MARSHALL COLLEGE STUDENT NEWSPAPER

VOL. 59

HUNTINGTON, W. VA.

FRIDAY, MARCH 18, 1960

NO. 47

## Parents Now Due May 6-8

Parent's Weekend has been moved to May 6-8. It had been previously announced that the event would be on the weekend of April 29-May 1.

L. D. Egnor, Huntington junior, and chairman of the committee on Parent's Weekend, said, "the original reason for planning Parent's Weekend on April 29-May 1 was that the high school band festival will be in Huntington on May 6-7. The committee surmised that hotel accommodations would be taken by band members and that many people would be taken away from activities here to view the bands."

The reason for changing Parent's Weekend to May 6-8, was to coincide with the annual "Mother's Day Sing", sponsored by Interfraternity Council and Pan-Hellenic.

Earlier, the IFC had approved a proposal to move the Mother's Day Sing up one week to the original dates for Parent's Weekend, and to call it Parent's Sing.

Pan-Hellenic, however, rejected the proposal on the grounds that it would be detrimental to the traditional Mother's Day Sing if the sing were not held on Mother's Day.

In a second consideration Wednesday, both the IFC and Pan-Hellenic voted to retain the traditional Mother's Day Sing in the same manner as in the past.

"The original problem of accommodations is not as large as we had first imagined," said Mr. John Sayre, Director of Development and Alumni Affairs. "The band festival is scheduled to end early on Saturday, so there should be plenty of accommodations for parents."

Two of the downtown hotels have said that their accommodations will be available.

"And," said Mr. Sayre, "the band festival will be an additional drawing card for Parent's Weekend activities."

## Insurance Plan To Be Studied

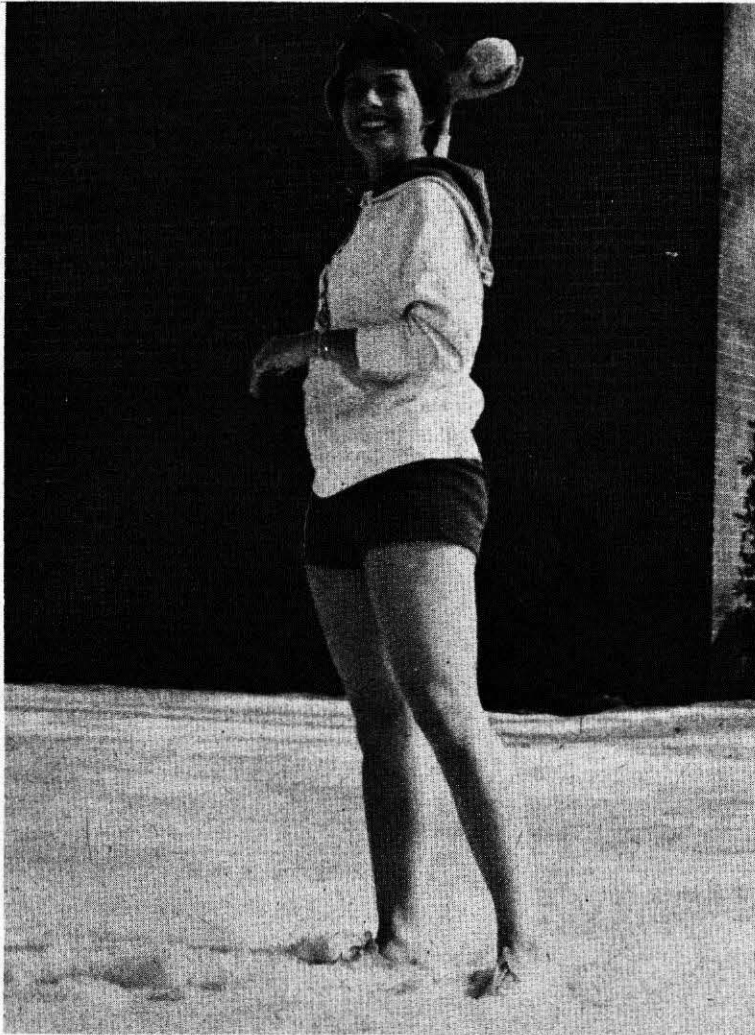

Questionnaires concerning the feasibility of a health and accident insurance policy here will be distributed to all students having 9 a.m. classes Wednesday.

