MARSHALL COLLEGE STUDENT NEWSPAPER

Vol. 60

HUNTINGTON, W. VA.

FRIDAY, NOVEMBER 18, 1960

No. 26

Counseling Is Available To Seniors

A period of advance counseling for Teachers College seniors who wish to plan their academic schedules for the second semester, began Nov. 10. Seniors are to make appointments to see advisers during the regularly scheduled office hours.

Seniors registering for student teaching will see the following: elementary, Mr. Rex C. Gray, Northcott 116; secondary, Dr. Paul N. Musgrave, Music 200; home economics, Miss Reva B. Neeley, Northcott 216; music, Dr. Miriam P. Gelvin, Music 202; kindergarten-primary, Dr. Margaret T. Hampel, Main 215-A; mentally retarded, Mr. Allen Blumberg, Northcott 116; and Speech correction, Mrs. Ruth C. Garrett, Science 15-A.

Elementary, kindergarten-primary, public school, and seniors in elementary education graduating in May, July, or August will see Dr. Woodrow Morris, Main 320-C. Secondary seniors and those who will graduate in May, July or August will see Dr. Lawrence H. Nuzum, Main 320-B; music, will see Dr. Lawrence Kingsbury, Music 105; and home economics, Mrs. Myrtle Rouse, Northcott 104.

All students expecting to register for Education 319 must have the assignment for the activity and observations approved by Mr. Taylor V. Cremeans, principal of the laboratory school, prior to completing their schedules.

Senior Recital Slated Tonight

The first of a series of senior recitals will start at 8:15 tonight in Old Main Auditorium.

June Merrifield, Fairmont senior, will present Partita III, the parts Fantasia and Allemande, by Bach, and Papillons, Opus 2, by Schumann, on the piano.

Gerald Simmons, Greensboro, N. C., senior, will play the tuba, and will be accompanied by Ronald Ross, Wayne sophomore. He will play Allegro, Larghetto, and Allegro of Concerto No. 3 in E Major, by Mozart, and the sonatas by Eccles, Largo and Allegro Con Spirito.

The Carnival, by Schumann, will be presented on the piano by Frances Madachy, Huntington senior. The parts will include Preamble, Pierrot, Arlequin, Valse Noble, Eusbius, Florestan, Coquette, Replique, Papillons, Lettres Dansantes, Chiarina, Chopin, Estrella, Reconnaissance, Pantolon et Columbine, Valse Allemande, Aveu, Promenade, Pause, and Marche des Davidsbundler contre les Philistines.

The senior recitals are a partial requirement for music education degrees. On December 9, the second of five recitals will be presented.

ACTIVITIES SLATED

"From Here To Eternity," winner of eight academy awards, will be shown at the Student Union at 8 p.m. tonight. Admission will be 25 cents.

Monstrous Frolic Shaping Up

IT'S FRANKIE! . . . Oops, FrankENSTEIN, we mean! Myers Jarrell, Whitesville senior, is dressed for the Pi Kappa Alpha informal, "Frankenstein Frolic," this Saturday night.

A SUMMONS TO the Sigma Alpha Epsilon Prisoner's Weekend is being handed to Judy Beckett, Logan sophomore, by Paul Beckett, Huntington junior. Residents of the SAE house will move out for the weekend and their dates will move into the house where they will be held prisoners after being tried at a mock trial tonight.

6 New Men Are Pledged To Leadership Fraternity

Omicron Delta Kappa, men's leadership fraternity, tapped six new pledges Wednesday.

This year's tapping was different from previous years, according to President Vern Scandola, Weirton senior. At each hour during the day, members pinned the name of one new pledge on a bulletin board for the public to see. The bulletin board was placed in the ODK circle.

The new members were selected on a point system based on various aspects of leadership. Points are given for scholarship (a 2.5 overall average), publications, athletics, music, dramatics, art, and other campus activities. In addition to these requirements a member must be a junior or senior and a full time student.

The new members include: Paul Beckett, Huntington junior; Myers Jarrell, Whitesville senior; Jerry Johnson, St. Marys senior; Tom Ross, Wheeling junior; Conrad Smith, Huntington senior, and Jack Vital, Huntington senior.

Blood Drive Slated Nov. 30 In Union

By ARCHIE GLASPELL
Staff Reporter

The first blood drive of the semester sponsored jointly by the Red Cross and the Student Government will be between 9 a.m. and 3 p.m. Nov. 30 in the Student Union.

