Choir To Perform 'Messiah'

The Parthenon

MARSHALL COLLEGE STUDENT NEWSPAPER

VOL. 59 HUNTINGTON, W. VA. FRIDAY, DECEMBER 4, 1959 NO. 27

Sunday Program Includes Soloists

By RALPH TURNER
Staff Reporter

The Symphonic Choir will perform the "Messiah" by Handel, at 8:15 p.m. Sunday in the First Presbyterian Church, 1015 Fifth Avenue.

Lee W. Fisher, associate professor of music, will direct the 32-member mixed choir.

Soloists this year were chosen from the choir.

They are: Barbara Buck, soprano, Richwood sophomore; Janice Davis, contralto, Hamlin senior; Ruth Sayre, contralto, New Haven junior; Glenn Hull, tenor, Huntington sophomore; Archie Snyder, tenor, Van senior; and John Bressler, bass, Huntington sophomore.

These soloists are pictured above. Left to right are Glenn Hull, Ruth Sayre, Archie Snyder, Barbara Buck, John Bressler and Janice Davis.

Mrs. Walter Eddowes will be the organist accompanist for the choir.

The "Messiah," best known of all large choral works, was written by Handel in 24 days, between Aug. 22 and Sept. 14, 1741, and performed for the first time in 1741.

The performance is scheduled earlier than usual this year, Dr. Charles L. Kingsbury, chairman of the music department, said.

Last year the choir sang the "Infancy of Christ," by Berlioz. The full orchestra participated.

Previously the complete "Messiah" had not been attempted. But the Sunday program will include the complete Christmas section of the "Messiah." In 1957, only part of this section was performed.

This is the first time Professor Fisher is directing this program. The public is invited to attend.

Committee Will Research New Board Ruling

The State Awareness Commission's research committee will undertake a study of a new State Board of Education ruling concerning admission of high school graduates entering state controlled colleges and universities.

The ruling states that a high school senior graduating in the lower one fourth of his class must pass a written examination in order to enter a state controlled college or university.

The five areas which the committee will research are:

1. What, specifically, are the new requirements?
2. How do they differ from the present requirements?
3. Why have the changes been initiated?
4. What effect will they produce?
5. The ruling as it will effect the entrance requirements of private schools.

Two letters have been sent to the State Board of Education.

The letters note the work of the research committee under the supervision of the State Awareness Commission at Marshall.

Cagers Chalk Up First Victory Of Season

BIG GREEN CAPTAIN John Milhoan (kneeling) and teammates form an inverted "V" signifying the varsity's victory over St. Joseph's last Tuesday. Squad members who contributed to the lopsided win are (left to right) Chuck Gordon, Harry Roberts, Ron Lambert, Jim Gallion, Lew Mott, Tex Williams, Charlie Moore, Dave Pugh and Bruce Moody. They play rugged Cincinnati University tomorrow night.

Dec. 11 Set As Deadline For Replies

Seniors To OK Scholarship Plan?

The deadline for seniors to reply to a query concerning the establishment of "Class of '60" scholarships has been set for next Friday.

Approximately 500 cards have been sent to graduating seniors, outlining the proposed scholarship program and requesting their comments. So far, about 10 per cent of the seniors have replied, according to Senior Class Presi-

dent Howard Sutherland.

The deadline for replies has been set in order that suggestions may be evaluated as soon as possible to allow completion of plans for the scholarships.

After the final plans have been completed, another letter will be sent to seniors explaining the setup in detail. At this time donations will be requested.

The scholarships are slated to

begin with the fall semester 1960. They would continue through succeeding years through further donations by the members of the Class of '60.

The scholarships would cover tuition costs for selected incoming freshmen who would be chosen by applications submitted by the faculty and criteria set up by the Class of '60.

College Theatre To Present 'Girls In 509' On Jan. 14-16

The cast of "The Girls In 509" College Theatre's next production, has been selected. The political satire is to be presented Jan. 14-16.