The purpose of the questionnaire is to determine campus interest in acquiring a group health and accident insurance policy. It will not in any way obligate students to accept it, according to Vern Scandola, Weirton junior and chairman of the campus insurance policy committee.

All full-time students are requested to ask their parents whether or not they are covered now by an insurance plan.

The committee plans to get opinions toward the insurance policy plan from 60 to 70 per cent of the full-time students through the use of the questionnaires.

If 50 per cent of the full-time enrollment appears favorably inclined toward the insurance policy, then various companies will be invited to send representatives to present their plans.

### What's The Forecast? Warmer!

**SUNSHINE FLOODED** the campus Tuesday and brought with it a wave of optimism. Witness Rosalie Sadd, Charleston sophomore. While she may not be a harbinger of spring, she'll certainly do until one comes along.

## Department Of Nursing OK'd By State Board

MARY SUE MOSS  
Staff Reporter

Department of Nursing Education of Marshall College is in the final stages of establishment for the fall term of 1960, according to Mrs. Margaret Shay, program director.

The curriculum has been approved by the West Virginia State Board of Education and will be presented Monday for approval to the West Virginia State Board of Examiners for Registered Nurses.

Department of Nursing will be established in the new College of Applied Sciences and use the facilities of the Cabell-Huntington Hospital as well as the college.

This is the first program of its kind in a West Virginia college and one of 49 in the United States.

The curriculum will require two years and two summer terms. Upon completion, a student will receive an Associate of Science degree and, after taking the examination of the State Board of Registered Nurses, receive his or her registered nurse degree. A student may then work toward a Bachelor of Science degree.

A student training under this program will spend divided time at the college and Cabell-Huntington Hospital and may live in the college dormitories or at home.

Prospective students are advised to take high school courses in biology and chemistry. However, these are not required for admission.

The college nursing program differs from hospital programs in several ways.

Some of the routine hospital duties of student nurses have been eliminated thus allowing more time to be spent in class and laboratory work and decreasing the time required to complete

the course.

**A student in the nursing program can be married.**

Approximately 100 applicants have inquired about the course, according to Mrs. Shay.

Mrs. Shay is a registered nurse, has her bachelor of science degree, master's degree, and is working on her Ph. D. in Education. She will teach some courses in nursing.

### Coach Rivlin Sets Free Toss Record

Jule Rivlin, head basketball coach has set a new record. Coach Rivlin decided Monday night, during the free throw championship, to show the boys how to do it.

Rivlin put 50 shots through the hoops in 50 attempts, making him the first person in 30 years to accomplish the feat. Previously others had come within one point of making 50 out of 50.

#### INITIATION SET

Four new members will be initiated into Pi Omega Pi, national business honorary, Sunday, at the home of Mrs. A. F. Evans, associate professor of business administration and sponsor of the group.

New members are: Mary Sue Brown, Kenova freshman; Lawrence Comer, Lucasville junior; Wanda Duty, South Charleston sophomore and Ann Hager, Eleanor freshman.

## Karickhoff Vetoes \$5 Hike In Fees

**Student Senate Then OK's \$2.50 Boost; President Cites 4 Reasons For Action**

By RALPH TURNER  
Staff Reporter

The proposed \$5 per semester student activity fee increase to aid athletics was vetoed by Student Body President John Karickhoff at Wednesday night's Student Senate meeting.

### Conclave Drew 3 From Here

Three Student Government representatives returned recently from a series of workshops at the Mid-American Student Government conference in Western Michigan.

Discussion groups concerned comparisons of student government structure, school spirit, judicial systems and student newspapers.

The group found that the judicial systems at other Mid-American schools were much stronger. But, in general, the feeling mutually expressed at the conference was that our Student Government was far superior to any other because of the lack of complexity and unity of command.

According to Ray Bane, Student Body vice president, the newly-installed semi-proportional system of electing student government representatives gained a favorable reception at the conference. The problem of Greek domination of the Student Government is common at other conference schools.

Those attending from Marshall were Bill Wortham, junior president from Huntington, L. D. Egnor, junior senator from Huntington, and Ray Bane, Student Body vice president from Wheeling.

A \$2.50 raise per semester was passed by the Senate as a substitute.

