hair, blue eyes

Ann has earned a scholarship, been named to the Dean's List, and is a member of the Li-toon-awa, Mortar Board and Omicron Nu honor societies. Ann was also chosen for Chimes, Phi Upsilon Omicron and Pi Delta Phi. She has been President and Treasurer of Associated Women Students, and regional and state convention delegate for AWS. She has also served as Treasurer of Angel Flight, and has been a member of the Student Legislature, YWCA and Student Government. For her sorority, Kappa Kappa Gamma, she has been a Junior Panhellenic Representative. Swimming, water skiing and golf are her favorite sports. Sewing and bridge are among her hobbies. Ann has taught games and crafts at the YWCA Settlement House and served as hostess for Senior Citizen luncheons. Ann wants to teach Home Economics, and then be married.

**MISS GAIL ELIZABETH SCHNEIDER
MARSHALL UNIVERSITY**

Huntington, West Virginia • Hometown: Washington, West Virginia
Junior. Majoring in: English and Mathematics
Also studying: Education
Age: 20 Height: 5' 5" Medium brown hair, blue eyes

Gail has been named to the Dean's List every semester since entering college, and was invited to participate in the Honors Convocation for the past two years. She is a member of Alpha Lambda Delta and Sigma Tau Delta honorary societies. Gail has served as Treasurer of Alpha Chi Omega, has been a member of Student National Education Association, Who's Who Commission (Student Government), and the Panhellenic Scholarship Committee. Her campus activities have also placed her on the Book of the Semester Committee and the Campus Christian Center Cultural Committee. Swimming is her favorite sport. Oil painting, sewing and reading are her hobbies. She has done volunteer work for the Blood Drive and Easter Lily Sale, and has a part-time job tutoring high school students in mathematics. Gail's future: teaching, marriage.

Read the biographies above and choose your candidate for the National College Queen competition.

Your vote will help determine which girl will go on to the National Finals . . . and the time to vote is now!

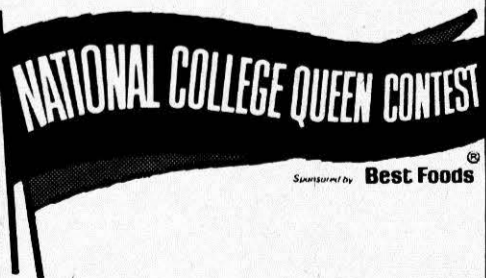

If you've already voted on campus, fine! If not, here's your chance to vote by mail. The winner becomes our State College Queen and wins a trip to New York, where she'll compete with Finalists from all the

other 49 states for the title of National College Queen. Each finalist will be presented on a television spectacular, June 16th at 10 P.M. on the NBC network.

Vote today! Just cut out the ballot below, print in the last name of the girl of your choice, put the ballot in an envelope and send it off air mail. All ballots must be postmarked by midnight, Saturday, April 29th to be counted.

Mail this ballot to: Post Office Box 1096, Brooklyn, N.Y. 11202

Running Of Jones, Defense Send Herd Past Alumni, 12-0

By **TIM BUCEY**
Sports Co-Editor
& **JOHN HACKWORTH**
Sports Writer

Behind the running of Charlie "Choo-Choo" Jones, Logan sophomore, and some good defensive play, the MU varsity won its second alumni-varsity football game Saturday, 12-0.

"I thought Jones ran real well," said Charlie Snyder, head football coach.

"We made a lot of mistakes, especially on offense, but for the most part our defense looked good," Snyder added. "We were glad to win."

Marshall scored its first touchdown after an interception and a series of running plays. Jim Mandeville, South Charleston junior, burst into the end zone for the first score of the game.

6-0 At Half

The rest of the first half failed to produce any real scoring threats, and the varsity led at halftime, 6-0.

Most varsity players agreed that the score was misleading in respect to the potential of the alumni. Bob Hamlin and Howie Miller completed 12 of 27 passes for 114 yards and Millard Fleming did some fancy running for the alumni.

"They really got tough in the second half," Snyder said. "That Miller hasn't lost his touch. I'm surprised he isn't playing for a professional team, even with his bad knee."