Two drives are conducted annually with all social organizations competing for the organizational trophy and the ROTC competing for inter-company honors.

Chairman for the drive is Bob Scott, Huntington junior, assisted by Alpha Xi Delta. Sigma Alpha Epsilon fraternity will assist Red Cross workers in passing out refreshments to the donors.

Requirements for donors are:

- (1) They must be at least 18 years of age in order to give blood.
- (2) Those between the ages of 18 and 21 must have written parental or guardian consent.
- (3) Donors are requested to eat no food containing rich or heavy ingredients prior to donating.

The blood donated will be given to persons who need the liquid but cannot afford to buy it.

CCF Now Sponsoring Four Dialogue Circles

The Campus Christian Fellowship is now sponsoring a series of dialogue circles. The purpose of these is to provide a meeting of the minds for those students who wish to become more informed about the world in which they live.

Four groups are now meeting regularly for discussions. A Dialogue Circle discussing literature meets every Tuesday at 11 a.m. downstairs in the cafeteria. The group is headed by William C. Moran, instructor in English.

A group discussion of theology and philosophy meets every other Wednesday at 12 a.m. downstairs in the cafeteria. Lloyd Beck, professor of philosophy, leads the discussion.

A discussion of current events is held every other Thursday at 11 a.m. downstairs in the cafeteria. Richard A. Steele, assistant professor of political science, heads the group.

A random discussion group, which features a different topic each time, meets every other Monday in the Laidley Hall Lounge. George Mansour, Huntington senior, leads the discussion.

Each group has a resource person who serves as a guide. A particular facet of the general topic is discussed each time.

All interested students may attend these dialogue circles.

Morehead Wins Debate Tourney

Morehead College was named the best visiting team in Marshall's debate tournament Saturday. Morehead debaters had four wins and two losses.

Debate teams from Marshall, Marietta, Morris Harvey, and Morehead met and argued the national intercollegiate debate question for 1960-61: "Resolved, that the United States should adopt a program of compulsory health insurance."

Morris Harvey finished with three wins and three losses and Marietta had two wins and four losses. Marshall teams were not eligible for the trophy.

A Marshall debate team will travel to Pittsburgh this weekend to participate in the Duquesne tournament.

Tryouts for the Otterbein tourney will be held Monday and Tuesday. A team from here will travel to Otterbein College in Ohio for this debate on Dec. 10.

Group Delivers Railroad Plea To Legislature

Bill Wortham, student body president and Huntington senior, and Jane Butler, chairman of the State Awareness Commission and Huntington junior, will head a contingent of students who will journey to Charleston Sunday to present a petition to save the Cass railroad from destruction.

The petition will be presented to the Joint Legislative Committee who acts in the absence of the state legislature. Approximately thirteen hundred names appear on the petition which asks the state to consider the possibility of making the doomed logging railroad into a logging and railroad museum which would serve as a tourist attraction.

This request will be accompanied by similar ones from various colleges throughout the state. These petitions suggest the possibilities of such an attraction being beneficial to the state. The petitions will not be acted on until the convening of the legislature.

FRESHMEN TEA SUNDAY

Alpha Lambda Delta, freshmen women's scholastic honorary, will hold their annual tea for freshmen women who entered Marshall with a 3.75 high school average at 3 p.m. Sunday in the North Parlor of Old Main.

Poet Will Speak

The Campus Christian Fellowship and Sigma Phi Epsilon, social fraternity, are co-sponsoring a Thanksgiving program in front of the Student Union at 11:30 a.m. Tuesday. The speaker for the program will be Mrs. John Harvey, poet laureate of West Virginia. She will discuss Thanksgiving as related through poetry.

Allen Blumberg To Be Married In New Chapel

Mrs. Barbara McWorter will be married to Mr. Allen Blumberg, associate professor of special education, at 5 p.m. next Wednesday in the new Student Chapel.

A reception will be held following the ceremony at the Beverly Hills Woman's Club.

Mrs. McWorter is a graduate of Marshall College and director of the Cabell County Sheltered Workshop. She is also a member of the Tri-State Arts Association and the Woman's Club of Beverly Hills.

Mr. Blumberg is the executive director of the Sheltered Workshop. He is working toward his doctorate from Syracuse University in the field of education for the mentally retarded.