Karickhoff, exercising his first veto, listed four main points of reasoning behind his prohibitive action:

1. "The increase would throw the activity fee at Marshall way out of proportion as compared with other state supported schools.

2. "Apportionment of the student activity fee would not be equalized. Sixty-four per cent of the over-all fee would go to athletics where only 4 per cent of the Student Body are engaged.

3. "Granting of such an increase would set a dangerous precedent for the future.

4. "The debt is much to their own responsibility. There has been some unwise spending in some areas of the athletic program due to inadequate monitoring of expenditures."

He added, "I hope they (athletic department) will get a \$2.50 increase in the fee. This will allow them to manage with no noticeable decrease in the sports program."

Contacted shortly after the Senate's decision to recommend a \$2.50 increase instead of \$5, acting athletic director, Neal B. "Whitey" Wilson said:

"I am very grateful for anything that we receive. We could use all the money we could get, but this certainly will help."

### Mountain Gal Wows SPE's

BARBARA ROBERTSON, Huntington sophomore, attired in a Mammy Yokum costume, was chosen "Blue Mountain Gal" at the annual Sigma Phi Epsilon Blue Mountain Blast. Bob Williams, Wellsburg junior, holds the jug, a roving trophy, which was presented to her for display in her sorority house. Miss Robertson represented Alpha Chi Omega. Other candidates were Suzie Moore, Huntington freshman, Alpha Sigma Alpha; Ruth Ann Teets, Gassaway junior, Delta Zeta; Judy Turner, Huntington freshman, Sigma Kappa; Carolyn Meade, Hamlin sophomore, Sigma Sigma Sigma.

# Students Favor Fee Hike

**By JOE WORKMAN**  
**Feature Editor**

A majority of students polled by The Parthenon favor a proposed increase in activity fees for athletics. On the other hand, 75 of the 79 students interviewed in the pool criticized the Student Senate for not acquainting the Student Body with the measure before passing it, and for not seeking student opinion.

Of the 79 students, 50 favored an increase, 25 opposed and four were indifferent.

Ten of the 50 who favored an increase opposed the \$5 raise recommended by the Senate. They tended to favor the \$2.50 increase asked by the Athletic Board.

Marvin Hensley, Williamson junior, said: "I am in favor of a \$5 increase a year but not per semester. I think the athletic department could continue operating on less. When the Student Senate starts taking money from the students' pocketbooks the students should be allowed to give their opinions before such a measure is voted on by the Senate."

Frank Matthews, Huntington

junior: "I think there should have been more discussion on this matter before it was passed. I am against it because I think the students already encounter enough expenses. The Senate acted hastily in rushing this thing through."

Barry Cohen, Wheeling sophomore: "I think there should be an increase, but \$5 is too extreme. As to Senate responsibility, does the U. S. Senate run out and take a poll before enacting legislation?"

Sally Blake, Dunbar freshman: "I think that the fee should be added if it's a matter of losing our spring sports. However, it wasn't fair to vote on it until the students were informed."

Lawrence Roush, Madison senior: "I am in favor of perhaps a lesser increase. I definitely think the students should have been asked on this as well as a few other things going on in the Student Senate."

Faye Maynard, Logan freshman: "I think the increase is a good idea. But I also think that the students should have been consulted. This move was very undemocratic."

Ruth Napin, Huntington freshman: "I am not in favor of any

increase of student activity fees to aid the athletic department. Why should we burden the rest of the students with the athletic department's problems?"

Charles Brumfield, Huntington freshman: "I think it's a good idea to raise the money that the athletic department needs this way, but I think that \$5 per student is too steep. A vote should have been taken from the student body on this matter."

Dave Reed, Huntington freshman: "The Senate should not have passed this before they consulted the students. The athletic department shouldn't have any more than what they are already getting. Rather than tax the students we should de-emphasize athletics."

## Officers Selected By Home Ec Club

New officers of the Home Economics Club were elected at a recent meeting.

They are: Marcella Sparks, Summersville sophomore, president; Jean Ann Stone, Baroursville sophomore, vice president; Janice Caldwell, Chester, Ohio, WSAZ-TV, freshman, secretary; Nancy Lecky, Wayne sophomore, treasurer; Mary Ida Farmer, Kenova, sophomore, reporter.