"They really hit hard," said Jones, Marshall's leading rusher in the game. "They still have plenty of football in them."

Wind A Factor

"There were a lot of big boys out there," Larry Carter, Dunbar freshman, said. "Jones was running real good. The wind was a big factor for our poor passing."

"I don't feel we played up to par," said Mike Coleman, Anstead

sophomore. "We made a lot of mistakes, but we'll be looking good by fall."

"They hit awful hard," said Jim Torrence, who played the entire first half. "I don't think we looked too bad even though we made some mistakes. Jim Gilbert was throwing the ball well."

Fleming, now playing professional football for the Charleston Rockets, and Jasper Wright, also a Rocket player, along with Jim Barton, the former Baltimore Colt, Dallas Cowboy and Denver Bronco, seemed to be the favorites among the crowd of approximately 1,500 at the Ceredo-Kenova field.

Quarter At Time

Fleming sat out the second quarter, and when fans began yelling for his return, the smiling former All-MAC back answered saying, "I can only play a quarter at a time."

Miller, an outstanding quarterback for the Herd last year, returned to the gridiron in fine form.

"That guy sure hasn't lost his touch," Snyder, his former coach, commented.

Sitting on the bench near the end of the game, Fleming had high praise for the Thundering Herd.

An Improved Team

"We were out of shape and only had two days to get ready but I think Marshall has a good club," the former Herd star said. "They seem to be a well poised club with good speed, depth, and a good coach. They should have a good season," he added.

Wright, one of Fleming's teammates in the Rocket backfield, said he thought the Herd was improved and a more balanced team.

"They've got drive and that's what it takes," the speedy back added.

Barton, a four-year veteran of pro football in both the National and American Football Leagues,

said Marshall looked good in spots but added, "They'll have a few holes to fill before the season starts."

"Marshall has about 15 good football players, but it takes 30 to win in the Mid-American Conference," Barton, now a scout for the San Diego Chargers, added.

A Big Business

What's the difference between professional and college football?

"Professional football is a business," Fleming said. "Teams are more stable and the games a lot rougher."

Wright, who said he has had a few disappointments with the Rockets but will try again this year, noted a big difference in the way the game is played.

"It is more a wide open game in the pros," Wright said. "In the pros you take chances like passing deep in your own territory but in college you wouldn't."

Alum Bob Lester Views Action

HERD BACK CHARLIE JONES (22) led the varsity attack on the Alumni defense. Jones was one of the top running backs in Saturday's game. Jones is a sophomore from Logan.

SCHEDULES SOON

Schedules for the fall semester should be ready by Monday, according to Robert H. Eddins, assistant registrar. Counseling for advance registration for the fall term will be Monday through May 13.

JOHNSON

Losing Weekend For Herd Sports

Falcons Sweep 2-Game Series; Win 5-4, 22-6

By TOM MURDOCK
Sports Writer

The Thundering Herd dropped a two-game MAC series Friday and Saturday to the Bowling Green University Falcons by scores of 5-4 and 22-6.

Herd hurler Tom Harris lost a heart-breaker Friday when Bob White, with two out and one runner on base, slammed his second home run of the day.

"You just can't get any closer," commented a dejected Jack Cook, head MU baseball coach.

"We had two out and two strikes on the batter. Tom had pitched a beautiful game — he deserved a win," Cook said.

The Herd led all the way until White's deceptive blow.

Wind Helped

"The wind caught that ball," said Cook. "Bill Blevins fell over that four-foot fence in center field trying to catch it but it was just out of his reach."

"I thought Lemley's home run was hit harder," he said.

Bob Lemley was the big hitter of the day for the Herd with three hits — a home run, a triple, and a single.

"I think the weather was one of the main factors in the other game," said Cook of Saturday's game.

Weather Noted

"It was 31 degrees at Bowling Green. They're used to that and we're not," he said. "I think that affected Paul Holley's pitching greatly."

Outfielder Horlin Carter was the only effective Herd batter with three hits in five at bats.

