Cabinet OK's Student Honor System

The Parthenon

MARSHALL COLLEGE STUDENT NEWSPAPER

VOL. 59 HUNTINGTON, W. VA. FRIDAY, OCTOBER 23, 1959 NO. 17

Further Steps Ahead Before It's Tried Out

By BRUCE GRUBER
Staff Reporter

Administrative Cabinet members voted last Wednesday in support of a student honor system.

Before it can be instituted in one or two college departments on an experimental basis, three requirements will have to be met.

1. The department faculty members must approve.
2. Seventy-five per cent of the students in those departments must vote in favor of the program.
3. The majority of subjects taken by students in these departments must be required, rather than elective, courses.

Before the program will be instituted on a campus-wide basis, a 10-member administrative committee will be set up. This committee will select an honor committee. The latter committee will have the responsibility of investigating, interrogating and trying alleged violations.

If the honor system appears to be effective, then a campus-wide vote would be held next September to determine if the system will be used in the entire college.

The 20-member Honor Committee would be appointed by the Student Body president with the approval of the Student Senate, although the administrative committee would aid in the selections.

If the honor system is initiated on a school-wide basis, the Honor Commission then would be dissolved.

Both Student Body President John Karickhoff, Spencer senior, and Honor System Coordinator John Gunter, St. Albans senior, announced they were pleased by the action of the Administrative Cabinet.

An honor system on campus would be a code of ethics governing all students. It would cover such things as cheating in classes, and the responsibility to report "any and every" violation of the Honor Code to the enforcing agency.

Pulitzer Winner Slated At Forum

By LINDSAY SMITH
Staff Reporter

Mr. William Laurence, Pulitzer-prize winning science editor of The New York Times, will speak at the Marshall Forum Tuesday, October 27 at 8:00 p.m. in Old Main auditorium.

A two-time Pulitzer prizewinner, Mr. Laurence will speak on the subject "Atoms for Peace."

Mr. Laurence "scooped" the world with probably the biggest story of modern times, the birth of the Atomic Age. He was the only one chosen by the Government to write the official release and explanation of the atomic bomb. He was the only reporter to see it tested, and the only reporter to see it dropped over Japan.

Besides winning the two Pulitzer Prizes in 1937 and in 1946, he also won the American Association for the Advancement of Science — the George Westinghouse Award for Distinguished Reporting. He was also awarded an Honorary Degree of Doctor of

Science from Boston University. He holds Honorary Degrees from Stevens Institute of Technology, Grinnell College, and Yeshiva University.

From the War Department he received two citations, one for his participation in the Atomic Bomb project; the other for his services as consultant during the war to the Surgeon General of the United States Army. Mr. Laurence is also the recipient of many other high awards, including the University of Missouri Medal for Distinction in Journalism, the Lasker Award, and the Grade Gold Medal of the American Chemical Society.

Mr. Laurence has written several books, including *DAWN OVER ZERO — THE INSIDE STORY OF THE ATOMIC BOMB* and *THE HELL BOMB*, that have been widely acclaimed.

Mr. Laurence covers all the major medical and scientific meetings throughout the world, including the Geneva Conference on the Peaceful Uses of Atomic Energy, and other paramount international congresses.

Students attending the Forum will be given a chance to ask questions after the lecture, and a \$10 prize will be given to the student asking the best question.

The Distinguished Military Student award is the highest award given to military students in the Reserve Officer Training Corps program.

State Dignitaries Visit Campus

THESE STATE DIGNITARIES visited the campus Wednesday and discussed Marshall's budget needs and future plans for the college with President Stewart H. Smith. From left to right they are: Harold E. Neely, Commissioner of Public Institutions; Oral J. Skeen, State Treasurer; Joe Burdett, Secretary of State; President Smith; and W. W. Barron, attorney general. Messrs. Skeen, Burdett, and Barron are members of the State Board of Public Works.

New Union Activities Provide Weekend Fun

New activities at the Shawkey Student Union are helping to keep more students on the campus during weekends.

W. Don Morris, Union manager, reports that there have been very good crowds at all functions. "We are doing everything possible to make the weekends more enjoyable for the students," Mr. Morris said.

The crowds this year are much larger than last year's. A top feature at the Union are the movies of the football games. For these films, a member of the coaching staff usually is narrator.

In addition to the football movies, full-length movies are being shown. Thus far, "Seven Brides for Seven Brothers" and "Singin' in the Rain" have been offered.