The officers will be installed March 24. Guest speaker will be Dorothy Jean Schroeder of the American Modeling Academy and

## Marshall Debate Team Going To Pittsburgh For Tournament

Marshall debaters will travel to the University of Pittsburgh tomorrow to take part in a tournament.

Ann Sizemore, Nitro freshman, and Bonne Barnett, Huntington freshman, will debate the affirmative side of the question: "Congress should be given the power to reverse the decisions of the Supreme Court."

## Students Visit Campus Today

Thirty-two seniors from Scott High School, Madison, are visiting the campus today.

Arrangements for the visit have been made by Luther Bledsoe, registrar, and the student government hospitality committee. According to Mr. Bledsoe, the students will be divided into groups according to their fields of interests. Members of the hospitality committee will serve as guides and will conduct the various "interest groups" on educational tours that will appeal to the students in the groups.

From the educational tours of

Patsy Dailey, Huntington freshman, and James Bailes, Clay senior, will debate on the negative side.

From 10 to 20 colleges will be represented, each with an affirmative and a negative team. Each team will debate against four other teams.

The coaches from the various schools serve as judges. The tournament winner is the college that wins the most debates.

Marshall participates in about six tournaments a year, traveling in West Virginia, and to Ohio and Pennsylvania. The next tournament will be at Marietta, Ohio, April 12-14.

the campus and the visits to the various buildings and departments, the students will familiarize themselves with the college.

## Marco's Memorandums

Friday, March 18—Sigma Sigma Sigma, informal, Fraternal Hall, 9 to 1 a.m.

Student Union to close at 9 p.m.

Saturday, March 19—Pi Delta Phi, French honorary, initiation ceremony and banquet, Hotel Frederick, 5:30 p.m.

Free Movie at the Student Union, "Dark Victory", 7:30 p.m.

Free Mix following the movie.

Monday, March 21—Campus Mothers meeting, Alpha Xi Delta, 1645 5th Ave., 2 p.m., John Sayre speaker.

is with the Winston beat

I Sing Of Arms And  
Like **FILTER-BLEND**, Man,

For if you dig a modern filter cigarette  
It figures that it's what's up front that is the most  
Like pure Flavorsville, orbit stuff, and all that jazz;  
And only Winston swings with **FILTER-BLEND** up front,  
A real gone combo of golden, rich tobaccos  
Selected and processed like for filter smoking;  
That's why, dear cats or even squares, it's understood

Winston tastes good like a cigarette should!

# Grid Drills Begin Monday

By **RON HUTCHISON**  
Sports Editor

Spring football practice, barring bad weather will begin Monday according to head coach Charlie Snyder. Snyder said that the date of beginning drills would be postponed if the inclement weather continues.

Under NCAA rules the Big Green will have 20 days of spring practice. These practice sessions must be completed within a 30-day period.

Snyder, beginning his second season as head grid mentor, said he expects approximately 50 candidates for the football team. The squad roster announced by Snyder earlier this week shows that the squad will be dominated by sophomores with only five seniors listed on the roster.

The six seniors named by Snyder are Larry Jarrett, Todd Fugate, Wilson Lathan, Dave Lowe, Al Mayfield and Bill Roberti.

With inexperience being an obvious problem to overcome,

Snyder said that defense would be stressed during the spring drills. The stocky grid mentor explained, "in spring practice we find out who wants to really play and we also make any position changes that are necessary."

Snyder went on to say "we must overcome defense flaws and mistakes that we made last year. It was our defense that really hurt us at times. Our offense could move the ball fairly well, but the defense cost us several times."

Discussing plans for the spring sessions Snyder said, "we are trying to get two good units so that we can alternate from time to time. Last year we only had one good unit and that hurt us in several games when some players couldn't be rested. As for depth we will be stronger at ends than we were last season. We will make some changes in positions, trying out several boys at new spots.

With the loss of Jim Maddox

at quarterback, due to graduation, Snyder will be searching for a capable field general. Prominent contenders for the vacancy are Tags Meredith and Ralph May. Coach Snyder said that Marshall will probably use an unbalanced line approximately 80% of the time in its split-T offense.