The Herd now has a record of 6-10 overall and 0-4 in the conference.

MU swings back onto the MAC circuit Friday and Saturday at Toledo University, Toledo, Ohio.

GAME CANCELLED

The Little Thundering Herd Baseball team's season opener Saturday with the Ohio University Bobkittens was cancelled due to rain Friday night. The Bobkittens and the Herd will clash on May 8 in a rematch with game time set for 3:30 p.m. at St. Cloud Commons. However, the new bout will consist of only one game.

Athletes 'Hanging' Slated For Union

There may be a few "hangings" in the Student Union between now and Mother's Day.

Those being "hung": Andy Socha, Steubenville, Ohio, senior; George Stone, Covington, Ky., junior; Bob Redd, Louisville, Ky., junior; Joe Feaganes, Huntington senior, and Carl (Rocky) Nelson, Peekskill, N. Y., senior.

Their "crimes": being named all-Mid-American Conference this past year in their respective sports — Socha for foot ball, Stone and Redd for basketball, Feaganes for golf, and Nelson for baseball.

The men, or rather their pictures, will be hung alongside those former all-MAC athletes from MU already hanging in the Union.

The pictures are a project of the Athletic Affairs Commission of The Robe, men's leadership fraternity.

Member Places In MAC Relays

GARY PRATER, Huntington senior, and one of the four members of the distance medley team, along with Pete Lowe, Logan junior, Roger Dunfee, South Point, Ohio, junior, and Ed Berry, Huntington sophomore, was the only team to place in the MAC relays held at Bowling Green State University Saturday. The team finished fifth in the event.

OSU Wins Tourney

Linksmen Finish Last

By JAMES CAMPBELL
Sports Writer

The Thundering Herd golf team fell to a last-place finish Saturday in the Ohio State Invitational golf tournament.

First place honors were won by Ohio State with a team score of 777. Purdue finished second at 788 followed by Indiana 789, Notre Dame 800, Michigan State 803 and Marshall 818.

Medalist honors for the meet were won by Jeff Perry of Ohio State. The best Marshall score was Pete Donald's who fired rounds of 77 and 82 for a 159 total. He was followed by Ken Bowen at 161, Dave Carter and Brecht Peoples at 166, Dick Shepard at 169 and Jeff Billie 172.

The losses moved the team's season record to 6-10. The Mid-American Conference record still stands at 2-0 with wins over Bowling Green and Kent.

"Ohio State was a real tough team," said squad member Jeff Billie, Emmaus, Pa., sophomore, "and playing on their home course made them ever tougher."

Billie also commented on the weather conditions.

"The wind was terrible and that made the shots hard to play. There were tornado warnings up even while we were playing," he said.

The team will return to action Saturday in a triangular match with Kent and Youngstown University at Kent, Ohio.

The leading teams in water polo are Pi Kappa Alpha, Sigma Alpha Epsilon, Pi Kappa Alpha Two, Tau Kappa Epsilon, Lambda Chi Alpha and Alpha Sigma Phi.

Thus far, tennis singles leaders are Fire One and Two, Sigma Phi Epsilon One and Two and Pi Kappa Alpha.

The leaders in handball singles are Sigma Alpha Epsilon — One, Two, and Three and Sigma Phi Epsilon.

ART EXHIBIT

Members of the faculty of the Art Department have entered works in the Exhibition 180 to open Sunday at the Huntington Galleries.

Thinclads Thump UK, Bow To B G In MAC

After defeating the University of Kentucky Thursday in a dual meet at Fairfield Stadium, 87-58, the Thundering Herd thinclads managed to place in only one event in the Mid-American Conference relays at Bowling Green State University.

Up against rough competition and without the aid of Jim Davidson, Logan sophomore, and jumping specialist, who had illness in his family, Mike Coleman, Anstead junior who played in the varsity-alumni game, and Mickey Jackson, Harpers Ferry senior who was injured, the thinclads managed only to place fifth in the distance medley relay.

Relay Team Places

The relay team of Ed Berry, Huntington sophomore, Gary Prater, Huntington senior, Pete Lowe, Logan junior, and Roger Dunfee,

South Point, Ohio junior, captured the only place in the relays.