Leading roles are shared by Betsy Daniels, Huntington sophomore; Judy O'Dell, Parkersburg senior; Jerry Rutherford, Barboursville senior; and John Davis, Cass sophomore.

The play centers around Mimsey (Miss Daniel) and her Aunt Hettie (Miss O'Dell) who upon election of Franklin Roosevelt, go into seclusion in room 509 of a hotel in New York City until, as they put it, "that man is out of office." Their only contact with the outside world is the lights flashing the news on Times Square. They lose this contact when a building is con-

structed beside the hotel blocking their view. Thus they remain in seclusion long after the death of Roosevelt.

The rest of the cast has a terrible time trying to convince the hermits that Roosevelt is dead.

William G. Kearns, Instructor in Speech, directs the play and is assisted by Carol Reynolds, senior, and Sharon Lambert, sophomore, both of Huntington.

Other members of the cast include Janet Steele, Logan freshman; Brian Bobes, Wheeling junior; Roderick Sharp, Wheeling freshman; Mike Youngblood, Rowlesburg sophomore; Charles Cummings, Huntington senior; Dick Kyle, Huntington senior; George Bowermaster, Huntington junior; and W. R. Lockhart, Jr., Huntington freshman.

LETTER TO EDITOR

Dear Sir:

I would like to openly commend the management of our Student Union for their efforts toward keeping the student on the campus. I have a question concerning one policy of the Student Union. I have visited several colleges and universities and Marshall is the first which I have encountered that seems to find it necessary to rent the facilities of their Student Union to non-students. My question is why is this action necessary? Can it be that the union operates at such a deficit so as to necessitate the rental of the union to outsiders, depriving the students, for whose benefit the founders of the Student Union intended it, of the use of the union one and perhaps two week-end nights a month? I do not believe this to be the case.

Such an action might be undertaken if Huntington did not have a number of places for non-students to hold dances and parties or the turnout at mixes on week-end nights were not sufficient to keep it open. Neither is the case. I can im-

mediately think of at least five public places downtown, within the budget of any non-student organization, which are available for rental. . . . I would say that since the policy of keeping the Union open on Friday and Saturday nights was initiated, the turnout at mixes any week-end night has been very good. It is possible that the reason for the rental of the Union to non-students is to have more funds with which to serve the students. If this is the case, perhaps a small fee should be charged the students in excess of their activity fee so that the union might remain open for the student's use at all times.

The closure of the union to students at anytime usually results in the women returning to the dorms and many of the men finding more vigorous activity in a local pub. The primary aim of our Student Union at Marshall at ALL times should be for the student's enjoyment and the Union should be at all times a "Student Union for the student."

College President Airs Plans For Reorganization Dec. 14

Members of the State Board of Education will be on campus December 14 for a one-day visit.

The board members were invited here by President Stewart H. Smith, who said that this will be the first such visit by the board in several years.

A reception has been planned for 2:15-3 p.m. in North Parlor, at which time the members of the board will have an opportunity to meet members of the college administration and faculty.

After the reception, the board members and faculty will meet jointly in Old Main Auditorium. At this time President Smith will present his recommendations for the reorganization of the college.

The recommendations that President Smith will make will be primarily based on the results of a study of the college made

in 1957. The study was conducted by Dr. Earl W. Anderson of Ohio State University and Dr. C. W. Kregger of Miami University, Oxford, Ohio.

In September, President Smith attended a one-day conference with Dr. Anderson and Dr. Kregger at Miami University. The purpose of the conference was to review the recommendations of the 1957 study and recommendations made by the Marshall Faculty Council last summer.

After the conference, President Smith said that reorganization of the college is necessary "to keep pace with the growth of the college."

Recommendations concerning reorganization of the college include: creation of colleges of Applied Sciences, Business Administration, and Fine Arts; establish-

2 Coeds Hurt, Out Of School

Joyce Reese and Rosemary Morris, two Huntington freshmen, have dropped out of school as the result of an automobile accident Nov. 11.