Snyder also announced that the vacancy of varsity end coach, created by the resignation of Bill Hillen, had been filled by the appointment of Olen Jones. An assistant freshman coach, Jones was serving only as a graduate assistant while coaching the yearling squad.

Some of the proposed lineup changes that might be experimented in the spring drills are: Larry Jarrett, from end to tackle; Norm Mullins, from tackle to guard; Don Harrah, from frosh tackle to fullback; Autie Ratcliff, from frosh center to tackle and Chet Miller, from frosh end to tackle.

The rugged 1960 grid schedule will put the Snyder-coached squad to the test for it features several top flight foes. The schedule includes: Wittenberg, Bowling Green, Toledo, Kentucky, Kent State, Delaware, Louisville, Ohio U., Western Michigan and Eastern Kentucky.

Overall the prospects for a better record than last year's 1-8 mark are good. The backfield is better than last year and the line should be improved. The depth of the squad will be untested and inexperienced but the team has some promising sophomores. So Marshall's future could be defined as optimistic.

# Independents Win Cage Tourney

The women's physical education department has announced the winners of the basketball tournament played last week.

The championship game featured Laidley Hall and Independents. The outcome of this game was crowned Independents as 1960 winner of the tournament by a 34-31 score.

Players on the winning team were: Libby McLean, Bonnie Cary, Sue White, Ann Treacy, Barbara Foster, Pat Dillon, Carolyn Lucas, Movita Elcessor, and Barbara Charles.

High scorer in the game was Bonnie Cary with 16 points, next highest scorers were Sue White and Libby McLean.

# VM Scores 62-51 Triumph, Wins Intramural Cage Title

By **RICK TOLLEY**  
Sports Writer

Playing the final game of the 1959-60 intramural basketball playoffs, VM Big Green racked up a 62-51 margin over PKA No. 1 to claim the championship.

Capitalizing on the shooting of Ralph May, Ron Reynolds, and Rucker Wickline, the Big Green took an early lead and held it, topping the PKA 28-24 at the end of the first period. Mays piled up nine points in the first half, and added six more in the second period. He held the high scoring position for his team.

In the opening minutes of the second half, PKA maneuvered the fast break successfully to grab a 35-31 lead. This was short-lived, however, as the Big Green retaliated to take and hold the lead for the remainder of the game.

Fouls proved to be the downfall of the PKA as the time for the buzzer approached. With three minutes to go Fred Conley fouled out, leaving only four men to battle the Big Green. Marv Hensley fouled out with two minutes to go and the Big Green leading 47-44. Scoring rapidly, the Big Green ended the game 62-51.

Following May's 15 point top score was Malcolm Price with 11 points. Ron Reynolds scored 10 points, and Rucker Wickline and Stan Smith each had a total of 9 points. Larry Jarrett com-

pleted the Big Green scoring with 8 points to his credit.

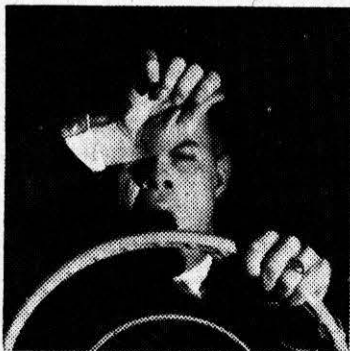

Marv Hensley of the PKA headed his team in scoring with a total of 15 points. Fred Conley took the second position with 13 points. Bill McNelis looped in 10 points, and Brooks Adkins and Todd Fugate had 7 and 6 points respectively.

At the end of the game President Smith presented medals to the victorious Big Green men and congratulated them on their good sportsmanship and athletic ability.

The All-Star basketball team was announced Wednesday by Otto "Swede" Gullickson, director of intramurals. Rucker Wickline and Malcolm Price were chosen from the VM Big Green. Fred Conley and Todd Fugate were chosen from the PKA, and Mike Christian represented the Rinky Dinks. Ken Echols was chosen from the KA, Ezra Midkiff from the SAE, and Dave Gillespie from the Hawks. Mickey Sydenstricker and Dick Wildt represented the Trouncers.

## ADDRESS CHANGED?

The Dean's offices request that all students notify them immediately when they change their address. This must be done so that students will receive their grades, letters and other material that is mailed to the student by the college.

—the antithesis of perspicacity. Right?

NoDoz® could save your life. Worth knowing? Right!