In the Kentucky meet, which was Marshall's fourth dual meet victory against no defeats, the thinclads swept all three places in the 100 yard dash, the discus and shot put, along with setting school records in the mile-relay and three-mile run.

Greg Connolly, Buckhannon freshman, set the new three-mile record with a 15:32.2 clocking—six seconds better than the winning varsity time. His win did not count for points since he was a freshman.

Breaks Record

The mile-relay team of Berry, Lowe, Dunfee and Earl Jackson, Wayne senior, ran the distance in 3:25.2 which is two-tenths of a second off the old record.

Coleman, Jackson and Larry Parker, Huntington junior, swept all three places in the 100 yard dash.

"We had our worst day at Bowling Green," said Dr. Michael Josephs, professor of physical education and track coach. "I was surprised we won by so much against Kentucky."

The thinclads will go to Morehead State University today to participate in a triangular meet with Morehead and Ohio University.

"Morehead and Ohio are good and have a lot of depth," Dr. Josephs said. "I don't think we'll do as well as we do in our dual meets."

Dollgener Resigning

By LARRY MAYNOR
Sports Writer

Dr. Robert Dollgener, assistant professor of physical education, is resigning.

Dr. Dollgener, a native of Dallas, Tex., earned his B.A. degree from Southern Methodist University, his master's degree from North Texas State and his doctorate from Indiana University.

Dr. Dollgener's resignation is effective June 1, 1967. He will become chairman of the Department of Health and Physical Education and Director of Athletics at Glenville State College next fall.

"At MU I've only been concerned with three or four aspects of the physical education program," said Dr. Dollgener. "At Glenville, I will be concerned with the physical education and athletic programs in total."

"I will move into an administrative position at Glenville," said Dr. Dollgener, "which will give me experience in that area."

Dr. Dollgener said the biggest problem he has faced at MU in running the University's intramural program was money. "We don't have enough outdoor athletic space, and our staff isn't large enough," he said. He noted these problems were the result of a lack of money.

Dr. Dollgener said his decision to leave the University was a difficult one to make.

"I've been very happy at the University and the University has been very good to me," said Dr. Dollgener. "I think the University and the students have a great deal to be proud of. I'll continue to have loyalty to MU and an interest in its growth."

Netmen Drop Two

MU's tennis team dropped two matches last week, to Morehead State and Ohio University, bringing the Herd's record to 1-5-1.

MU now stands 0-2 in the Mid-American Conference and is yet to score a point against MAC foes. Both Kent State and OU have blanked the Herd, 9-0. Friday, MU travels to Bowling Green to meet the team Coach John Noble considers the second-best team in the conference. Then, on Saturday, the Herd goes to Kalamazoo, Mich., in a match against the Broncos of Western Michigan.

Next week MU faces Xavier on Tuesday before playing pre-season favorite Toledo at home on Friday.

contact wearers

Lensine's special properties assure a smoother, non-irritating lens surface when inserting your "contacts." Just a drop or two will do it. When used for cleaning, the unique Lensine formula helps retard buildup of contaminants and foreign deposits on the lenses. It's self-sterilizing and antiseptic. Ideal for wet storage or "soaking" of lenses. And you get a removable lens carrying case with every bottle. Lensine is the one solution for all your contact lens problems.

Fraternity Places 2nd In Regatta

By PETE SWAIN
Staff Reporter

Anxiety mounted, nerves grew taut as race time approached for the Second Annual Oil Drum Regatta, held Saturday at West Virginia Institute of Technology.

The start was important because the first boat to reach the main current of the river had a decided advantage. The boat had to be propelled as fast as possible until we got into the current. This was a gamble, because the sprockets that hold the chains on the paddle wheel had broken once before. Without our paddle wheel in operation we were sure losers.

The Race Begins

The gun sounded and the race started. Two boats were in front of us as we turned into the main current. The first raft was approximately 100 yards in front of us, the second boat about 25 yards away.

