MARSHALL COLLEGE STUDENT NEWSPAPER

VOL. 59

HUNTINGTON, W. VA.

WEDNESDAY, FEB. 10, 1960

NO. 36

## Delegation Meets Governor Underwood

STUDENT GOVERNMENT REPRESENTATIVES standing around Governor Cecil Underwood are L. D. Egnor, junior senator from Huntington; Ray Bane, Student Body vice-president from Huntington; Michael O'Kane, Secretary of Athletic Affairs from Parkersburg; Laddonna Crockett Crotty, Secretary of Publications and Publicity, from Matewan; Gloria Brothers, Secretary of Social Affairs from Huntington; John Karickhoff, Student Body President from Spencer; Bobby Nelson, senior senator from Whitesville; and Howard Sutherland, senior president from Matewan.

## Musical Convocation Slated

Joseph Eger's world-renowned chamber ensemble, The Eger Players, featuring the French horn with cello, violin, and piano, will be presented here Thursday at 11 a.m. in Old Main auditorium.

Founded and directed by internationally acclaimed French horn soloist Joseph Eger, The Eger Players have been touring Europe and the United States for four seasons, offering a distinguished repertoire of great music for this unique instrumentation, ranging from baroque to contemporary, from Handel and Haydn to Hindemith, through Brahms and Beethoven to Benjamin Britten.

This season, renowned cellist and distinguished pupil of the great Pablo Casals, Madeline Foley, who, in the words of the New York Herald Tribune, "is without a peer among the women cellists now in our midst", joins the Eger Players.

"The rich, romantic sound of Joseph Eger's French horn playing," as the New York Times so aptly describes it, combined with Madeline Foley's "passionate intensity", the rare "sensitivity and superb technique" of noted violinist Dixie Blackstone (who is Mrs. Joseph Eger), and the remarkably vital and gifted keyboard artistry of the young pianist Lawrence Smith, add up to an impressive performance which firmly establishes The Eger Players among the great chamber ensembles of the time.

Acclaimed one of the greatest living performers on the French horn, Joseph Eger, through his world tours as soloist with leading orchestras and in chamber

music, through his dedicated researches into the great literature for horn, past and present, has brought the French horn into prominence as a concert instrument.

Recently returned from another successful tour of Italy, Sweden, Finland and Germany, Mr. Eger is currently a member of the faculty at the Peabody Institute of Music in Baltimore. He has been artist-in-residence at the Aspen School of Music in Colorado for five summers, and his

best-selling album "Around the Horn" will soon be followed by the release of his recordings of Beethoven and Brahms.

Cellist Madeline Foley, has participated in all of the famous festivals under Casals' direction, has toured the capitols of Europe and the United States regularly, winning ovations for her "spirited . . . brilliant . . . magically beautiful" interpretations (Munich).

Although each member of The Eger Players is a top-flight virtuoso soloist on his own, the "warm personal rapport" of sensitive musicianship among them, of ensemble playing at its best, makes of the chamber group a "vital living organism . . . producing one of the most tantalizing of chamber music sounds" (Musical Courier).

## Coeds Vying For Title Of Miss ROTC

By SUSAN ATKINSON  
Society Editor

The ROTC Company sponsors have been chosen.

They are: Company A, Marilyn Harper, Huntersville junior; Company B, Susan Daugherty, Huntington junior; Company C, Carolyn Chapman, Huntington freshman; Company D, Pam Butler, Glenwood freshman; Pershing Rifles, Carol Ann Wilkes, Huntington freshman; Headquarters, Marcia Ann Eddy, Huntington freshman.

These women are candidates for the title of Miss ROTC. Miss ROTC will be elected during the third week of February and will be crowned at the Military Ball. The Military Ball will be held Feb. 27 at the Hotel Prichard from 8 p.m. to 1 a.m.

Under the new system, sponsors of individual companies will be elected on an annual basis. They will participate in all company parades and activities. Each sponsor is voted on by the Battle Group and the winner is chosen to be the Queen of the Military Ball.

Mrs. Carolyn Robertson O'Kane, Glen Rodgers junior, was last year's Miss ROTC. Under a new policy, special personal gifts are to be given to each outgoing queen. Mrs. O'Kane was presented a silver tray by Mrs. Thomas M. Ariail, wife of Lt. Col. T. M. Ariail, professor of military science and tactics.

