You Can Boost Parents' Visit

You. That's what it takes to make Parents' Weekend a success.

You, the student, are the one who can inform your parents about the affair and get them to take part.

You may not realize it, but your parents would probably like to visit the campus, to meet some of your instructors and members of the administration, as well as become more familiar with the college in general and your progress.

So, why not take advantage of this weekend to write to your parents if you're not going home, or speak to them if you are, and arouse their interest in visiting us May 6-8.

Question: How can men and women living in opposite dormitories get acquainted?

Answer: Easy. Just start the world's biggest chess game, using the dorm windows as squares on the chessboard.

It's been done, too, — by University of California students. The men won the chess game after 37 moves, but LIFE agrees that the women won a victory, too.

La Belle France

If Dr. Noble and Miss Parrish see LIFE this week, they'll probably urge their students to *regardez* the picture story about General Charles de Gaulle and *la grandeur francaise*. LIFE photographer Loomis Dean has taken some beautiful color shots in France.

We'll bet the most interested reader will be Miss Gloria Brothers, Fulbright scholarship winner, who will study in France during the next academic year.

Agony In Korea

"At first the police fired blanks, then they tried tear gas. When one tear gas bomb failed to go off, a student ran forward to toss it back. A policeman shot him. Instantly the students surged forward—into a hail of bullets. When they retreated, they left dead and wounded behind."

For sheer terror, unbelievable horror, read and see LIFE's dramatic story of rioting in Seoul, Korea. TIME-LIFE Tokyo Bureau Chief Alexander Campbell gives an eye-witness account that hits the reader with sledge-hammer impact.

Youngsters and oldsters all across the U. S. are getting the "jump" on Marshall's "second largest in the nation" intramural program.

Literally "jumping for joy," these citizens are participating in America's newest sport craze—the trampoline.

In less than a year, hundreds of commercial trampoline centers have sprung up around the nation and are becoming as popular as miniature golf.

As a result, the "seat" and "stomach drops," the "front flip" and the "back layout" have taken a rightful place in our vocabulary.

This week, LIFE reports on what it calls this "Boom In Bounceland."

Oh! My Achin' Back!!

If coach Snyder runs short of football talent before next fall, he might consider following the unusual recruiting example set by the Los Angeles Chargers of the new American Football League.

The club invited its fans to enter a four-day public tryout for the team. Covering the tryout, LIFE reports that more than a hundred fans took part in the drills, and three of them were actually invited to the club's summer camp—a fitting end for curbstome quarterbacks.

Marshall Faces Toledo; Record 7-9

By KEITH WALTERS
Assistant Sports Editor

Righthander Hugh Reynolds will toe the mound for Marshall today when it takes on the University of Toledo in a game to begin at 3:30 p.m.

Coach Bill Chambers indicated Wednesday that he would use Reynolds against the visiting Toledo nine today and use either Marion "Lefty" Majher or Andy Summers in tomorrow's game with Toledo at 2:30.

In commenting about this weekend's games, Chambers said "We are out to win both games."

Chambers later added that the team's "biggest trouble is defense." "This is one of the best hitting teams we've had and the pitching is good enough" to win the games.

Either Jim Cook or Bob Adams will be behind the plate, while Andy Summers or Walt Leonhart will handle the first-base duties. Fred Conley will play shortstop for the Big Green.

Chambers hopes to use two sophomores in this weekend's games. He anticipates playing Fred Wagner at shortstop and Kenny Echols at third base.

Jack Marcum, Ron Lambert and Tex Williams will compose the outfield corps for today's tussle.

Commenting about his team's 1-2 record in MAC play, the genial, young coach said that the Big Green will have to play a "lot of good baseball" to finish very high. He added, however, that he will be "tickled to finish third or fourth" in conference play.

In its last outing, the Big Green dropped a 9-4 decision to West Virginia Tech, its ninth loss in 16 games.

Marshall was held scoreless for seven innings, while Tech had garnered five runs. However, the Big Green tallied four runs in the eighth inning to cut the Tech lead to 5-4.

Tech, however, rallied for four more runs in the eighth inning to win, 9-4.

Barry Myers was the losing pitcher,

The Big Green track squad has the only perfect record with a 1-0 showing.

Moundsman Chalks Up No-Hitter

Bob Burgess commanded the intramural softball spotlight last week as he pitched a no-hitter and struck out 15 to claim a 6-0 win for VM No. 1 over the Hillbillies.

Piling up the scoring for VM were Lew Mott, Rusty Wamsley, Bob Lester, and Bob Wilson with one run each. Wamsley had two rbi's, and Lester, Wilson, Burgess, and Lee had one rbi each. Charlie Moore completed VM scoring by collecting two runs.

In another Thursday game, PKA No. 2 defeated Sig Ep No. 2 by a score of 14-2. Rod Sharp, Dick Cross, Joe Cook, Bob Leighty, Charles Brubeck, and Bobby Hale each scored 2 runs for PKA. Mike Bowman and Bill Brumfield each had one run. Bowman also had one rbi. Perry Hanks scored the two runs for Sig Ep.

The intramural swimming meet will be held at 7 p.m. May 5. Any person may enter two events and a relay, or two relays. The meet will include the following events: 50 yard swim, consisting of three lengths of the pool; 50 yard backstroke, three lengths; Medley relay, consisting of one length of the backstroke, one length of the sidestroke, one length of the breaststroke, and one length of freestyle; 100 yard swim, six lengths; 50 yard breaststroke, 3 lengths; 200 yard swim, 12 lengths; also, an eight lap relay.

Vandals Strike New Building

VANDAL'S FOOTPRINTS were left as evidence in the new men's health and physical education building. This and other defacement has been incurred to the new building the past several weeks through acts of vandalism.

Vandals Damage Gym Building; \$200 Loss Caused By Destruction

Over two hundred dollars damage to the new men's health and physical education building has resulted from the work of weekend and fly-by-night vandals.

Dewey Owens, superintendent for Persun Construction Company, said "The vandalism on this job is the worst of any job I have been on."

About 30 windows have been broken out and installation of glass has been suspended temporarily for fear of further breakage according to Persun employees.

Vandals poured large quantities of sand and gravel in plumbing

installations and employes have had to spend considerable time cleaning out the pipes. A cement mixer had to be dismantled because of work by the destructionists.

Insulating materials left in the building over weekends have been damaged on two occasions reported Owens.

Vandals have also walked through freshly poured concrete in several sections of the new building at night.

The loss is suffered by the construction company since they are responsible until the building is completed and turned over to the college.

No guard is watching the building said a Persun spokesman because the cost of employing a guard is greater than the damages incurred by vandals.

Any major construction on the building will not be hampered because of the vandalism said Owens.

Vandals have been entering through windows which have since been barricaded to prevent entrance.

Footprints in the concrete indicated the vandals were boys of elementary and junior high school age.