We passed the second place boat within a mile of the start; then a near disaster struck. We hit a rock in the first set of rapids. At the time I was working one of the hand cranks that turns the paddle wheel. Upon impact, I was thrown clear of the boat and into the water. Two of the other crew members were thrown into the water. All of us made it back on board thanks to the other three crew members.

Two To Beat

At this early stage in the race the first three rafts led by a comfortable margin. From our standpoint we had two boats to beat.

The race continued this way for the next six miles. The many hours of planning and designing were over. It all boiled down to one thing, a test of physical stamina.

As the race entered its final stages a surprisingly strong wind came up. The wind blew against the current, making headway a real struggle. Through determination alone we were able to pass the second place boat.

The finish line was just around the next bend. We were picking up on the first place boat, but time was running out. The wind was stronger, and our chances looked bad.

Unable to overcome the wind and the length of their lead, the race ended. The winning boat was from Tech.

Although we did not win the big trophy, we did win. Our raft finished second out of 45. We received a trophy for the first outside entry to finish.

Election, Pledging Held By Honorary

Election of officers and pledging ceremonies were held Thursday by Alpha Lambda Delta, freshman women's honorary.

Officers are: Louana Tucker, Mt. Zion, president; Myra Nicholas, Grantsville, vice president; Becky Lux, Parkersburg, treasurer; Suzanne Wood, Clifton Forge, Va., secretary; Ginny Pitt, Huntington, historian; Nancy Stover, Beckley, editor; Linda Morris, Huntington, junior adviser, and Margaret Chambers, Huntington, senior adviser.

The four new pledges are: Susan Darst, Pt. Pleasant, Cynthia Holderby, Proctorville, Ohio, Nancy Stover and Suzanne Wood.

Activation ceremonies will be held at 7:30 p.m. tomorrow at the Honors House.

The annual banquet will be held May 6. Reservations will be accepted after the activation.

Huck Finn And Friends?

LAMBDA CHI ALPHA came in second out of 45 homemade boats at the Second Annual Oil Drum Regatta, sponsored by West Virginia Tech. The race was Saturday.

Senators Split On Twice-Defeated Issue; Debate Is Expected Tonight

By PAUL SMITH
Staff Reporter

One particular issue could draw wide interest and debate in tonight's Student Senate meeting: a previously twice-defeated proposal to publish a regular report of the activities of each senator will be brought up again, in a different form tonight.

The new proposal will provide that the Public Relations Committee

will ascertain, organize and report all current, official activities of each senator. The report will include only legislation introduced, work done on standing committees and special committees, special projects and personal initiative.

Monthly Report

The committee will give copies of this monthly report to all organizations now receiving the Senate synopsis and the information will be made available for inspection by any student. However, upon request of any senator, his part of the report will be dropped from the list. The first report would be made before the end of the present semester.

The decision to bring up the proposal grew out of recent charges by some senators that the majority of senators are afraid that such a report will make them appear grossly unqualified and in severe neglect of their duties and responsibilities to the student body.

Linda Lycan, junior senator from Ft. Gay, said the idea was not to establish a rating system, but simply a self-evident, factual report.

"Any official work a senator does can be made tangible," she said, "even discussion with students. But, some senators don't do anything."

Matheny Agrees

Vice President Paul Matheny, who also supports the general idea, said most senators are "afraid — very afraid. I feel there will be a

move on this campus pretty soon to improve the quality of Senate work by those activist members who are tired of being held down by those who just come in and sit."

The current activity report is also favored by Senators Larry Sonis and Harry Bruner. Sonis said the new plan is a matter of "information and not politics." He said the report would be factual rather than opinionated.

"By knowing which senators were involved in which areas, a student would know which senator it would be best to contact," Sonis explained. "The true good of the resolution is public awareness and not personal humiliation."

Some Oppose

Senators Tom Johnson, Philadelphia, Pa., senior; Susan Mead, Irvington, N. J., sophomore; Ron Beatty, Weirton junior, as well as President Farrell opposed the first two similar proposals. They offered arguments that the faith the electorate had in its senators should show that the leaders had proven their integrity. They said the old plan would create dissension within the new Senate. It was noted that the United States Senate did not use such a plan, and that the work of senators was widely played in The Parthenon. They said that much senate work could not be made tangible.