The number of films shown will be stepped up to about three movies per month. Next Friday, "Ruby Gentry" will be presented. A total of four films are scheduled for October. In November, there will be one movie because of Thanksgiving vacation and other activities.

Students are constantly using the recreation rooms. As many as four or five meetings are scheduled for the meeting rooms daily. All of the free mixes are packed. Mr. Morris estimated that nearly 1000 students attended some of the mixes.

Mr. Morris said, "I hope the students will use the Union so Marshall College can get away from being called a suitcase school."

Students residing in the dormitories seem to be spending more weekends on the campus. The housemothers of Hodges, Freshmen Women's, Laidley, and College Halls report their people are staying on campus instead of going home, and seem to enjoy having the Union open on Saturdays.

In past years, the Union hasn't been open Saturday nights and students remaining on campus have had nothing to do but go to a movie downtown or stay in their rooms.

Major Catalog Study Planned

The Academic Planning and Standards Committee plans a major study of the college catalogue and the development of a program for superior students.

The idea of the catalogue study, according to Dr. Ralph Edeburn, chairman, will be to recommend the dropping of courses listed but not being taught and the justification of retaining courses with an enrollment of less than ten students.

The second major project planned by the committee will be the development of a program for the identification counseling of superior students. This program will be aimed to encourage these students to be more productive and to help them receive more from their education.

Dr. Ralph Edeburn is chairman and Professor Louise McDonough is secretary. The committee is charged with the overall academic improvement of the college.

More Parking Spaces Ready

In an effort to reduce the school parking problem, the Huntington police department, in cooperation with the Veteran's Club, has marked off parking spaces on several streets around the school.

According to Dave Todd, Kenova senior and club president, approximately 150 spaces were painted Saturday and Sunday. In addition to increasing parking capacity, the spacing will also prevent driveway blocking on the marked off streets.

The streets which were spaced are: the college side of Third Avenue, between 16th and 18th Streets; the college side of 16th Street, between Fifth and Third Avenues; and the south side of Fifth Avenue, between 16th and 18th Streets.

SNEA Extends Drive; 67 Register So Far

Sixty-seven students gained membership during the first week of the Student National Education Association's annual membership drive. The drive is being extended through this week and students can receive information about the organization and can sign up for membership in the office of Rex C. Gray, associate professor of education, N 116.

Membership is only offered the first semester of each year because the organization's magazine can only be ordered once a year.

Pamphlets are being distributed through the mail this week. These pamphlets contain the meeting dates and a calendar of events of the organization. The first meeting is Wednesday, October 28 at 6:30 in S 111.

A B C

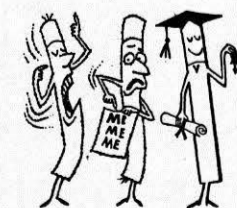

If you saw a fully clothed man about to jump into a river, would you (A) assume the fellow was acting and look for a movie camera? (B) dismiss the whole thing as a piece of personal exhibitionism? (C) rush to stop him?

Marshall Squad Invades Delaware; Unbeaten Hens Termed 'Strong Foe'

By **RON HUTCHISON**
Sports Editor

The Big Green spotlight will shine this weekend on Newark, Delaware home of the powerful University of Delaware Blue Hens as Marshall faces its toughest opponent of the season. The Hens, sporting a six game winning streak, are equipped with experienced players and a deceptive offense. Boasting a veteran team, Coach Dave Nelson has 19 lettermen back this season and the Hens have depth of

two lettermen at eight positions. In the line the Delaware team averages 218 pounds with the lightest man tipping the scales at 212 pounds. Coach Charlie Snyder, after looking over scouting reports commented, "they're the best team we'll face this year. They will have the strongest offense of any of the teams we'll come up against. We'll just have to try and stop them."

The Big Green offense, although anemic at times, has, of late, shown definite signs of improvement. In the game with Kent State the Big Green offense picked up 13 first downs in a losing effort.

Marshall's fortunes were given a shot in the arm with the announcement that senior halfback Dewey Ballengee was again ready for action. Ballengee, in-

jured in pre season practice, could give the Marshall backfield more speed and power if his ailing knee has strengthened. Off the injury list also is guard Ron Reynolds. Instrumental in the Big Green win at Toledo, Reynolds may return to front line duty this weekend.

Another problem for Coach Snyder and the Big Green grid-ders will be the Delaware passing game. Marshall's aerial defenses, sometimes below par, must cope with a passing attack that completed 51% of its tosses in the first three games. Traditionally a high scoring team, Delaware has been held scoreless in only one game in nine years.

