**ACADEMIC PLANNING COMMITTEE
RECOMMENDATION**

SR-18-19-21 APC

Recommends that the following programs be continued with corrective action:

- Undergraduate Certificate in Appalachian Studies
- Undergraduate Certificate in Asian Studies

RATIONALE:

The Academic Planning Committee (APC) recommends that the undergraduate certificate in Appalachian Studies develop a mission statement and learning goals that align with the mission and learning goals of Marshall University and an assessment plan to evaluate the effectiveness of the program. The APC especially encourages the program to specify the important role it will play in improving the community and region. Due to its low enrollment, the APC recommends that the undergraduate certificate in Asian Studies consult with marketing faculty from the Lewis College of Business to promote this program.