This will be the first wedding held in the new Chapel.

Begins New Duties

JAMES B. HASKELL, retired maintenance engineer at H. K. Porter took over Wednesday as acting superintendent of buildings and grounds. Mr. Haskell's appointment follows the resignation of Thomas A. Bolyard.

French Society Initiation Slated

Regular and honorary members of the Alpha Upsilon chapter of Pi Delta Phi, French honorary society, will meet at 2:30 p.m. Sunday for an initiation ceremony, program, and social hour at the home of Dr. Alma N. Noble, 301 West Tenth Avenue.

Those to be initiated are Mrs. George Benjamin, Huntington senior; Elizabeth Daniel, Huntington junior; and Anne McCaskey, Huntington junior.

The program will be given by George Mansour, president of the local chapter, and William Korstanje. Mr. Mansour will describe his eight-week study at Laval University in Quebec, Canada, this past summer. He was there on an honor scholarship awarded by the Carnegie Foundation.

Mr. Korstanje, who spent 18 months with the armed services in Germany, will give an illustrated talk on France.

WANT TO WRESTLE?

Anybody interested in trying out for the Marshall wrestling team is asked to report to Coach Prelaz by 3:15 Monday. Practice sessions will begin then.

By S. "SNOOPS" SYLVESTER

Well, the elections are over and everything is back to normal with new heads giving us what we had before. I was watching the returns last week and I wasn't at all sure who won—Heiner's or Sandran. I did hear that the next election will be much more simplified. The 501 computer is going to run against the IBM.

We understand that Walter Felty, director of audio-visual aids, is now putting together a do-it-yourself Kennedy kit. It's guaranteed to make dyed-in-the-wool Republicans quasi-Democrats in three months.

Anyone seen Scott Ramsey? If you do, don't say anything about his bruised lip or skinned nose. He played football Sunday with some girls and it appears they were a bit too rough on him. See fellows, the girls at Marshall are to be feared. Huh, Scott?

There once was a teakwood chest maker named Chan, and he took great pride in his chests. One day when Chan left the shop to indulge in a beer, a bear named Charlie entered the shop. Charlie was an unusual bear because he had feet like a boy. Anyhow, Charley saw these beautiful teak chests and liked them, so he gathered up as many as he could and ran out the door. Chan, just returning, saw what was happening and chased Charley down the street yelling, "Come back, boy foot bear with Teaks of Chan!"

Here's another tip for freshmen who want to appear as upperclassmen. Pretend to sleep in class, but pay close attention; then Ace all the tests. This will make everyone think you've taken the class before.

Thought for the day: Conscience gets a lot of credit that should go to cold feet.

It's rumored that once at Marshall a professor became aware that his class had drowsed off on him, and he decided that he would catch everyone off guard. So he suddenly dropped into double talk. "You then take the loose sections of fendered smigg and gweld them—being careful not to overheat the broughtabs. Then extract and wampf them gently for about a time and a half. Fwengle each one twice, then swiftly dip them in blinger (if handy) Otherwise discriminate the entire instrument in twethels. Are there any questions?"

"Yes," came a sleepy voice from the back of the room. "What are Twethels?"

... Chow and a happy TGIF!

Procedure For "Pay - Mixes" Outlined By Student Senate

All organizations desiring to sponsor pay-mixes in the Student Union must follow the procedure set up by the Student Government. Petitions for all money-making projects, pay-mixes and others, must be approved by the Student Senate, Student Activities Board, and the President of the college, in that order.

The first step in the procedure is to meet with Don Morris, manager of the Student Union, and establish a tentative date for the mix. Then obtain a petition from the Student Government office and fill out the required information, typing all but the signatures. Include all pertinent information such as what will be done with the money made from the mix.

Petitions should be submitted to the Student Government by 2:30 p.m. of the day it is to come before the Senate.

Petitions for mixes will be held for study until the first meeting after the fifteenth of the month, preceding the month in which the mix will be held. Pay-mix petitions will be considered according to the chronological order in which they are submitted.

When permission is granted from the Senate, the manager of the Student Union will be informed promptly of the fact.

Publicity for the mix will begin with the approval of the Student Activities Board and all students must be informed of the event no later than the Monday preceding the mix.