## Principal Speaker At Graduation Set

### Dr. John Thompson, Chairman Of Inco, Will Give Commencement Address

By FRANK CHILDERS  
Staff Reporter

Dr. John Fairfield Thompson, chairman of the International Nickel Company of Canada, and chairman of the International Nickel Company, Inc., has been designated as commencement speaker for the graduating ceremony in May.

Dr. Thompson was born in Maine in 1881. He attended the School of Mines, Columbia University, receiving his B. S. degree in 1903 and his Ph. D. degree in 1906. Dr. Thompson also received an honorary degree of Doctor of Science from Columbia University in June 1950, and an honorary degree of Doctor of Laws from Queen's University in May 1954, and from Bowdoin College in 1959.

DR. JOHN THOMPSON  
... Graduation Speaker

For his distinguished engineering achievements, he was awarded the Thomas Eggleston Medal of the Columbia University Engineering Schools Alumni Association in 1944 and in June 1957 he was presented with the Columbia University Alumni Medal. He was the recipient of the Charles F. and Memorial Medal for 1958 awarded by the American Institute of Mining, Metallurgical and Petroleum Engineers for "distinguished achievement in mining administration," and in May 1958 he received the Gold Medal of the Institution of Mining and Metallurgy, London, for distinguished services in metallurgical science, research and practice.

Dr. Thompson joined Inco in 1906 to design and operate a

research laboratory of the Company's Orford Works for the investigation of the potentialities of monel nickel-copper alloy which had just been developed. In charge of all research and technical activities on monel and malleable nickel and head of all field and outside plant operations from 1960 to 1918 he established and became manager of the first Technical Department which was a forerunner of International Nickel's present development and Research Division.

Prior to his association with The International Nickel Company, Dr. Thompson was Assistant in Metallurgy at the School of Mines, Columbia University.

## They're Vying For Miss ROTC Title

THE ROTC COMPANY sponsors and candidates for the title of Miss ROTC are (left to right): Pam Butler, Glenwood freshman and Co. D sponsor; Marcia Ann Eddy, Huntington freshman and Headquarters sponsor; Carol Ann Wilkes, Huntington freshman and Pershing Rifles sponsor; Marilyn Harper, Huntersville junior and Co. A sponsor; Susan Daugherty, Huntington junior and Co. B sponsor; and Carolyn Chapman, Huntington freshman and Co. C sponsor.

## Cookery Class Starts Serving Meals Feb. 10

The Quantity Cookery class will begin serving meals Feb. 10.

Lunches will be served from 11:30 until 12:15 Tuesday through Friday. Price will be \$.50.

Faculty, staff and students may take advantage but there will be a limit of 40.

Reservations must be made immediately and can be done by calling Cleo Margaret Gray, associate professor of home economics, at extension 49.

## Senators Back Honor System

The Student Senate accepted the Honor Commission's plan to institute the honor system in the ROTC and Philosophy Departments, but not without debate.

Bill Harmon, freshman senator from Huntington, introduced opposition to the plan. He called the freshman class in ROTC "morally loose" and commented that accepting the plan would be unfair because while the freshman class in ROTC might vote to accept the honor system they would not abide by it.

Bobby Nelson, senior senator from Whitesville, said he did not really consider ROTC with its military emphasis a department of the college. He also stated that since the Philosophy Department was one of the smallest in the college, it was not representative enough to be used on an experimental basis.

Steve Ewing, Freshman president from Charleston, defended the ROTC freshman class, noting that the students were generally in favor of an honor system.

L. D. Egnor, junior senator from Huntington, told the senate that the ROTC department itself was in favor of an honor system.

### COX SERVES ON PANEL

Donald D. Cox, chairman of the Science Department, served on a panel conducted by the American Association for the Advancement of Science Jan. 31—Feb. 2, in Washington, D.C.

The panel met to consider applications for the Summer Fellowships for Secondary School Teachers of Science and Mathematics, according to Dr. Cox.

"The National Science Foundation, sponsor of the summer institute, will award several of these fellowships March 15, to teachers of science and mathematics in American secondary schools," Dr. Cox said.

### ODK INITIATES SIX

Omicron Delta Kappa, men's honorary leadership fraternity, initiated six men Sunday, Feb. 7 in the Science Hall Auditorium.

They included Mike O'Kane, Parkersburg senior; Tom Clay, Ashland senior; Richard Kyle, Huntington senior; Tyson Cobb, Huntington senior; David Huffman, Huntington junior; and Jack Wortman, Huntington junior.

Officiating in the ceremony were Dave Peters, president; Walter Felty, faculty advisor, Dr. Donald Cox, faculty secretary, Dr. Baynard Green and John Karrickhoff.

