**University Curriculum Committee
RECOMMENDATION**

SR-18-19-32 CC

Recommends approval of the listed **UNDERGRADUATE COURSE CHANGES** in the following college and/or schools/programs:

RATIONALE:

College of Arts and Media

Name of Course: MUS497 Capstone Project in Music

Rationale: A discipline-based experience designed to combine classroom and studio education in a summarizing project.

College of Health Professions

Name of Course: ESSxxx Sports in Society

Rationale: The Sports Management Program would like to have the alpha designators for the following courses changed from ESS to STHM. Currently, the program shares the same alpha designator (ESS) with other academic units within the School of Kinesiology. Sharing alpha designator has created many administration and advising problems. In addition, the BOG reviewers also recommend changing the alpha designator during the 5-year program review
ESS 218, 250, 270, 290, 380, 381, 390, 401, 410, 416, 425, 430, 440, 450, 452, 458, 475, 490, 496