The Marshall squad will leave at 5 P.M. Friday to enplane for Delaware. The return flight to Huntington will be Saturday night.

Pan-Hellenic Council To Aid Relationships

The Pan-Hellenic Council is working this year toward better relationships between the sororities. They are planning a Greek week in the spring with the help of the Interfraternity Council.

The Pan-Hellenic Council is made up of the president and two members from each sorority. They meet on the first and third Mondays of each month at 4 p.m. in M 116.

The officers this year are: President, Lou Young, Charlton Heights senior; vice president, Jane Aylor, Huntington junior; secretary, Jean Fought, Parkersburg sophomore; and treasurer, Linda Little, Richwood senior.

Rhodes Scholar Potential Here?

Two years of study and pleasure at Oxford University, England, with possibly a year's extension awaits some 32 recipients of the Rhodes Scholarship to be awarded to American students in December.

Male students of junior or senior standing may apply. To be eligible he must be an American citizen, unmarried, between 18 and 24 by October 1, 1959, and must be officially endorsed by the college.

Information can be obtained from Dr. A. Marvin Tyson, chairman of the English department.

All applications must be handed in prior to Nov. 4.

Tennis Singles Won By Altice

Bill Altice, Pi Kappa Alpha, downed Harry Underwood, PKA, early this week to win the tennis singles championship of the intramural program by the scores of 6-4, 7-5 and 6-3.

Altice triumphed over 14 others to win the title. A total of 23 sets, including 202 individual games, were played.

Sigma Phi Epsilon continued its winning ways this past week when it downed the Pikes 13-7. Tim Delbrugge tossed a 30-yard pass to Paul Meredith to give the Sig-Eps their first touchdown. Their other TD was scored when Delbrugge threw a 22-yard pass to Don Martin. The extra point was added when Barry Keadle tossed to Meredith.

The Pikes only TD was scored when Conley threw a seven-yard pass to McNeilis. This same pair teamed up to give the Pikes an extra point on a pass play.

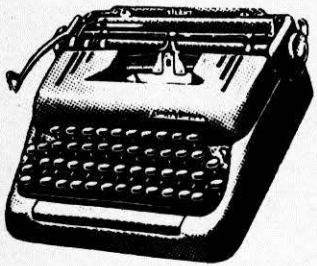

In other girl games Monday and Tuesday, the No. 2 team of Sigma Alpha Epsilon downed the ROTC 21-0, and the Hilltoppers trimmed the Buckeyes 13-12.

SAE scored for the first time in the second quarter when it tallied seven points. It added seven points in the third and also in the fourth.

In the Hilltoppers - Buckeyes game, the latter team tallied first with six points coming in the first quarter. The Hilltoppers bounced back with seven points in the second period and then added six more in the third quarter to complete their victory.

George Hamilton IV Visits Fraternity Brothers Here

By PATTY POLISKEY
Campus Editor

After singing his new release, "Little Tom," and other favorites at the Ceredo-Kenova Drive-In Theater, George Hamilton IV, was on the Marshall Campus Sunday. He described himself as a farmer at heart as he visited the Marshall chapter house of his fraternity, Kappa Alpha Order.

George Hamilton was in Huntington this week end appearing at the theater on a program sponsored by Radio Station WTCR in Huntington, under the direction of Mr. Seeb Tweel.

He is from Winston - Salem, N.C., where his great grandfather was a planter and farmer. His name has been handed down for four generations. However, George Hamilton IV's son is named Peyton. Hamilton explained that he felt his name would be a handicap to his son if he remained in show business.

His music career began in high school where he sang hill-billy music and formed a hill-billy band. He attended the University of North Carolina where he pledged Kappa Alpha. One day when he was singing around the fraternity

house, Orvil Campbell, a local printer, heard him and signed him to a record contract. Orvil Campbell also discovered Andy Griffith, who starred in the movie, "Onion Head."

Hamilton first wrote and recorded "I've Got a Secret" and "Sam" which he confessed sold only ten records. But he then met John D. Loudermilk who had written "A Rose and A Baby Ruth" and suggested that he sing it. Hamilton recorded it in the summer of '56 and it went to the top.

After this, he received an offer to sing on television in Washington. He moved there and enrolled at the American University where he is now a junior. He alternates semesters going to school and then singing.

His major is English and he

feels that he might enjoy teaching someday, although one of his greatest interests lies in dairy farming.