They will return to the campus second semester.

Both women are at home after being released from Cabell-Huntington Hospital where they were taken after a failure in the steering block of Joyce's car sent the car hurtling into a stone wall.

Joyce is confined at home with a crushed kneecap and a fractured rib. Rosemary suffered facial injuries as well as a broken left wrist and hip.

Science Fair Set; Letters Sent Out

In preparation for this year's Marshall College Regional Science fair, Dr. Donald Cox, associate professor of science and Science Fair Committee Chairman, has sent out 450 letters asking science teachers to begin making preparations.

Rule books entitled *Handbook for Exhibitors* are also being printed at the College duplicating center and will be distributed to all interested schools in the area.

Students of West Virginia, Kentucky and Ohio will have an opportunity to display their scientific ability when the Science Fair opens at Memorial Field House next April 1-2.

Since its beginning, the number of Science Fair exhibits has increased from 64 in 1954 to 514 last year.

ment of vice presidents for Academic Affairs and Student Services; and elevation to university status.

The Faculty Council study was headed by Dr. Paul D. Stewart, associate professor of political science. The council recommended in its report that reorganization be undertaken "as soon as feasible."

The visit by the State Board of Education Dec. 14 will be the first step toward the proposed reorganization.

AMERICAN LITERATURE: ITS CAUSE AND CURE

Today, as a service to students of American literature, this column presents digests of two classic American novels:

THE SCARLET LETTER

by Nathaniel "Swiftly" Hawthorne

This is a heart-rending story of a humble New England lass named Hester Prynne who is so poor that she does not have what to eat nor a roof to cover her head. But she is a brave, brawny girl and she never complains, and by and by her patience is rewarded: in the summer of 1859 she wins a football scholarship to Alabama.

Hard-working Hester soon wins her letter and everyone says she is a shoo-in for All-Conference honors, but along comes the War Between the States and football, alas, is dropped for the duration.

Everyone says she's a shoo-in for All-conference honors

Poor Hester goes back to New England. It is a bitter cold winter and poor Hester, alas, does not have any warm clothing except for her football sweater from Alabama, but that, alas, has a big scarlet "A" on the front of it and she can hardly wear such a thing in New England where Union sentiment runs so high.

Poor Hester, alas, freezes to death.

LITTLE WOMEN

by Louisa May "Bubbles" Alcott

The Marches are a very happy family—and for no discernible reason. They are poor as snakes; they work from cockcrow to evensong; their dear old father Philip is away with the Union armies; and they can't do a thing with their hair.

Still, nothing can dampen the spirits of madcap Meg, jocular Jo, buoyant Beth, animated Amy, and crazy old Marmee, as the merry March girls laughingly call their lovable mother.

Well sir, one Christmas the March girls get an invitation to a ball. They are dying to go because they never have any fun at all except maybe a few chuckles during the hog-rendering season. But Beth reminds her sisters that they can hardly go traipsing off to a ball and leave poor Marmee all alone at Christmas time. The sisters swear a lot, but they finally agree with Beth.

Marmee, however, will not hear of it. "Land's sakes, little women!" she cries. "You must go to the ball and have some fun. There will be fruit punch and Toll House cookies and Early American sandwiches. Best of all, there will be morris dancing. Oh, how your father and I used to love that!"

"I never knew father could dance," cries Meg.

"Oh yeah?" cries Marmee. "You should have seen Philip morris."

"Was Philip a good morriser?" cries Jo.

"The best!" cries Marmee. "Philip could morris in soft pack or flip-top box and was full of fine, fresh, natural mildness!"

The girls are cheered to hear this and go to the ball. Marmee stays home alone, but soon gets a wonderful surprise: Philip comes back from the war!

When the girls return from the ball, they find Marmee and Philip morrissing, and they cry "Huzzah!" and throw their poke bonnets in the air, where they are to this day.