However, Senator Harry Bruner said he saw the plan as a sort of a "Congressional Record" for the MU Senate.

"A senator's legislative record and committee work that is open for public scrutiny can be a two-edged sword. It can make you or break you at election time. I feel this is where the main opposition is coming from."

Union Waitresses Oppose Beer Sale

Several Shawkey Student Union employees have threatened to resign from their jobs if beer is sold in the Union.

Mrs. Robert Miller, a waitress, said that there were plenty of other places to drink beer and the student union is the only good place for students to bring visiting parents at the present time. Mrs. Miller also said that she would quit if beer is sold during her working hours, or else, refuse to serve it. Mrs. Miller has a son that attends Marshall.

Mrs. Oeda Templeton said she also would resign if beer is sold any place in the Union at any time. Mrs. Stella Ashworth another waitress, stated that she would quit no matter what hour beer was served.

Another waitress interviewed, who wished to remain anonymous, was against beer — but only on her hours — and Mrs. Helen Wells, assistant manager, said that there were enough places elsewhere to drink beer, and that she didn't want any part of it, and would resign if confronted with the situation.

Mrs. Neddy Albright, another Union waitress, stated that since beer was sold everywhere else, it shouldn't create a great deal of problems here and the students would have a nice clean place to drink beer. Another anonymous waitress agreed with her and one other gave no opinion.

Mr. Don Morris, the manager of Shawkey Student Union, stated that at the present time, the Union had inadequate facilities for serving beer and suggested — if President Smith's approves — that it would be a good idea to wait until the new University Center was built and have a rathskeller (special cellar room to serve beer) set aside for this purpose.

Committee Seeking Cafeteria Policies

The food service committee Friday sent questionnaires to all the Mid-American Conference schools.

The purpose of this questionnaire is to find out if their cafeteria policies are similar to Marshall's. Some of the questions asked were: Are mealbooks transferrable; can girls wear shorts or slacks to the dining hall; and is it compulsory to buy a mealbook if a student lives in a dorm.

The committee obtained a list of all the dormitories on each MAC campus and sent questionnaires to 15 at each school. The committee sent 10 forms to the housing director of each hall and requested that the forms be given to students to fill out. These forms will then be sent back to the food service committee.

Radio Station Adds Program On MU Senate

By JIM CARNES
Staff Reporter

A new program, "Senate Forum," featuring a discussion of student government activities, has been added to the program schedule at WMUL-FM, according to Mike Rooney, York, Pa., junior and special program director.

"Senate Forum" is broadcast on Tuesdays and Thursdays at 10:30 p.m., Rooney said, and is repeated Sunday at 9 p.m.

Paul Matheny, Charleston junior and student body vice president, is a regular guest on the program, along with a different senator each week. Rooney acts as a moderator and interviewer on the program, he said.

"Senate Forum" is WMUL's second public affairs program on student government. Two weeks ago, "Your Student Government Speaks," was begun, featuring an interview with Mike Farrell, Huntington junior and student body president.

Rooney said that although both programs started on a trial basis, they will become regular features next fall. The main reason for this, he said, is to get students interested in their student government.

"I find it very disgusting that so few students care about their student government," he said. "They seem to think it is one big popularity contest and that is not worthwhile."

"Mike Farrell and Paul Matheny are the hope of better student government in the future," Rooney said, "but they need the support of all the students."

Rooney emphasized that both of the student government programs are re-broadcast Sunday between 9 p.m. and midnight for persons who may have missed the regular broadcast.

Do You Want ...

MONEY FOR FUTURE FAMILY RESPONSIBILITY?

If you're like most young men, marriage will probably be your next big step. And marriage means increased responsibilities. It's a good idea to start building a cash reserve now to provide for those future family responsibilities. A life insurance program started now, when rates are lowest, offers a unique solution to this problem. I'd like to discuss such a program with you at your convenience.