Too often, driving a car is like reading a textbook. It can make you drowsy no matter how much sleep you get. But safe NoDoz fights this kind of "hypnosis." Safe NoDoz alerts you with caffeine—the same refreshing stimulant in coffee and tea. Yet non-habit-forming NoDoz is faster, handier, more reliable. So to keep perspicacious while you drive, study, and work—keep NoDoz handy.

The safe stay awake tablet—available everywhere. Another fine product of Grove Laboratories.

### New Court Justice

**JIM BAILES**, Clay senior, is the newly-appointed Student Court justice succeeding Joel Srodes, Barboursville junior.

### Semi-Formal Dance Set For March 26

A semi-formal dance, co-sponsored by the Student Government and the Student Union, will be held in the Union March 26.

The dance will be for college students, but students' guests will be admitted if checked with Don Morris, Union director, or William Gillespie, assistant director, before the dance. The Blue Notes will furnish the music and the dance will begin at 9 p.m.

If the dance proves successful, a schedule of dances will be set up. I. D. cards will be checked and semi-formal attire is stressed. The dance is for couples only.

## 4 Members Will Be Initiated By Pi Delta Phi Tomorrow

Alpha Upsilon chapter of Pi Delta Phi, French honorary organization, plans to initiate new members at 5:30 p.m. tomorrow at the Hotel Frederick.

Those to be initiated are James Bailes, Huntington junior; Don Fannin, Barboursville senior; George Mansour, Huntington junior; and Cora Proffitt, Pt. Pleasant sophomore.

Honorary membership will be given to Mrs. Peter Maier and

Mrs. Robert Shepherd.

To be eligible for membership, students must have a 2.8 overall average and a 3.0 average in French courses including at least one course in the upper division.

The initiation will be followed by a banquet and a French program.

Joanne Jeffries, who spent two years in France, will talk to the group on the life of a university student in France.

# DON FANNIN LOOKS AT

# LIFE

"Keep your eye on the ball!"

"That's it. Fine."

"Oh-oh. You goofed!"

What's going on anyway? Baseball practice? Not quite. The comments above were made by an Air Force jet pilot while 40,000 feet over Edwards Air Force Base, California. He and his co-pilot, one of the United States' seven Astronauts, were experiencing Zero G—weightlessness. The trick was to keep an orange-colored golf ball "floating" lazily in front of them in the cockpit while flying a "weightless" parabolic curve—no easy task at 900 mph.

The Astronauts have been training recently for the kind of weightless flight one of them will face when he is launched into space sometime this year.

Their aerial golf games are reported exclusively in **LIFE**, March 21, by Astronaut Scot Carpenter.

#### Cut!

Elsewhere in California last week, Hollywood's dreamland came down to earth, as actors and actresses went on strike for the first time.

Rushing to complete final scenes before the deadline, major movie studios were busier than the Student Union at noon hour. Some of them didn't make it.

In on the scenes, **LIFE** caught such screen-scorchers as Elizabeth Taylor and Marilyn Monroe in "mid-movie" when the cameras rolled to a stop.

#### Happy Days Are Here Again

With campus elections less than a month away, candidates' qualifications are destined to become an important topic. The same is true of the national elections next November.

After completing a unique "depth interview" survey throughout the U. S., **LIFE** reveals the qualities voters seek in a prospective occupant of the White House, and shows how the top candidates measure up to them. The results are rather surprising.

#### Help Wanted—Male

Men, aged 16-26. Do you tire of the common social life on campus? Do you yearn to put your sophistication and charm on a higher level? Take heart. Why not live it up on the debutante circuit that is gaining increasing prominence across the country? Society's coming-out parties for debs offer a free-wheeling way of life for men who want to be "on the go" socially. For details, see **LIFE's** tour of the deb circuit this week.

#### Roundup

**RELIGION**—Evangelist Billy Graham's stirring crusade thorough Africa, as he won 20,000 "decisions for Christ." **TRAVEL**—Spectacular color shots of New Zealand, "a lovely land too far away." **SPORTS**—U. S. Olympic goalie Jack McCartan gives an exciting, first person account of his first game with the New York Rangers. **THEATRE**—The Broadway hit *Five Finger Exercise*. **SPACE**—Pioneer V.