**Joseph Eger**

**THE JOSEPH EGER Players will appear at Thursday's Convocation program at 11 a.m. in the Old Main Auditorium.**

## Platter Sales To Aid Fund

Company C of Battle Group will sell the record "Molly Dee" by the Kingston Trio, in support of the March of Dimes, today in the Student Union.

The 45 rpm record will sell for 50 cents, one-half of the regular price. Two-hundred copies of the recording are available. Cadet Capt. Jon Pinson, Huntington senior, said he expects them to go fast.

Recordings of the song, 1,500 in all, are being distributed in the Huntington area by high schools, junior high schools and Company C.

The money from the sale of each record will go to the March of Dimes.

The record was released in January and donated by the Kingston Trio through Capital Records to the March of Dimes. This is the only way a copy may be purchased as a single. The record stores only have it on a long-playing album.

## LUCKY STRIKE presents

# Dear Dr. Frood:

## FROOD TELLS HOW TO CLEAN UP ON YOUR LAUNDRY

(see below)

**Dear Dr. Frood:** I told my girl I was in love, and she laughed. I told her I wanted to get married, and she laughed. How can I make her realize that I'm serious?  
*Serious*

**Dear Serious:** Marry someone.

**Dear Dr. Frood:** I have been having trouble sleeping at night. Do you think it could be because I drink coffee?  
*Wide-Eyed*

**Dear Wide-Eyed:** Possibly. It's very difficult to sleep while drinking coffee.

**Dear Dr. Frood:** A lot of the guys complain because their mothers don't pack their laundry boxes properly. Is there a certain way they should be packed?  
*Spokesman*

**Dear Spokesman:** Indeed there is. Clip out the instructions below and mail them to your mother.

Clip and Mail

**Instructions:**

- Place bills of varying denominations in shirt collars (A) to keep them stiff.
- Wrap socks around rolls of dimes (B) to keep them from getting mislaid.
- Place other change in pockets (C) of khaki pants. This way it won't roll around and rattle in the box.

**Dear Dr. Frood:** Do you believe in the old adage, "Choose a girl by ear rather than by eye"?  
*Shopping*

**Dear Shopping:** This maxim is indeed a fine guide for any young man who is looking for a girl. But while choosing by "ear rather than by eye," he should also make sure she has two of each.

**Dear Dr. Frood:** Every night I come home tired and I find the house in a mess. There are dirty dishes and pans in the sink, and clothes are thrown all around. I'm fed up. What should I do?  
*Married Student*

**Dear Married Student:** You should notify the police. Someone has obviously been there.

**Dr. Frood, Ph.T.T.**

**Dear Dr. Frood:** How far ahead should I call for a date?  
*Straight Arrow*

**Dear Straight Arrow:** It depends. Some girls must be called at least a week in advance. With others, you just holler as you enter the dorm.

**Dear Dr. Frood:** My husband is an absent-minded college professor. He went out 7 years ago to buy a pack of Luckies and hasn't returned yet. I don't know what to do.  
*Patience*

**Dear Patience:** Better buy another pack. He's probably smoked them all by now.

## COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

### Moody Sparks Big Green Quint

**BRUCE MOODY, STAR Big Green forward and all-around clutch player, may get his big chance of pushing the Marshall quint to a winning season after scoring 19 points against OU and grabbing 18 rebounds.**

## Spoiler Role Looming For Big Green?

By **RON HUTCHISON**  
Sports Editor

Virtually out of the race for MAC laurels, Coach Jule Rivlin's Big Green could take the role of spoiler this week.

Saturday Marshall will host twice-beaten Toledo University. Earlier this season the Rockets downed Marshall 61-53 at Toledo. The Big Green, with a win over Toledo, could put the "quencher" on any hopes by the Rockets to take the MAC cage crown.

Marshall's scrappy team defeated the tall Portland Pilots last Friday 72-60. The game saw the Big Green's fast break, spearheaded by Lou Mott, in one of its best performances of the season. John Milhoan, Bob Burgess and Mott tied for high point honors with 18 apiece.

The nemesis of every basketball team, fouls, finally caught up with the Big Green last Saturday at Ohio University.

Committing 25 fouls, the Rivlinmen lost a close conference clash to the Bobcats 86-82. Four Marshall starters, Milhoan, Burgess, Mott and Tex Williams were lost via the foul route in the wild and woolly affair.