Socializing Over Coffee Enjoyed Most In Union

By SAUNDEA MORGAN
Feature Writer

"More women use the Student Union, but the men seem to have the most spare time to play games. The favorite activity of all students is to socialize over a cup of coffee," according to Don Morris, manager of the Shawkey Student Union.

He said, "Marshall is the only place in Huntington that has the nickel cup of coffee. It has become a tradition with us."

A recent survey of 50 women asking why they go to the Union

showed that 75 per cent of them go to "get a man." The other 25 per cent go to dance and relax after classes.

Lydia Curry, Dunbar freshman, said, "I go to dance and look the men over."

Becky Pizzino, Glen Rogers sophomore, explained, "Since most women come to college to find a husband, I figure that most of the eligible men will walk through the Union at one time or another and I want to be there then."

The men have more reasons for going. Dale Fletcher, St. Albans freshman, said, "I go to play pool, dance, eat, and watch the girls."

Jim Mosko, Kimball senior, said, "I go mainly to socialize with everyone."

The Union, however, does offer other forms of recreation. It has a music room upstairs where students may go to listen to records or watch television.

The lounges also offer a place for rest and study between classes.

Job Interviews Are Scheduled

Several interviews will be given on campus during the next couple of weeks, according to Bob Alexander, Director of Placement.

Among those are the following:

H. L. Morgan, chief civilian personnel division director, will be here Nov. 30 to interview all engineering students who are interested in civilian employment with the U. S. Coast Guard.

All students interested in a career in naval aviation will be interviewed by the Naval Aviation on Nov. 28-30.

Ralph Doggett, a representative of IBM, will be on campus Dec. 1. He will interview all interested students majoring in engineering, math and physics.

200 High Schools To Get Pamphlets

Pamphlets are being prepared by the Alumni Office to be distributed to all high school students in the state.

These pamphlets, according to John Sayre, director of development and alumni affairs, will give all prospective college students an idea of what Marshall has to offer.

All high schools throughout the state, approximately 200, are being contacted now to obtain the number of students.

Increase Reported For Alumni Gifts

The annual gift giving program for alumni, conducted by the Office of Development and Alumni Affairs, has far increased the number of replies and the amount of last year's results.

According to John Sayre, director of the office, they have received 207 gifts totaling \$2,567. This is a \$12 average per gift compared to an eight dollar average last year when they received \$1,676 in 200 gifts.

Sports Writer

In this issue of "player profiles", the spotlight falls on Jim Gallion and Charles "Chuck" Gordon.

Gallion stands 6-3 and weighs 195. He's a junior majoring in physical education and minoring in social studies.

Last year Gallion played in several of the tougher games giving a fine account of himself. Coach Jule Rivlin describes him as "exhibiting a great desire . . . a good, reliable player who battles all the way."

He's had the experience. In high school, Gallion made all-district first string team. He hails from Russell, Ky. In high school, other than being a top-notch cager, he was an honor student.

The ball-hawk from Kentucky will play forward on offense and guard on defense when the season opens two weeks from Saturday.

He played freshman ball for the "Little Green" and he remembers best last year's game between the Big Green and Western Kentucky. Gallion started in that one, which Marshall won 100-97 in a thrilling overtime. He scored 23 points and pulled down 13 rebounds.

Charles "Chuck" Gordon is a product of Coach Rivlin's home town, Wheeling. "Chuck" led the high school team to the semi-finals in the state championship in the spring of 1956.

While at high school, he was the middleman on the fast break. At Marshall, he is a "jack-of-all-trades player", Rivlin said.

"Chuck" is one of the smaller men on the squad, standing 5-9½ and weighs in at about 170.

Gordon sat out last year's season due to a heart ailment, which has now disappeared. Rivlin is, of course, "mighty glad" to have Gordon on the hardwood court again.

"Chuck" has one of the deadliest set shots from the outside. He is an excellent rebounder and, with his speed, should fit well into Marshall's fast-break type of basketball.

At high school, Gordon was an honor student, too. Here at Marshall he is a pre-med major.

Even though Gordon only played in two games, here are some statistics to show what he is capable of doing.

He attempted 13 field goals and made four ending up with a .308 percentage. He had four free throws from the foul line and made them for a 1,000 per cent average. He brought down 10 rebounds and had a total of 12 points.

Curtain-Close

By **ROGER HUTCHISON**
Sports Writer

The Big Green will play its last football game of the season tomorrow in the Ashland, Ky., Ranger Stadium. The game, which begins at 2 p.m., is a non-conference match with Eastern Kentucky.