And speaking of literature, in our book the best selection of cigarettes on the market today comes from Philip Morris Inc.—Marlboro filters; new Alpines, high filtration and light menthol—and, of course, mild, unfiltered Philip Morris.

Big O? Oh-Oh!

Marshall To Invade Bearcats' Lair

By **RON HUTCHISON**
Sports Editor

Fresh from a 27-point victory over St. Josephs, the Big Green will move to Cincinnati tomorrow night to battle the tough U.C. Bearcats.

Coach Jule Rivlin's squad used the fast break plus some outstanding defense work to stop the St. Joe quintet. Lew Mott and Chuck Gordon sparked with their hustling floor play highlighted by several timely swipes of the ball.

Burgess, Moody Star

Big Bob Burgess and Bruce Moody swept the backboards and kept the Pumas from getting necessary second shots. Moody, a dead-pan jumping-jack, re-

placed injured Herm Conner. Conner reinjured a knee in the pre-season Varsity-Frosh game. It is expected that Moody will start against the Bearcats at Cincinnati. Conner may make the trip, but will see only limited action, if he plays at all.

Hot Shot Subs

Marshall's wrecking crew of Ron Lambert, Jim Gallion, Charlie Moore, Harry Roberts and Dave Pugh showed that the bench strength may prove stronger than anticipated. These players came into the St. Joe game late in the second half and literally scorched the nets. They bombed in 11 consecutive points before the startled Pumas tallied.

In meeting the Bearcats, the Big Green will run into a team ranked third in the nation last year. Cincinnati for the past two years has walked away with the championship honors in the Missouri Valley Conference. This year, with the addition of 6-9 sophomore center Paul Hogue, the Bearcats are expected to be even stronger.

Another point in Cincinnati's favor is the fact that they have the nation's outstanding player in Oscar Robertson. Everyone's All-American last year, "Big O" scored 978 points and averaged 32.6 markers per game. In Cincinnati's first contest of the year against Indiana State, Robertson tallied 45 points.

"Big O" Better

It is expected that the presence of Hogue in the Bearcat lineup will take pressure off Robertson and give him more scoring opportunities. Last year the Rhinelanders topped Marshall 106-86. This year's Cincinnati first unit averages 6-5 in height. The Big Green's average is about 6-2.

Marshall's work is definitely cut out. All it has to do is stop Oscar, keep Hogue away from the backboards and then do some scoring on its own. After Tuesday's opener the Big Green squad could surprise a lot of people.

Tall, Strong Frosh Quintet To Tangle With Cincinnati

A nucleus of 10 men offers Coach William "Sonny" Allen a chance of having one of the top Marshall freshman quintets in history as the frosh five prep for its season's second tussle tomorrow evening at the University of Cincinnati.

The freshmen opened their 1959-60 season Tuesday night with a 101-33 win over Pikeville Junior College, in a game preceding the varsity tussle.

Leading the way for the yearlings was Billie Ray Daniels with 24 points. Using his jumping ability to pump in several long jump shots, Daniels hit repeatedly from the foul circle.

Following Daniels in the scoring race was Fred Burns and Chet "The Jet" Hildebrandt with 16 and 12 points respectively. Coach Allen cleaned the bench in an effort to give all squad members valuable playing experience.

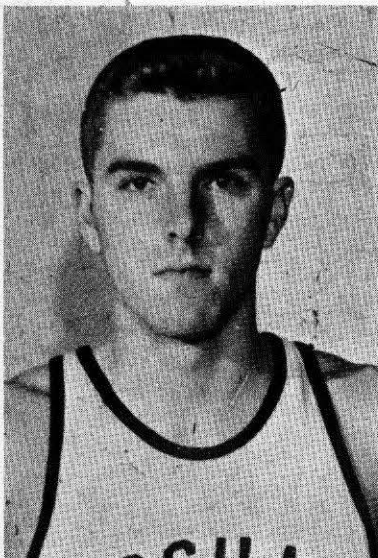

High hopes are looming for the frosh quintet as Allen, who is in his first year at the helm of the yearlings, has a tall, talented group of players.