He married his high school sweetheart last year after going steady with her in high school and also when he went away to school.

Although he usually sings a different type of music, his newest release is a tear jerker story of a newspaper boy.

Hamilton confessed that he doesn't like the North. He dislikes the complications of the modern business world.

The local KA chapter hopes to have him back for their annual "Old South Ball" this spring.

While in Huntington, he also visited the Sigma Kappa sorority house.

He flew back to Washington Monday morning.

Poll Shows Kennedy, Nixon Are Leading Candidates

By SUE CAMPBELL
Staff Reporter

Final results of the public opinion poll taken Monday by the Young Democrats Club show the two leading prospective candidates in both parties are Vice President Richard Nixon and Sen. John Kennedy of Massachusetts.

Of the 53 Republicans voting, 71 per cent voted for Nixon. Of the 106 Democrats voting, 48 per cent voted for their leading choice, Kennedy.

Out of the 53 Republicans, 40 indicated they would vote for the candidate of their choice rather than the party. Of the 106 Democrats, 63 made the same choice.

The Republicans preferred Nixon 4 to 1 over Gov. Nelson Rockefeller of New York. The Democrats voted Senator Kennedy 2 to 1 over Adlai Stevenson.

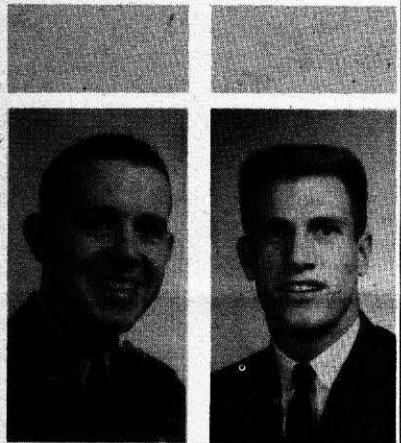

Of those students participating from both parties, there was a comparatively high percentage of students having no opinion about candidates.

Magazines Are Sold Without College OK

The campus had a visitor this week selling Look Magazine subscriptions whose solicitation was unauthorized.

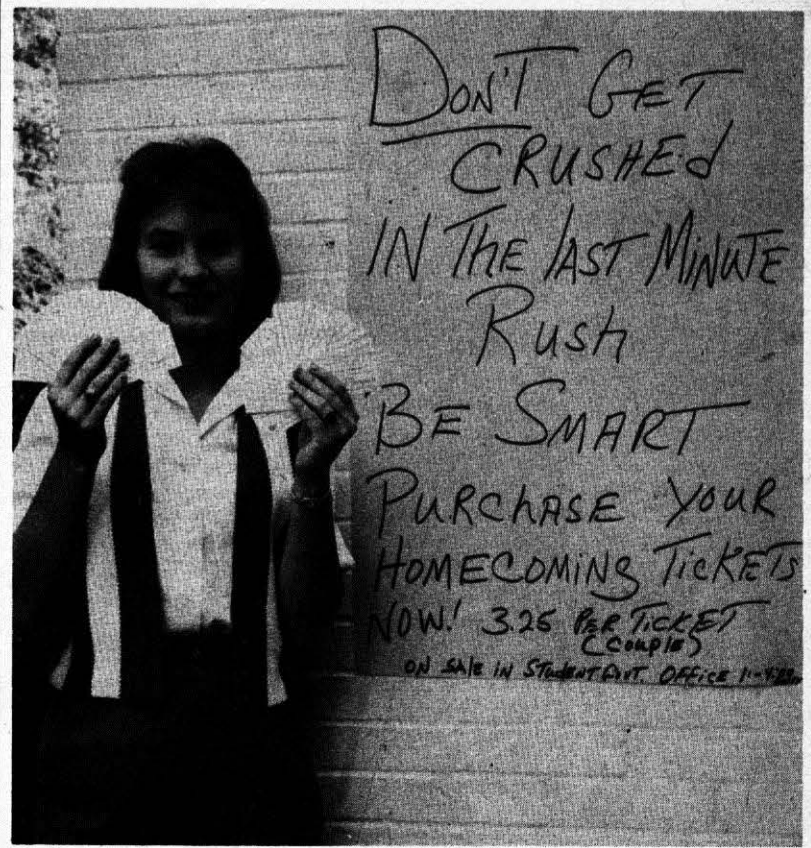

President Stewart H. Smith said that the man approached him for approval to solicit and was denied the privilege because he was not associated with the college. This type of solicitation is against state law.

The solicitor was asked to leave the campus.