Milhoan, who played most of the second half with four fouls, garnered 29 points to take down scoring honors for the Big Green. Bruce Moody, the fifth starter, dunked in 19 markers.

#### LOAN CHECKS ARE IN

National Defense student loan checks are in and should be picked up at the comptroller's office as soon as possible, Dr. Harold Willey, dean of men, announced.

## Trimboli And Michel Gain Tom Dandeleet Scholarships

Donald M. Trimboli, Huntington senior, and James E. Michel, Grafton sophomore, have been awarded the Tom Dandeleet Scholarship for the second semester.

In its second year at Marshall, the Dandeleet Scholarship awards \$500 per year to an athlete recommended by the student Aid Executive Board and the Marshall Athletic Department. This year's recipients will receive \$250 each.

Trimboli is a graduate of Huntington Vinson High School where he was chosen for All-State honors in his senior year. A senior, he is majoring in biological science and physical education.

Michel graduated from Grafton High School, where he was All-State end in football. The 20 year-old sophomore, who started two games for the varsity this past season, is major-

ing in physics and has a 3.3 average.

The Tom Dandeleet Scholarship was founded by Joseph Silverman, former Huntingtonian, who played football under the coaching of Dandeleet. Mr. Silverman now owns and operates the Glove Laundry Service in Lincoln, Neb.

Dandeleet was head of the Department of Health and Physical Education here from 1935 until 1950, when he died of a heart attack. Dandeleet coached at Ceredo-Kenova high school before coming to Marshall.

Vernon Howell, May '59 graduate of Marshall was the last recipient of the Dandeleet Scholarship.

#### CAGE TOURNEY SET

Practice schedules have been compiled for the women's intramural basketball tournament which began February 8.

Teams participating are: Alpha Sigma Alpha, Alpha Xi Delta, Alpha Chi Omega, Delta Zeta, Sigma Kappa, Sigma Sigma Sigma, College Hall, Laidley Hall, Freshman Dorm, Societas and Independents.

In other action, the badminton tournaments have begun and the quarter finals will be played this week.

## Jumping - Jack Adds Strength To Lineup

By **KEITH WALTERS**  
Sports Writer

Talented Bruce Moody, 6-2 junior from the Bronx in New York, may be able to give the Marshall College basketball team a much needed shot in the arm to complete the season with a winning record.

Moody gave the Big Green a boost against league-leading Ohio University Saturday night when he played the full 40 minutes, scoring 19 points and grabbing 18 rebounds against the taller Bobcat quintet.

When asked about his strong rebounding strength, the 6-2 junior, who weighs a light 165 pounds for a rebounding wizard, replied that he credits his strength under the backboards to his timing and strong legs.

(Second of a Series)

Moody first became interested in the cage sport when his high school coach, Arthur Goldstein of Morris High School, felt that he had good, strong legs that would help his team tremendously. Moody played three years of high school ball at Morris, averaging about 21 points a game in his senior year.

When Moody hits a "cold" streak during a game, he will "let the coach try to correct his shooting and overall team play."

Bruce feels that the 1959-60 edition of the Big Green is one of the best ever that has played in the name of Marshall. He credits the success to teamwork, implying that it takes more than one man to push a quintet to a winning season.

"Up until now, I didn't even know that I would get to play" was Moody's reply when asked how he felt he would do before a game. He added that it is quite hard to come off the bench and play a good game, such as he did Saturday night.

The easy-going junior feels that the Big Green will win the remaining five games. Moody added that he feels "pretty sure about the Toledo game" Saturday night.

Concerning next year, Moody said that Marshall has a "very good chance of taking the conference." He feels that the Big Green will have enough experience to win the MAC championship.

## Keadle Cops Archery Title

Action in the intramurals continued with contests in archery, chess, bridge, and handball last week.

In the archery contests John Keadle took the championship with 522 points out of a possible 648. Following close behind Keadle was Frederick Robinson with 510 out of a possible 648. Harley Hainer was third with 494.

The chess championship was won by the TKE as Stan Boose defeated Todd Fugate of PKA by a score of two checkmates to one.

Bridge was dominated this week by the PKA. Bob Reed and Jerry Harlow of the PKA captured the championship from Jerry May and Bob Payne of the SAE with a final score of two games to one.

The restricted handball doubles for handicapped students were won by Charles Conley and Ben Murphree, both Independents. Conley and Murphree defeated Ted Hall and Mike Ellis by a score of 1-5, 5-3, 5-1, to end intramural action for the week.