Three of the 10 players stand at least 6-5 in height. Allen's tallest man is Larry Williams at 6-7½ inches, while Phil Carter stands 6-5½ and Willie Tucker measures 6-5.

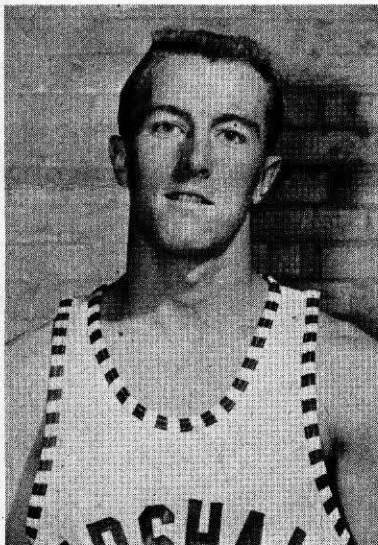

Others on the team are Steve Feola, Corky Layman, Billy Ray Daniels, Fred Burns, Chester Hildebrandt, Paul Lizzo, and Jerry Morrison.

Five games have been scheduled for the freshmen before the Christmas holidays. Besides the Pikeville and Cincinnati tussles, the Allenmen will visit Greenbrier Military Institute Dec. 12, and then play two home games.

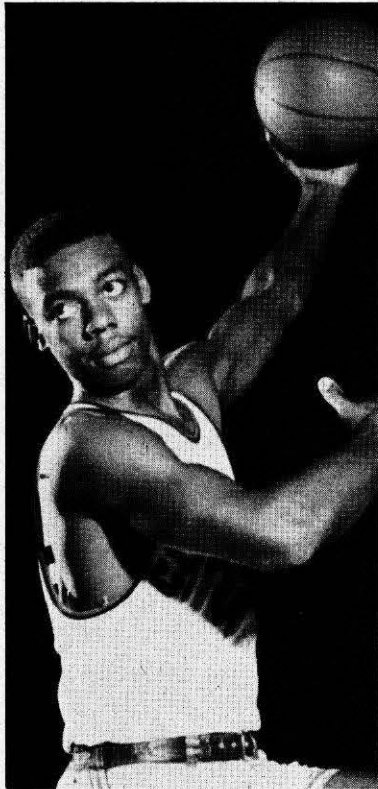

On Dec. 16, the freshman will play host to West Virginia Tech, and will then take on Portsmouth Interstate Business School, Dec. 19.

Maddox, Wilson Rank Among Leaders In Conference Play

Although Marshall's football team didn't win any honors, it did have several outstanding players, according to final Mid-American Conference statistics.

Quarterback Jim Maddox and Fullback Bob Wilson, both seniors, were among the conference leaders in four categories.

Maddox ranked fourth in passing with 21 completions for 51 attempts for a .412 average. The Big Green field general also owns the third best one game passing performance, this against Ohio U. In this game he connected for 10 of 17 passes for a total of 127 yards. Maddox, described as a "running quarterback," was the number 11 man in the MAC rushing figures. He gained 171 yards for a 3.4 average per carry. In the scoring parade, Maddox scored 20 points, good enough for fifth spot in the

MAC.

Wilson, a bruising fullback, topped all punters with 37.4 yards per boot. He also held the third best one game rushing performance for his work against Toledo. He carried the ball 23 times and gained 101 yards. In rushing statistics, Wilson was the tenth leading ground gainer with 172 yards and a 3.4 average. The hard-charging back finished in a tie for ninth spot in the conference scoring race.

Marshall's other leaders were all in the pass receiving standings. Bob Lester, speedy senior halfback, wound up in a tie for sixth position in the aerial grabbing race. Junior end Larry Jarrett and sophomore halfback Dick Thomas deadlocked for seventh place in this category. Halfback Dixon Edwards ended in a tie for eighth place.