This is also the final grid game for four Marshall team members. Wilson Lathan, Al Mayfield, Larry Jarret and Rave Lowe are graduating seniors and will be playing their last game tomorrow.

RALPH MAY
... Hit On 24 Passes

Final M A C Statistics Point Up Top Players

With the Mid-American Conference title won by Ohio University last Saturday, MAC statistics show how individual players on the Big Green fared in conference play.

Bob Hamlin, the no. two quarterback, led the team in rushing with a six-yard average. Jasper Wright and Malcolm Price were close behind with averages of 5.5 and 5.3 respectively.

Quarterback Ralph May leads the team in passing with 50 attempts and 24 completions.

Jasper Wright, playing half-back, led the team in hauling in passes with five catches for a total of 81 yards and one touch-

down. Millard Fleming and Toddy Fugate are tied at second with 43 yards gained in pass receptions. Jim Yoho is third with 36 yards gained.

In the kick-off returns, Fleming leads the team with four carries, 138 yards, for an average of 34.5 yards per carry. In punt returns, Price leads with two returns for 43 yards, an average of 21.6 yards.

Dick Thomas has punted 26 times for a total of 792 yards, or an average of 30.4 yards.

Scoring honors went to Fleming and Wright with 12 points each, Dixon Edwards and Harper Hill with six each, and Jim Keatley had three. Keatley's came as extra points.

Marshall has netted 48 first downs to the opposition's 85. The Big Green has had 15 penalties called against them and 169 yards marked off while their opponents had 21 and 216 yards. In fumbles Marshall had 16 and lost 10 while the MAC squads have fumbled 14 times and each time the Big Green recovered.

Marshall's MAC record ended with a 1-4. The lone win came at the expense of Toledo's Rockets by a 14-0 score.

CJ Is Searching For New Pictures

The Chief Justice is now scanning the campus for unusual pictures for the yearbook.

Any student who has pictures of this type should turn them in to the Chief Justice office. If the picture is printed in the yearbook, credit will be given.

They are also interested in pictures of snow scenes from last winter for the Chief Justice Christmas card.

Three thousand bookmarkers are being printed now for the college students, compliments of the Chief Justice.

Help Is Given To Students By 'Tempermental' Machine

By **BOB SMITH**
Feature Writer

Temperamental like a woman, that's the opinion of one student (male) concerning the microfilm machine in the college library, was overheard by a student. The man became annoyed when the girl behind the desk asked him what he was doing to the machine. He had the top part off and was looking inside, possibly to see what makes it "tick." After a few more minutes of tinkering, the man left.

Other people have found the machine an invaluable help in their work. It has been an espe-

cially good help to graduate students and the faculty, according to Mrs. Margaret Bobbitt, reference librarian.

The Recordack, which is the name of the machine, was received at Marshall in 1947. It's principally used for newspapers, but some magazines are available on microfilm.

Marshall gets regular Recordack film service from the New York Times and the Christian Science Monitor. Also available on microfilm are issues of The Parthenon and The Charleston Gazette.

The space that can be saved and better preservation are two main advantages of using microfilm rather than the actual newspaper, Mrs. Bobbitt said.

The library also has a micro card machine which prints an entire book on small cards. This makes it possible to find information on books that are out of print. English and History classes use both machines in writing term papers.

Students are advised to take advantage of the microfilm machine any time they can. The main thing is not to bashful. Workers at the library will be glad to show students how the machine works.

Other events occurring in the library were related by a student employee. She recalls that when a man walked up to the desk and asked for Mr. Appel, the head librarian, it had been a busy day for her. In a somewhat flustered tone she answered "you'll have to fill out a call slip." A new problem arose in the library when the staff had been binding books and newspapers for about a week and were having the same problem. The middle part kept falling out of the books, and when newspapers were returned to the desk, some of the pages were always missing. The mystery was solved when it was discovered that instead of glue, they had been using floor polish on the books. There is now a jar on a library shelf whose label clearly shows that it is the glue jar.

MAKE DORMITORY APPLICATIONS

All women students living off campus who wish to live in a dormitory the second semester should report to the Dean of Women's office before Nov. 23.

Students who wish to stay in a dormitory next semester must re-apply even though their name was previously placed on the waiting list.