# Legislators Impressed By Student Delegation

By BRUCE GRUBER  
Staff Reporter

Two top legislators, Ralph Bean, president of the West Virginia Senate, and Harry Pauley, speaker of the House, declared that Marshall's bid for university status would most likely gain legislative acceptance if and when the State Board of Education accepts President Stewart H. Smith's recommendations, according to Student Body President John Karickhoff.

Karickhoff and eight other student government representatives received this view in 20-minute talks with both lawmakers.

The reasons for such optimism is that it is legislative policy to accept recommendations made by the State Board of Education.

In his discussion with the delegation, Bean declared that he knew of no opposition now existing in the senate toward university status.

The group talked with about 40 lawmakers and made a favorable impression on them, according to Karickhoff, Spencer senior. They were introduced individually in both houses and given the privileges of the floor.

The student representatives also interviewed Gov. Cecil Underwood, but discussion dealt largely with higher education and state politics.

Commenting on the students' trip, President Stewart Smith noted that he had since talked to some of our local legislators who told him they were quite pleased with the impression the student group made while at the capitol.

## Honors Earned By Ten Grads

Ten seniors graduated with honors at the close of the first semester.

All January graduates will receive their degrees at the spring graduation ceremony.

There were no summa cum laude graduates—those students with a 3.85 or above over-all scholastic average—in the January graduating list.

Six students will receive magna cum laude honors—3.6 to 3.85 average. They are:

Gary Lee Adams, Huntington; Barbara Dunn Ball, Huntington; Betty Marshall Graham, Walker; Rebecca Martin Jackson, Ashland, Ky.; Oral Marilee Taylor, Newton; and Linda Matheny Turner, St. Albans.

Those receiving cum laude honors—3.3 to 3.6 average—are:

Dallas Eugene Lawhun, Huntington; Ivan Delmar Mielke, Prairie, Minn.; Judith Gail Napier, Williamson; and Patricia Ann Shumate, Flatwoods, Ky.

## Hitchhikers Subject To Arrest—Frazier

Huntington Police Chief Herman Frazier has issued orders that all persons seen soliciting rides within the city limits will be subject to arrest. Warnings will first be used, followed by arrests, he said.

Violation of this order can bring up to a \$100 fine, 30 days in jail, or both.

Chief Frazier said that he didn't want to inflict hardships on those who used this means to go to and from school, but the number of complaints left him no alternative. He also said that this law doesn't apply to taxis and other common carriers.

# Group Readies 'The Heiress' Cast Selected; Semester Rush Scheduled For March 23-25

Tentative plans for second semester rush have been set up by the Panhellenic Council with rush beginning Feb. 18.

To be eligible to rush, a girl must not be on probation or warning and must have a 2.00 average. She is also required to sign the Panhellenic rush book in the Dean of Women's Office any time before Feb. 18.

The six sororities will hold coke parties Feb. 18 through Feb. 20.

Each sorority will have one regular rush party. The schedule is as follows: Feb. 23, 6:30, Delta Zeta; and 8:30, Alpha Sigma Alpha; Feb. 24, 6:30, Sigma Sigma Sigma; and 8:30, Alpha Xi Delta; Feb. 25, 6:30, Alpha Chi Omega; and 8:30, Sigma Kappa.

Rushees must pick up and turn in preference slips at the Dean of Women's Office between 8 a.m. and noon, Feb. 26.

The silence period starts 10 p.m. Feb. 25 and ends at noon Feb. 26.

Sororities will pick up bids and deliver them at noon, Feb. 27.

The cast of "The Heiress," College Theatre's next production, has been selected. The period valentine is to be presented March 23-25.

Leading roles are shared by Betsy Rucker, Huntington sophomore; Joe Hughes, Moundsville freshman; and guest actor William Kearns, instructor of speech.

The play centers around Catherine Sloper (Miss Rucker), a shy and plain young girl, who falls desperately in love with Morris Townsend (Mr. Hughes), a delightful young fortune hunter.

Dr. Austin Sloper (Mr. Kearns), a successful doctor and Catherine's father, seen through the romance and joins the conflict.

The play, which takes place in New York in the 1850's was written by Ruth and August Goetz. It is a dramatization of the novel

**UNION ACTIVITIES**  
The following activities have been planned for the Student Union this week according to Don Morris, director. Wednesday, Feb. 10 there will be a free mix; Friday, the movie "Gunfighter" starring Gregory Peck, Jean Parker and Helen Wescott; and Saturday night a mix after the Marshall-Toledo basketball game.
